Reference: Certificate of Amendment for Parcel Map No. 1, Coldwell Banker - Itildo, Inc., for Douglas County, filed in the office of Douglas County Recorder, Nevada, on June 11, 1991, in Book 691, Page 1591, Document No. 252631.

Dear Sir:

Please be advised that the parcel map was recorded before the electrical improvements were completed. Note No. 1 should read as follows:

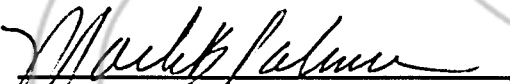

1. In addition to the 7.5' public utility easement along all road frontages and the 5.0' public utility easement along all side and rear lot lines, there shall exist the right to install Guy and Anchor facilities at angle and terminal poles, said facilities to extend not more than 20 feet from poles so supported.

Sincerely,

  
B. J. Vasey, PLS T586

I hereby certify that I have examined the Certificate of Amendment and that the changes to the original document specified therein are provided for in applicable sections of NRS 278.010 and 278.630 inclusive, 625.340 to 625.380 inclusive, and local ordinance adopted pursuant thereto, and I am satisfied and the Certificate of Amendment so amends the document as to make it technically correct.
