122.066 1. If the county clerk approves an application, he shall notify the secretary of state of such approval within 10 days thereafter. After receipt of such notification, the secretary of state shall immediately certify the name of such minister to each county clerk and county recorder in the state.

2. A certificate of permission shall be valid until the county clerk has received:

(a) A written statement that the minister is no longer in good standing within his denomination, signed by a trustee, warden, responsible superior or other officer of such minister's congregation authorized to speak for it; or

(b) A written statement that the minister to whom a certificate of permission was granted is no longer a minister, signed by a trustee, warden, responsible superior or other officer of such former minister's congregation authorized to speak for it.
