Subordination

Beneficiary agrees to subordinate this First Deed of Trust to a Second Deed of Trust on the subject property provided that each of the following conditions are satisfied:

(a) The Second Deed of Trust secures a promissory note in favor of a bank or savings and loan authorized to transact business in Nevada, the principal of which is not more than \$50,000.00 which bears interest not in excess of 15% per annum and which provides for monthly interest payments within one month after date of this Deed of Trust and does not provide for any principal payment (except on default) until at least 90 days from the date of this Deed of Trust, or sale of the house, whichever occurs first.

(b) The loan represented by said promissory note is to finance the payment of all costs necessary to enable Trustor to construct improvements on the property in accordance with plans and specifications which have been approved by such lender and incidental expenses, such as construction loan interest, normally funded out of a construction loan (but not including a land draw).

(c) All of the proceeds of such loan shall be disbursed by such lender in accordance with lender's standard building loan disbursement policies for construction financing.

(d) All of the proceeds of such loan shall be applied by Trustor in accordance with the terms of the Building Loan Agreement or similar agreement entered into between Trustor and such lender for the purpose of assuring that all of the proceeds for such loan are applied by Trustor for the enhancement of the value of the property.

(e) The fees and other charges payable by Trustor in connection with the construction loan do not exceed 3 1/4 points.
