AGREEMENT

The East Fork Fire Protection District ("East Fork") and the Genoa Volunteer Fire Department (the "Volunteers") enter into the following agreement:

1. East Fork has established as part of its Five Year Plan a commitment to purchase real property within the Town of Genoa upon which East Fork will construct a new Firehouse for the Volunteers.

2. The Volunteers prefer to locate the new Firehouse on a parcel of real property located south of the Historical Society Museum.

3. The parcel of real property that the Volunteers prefer is appraised at \$30,000 and presently vacant, but the money necessary to purchase real property is not yet available through the Five Year Plan.

4. To ensure that East Fork obtains the real property that the Volunteers prefer, the Volunteers wish to lend interest free to East Fork the money necessary to purchase the real property.

Accordingly, the Volunteers agree to lend to East Fork interest free the sum of \$19,000 to be used solely to purchase the parcel of real property located south of the Historical Society Museum. The Volunteers also agree that the sum of \$19,000 is a fair and appropriate price for East Fork to pay for the real property. East Fork agrees to purchase the real property for the sum of \$19,000. East Fork also agrees to repay

to the Volunteers the sum of \$19,000 without interest when the purchase money becomes available through the Five Year Plan or on September 1, 1995, which ever date occurs first.
