TO PROTECT THE SECURITY OF THIS DEED OF TRUST THE PARTIES AGREE AS FOLLOWS:

A. RIGHTS AND DUTIES OF THE PARTIES.

1. **Title.** Trustor warrants that, except as otherwise disclosed to Beneficiary in writing, Trustor lawfully holds and possesses the Subject Property in fee simple, without limitation on the right to encumber.

2. **Taxes and Assessments.** Trustor shall pay, at least ten (10) days prior to delinquency, all taxes, assessments, levies and charges imposed by any public or quasi-public authority or utility company which are or may become a lien upon the Subject Property, any part thereof or interest therein. Trustor shall also pay, at least ten (10) days prior to delinquency, all taxes, assessments, levies and charges imposed by any public authority upon Beneficiary by reason of its interest in the Subject Property created hereby or by reason of any payment, or portion thereof, made to Beneficiary hereunder or pursuant to any obligation hereby secured; provided, however, that Trustor shall have no obligation to pay or discharge taxes which may be imposed from time to time upon Beneficiary and which are measured by and imposed upon Beneficiary's net income. Trustor's obligation hereunder may be discharged pursuant to paragraph A.4.

3. **Insurance.** Trustor shall insure the Subject Property against loss or damage by fire and such other risks as Beneficiary shall from time to time require. Trustor shall carry public liability and other insurance as Beneficiary may require. Trustor shall maintain all required insurance in companies, amounts, coverages and forms satisfactory to Beneficiary. Neither Beneficiary nor Trustee shall, by reason of accepting, rejecting, approving or obtaining insurance incur any liability for (i) the existence, nonexistence, form or legal sufficiency thereof, (ii) the solvency of any insurer, or (iii) the payment of losses. All such policies or certificates of insurance shall name Beneficiary as the primary loss payee, and they shall also provide that they cannot be terminated as to Beneficiary except upon thirty (30) days' prior written notice to Beneficiary. Trustor shall deliver the original of all such policies or certificates to Beneficiary, together with receipts satisfactory to Beneficiary, evidencing payment of the premiums therefor, except where Beneficiary makes payments as provided in paragraph A.4.

4. **Security Account.** At Beneficiary's option and upon its demand and except where and to the degree prohibited by law, Trustor, shall, until every indebtedness secured hereby has been paid in full, pay to Beneficiary each month an amount estimated by Beneficiary to be equal to (i) the taxes, assessments, levies, and charges referred to in paragraph A.2., and (ii) premiums for fire, other hazard and mortgage insurance next due; said tax and insurance estimate shall be divided by, in each instance, the number of months to lapse preceding the month in which the same, respectively, will become due. All sums so paid shall not bear interest, except to the extent and in the minimum amount required by law; and Beneficiary shall, unless Trustor is otherwise in default hereunder or under any obligation secured hereby, apply said funds to the payment of, or at the sole option of Beneficiary release said funds to Trustor for application to and payment of, such sums, taxes, assessments, levies, charges and insurance premiums. However, upon default by Trustor hereunder or under any obligation secured hereby, Beneficiary may, at its sole option apply all or any part of said sums to any indebtedness secured hereby; and to cure default, Trustor shall be required to restore all of the amounts so applied, as well as correct the other events or conditions of default not corrected by such application.

5. **Liens and Encumbrances.** Trustor shall pay at or prior to maturity, all obligations secured by or reducible to liens and encumbrances which shall now or hereafter encumber or appear to encumber the Subject Property or any part thereof or interest therein, whether senior or subordinate hereto, including, but without limiting the generality of the foregoing, all claims for work or labor performed, or materials or supplies furnished, in connection with any work of demolition, alteration, improvement of or construction upon the Subject Property.

6. **Disposition of Insurance and Condemnation Proceeds.** Trustor assigns to Beneficiary (i) all awards for damages suffered or compensation paid by reason of a taking for public use of, or an action in eminent domain affecting all or any part of, the Subject Property or any interest therein, and (ii) all proceeds of any insurance policies paid by reason of loss sustained to the Subject Property or any part thereof. Beneficiary may

apply any such sum to any indebtedness or obligation secured hereby and in such order as Beneficiary may at its sole option, determine. Beneficiary shall be entitled to settle and adjust all claims under insurance policies provided hereunder. However, Beneficiary may, at the absolute discretion of Beneficiary and regardless of any impairment of security or lack of impairment of security, release to Trustor all or any part of the entire amount so collected upon any conditions Beneficiary chooses. Application of all or any portion of said funds, or the release thereof, shall not cure or waive any default or notice of default hereunder or invalidate any acts done pursuant to such notice.

7. Maintenance and Preservation of the Subject Property. Trustor covenants: (i) to keep the Subject Property in good condition and repair; (ii) not to remove or demolish the Subject Property or any part thereof; (iii) to complete or restore promptly and in good and workmanlike manner the Subject Property or any part thereof which may be damaged or destroyed; (iv) to comply with and not suffer violations of (a) all laws, ordinances, regulations, standards, and (b) all covenants, conditions, restrictions and equitable servitudes, whether public or private, of every kind and character and (c) all requirements of insurance companies and any bureau or agency which establishes standards of insurability, which laws, covenants or requirements affect the Subject Property and pertain to acts committed or conditions existing thereon, including (but without limitation) such work or alteration, improvement or demolition as such laws, covenants or requirements mandate; (v) not to commit or permit waste thereof; (vi) to do all other acts which from the character or use of the Subject Property may be reasonably necessary to maintain, preserve and enhance its value; (vii) to perform all obligations required to be performed in a Building Loan Agreement or leases or conditional sales or like agreements affecting the Subject Property or the construction, operation, occupation or use thereof (and in the event of default all right, title and interest of Trustor under any such leases, conditional sales or like agreements shall be automatically assigned to Beneficiary hereunder, together with any deposits made in connection therewith); (viii) not to create any deed of trust or encumbrance upon the Subject Property subsequent hereto, without specifically providing therein that the same is subject to this deed of trust for the full amount secured hereby, including (but without limitation) extensions, renewals and future advances, together with interest thereon, and subject to all of the terms and provisions hereof; (ix) not to create any deed of trust or encumbrance upon the Subject Property in connection with a transaction which impairs or adversely affects the security hereof by impairing or adversely affecting Trustor's readiness, willingness or ability to perform the covenants hereof or the obligations hereby secured; (x) to make no further assignment of rents of the Subject Property, except specifically subject to the assignment of rents hereunder and the provisions hereof; (xi) to execute and where appropriate, acknowledge and deliver such further instruments as Beneficiary or Trustee deems necessary or appropriate to preserve, continue, perfect and enjoy the security provided for herein, including, but without limitation, assignments of Trustor's interest in leases of the Subject Property.

8. Defense and Notice of Actions. Trustor shall, without liability, cost or expense to Beneficiary or Trustee, protect, preserve and defend title to the Subject Property, the security hereof or the rights or powers of Beneficiary or Trustee hereunder. Said protection, preservation and defense shall include protection, preservation and defense against all adverse claimants to title or any possessory or non-possessory interest therein, whether or not such claimants or encumbrances assert title paramount to that of Trustor or claim their interest on the basis of events or conditions arising subsequent to the date hereof. Trustor shall give Beneficiary and Trustee prompt notice in writing of the filing of any such action or proceeding.

9. Collection of Rents, Issues and Profits. Beneficiary confers upon Trustor the authority to collect and retain the rents, issues and profits of the Subject Property as they become due and payable, subject, however, to the right of Beneficiary to revoke said authority at any time in its sole discretion and without notice to Trustor. Beneficiary may revoke said authority and collect and retain the rents, issues and profits of the Subject Property assigned herein to Beneficiary whether or not Trustor is in default hereunder or under any of the obligations secured hereby, and without taking possession of all or any part of the Subject Property. The right to collect rents and profits as herein provided shall not grant to Beneficiary or Trustee the right to possession, except as expressly herein provided; nor shall said right impose upon Beneficiary or Trustee the duty to produce rents or profits or maintain the Subject Property in whole or in part.

Beneficiary may apply, in its sole discretion, any rents, issues and profits collected against any indebtedness secured hereby or any obligations of Trustor arising hereunder or any other obligation of Trustor to Beneficiary, whether existing on the date hereof or hereafter arising. Collection of any rents, issues and profits by Beneficiary shall not cure or waive any default or notice of default hereunder or invalidate any acts done pursuant to such notice.

10. Right of Inspection. Beneficiary, its agents or employees, may enter the Subject Property at any reasonable time for the purpose of inspecting the Subject Property and ascertaining Trustor's compliance with the terms hereof.

11. Acceptance of Trust, Notice of Indemnification. Trustee accepts this trust when this Deed of Trust, duly executed and acknowledged, becomes a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless Trustee brings such action. Trustee shall not be obligated to perform any act required of it hereunder unless the performance of such act is requested in writing and Trustee is reasonably indemnified against loss, cost, liability and expense.

12. Powers of Trustee. From time to time upon written request of Beneficiary and presentation of this deed of trust for endorsement, and without affecting the personal liability of any person for payment of any indebtedness or performance of the obligation secured hereby, Trustee may, without liability therefor and without notice: reconvey all or any part of the Subject Property; consent to the making of any map or plat thereof; join in granting any easement thereon; join in any declaration of covenants and restrictions; or join in any extension agreement or any agreement subordinating the lien or charge hereof. Trustee or Beneficiary may from time to time apply to any court of competent jurisdiction for aid and direction in the execution of the trusts hereunder and the enforcement of the rights and remedies available hereunder, and Trustee or Beneficiary may obtain orders or decrees directing or confirming or approving acts in the execution of said trusts and the enforcement of said remedies. Trustee has no obligation to notify any party of any pending sale or any action or proceeding unless held or commenced and maintained by Trustee under this deed of trust. Trustor shall pay to Trustee reasonable compensation and reimbursement for services and expenses in the administration of the trusts created hereunder, including reasonable attorneys' fees. Trustor indemnifies Trustee and Beneficiary against all losses, claims, demands and liabilities which either may incur, suffer, or sustain in the execution of the trusts created hereunder or in the performance of any act required or permitted hereunder or by law.

13. Substitution of Trustees. From time to time, by a writing signed and acknowledged by Beneficiary and recorded in the Office of the Recorder of the County in which the Subject Property is situated, Beneficiary may appoint another trustee to act in the place and stead of Trustee or any successor. Such writing shall refer to this deed of trust and set forth the date, book and page of its recordation. The recordation of such instrument of substitution shall discharge Trustee herein named and shall appoint the new trustee as the trustee hereunder with the same effect as if originally named Trustee herein. A writing recorded pursuant to the provisions of this paragraph shall be conclusive proof of the proper substitution of such new trustee.

14. Acceleration Upon Sale or Encumbrance. Upon sale, transfer, hypothecation, assignment or encumbrance, whether voluntary, involuntary or by operation of law, of all or any part of the Subject Property or any interest therein, then at its sole option Beneficiary may, by written notice to Trustor, declare all obligations secured hereby immediately due and payable, except to the extent that such acceleration and in such particular circumstances where exercise of such a right by Beneficiary is prohibited by law. The provisions hereof shall prevail notwithstanding any contrary provisions in any note or other instrument which evidences the obligations hereby secured. Trustor shall notify Beneficiary promptly in writing of any transaction or event which may give rise to a right of acceleration hereunder. In addition to other damages and costs resulting from Trustor's breach of Trustor's obligations under this paragraph, Trustor acknowledges that failure to give such notice may damage Beneficiary in an amount equal to not less than the difference between the interest payable on the obligations hereby secured and the interest which Beneficiary could obtain on said sum on the date when the event of acceleration occurred. Trustor shall pay to Beneficiary all damages Beneficiary sustains by reason of the breach of the covenant of notice set forth herein.

15. Reconveyance. Upon Beneficiary's written request, and upon surrender to Trustee for cancellation of this deed of trust and any note, instrument, or instruments, setting forth all obligations secured hereby, Trustee shall reconvey, without warranty, the Subject Property or that portion thereof then held hereunder. The recitals of any matters or facts in any reconveyance executed hereunder shall be conclusive proof of the truthfulness thereof. To the extent permitted by law, the reconveyance may describe the grantee as "the person or persons legally entitled thereto". Neither Beneficiary nor Trustee shall have any duty to determine the rights of persons claiming to be rightful grantees of any reconveyance. When the Subject Property has been fully reconveyed, the last such reconveyance shall operate as a reassignment of all future rents, issues and profits of the Subject Property to the person or persons legally entitled thereto, unless such reconveyance expressly provides to the contrary.

B. DEFAULT PROVISIONS.

1. Rights and Remedies. At any time after default in the payment or performance of any obligation secured or imposed hereby, Beneficiary and Trustee shall have the following rights and remedies:

- (a) With or without notice, to declare all obligations secured hereby immediately due and payable;
- (b) With or without notice, and without releasing Trustor from any obligation hereunder, to cure any default of Trustor and, in connection therewith, to enter upon the Subject Property and to do such acts and things as Beneficiary or Trustee deem necessary or desirable to protect the security hereof including, but without limitation, to appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee hereunder; to pay, purchase, contest or compromise any encumbrance, charge, lien or claim of lien which, in the judgment of either Beneficiary or Trustee, is prior or superior hereto, the judgment of Beneficiary or Trustee being conclusive as between the parties hereto; to pay any premiums or charges with respect to insurance required to be carried hereunder; and to employ counsel, accountants, contractors and other appropriate persons to assist them;
- (c) To commence and maintain an action or actions in any court of competent jurisdiction to foreclose this instrument as a mortgage or to obtain specific enforcement of the covenants of Trustor hereunder, and Trustor agrees that such covenants shall be specifically enforceable by injunction or any other appropriate equitable remedy and that for the purposes of any suit brought under this subparagraph, Trustor waives the defense of laches and any applicable statute or limitations;

(d) To enter upon, possess, manage and operate the Subject Property or any part thereof; to make, terminate, enforce or modify leases of the Subject Property upon such terms and conditions as Beneficiary deems proper; to make repairs, alterations and improvements to the Subject Property necessary, in Trustee's or Beneficiary's judgment, to protect or enhance the security hereof.

All sums realized by Beneficiary under this subparagraph, less all costs and expenses incurred by it under this subparagraph, including reasonable attorney's fees, and less such sum as Beneficiary deems appropriate as a reserve to meet future expenses under the subparagraph, shall be applied on any indebtedness secured hereby in such order as Beneficiary shall determine. Neither application of said sums to said indebtedness nor any other action taken by Beneficiary under this subparagraph shall cure or waive any default or notice of default hereunder or nullify the effect of any such notice of default. Beneficiary or Trustee, or any employee or agent of Beneficiary or Trustee, or a receiver appointed by a court, may take any action or proceeding and without regard to (i) the adequacy of the security for the indebtedness secured hereunder, (ii) the existence of a declaration that the indebtedness secured hereby has been declared immediately due and payable, or (iii) the filing of a notice of default;

(e) To execute a written notice of such default and of its election to cause the Subject Property to be sold to satisfy the obligations secured hereby. Trustee shall give and record such notice as the law then requires as a condition precedent to a Trustee's sale. When the minimum period of time required by law after such notice has elapsed, Trustee, without notice to or demand upon Trustor except as otherwise required by law, shall sell the Subject Property at the time and place of sale fixed by it in the notice of sale, either in whole or in separate parcels and in such

order as it or beneficiary may determine, at public auction to the highest bidder for cash, in lawful money of the United States, payable at time of sale (the obligations hereby secured being the equivalent of cash for purposes of said sale). Trustor shall have no right to direct the order in which the Subject Property is sold. Trustee may postpone sale of all or any portion of the Subject Property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at such time fixed by the preceding postponement. Trustee shall deliver to the purchaser at such sale a deed conveying the Subject Property or portion thereof so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustee, Trustor or Beneficiary may purchase at such sale.

After deducting all costs, fees and expenses of Trustee, and of this trust, including cost of evidence of title and reasonable attorneys' fees in connection with sale, Trustee shall apply the proceeds of sale to payment of: all sums so expended under the terms hereof not then repaid, with accrued interest at the rate of ten percent (10%) per annum; the payment of all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto; and

(f) To resort to and realize upon the security hereunder and any other security now or hereafter held by Beneficiary in such order and manner as Trustee and Beneficiary or either of them may, in their sole discretion, determine; resort to any or all such security may be taken concurrently or successively and in one or several consolidated or independent judicial actions or lawfully taken non-judicial proceedings, or both.

2. **Payment of Costs, Expenses and Attorneys' Fees.** All costs and expenses incurred by Trustee and Beneficiary pursuant to subparagraphs (a) through (f) inclusive of paragraph 1 (including but without limitation, court costs and attorneys' fees, whether incurred in litigation or not) shall bear interest at the lesser of ten percent (10%) per annum or the maximum lawful rate from the date of expenditure until said sums have been paid. Beneficiary shall be entitled to bid, at the sale of the Subject Property held pursuant to subparagraph (e) above, the amount of said costs, expenses and interest in addition to the amount of the other obligations hereby secured as a credit bid, the equivalent of cash.

3. **Remedies Cumulative.** All rights and remedies of Beneficiary and Trustee hereunder are cumulative and in addition to all rights and remedies provided by law.

4. **Releases, Extensions, Modifications and Additional Security.** Without affecting the liability of any person for payment of any indebtedness secured hereby, or the lien or priority of this deed of trust upon the Subject Property, Beneficiary may, from time to time, with or without notice, do one or more of the following: release any person's liability for the payment of an indebtedness secured hereby, make any agreement or take any action extending the maturity or otherwise altering the terms or increasing the amount of any indebtedness secured hereby, and accept additional security or release all or a portion of the Subject Property and/or other security held to secure the indebtedness secured hereby.

C. MISCELLANEOUS PROVISIONS.

1. **Non-Waiver.** By accepting payment of any sum secured hereby after its due date or late performance of any obligation secured hereby, Beneficiary shall not waive its right against any person obligated directly or indirectly hereunder or on any obligation hereby secured, either to require prompt payment when due of all other sums so secured or to declare default for failure to make such prompt payment. No exercise of any right or remedy by Beneficiary or Trustee hereunder shall constitute a waiver of any other right or remedy herein contained or provided by law.

2. **Execution of Documents.** Trustor agrees, upon demand by Beneficiary or Trustee, to execute any and all documents and instruments required to effectuate the provisions hereof.

3. **Statements of Condition.** From time to time as required by law, Beneficiary shall furnish to Trustor such statements as may be required concerning the condition of the obligations secured hereby. Upon demand by Beneficiary, Trustor covenants and agrees to pay the maximum amount allowed by law for such statements.

4. **Obligations of Trustor, Joint and Several.** If more than one person has executed this deed of trust as "Trustor", the obligations of all such persons hereunder shall be joint and several.

5. **Recourse to Separate Property.** Any married person who executed this deed of trust as a Trustor and who also executes a note or other evidence of indebtedness reciting that its payment is secured by this deed of trust agrees that Beneficiary or Trustee may have recourse hereunder against said person's separate property and any community property of which said person is manager, whether or not such property is part of the Subject Property, and with respect to any indebtedness so secured, recourse by Beneficiary or Trustee to such separate or community property shall be subject only to restrictions imposed by law on collection of secured obligations.

6. **Beneficiary Defined.** The word "Beneficiary" hereunder means the beneficiary named herein or any future owner or holder, including pledgee, of any note, notes or instrument secured hereby.

7. **Rules of Construction.** When the identity of the parties hereto or other circumstances make it appropriate the masculine gender includes the feminine and/or neuter, and the singular number includes the plural. Specific enumeration of rights, powers and remedies of Trustee and Beneficiary and of acts which they may do and of acts Trustor must not do shall not exclude or limit the general. The headings of each paragraph are for information and convenience and do not limit or construe the contents of any provision hereof.

8. **Severability.** If any term of this deed of trust, or the application thereof to any person or circumstances, shall, to any extent, be invalid or unenforceable, the remainder of this deed of trust, or the application of such term to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected thereby, and each term of this deed of trust shall be valid and enforceable to the fullest extent permitted by law.

9. **Successors in Interest.** The terms, covenants, and conditions herein contained shall be binding upon and inure to the benefit of the heirs, successors and assigns of the parties hereto.

**RIDER
TO
DEED OF TRUST
With Assignment of Rents**

NOTICE TO BORROWER: THIS DOCUMENT CONTAINS PROVISIONS FOR A VARIABLE INTEREST RATE

This RIDER is attached to and made a part of that Deed of Trust dated August 28, 1978, in which
MARK J. DE MEO AND EDITH G. DE MEO

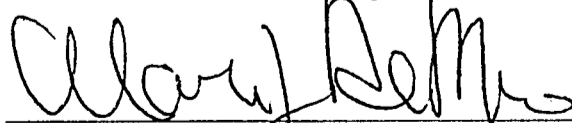

_____ is called "Trustor," AMERICAN SECURITIES COMPANY, a corporation, is called "Trustee," and WELLS FARGO BANK, N.A., is called "Beneficiary." The Deed of Trust secures payment to Beneficiary of an indebtedness of \$ 175000.00. Such indebtedness and the promissory note which evidences it are mentioned under the heading of "OBLIGATIONS SECURED" on the first page of the Deed of Trust.

The aforementioned promissory note specifies an initial interest rate of 10.800 % per annum but contains variable interest rate provisions which can change the interest rate from time to time. Such provisions, in which reference to "undersigned" means reference to the borrower, are quoted as follows:

"The undersigned agrees that this is a variable interest rate note and that the interest rate in effect, beginning with the initial interest rate set forth above, shall be decreased and may be increased from time to time in accordance with comparative changes in the weighted cost of funds (savings, borrowings and Federal Home Loan Bank advances) to California members of the Federal Home Loan Bank of San Francisco ("FHLB-SF"), as published periodically by FHLB-SF. Such weighted cost of funds, as tabulated from statistics compiled by FHLB-SF, shall be hereinafter referred to as "the index". A decrease or an increase in the interest rate shall be determined by comparing the index last published prior to the effective date for a rate change (see subparagraph 3 below) with the index last published prior to the date of this note and shall be subject to the following conditions:

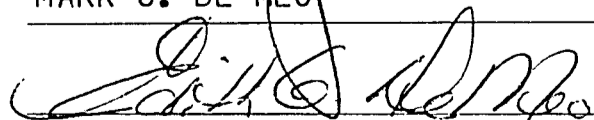

1. The interest rate shall not change during the first year of the loan. Such year will commence with the date of this note.
2. The interest rate shall be decreased and may be increased in a semiannual period in increments of 1/10 of 1% per annum for each 1/10 of 1% per annum cumulative decrease or increase determined by the above-mentioned comparison, except that a decrease or an increase may equal but not exceed 1/4 of 1% per annum in a semiannual period. A change smaller than 1/10 of 1% or greater than 1/4 of 1% in a semiannual period may be applied to changes in the interest rate in succeeding semiannual periods.
3. The interest rate shall not change more often than once during any semiannual period and at least six months shall elapse between any two such changes. Effective dates for changes in the interest rate in each year of the term of this note shall be the first days of the months of May and November.
4. Changes in the interest rate shall result in a rate not more than 2.5 percentage points above and not more than 2.5 percentage points below the initial interest rate in this note.
5. Written notice of a change in the interest rate will be mailed, at least 30 days prior to the effective date of the change, to the undersigned, to the then record owner of the property described in the Deed of Trust or other instruments securing this note, and to any other person then personally liable on this note. The notice shall state: (a) the change in the interest rate; (b) the effective date of such change; (c) the change, if any, in the amount of each monthly payment; (d) the change, if any, that can be made to the maturity date; and (e) when applicable, the right of the undersigned to prepay this note without prepayment charge, as set forth in subparagraph 8 below.
6. The payee of this note may waive an increase in the interest rate when such an increase can be made but such a waiver shall not be considered a waiver of the right of the payee to increase the interest rate at a future date when entitled to do so.
7. A decrease or an increase in the interest rate will result in a change in the amount of the monthly payments on the loan, beginning with the initial amount specified above. When, however, such loan is used to finance the purchase of real property containing four or fewer residential units or the construction on real property of four or fewer residential units, the undersigned, upon notification of an increase in the interest rate, shall have the option, restricted solely to such loan use, to extend the term of this note for such additional period as may be required to amortize the loan without increasing the then monthly payments but not to exceed a maximum term of 40 years. In the event the term of this note has been extended to 40 years and it is not possible, as a result of an increase in the interest rate subsequent to such extension, to amortize the loan without increasing the existing monthly payment, the increase in the interest rate, at the option of the payee of this note, may be effected and the monthly payment increased.
8. The loan may be prepaid in whole or in part without charge within 90 days of notification to the undersigned of any increase in the interest rate."

In the event of the sale or transfer of the property described in the Deed of Trust, and without waiving the right to exercise the option provided in paragraph 14 under part A therein, Beneficiary shall consider an application from any creditworthy purchaser or transferee of such property to assume payment of all sums then due under the terms and conditions of the note which the Deed of Trust secures. In the event the payee, in its sole discretion, determines that the purchaser or transferee is creditworthy, it shall approve such party's assumption application. The interest rate to be charged to the assuming party on the unpaid balance of the loan evidenced by such note will be that charged to the obligor on the note immediately prior to the time of the assumption.
