RE: CERTIFICATE OF AMENDMENT  
Parcel Map for L & A Engineering  
& Equipment, Inc.  
Document No. 52056, Book 1280,  
Page 1787, Date December 30, 1980.

Dear Mr. Phillips:

Pursuant to the provisions of NRS 278.473, we request the following correction be made to the distance shown between the East line of the property parceled and the Section Corner on Johnson Lane designated as  $\frac{32}{5} \frac{33}{4}$

The distance shown should be 2,923.35 feet and the distance should be between the East property line and the 1/4 corner shown as  $\frac{1}{4} \frac{S-33}{S-4}$

This correction does not change the location of any survey monument, property line or boundary line. When this certificate is recorded, we request a proper notation be placed on the original map according to the provisions of paragraph 3 of NRS 278.473.

Date: December 11, 1981
