NOTICE OF INTENT TO HOLD

I, RONALD L. WEBB, have an agreement with a licensed driller to drill a number of test holes on claims listed below. The driller is unable to start drilling program until sometime this spring. These test holes will be done in partnership with Terry Stevens and the assessment work to be done on his adjoining claims.

I personally was ^{epw}unable to complete assessment work on claims because of financial problems concerning real property at 1307 Jobs Peak Drive, Gardnerville, Nevada.
