**INFORMATION REGARDING USE OF  
RELEASE OF MECHANICS' LIEN**

When a mechanics' lien is recorded in the office of the County Recorder of the county in which the job is located, it creates a "cloud" on the title. This means that any person searching the title will discover the claim of lien and generally will not purchase, refinance, or accept the property until the lien is released.

**RECORDING INFORMATION**

The mechanics' lien release must be recorded in the county where the job is located. Check with the particular County Recorder in the county where the recording is to be done for the correct fee. Certain Recorder fees can vary from county to county.
