RE: Certificate of Amendment for Record of Survey #24 for Douglas County filed in the Office of the County Recorder of Douglas County, Nevada, on January 28, 1991, in Book 191, Page 3314, Document No. 243666.

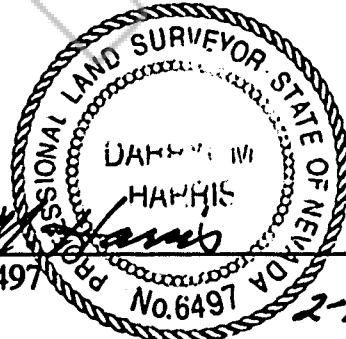

Dear Sir:

Please be advised that the wrong acreage and square footage appears in the detail for the 10' wide addition to R/W.

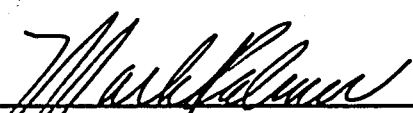

The acreage should read .089 acres instead of 0.886 acres, and the square footage should read 3858 sq. ft. instead of 38,594 sq. ft.

Sincerely,

Darryl M. Harris, P.L.S. 6497

I hereby certify that I have examined the Certificate of Amendment and that the changes to the original document specified therein are provided for in applicable sections of N.R.S. 278.010 to 278.630 inclusive, 625.340 to 625.380, inclusive, and local ordinances adopted pursuant thereto, and I am satisfied and this Certificate of Amendment so amends the document as to make it technically correct.
