I, WILLIAM E. WAGONER JR. also known as Bill Wagoner Jr. do know the following to be true to the best of my recollection the events of Saturday, September 26, 1987.

On Saturday morning Larry Tribe, Harrahs Security Supervisor talked to me while we were on break informing me that John Briscoe another Security Officer from Harrahs had received a call from a Mr. Dick Stoltz an agent from the Federal Govt. (Treasury Dept. Bureau of Alcohol and Firearms.)

Mr. Stoltz read off a list of about 6 names, some of whom had purchased weapons from John Briscoe, (A licensed firearms dealer). John recognized the names and also realized some of the people had never purchased any firearms, which raised some suspicion on his part. Mr. Stoltz asked John to gather any and all information possible about these people about possible involvement in a subversive paramilitary organization.

Later that morning, I confronted John Briscoe personally to ask about his call from Dick Stoltz. He confirmed all of the above and also revealed 2 other names that weren't of the highest character (one person was a suspect in his wife's disappearance or murder, the other a wife abuser) certainly those 2 names were names you would not want your own name mentioned with. John also told me that Mr. Stoltz had asked him to infiltrate our "group". John did not tell him that no group actually existed.

All of the above has prompted me to have this information recorded for fear of being framed or disrepute cast upon my good name.

Further Affiant Saith Not.

Subscribed and affirmed this 1ST day of October, 1987.
