RIGHT-OF-WAY GRANT AMENDED

Right-of-Way N-47291 was granted to Ed Graham, Louise Graham, Terri K. Clark and Sandra J. Lawrence effective June 2, 1988, for an access road pursuant to the provisions of the Federal Land Policy and Management Act of October 21, 1976.

On September 15, 1988, the Holders filed an application to amend the right-of-way to extend the term of the grant to perpetual in response to a Bureau of Land Management Notice informing them that the land through which this right-of-way crosses is proposed for exchange. Approval of this amendment will benefit the Holders, the Bureau of Land Management and the public by providing continued access after the land is transferred into private ownership. The Holders have complied with all the terms and conditions of the original grant, and the application to amend conforms to the appropriate laws and regulations.

Therefore, pursuant to the Act of October 21, 1976, the right-of-way grant is hereby amended to extend the term of the grant to perpetual. This amendment is subject to the following terms and conditions:

1. All valid rights existing on this date.
2. All terms and conditions of the grant continue to apply.
