NOTICE OF INTENT TO HOLD MINING CLAIMS

NOTICE IS HEREBY GIVEN, that Ancient Gold Placer Mines Company, the owner of those certain unpatented mining claims described and set forth in Exhibit "A" hereto, does intend to retain and to hold its ownership in said claims, as is evidenced by the performance of the annual assessment work for the assessment year ending September 1, 1982, for said claims having been previously recorded in Douglas County, on December 2, 1981, and filed with the Reno, Nevada office of the Bureau of Land Management on January 7, 1982. A copy of that affidavit is attached hereto as Exhibit "B".

This notice is being recorded and filed at this time due to questions having arisen regarding the necessity of assessment work documents being filed with the Bureau of Land Management during the same calendar year as they are recorded in the county. Since our document was recorded with Douglas County in the calendar year 1981 and with the Bureau of Land Management in 1982, this notice is being recorded to protect Ancient Gold Placer Mining Company's interests in the event a subsequent Bureau of Land Management decision may be rendered requiring same calendar year filing.
