Title Company Requirements as to Notice of Completion

A notice of completion must be filed for record *within 10 days* after completion of the work of improvement (to be computed exclusive of the day of completion).

The "owner" who must file for record a notice of completion of a building or other work of improvement means the owner (or his successor in interest at the date the notice is filed) on whose behalf the work was done, though his ownership is less than the fee title. For example, if A is the owner in fee, and B, lessee under a lease, causes a building to be constructed, then B, or whoever has succeeded to his interest at the date the notice is filed, must file the notice.

If the ownership is in *two or more persons as joint tenants or tenants in common*, the notice may be signed by any one of the co-owners (in fact, the foregoing form is designed for giving of the notice by only one co-tenant), but the names and addresses of the other co-owners must be stated in paragraph 5 of the form.

If subsequent to the commencement of the work of improvement the property has been transferred and the transferee is executing the notice of completion, the name and address of the previous owner or owners shall be shown in paragraph 6.

In paragraphs 3, 5 and 6, the full address called for must include street number, city, county and state.

As to paragraphs 7 and 8, this form should be used only where the notice of completion covers the work of improvement *as a whole*. If the notice is to be given only of completion of a particular contract, where the work of improvement is made pursuant to two or more original contracts, then this form must be modified as follows: (1) Strike the words "A work of improvement" from paragraph 7 and insert a general statement of the kind of work done or materials furnished pursuant to such contract (e.g., "The foundations for the improvements"); (2) Insert the name of the contractor under the particular contract in paragraph 8.

In paragraph 8 of the notice, insert the name of the contractor for the work of improvement as a whole. No contractor's name need be given if there is no general contractor, e.g., on so-called "owner-builder jobs."

In paragraph 9, insert the *full, legal* description, not merely a street address or tax description. Refer to deed or policy of title insurance. If the space provided for description is not sufficient, a rider may be attached.

In paragraph 10, show the street address, if any, assigned to the property by governmental authority.
