The holder of the indebtedness secured by this Deed of Trust shall be entitled to remove, substitute, or add a Trustee or Trustees, at its option, with or without cause or notice, by instrument duly executed, acknowledged and recorded among the land records of the county aforesaid. Such substitute Trustee or Trustees shall have all the estate, powers, duties, rights and privileges of the predecessor Trustee. It shall be the duty of each superseded Trustee to execute, acknowledge, and deliver an appropriate instrument of conveyance to the substitute Trustee or Trustees replacing him.

Grantor, in order more fully to protect the security of this Deed of Trust, does hereby covenant and agree as follows:

1. He will pay the indebtedness as hereinbefore provided. Privilege is reserved to prepay at any time, without premium or fee, the entire indebtedness or any part thereof not less than the amount of one installment, or one hundred dollars (\$100.00), whichever is less.
2. Together with, and in addition to, the monthly payments of principal and interest payable under the terms of the note secured hereby, he will pay to the holder as trustee (under the terms of this trust as hereinafter stated) on the first day of each month until the said note is fully paid:

- (a) A sum equal to the ground rents if any and the taxes and assessments next due on the premises covered by this Deed of Trust, plus the premiums that will next become due and payable on policies of fire and other hazard insurance on the premises covered hereby (all as estimated by the holder, and of which the grantor is notified), less all sums already paid therefor, divided by the number of months to elapse before one month prior to the date when such ground rents, premiums, taxes and assessments will become delinquent, such sums to be held by the holder in trust to pay said ground rents, premiums, taxes, and assessments, before the same become delinquent.
- (b) The aggregate of the amounts payable pursuant to subparagraph (a) and those payable on the note secured hereby, shall be paid in a single payment each month, to be applied to the following items in the order stated:
- (I) ground rents, taxes, assessments, fire and other hazard insurance premiums.
 - (II) Interest on the indebtedness secured hereby; and
 - (III) amortization of the principal of said indebtedness.

Any deficiency in the amount of any such aggregate monthly payment shall, unless made good by the grantor prior to the due date of the next such payment, constitute an event of default under this Deed of Trust. At holder's option, grantor will pay a "late charge" not exceeding four per centum (4%) of any installment when paid more than fifteen (15) days after the due date thereof to cover the extra expense involved in handling delinquent payments, but such "late charge" shall not be payable out of the proceeds of any sale made to satisfy the indebtedness secured hereby, unless such proceeds are sufficient to discharge the entire indebtedness and all proper costs and expenses secured thereby.

3. If the total of the payments made by the grantor under (a) of paragraph 2 preceding shall exceed the amount of payments actually made by the holder as trustee for ground rents, taxes, or assessments, or insurance premiums, as the case may be, such excess shall be credited on subsequent payments to be made by the grantor for such items, or, at the option of the holder as trustee shall be refunded to grantor. If, however, such monthly payments shall not be sufficient to pay such items when the same shall become due and payable, then the grantor shall pay to the holder of the note as trustee any amount necessary to make up the deficiency within thirty (30) days after written notice from the holder stating the amount of the deficiency, which notice may be given by mail. If at any time the grantor shall tender to the holder of the note, in accordance with the provisions of the note secured hereby, full payment of the entire indebtedness represented thereby, such holder as trustee shall, in computing the amount of such indebtedness, credit to the account of the grantor any credit balance accumulated under the provisions of (a) of paragraph 2 hereof. If there shall be a default under any of the provisions of this Deed of Trust resulting in a public sale of the premises covered hereby, or if the holder acquires the property otherwise after default, it shall apply, as trustee, at the time of the commencement of such proceedings, or at the time the property is otherwise acquired, the amount then remaining to credit of grantor under (a) of paragraph 2 preceding, as a credit on the interest accrued and unpaid and the balance to the principal remaining unpaid on said note.

4. He will pay all ground rents, taxes, assessments, water rates, and other governmental or municipal charges, fines, or impositions, levied upon said premises except when payment for all such items has theretofore been made under (a) of paragraph 2 hereof, and he will promptly deliver the official receipts therefor to the holder.

5. He will continuously maintain hazard insurance, of such type or types and amounts as the holder may from time to time require, on the improvements now or hereafter on said premises and except when payment for all such premiums has theretofore been made under (a) of paragraph 2 hereof, will pay promptly when due any premium therefor. All insurance shall be carried in companies approved by the holder. The policies and renewals thereof shall be held by the holder and have attached thereto loss payable clauses in favor of and in form acceptable to the holder. In event of loss he will give immediate notice by mail to the holder, who may make proof of loss if not made promptly by the grantor. Each insurance company concerned is hereby authorized and directed to make payment for such loss directly to the holder instead of to the grantor and the holder jointly. The insurance proceeds, or any part thereof, may be applied by the holder at its option either to the reduction of the indebtedness hereby secured or to the restoration or repair of the property damaged. In the event of foreclosure of this Deed of Trust, or other transfer of title to said premises in extinguishment of the indebtedness secured hereby, all right, title, and interest of the grantor in and to any insurance policies then in force shall pass to the purchaser or grantee.

6. He shall not commit or permit waste; and shall maintain the property in as good condition as at present, reasonable wear and tear excepted. Upon any failure to so maintain, holder, at its option, may cause reasonable maintenance work to be performed at the cost of grantor.

7. Holder may perform any defaulted covenant or agreement of grantor to such extent as holder shall determine, and any moneys advanced by holder for such purposes shall bear interest at the rate provided for in the principal indebtedness, shall thereupon become a part of the indebtedness secured by this instrument, ratably and on a parity with all other indebtedness secured hereby, and shall be payable thirty (30) days after demand.

8. Upon the request of the holder, the grantor shall execute and deliver a supplemental note or notes for the sum or sums advanced by the holder for the alteration, modernization or improvement made at the grantor's request; or for maintenance of said premises or taxes or assessments against the same and for any other purpose elsewhere authorized hereunder. Said note or notes shall be secured hereby on a parity with and as fully as if the advance evidenced thereby were included in the note first described above. Said supplemental note or notes shall bear interest at the rate provided for in the principal indebtedness and shall be payable in approximately equal monthly payments for such period as may be agreed upon by the holder and grantor. Failing to agree on the maturity, the whole of the sum or sums so advanced shall be due and payable thirty (30) days after demand by the holder. In no event shall the maturity extend beyond the ultimate maturity of the note first described above.

9. If the premises, or any part thereof, be condemned under any power of eminent domain, or acquired for a public use, the damages, proceeds and the consideration for such acquisition, to the extent of the full amount of indebtedness upon this Deed of Trust and the note secured hereby remaining

unpaid, are hereby assigned by the grantor to the holder of the note and shall be paid forthwith to the holder to be applied by it on account of the last maturing installments of such indebtedness.

10. The trusts created hereby are irrevocable by the grantor.

11. He will pay all reasonable costs, charges and expenses, including attorney's fees, reasonably incurred or paid at any time by the holder, because of the failure on the part of the grantor to perform, comply with, and abide by, each and every the stipulations, agreements, conditions and covenants of said promissory note and this Deed of Trust, or either.

12. The grantor hereby assigns to the Trustee any and all rents of the above-described premises and hereby authorizes the Trustee, without waiving or affecting the right to foreclosure or any other right hereunder, to take possession of the premises at any time after there is a default in the payments of the debt or in the performance of any of the obligations herein contained, and to rent the premises for the account of the grantor.

13. The lien of this instrument shall remain in full force and effect during any postponement or extension of the time of payment of the indebtedness or any part thereof secured hereby. The holder may, without notice to, or consent of grantor, extend the time of payment of any indebtedness secured hereby to any successor in interest of the grantor, without discharging the grantor from liability thereon.

14. Notice of the exercise of any option granted herein, or in the note secured hereby, to the holder is not required.

15. The rights and remedies granted hereunder or by law shall not be exclusive but shall be concurrent and cumulative.

16. If the indebtedness secured hereby be guaranteed or insured under Title 38, United States Code, such Title and Regulations issued thereunder and in effect on the date hereof shall govern the rights, duties and liabilities of the parties hereto, and any provisions of this or other instruments executed in connection with said indebtedness which are inconsistent with said Title or Regulations are hereby amended to conform thereto.

The benefits of the covenants herein contained shall accrue to, and the obligations thereof shall bind, the heirs, representatives, successors and assigns of the parties hereto and the holder hereof. Whenever used, the singular number shall include the plural, the plural the singular, and the use of any gender shall include all other genders, and the term "holder" shall include any payee of the indebtedness hereby secured or any transferee thereof whether by operation of law or otherwise.

IN WITNESS WHEREOF, the said grantor has hereunto set his hand and seal on the day and year first hereinbefore written.
