ARTICLE II

GENOA LAKES ASSOCIATION

2.01 (a) Organization. The Association is a non-profit Nevada membership corporation created for the purposes, charged with the duties, and invested with the powers prescribed by law or set forth in its Articles and Bylaws or in this Declaration. Neither the Articles nor Bylaws shall for any reason be amended or otherwise changed or interpreted so as to be inconsistent with this Declaration. Nothing in this Declaration shall prevent the creation, by provision therefor in Supplemental Declarations executed and recorded by Declarant, or, as to lands owned by a Major Developer, by Declarant and such Major Developer, of Subassociations to own, assess, regulate, operate, maintain or manage the portions of the Project which may be subject to such Supplemental Declarations or to own or control portions thereof for the common use or benefit of Owners in the portion of the Project subject to such Supplemental Declarations.

2.01 (b) Successor Associations. In the event that the Association as a corporate entity is dissolved, a non-profit unincorporated association shall forthwith and without further action or notice be formed to succeed to all the rights and duties of the Association hereunder. The affairs of said unincorporated

association shall be governed by the laws of the State of Nevada and, to the extent not inconsistent therewith, by the Articles and By-Laws of the Association as if they were created for the purpose of governing the affairs of an unincorporated association. The Association shall cease to exist at any time this Declaration and any supplemental Declaration are abolished by written consent or vote of a majority of the Owners consistent with Section 2.13.

2.02 Construction Consistent with Law. This Declaration and all subsequent actions by the Association shall be construed whenever possible so as to be consistent with all applicable laws, federal, state and local as well as the Special Use Permit approval obtained by Declarant on February 20, 1992. If a provision of this Declaration cannot be construed as being consistent with the law or the applicable Special Use Permit, the law and/or the Special Use Permit shall control.

2.03 Membership Rights.

A. Membership. Only Owners and Declarant shall be Members of the Association. Each Owner shall automatically be a Member of the Association without the necessity of any further action on his part, and Association membership shall be appurtenant to and shall run with the property interest ownership of which qualifies the Owner thereof to membership. Membership may not be severed from, or in any way transferred, pledged, mortgaged or alienated except together with the title to the property interest, ownership of which qualifies the Owner thereof to membership, and then only to the transferee of title to said property interest. Any attempt to make a prohibited severance, transfer, pledge, mortgage or alienation shall be void.

B. Club Facilities. Declarant or its designated parties may from time to time provide Club Facilities within the Project (including without limitation a golf course, fairways, driving range(s), putting green(s), clubhouse(s), tennis court(s), and swimming pool(s), maintenance and storage areas related to the Club Facilities and all other easements, licenses, equitable servitudes and improvements reasonably ancillary thereto ("Club Facilities") which are separate from the Common Areas of the Association, any Village or any Neighborhood Association. The Club Facilities shall be developed and provided at the sole discretion of the Declarant for members, invitees, employees and agents so designated by Declarant. Whoever owns any of these Club Facilities at any particular time has the exclusive right to determine from time to time, in its sole discretion and without notice or approval of any change, how and by whom the Club Facilities shall be used, if at all. By way of example, but not limitation, the Declarant has the right to approve users and determine eligibility for use, to reserve use rights for future purchasers in the Project, to terminate any or all use rights, to change, eliminate or cease operation of any or all of the Club Facilities, to transfer any or

all of the Club Facilities or the operation thereof to anyone (including without limitation a member-owned or equity club) and on any terms, to limit the availability of use privileges, and to require the payment of a purchase price, membership contribution, initiation fee, initiation deposit, dues and other charges for use privileges. Ownership of any portion of or all of the Project or membership in the Association does not establish or give any vested right or easement, prescriptive or otherwise, to use the Club Facilities, and does not grant any ownership or membership interest in the Club Facilities.

Notwithstanding the exclusion of the Club Facility from the control or ownership of the Association, the Clubhouse portion of the Club Facilities shall be deemed a commercial use solely for purposes of voting and assessment. The "Clubhouse portion" shall consist of the main clubhouse structure erected thereon, and any extension, expansion or alteration thereof.

Declarant may also provide, by granting licenses to the Association, the right to use hiking trails and fishing ponds that may be developed by the Declarant or its designated parties. The Association and its Members shall have no control or rights with respect to such improvements except as granted by license from Declarant.

Solely for purposes of voting and assessment only, the Club Facilities shall be deemed to consist of thirty (30) units; it shall have thirty (30) votes and shall pay thirty (30) unit assessments as levied on a uniform basis. Nothing herein contained shall subject the Club Facilities to authority of the Board of Directors relating to the use or operation of the Club Facilities other than as the ALCC determines the design of the clubhouse or any other structure to be designed, expanded, modified or remodeled.

2.04 Voting Rights.

A. Notwithstanding any other provision of this Declaration or of the By-Laws of the Association, the Declarant does hereby retain the exclusive right to designate, appoint and remove the officers, directors of the Association and any executive board of the Association to and until the earlier of:

(1) Sixty (60) days after the conveyance of seventy-five percent (75%) of the Units that may be created to Unit Owners other than the Declarant;

(2) Two (2) years after the Declarant has ceased to offer Units for sale in the ordinary course of its business;

(3) Two (2) years after any right to annex new Units was last exercised by Declarant.

Provided, however, that the Declarant may, but is not obligated to, surrender the right to appoint and remove officers and board members as provided herein before the termination period set forth above, provided that the Declarant if it does surrender the right to appoint and remove may require that specified actions of the Association or the board of directors may require Declarant approval prior to becoming effective.

B. Not later than sixty (60) days after conveyance of twenty-five percent (25%) of the Units that may be created to Units' Owners other than a Declarant, at least one (1) Member and not less than twenty-five percent (25%) of the members of the Board must be elected by Units' Owners other than the Declarant. Not later than sixty (60) days after conveyance of fifty percent (50%) of the Units that may be created to Units' Owners other than a Declarant, not less than thirty-three and one-third percent (33-1/3%) of the members of the Board must be elected by Units' Owners other than the Declarant.

C. Notwithstanding any provision of the Declaration or By-Laws to the contrary, the Units' Owners, by a two-thirds (2/3) vote of all persons present and entitled to vote at any meeting of the Units' Owners at which a quorum is present, may remove any member of the Board with or without cause, other than a member appointed by the Declarant.

D. Joint or Common Ownership. If any property interest, ownership of which entitles the Owner thereof to vote, is held jointly or in common by more than one (1) Person, the vote or votes to which such property interest is entitled shall also be held jointly or in common in the same manner. However, the vote or votes for such property interest shall be cast, if at all, as a unit, and neither fractional votes nor split votes shall be allowed. In the event that such joint or common Owners are unable to agree among themselves as to how their vote or votes shall be cast as a unit, they shall lose the right to cast their vote or votes on the matter in question. Any joint or common Owner shall be entitled to cast the vote or votes belonging to the joint or common Owners unless another joint or common Owner shall have delivered to the Secretary of the Association prior to the time for casting such vote, a written statement to the effect that the Owner wishing to cast the vote or votes has not been authorized to do so by the other joint or common Owner or Owners.

E. Proxy Voting. Any Owner, including Declarant, may give a revocable written proxy to any person authorizing the latter to cast the Owner's votes on any matter. Such written proxy shall be in such form as may be prescribed by

the Bylaws of the Association and shall terminate one (1) year after its date, unless it specifies a shorter term.

F. Cumulative Voting. The cumulative system of voting shall not be used for any purpose.

2.05 Meetings of Members. The Association shall hold an annual regular meeting of the Members of the Association on the first Tuesday in April of each year at 10:00 o'clock a.m., at the principal office of the Association. Said annual regular meeting may be held at such other reasonable place or time (not more than thirty [30] days before or after the aforesaid date) as may be designated by notice of the Board given to the Members not less than ten (10) days nor more than sixty (60) days prior to the date fixed for said regular meeting. Special meetings of the Members may be called at any reasonable time and place by notice by the Board or by notice by Members having twenty percent (20%) of the total votes, delivered not less than ten (10) or mailed not less than fifteen (15) days prior to the date fixed for said special meeting, to all Members if given by the Board and to all other Members if given by said Members. All notices of meetings shall be addressed to each Member as their address appears on the books of the Association and shall state the time and place of the meeting, the items on the agenda, any budgeting changes and any proposal to remove an officer or member of the Board.

The presence at any meeting, in person or by proxy, of Members entitled to vote at least twenty percent (20%) of the total votes outstanding shall constitute a quorum. If any meeting cannot be held because a quorum is not present, the Members present, either in person or by proxy, may adjourn the meeting to a time not less than forty-eight (48) hours nor more than thirty (30) days from the time set for the original meeting, at which adjourned meeting the quorum requirement shall be the Members entitled to vote fifteen percent (15%) of the total votes.

The Chairman of the Board of Directors, or in his absence the Vice-Chairman, shall call meetings of Members to order and act as chairman of such meetings. In the absence of both of said officers, any Member entitled to vote thereafter or any proxy of any such Member may call the meeting to order, and a chairman of the meeting shall be elected. The Secretary of the Association, or in his absence the Assistant Secretary, shall act as secretary of the meeting. In the absence of both the Secretary and the Assistant Secretary, a secretary shall be selected in the manner aforesaid for selecting a chairman of the meeting.

Except as provided otherwise in the Declaration including in Sections 2.06(e), (g), (h), 8.03 and 10.02 below, any action may be taken at any legally convened meeting of the Members upon the affirmative vote of the Members having a majority of the total votes present at such meeting in person or by proxy.

2.06 Duties of the Association. Subject to and in accordance with this Declaration, the Association shall have and perform each of the following duties for the benefit of the Members of the Association.

(a) Members. The Association shall accept all Owners as Members.

(b) Recreation and Open Space Areas and Common Area. The Association shall accept, own, operate and maintain all Recreation and Open Space areas and Common Area which may be conveyed, leased, licensed or otherwise enjoyed by it from the Declarant, together with all Improvements of whatever kind and for whatever purpose which may be located in said areas; and to accept, own, operate and maintain all other property easements, or rights of use whether real or personal, for which it, its members or the Project receives any benefits whether aesthetic or tangible, except this power and duty shall in no way extend to operation or maintenance of any portion of the Club Facilities or its ancillary rights.

(c) Title to Property Upon Dissolution. The Association shall pay over or convey, upon dissolution of the Association, the assets of the Association to one or more exempt organizations of the kind described in Section 501(c) of the Internal Revenue Code of 1954, as amended from time to time.

(d) Repair and Maintenance of Association Property. The Association shall maintain in good repair and condition all lands, Improvements, and other Association Property enjoyed by, owned by, licensed to or leased to the Association.

(e) Payment of Taxes. The Association shall pay all real and personal property taxes and other taxes and assessments levied upon or with respect to any property owned by or leased to the Association, to the extent that such taxes and assessments are not levied directly upon the Members. The Association shall have all rights granted by law to contest the legality and the amount of such taxes and assessments.

(f) Insurance. The Association shall obtain and maintain in effect policies of insurance adequate, in the opinion of the Board, in kind and amount. Without limiting the generality of the preceding sentence, such policies of insurance shall include:

(1) Fire and extended coverage insurance on all Improvements owned by or leased to the Association, the amount of such insurance to be not less than ninety percent (90%) of the aggregate full insurable value, meaning actual replacement cost exclusive of the

costs of excavations, foundations and footings. Such insurance shall insure the Association and the mortgagees, as their interests may appear. As to each such policy which will not be thereby voided or impaired, the Association hereby waives and releases all claims against the Board and Declarant, and the officers, agents and employees of each thereof, with respect to any loss covered by such insurance, whether or not caused by negligence of or breach of any agreement by said persons, but only to the extent that insurance proceeds are received in compensation for such loss. If the foregoing exculpatory clause is held to be invalid, then the liability of the insurance company shall be primary, and the liability of the Board, Declarant and the officers, agents and employees of the Board and of Declarant shall be secondary.

(2) Bodily injury liability insurance, with limits in amounts determined by the Board and property damage liability insurance in amounts determined by the Board, insuring against liability for each, bodily injury or property damage arising from activities of the Association or with respect to property under its jurisdiction, including, if obtainable, a cross-liability endorsement insuring each insured against liability to each other insured. The liability insurance policies referred to above shall name as separately protected insureds Declarant, the Association, the Board and each of its members, the Architectural and Landscape Control Committee and each of its members, and the Manager, and such policies may also name some or all of the respective officers, employees and agents of the foregoing.

(3) Workmen's Compensation Insurance to the extent necessary to comply with all applicable laws.

(4) A fidelity bond in an amount determined by the Board, naming the members of the Board and such other persons as may be designated by the Board as principals and the Association as obligee.

(5) Such other insurance, including indemnity and other bonds, as the Board shall deem necessary or expedient to carrying out the Association's functions.

The Association shall be deemed trustee of the interests of all Members in all insurance proceeds, and shall have full power to receive and to deal with such proceeds.

(g) Genoa Lakes Association Rules. The Association shall make, establish and promulgate, and in its

discretion amend or repeal and reenact, such Genoa Lakes Association Rules, not in contradiction to this Declaration, as it deems proper covering any and all aspects of its functions, including the use and occupancy of Association Property. Without limiting the generality of the foregoing sentence, such Rules may set dues and fees and prescribe the regulations governing the operation of Association Property. Each Member shall be entitled to examine such Rules at any time during normal working hours at the principal office of the Association.

(h) Architectural and Landscape Control Committee. The Declarant or the Board shall appoint and remove members of the Architectural and Landscape Control Committee as provided in Sections 8.01 and 8.02 hereof, and insure that at all reasonable times there is available a duly constituted and appointed Architectural and Landscape Control Committee.

(i) Enforcement Hereof. The Association shall enforce, in its own behalf and in behalf of all Owners, all of the covenants, conditions and restrictions set forth in this Declaration, under an irrevocable agency (hereby granted) coupled with an interest, as beneficiary of said covenants, conditions and restrictions, and as assignee of Declarant; and to perform all other acts, whether or not anywhere expressly authorized, as may be reasonably necessary to enforce any of the provisions of the Genoa Lakes Restrictions or of the ALCC.

(j) Long-Term Financing. The Association shall execute mortgages and deeds of trust, both construction and permanent, for construction of facilities, including Improvements, on property owned by or leased to the Association, and shall accept lands in Recreation and Open Space areas and Common Areas, whether or not improved, from Declarant subject to such mortgages and deeds of trust. Such financing may be effected through conventional mortgages or deeds of trust, the issuance and sale of development or other bonds, or in any other form or manner as may be deemed appropriate by the borrower, whether that be Declarant or the Association. The mortgage, deed of trust or other security interest given to secure repayment of such debt may consist of a first lien or a second or other junior lien, as shall be deemed appropriate by such borrower, whether that be Declarant or the Association, on the Improvement or other facility to be constructed, together with such underlying and surrounding lands as Declarant or the Association, as the case may be, deems appropriate. The debt secured by such mortgage, deed of trust or other security instrument may be retired from revenues generated by dues, use fees, assessment of the Members of the Association, or otherwise, or any combination thereof, as may be deemed appropriate by Declarant or the Association, as the case may be, but subject to the limitations imposed by this Declaration.

(k) Audit. The Association shall provide an annual audit by an independent certified public accountant of the accounts of the Association and make a copy of such audit available to each Member during normal business hours at the principal office of the Association. Any Member may at any time and at their own expense cause an audit or inspection to be made of the books and records of the Association by a certified public accountant provided that such audit or inspection is made during normal business hours and without unnecessary interference with the operations of the Association.

(l) Other. The Association shall carry out all duties of the Association set forth in the Genoa Lakes Restrictions, or the Articles or Bylaws of the Association.

2.07 Powers and Authority of the Association. The Association shall have all of the powers of a non-stock, non-profit cooperative corporation organized under the laws of the State of Nevada in operating for the benefit of its members, subject only to such limitations upon the exercise of such powers as are expressly set forth in the Articles, By-Laws and this Declaration. It shall have the power to do any and all lawful things which may be authorized, required or permitted to be done under and by virtue of this Declaration, and to do and perform any and all acts which may be necessary or proper for or incidental to the exercise of any of the express powers of the Association for the peace, health, comfort, safety or general welfare of the Owners. Without in any way limiting the generality of the foregoing, the Association and the Board shall have the following power and authority; without the obligation to exercise such power and authority:

(a) Right of Entry and Enforcement. The Board and its agents and representatives shall have the power and right to enter upon any Homesite and the Improvements thereon without liability to any Owner, for the purpose of enforcing any of the provisions of this Declaration, or for the purpose of maintaining and repairing the improvements located on said Homesite as provided in this Declaration or, if for any reason whatsoever, the Owner thereof fails to maintain and repair any portion of a Homesite as required by this Declaration to be maintained or repaired by said Owner. The Association shall also have the power and authority from time to time in its own name, on its own behalf, or on the behalf of any Owner or Owners who consent thereto, to commence and maintain actions and suits to restrain and enjoin any breach or threatened breach of this Declaration and to enforce, by mandatory injunction or otherwise, all of the provisions of this Declaration. The costs of any such action or suit, including reasonable attorneys' fees, shall be paid to the prevailing party as part of its judgment.

(b) Easements and Rights-of-Way. The Association shall have the power to grant and convey to any third

party, easements, licenses for use and rights-of-way, in, on, over or under any Common Area conveyed or otherwise transferred to the Association or under its jurisdiction, upon the affirmative vote or written consent of the Board of Directors as ratified by the voting members at the next annual meeting.

(c) Employment of Manager. The Board shall have the power to employ by written agreement the services of a manager or other employee, or a professional manager or management company, subject to the direction and control of said Board, to manage and carry out the affairs of the Association and, to the extent consistent with the laws of the State of Nevada and upon such conditions as are otherwise deemed advisable by the Board, to delegate to the manager any of its powers; provided, however, that any contract with such professional manager or management company, and the compensation to be paid, for a term greater than three (3) years must be approved by at least fifty-one percent (51%) of the Members of the Association. In no event shall any management agreement be for a term greater than three (3) years and said agreement shall provide for termination for cause on a minimum of ninety (90) days written notice.

(d) Services. The Board shall have the power to provide for and engage the services of others for the maintenance, protection and preservation of Association Property and the Common Areas, including grounds keepers, painters, plumbers and such other maintenance personnel, as the nature and character of such common area may require, and including any such necessary personnel as the nature and character of any recreational facilities within such Association Property or Common Area may require; provided, however, that no contract for such services shall be for a duration of more than three (3) years, except with the approval of a majority of the Members of the Association. Said contract shall provide for termination on a minimum of ninety (90) days written notice.

(e) Utilities. The Board shall have the power to contract, use and pay for utility services to the Association Property and Common Area and their facilities.

(f) Other Property. The Board shall have the power to acquire and hold, as trustee for the benefit of its Members, tangible and intangible personal property and to dispose of the same by sale or otherwise.

(g) Mergers. The Association shall have the power, to the extent permitted by law, to participate in mergers and consolidations with other non-profit corporations organized for the same purposes as the Association, provided that any such merger or consolidation shall have the approval by affirmative vote or written consent of the Board of Directors as ratified by a majority of the members at the next succeeding annual meeting.

(h) Dedication. The Association shall have the power to dedicate any of its property to an appropriate public authority for public use, provided that any such dedication shall have the approval either by affirmative vote or written consent of the Board, and such dedication is subject to the existing easements and rights of use of all of the Members of the Association.

(i) Delegation. The Board may delegate any of its powers to any such committees, officers or employees as it deems necessary and proper.

(j) Construction on Association Property. The Association shall have the power to construct new Improvements or additions to Association Property, or demolish existing Association Property or Improvements, subject to the approval of the Architectural and Landscape Control Committee as is required in this Declaration.

(k) Maintenance of Entry and Exit Measures. The Association shall have the power to implement measures regulating entrance and exit at all points of entry and exit within the project, which may or may not be manned. The Association shall have the power to issue card keys or other measures restricting access, in its discretion, to control vehicle entry into and exit from the Project provided that said control measures do not materially affect the operation of The Golf Club at Genoa Lakes and are mutually agreed upon in advance in writing with the owner of The Golf Club at Genoa Lakes. This authority shall include, without limitation, the authority to suspend entry privileges in accordance with Association Rules and Regulations.

(l) Control of Guard House Parcel: The Guard House parcel shall remain in the ownership and control of Declarant until such time as Declarant no longer has the exclusive right to appoint and remove officers and directors of the Association pursuant to Section 2.03, above. At the time Declarant loses this right, the Guard House parcel may at Declarant's sole option be deeded to the Association as Common Area subject to the maintenance and control of the Association. The Association agrees to provide The Golf Club at Genoa Lakes' owner, customers and any other designated individuals or groups access to The Golf Club at Genoa Lakes property via an easement through and over the Guard House parcel and roads.

(m) Collection for Subassociations: The Association shall have the power to collect on behalf of and for the account of any Subassociation (but not to levy) any assessment made by a Subassociation created pursuant to this Declaration, provided that such Subassociation has delegated the right, authority and power to the Association to make such collections on its behalf.

(n) Conveyances. To grant and convey to any person real property and interests therein, including fee title, leasehold estates, easements, rights of way, mortgages and deeds of trust, out of, in, on, over or under any Association Property for the purpose of constructing, erecting, operating or maintaining thereon, therein or thereunder:

(1) Parks, parkways, or other recreational facilities;

(2) Roads, streets, walks, driveways, trails, and paths;

(3) Lines, cables, wires, conduits, pipelines or other devices for utility purposes;

(4) Sewers, water systems, storm water drainage systems, sprinkler systems, and pipelines; and

(5) Any similar public, quasi-public, or private improvements or facilities.

Nothing above contained, however, shall be construed to permit use or occupancy of any land, Improvement or other facility in a way which would violate applicable zoning or use and occupancy restrictions imposed thereon by other provisions of this Declaration.

(o) Legal and Accounting Services. To retain and pay for legal and accounting services necessary or proper in the operation of the Association, the operation and management of its Property, the enforcement of the Genoa Lakes Restrictions, or in the performance of any other duty, right, power or authority of the Association.

(p) Association Property Services. To pay for water, sewer, garbage removal, electricity, telephone, gas, snow removal, landscaping, gardening, and all other utilities, services and maintenance for property owned by or leased to the Association.

(q) Other Areas. To maintain and repair easements, roads, roadways, rights of way, parks, parkways, median strips, sidewalks, paths, trails, ponds, lakes, entry details, entry houses or other areas of the Project whether owned by or leased to the Association, and to contribute toward the cost of operation and maintenance of private roads and any other Improvements or other facilities owned by the Association.

(r) Recreational Facilities. To own and operate any and all types of facilities for both active and passive recreation, both on and off the Project other than the Club Facilities, including, but not limited to: swimming pools;

community clubs; picnic areas; parks and playgrounds; trails for hiking and bicycles; lakes and ponds for swimming, fishing and other water sports; and other similar and dissimilar recreational facilities.

It is acknowledged that the Association does not own or claim to own any right, title or interest in and to the Golf Course, Clubhouse, lakes and ponds and ancillary improvements and related uses and buildings developed by the Declarant more specifically defined as Club Facilities in 1.12 above. All proprietary rights of every nature and kind are owned and retained by the Declarant relating to the said Club Facilities, Clubhouse and related uses. All rights of access onto, across or over the Golf Course are owned by the Declarant and subject to the rules and regulations of the Declarant, its successors, successors-in-title, or assigns.

(s) Other Services and Properties. To obtain and pay for any other property and services, and to pay any other taxes or assessments which the Association or the Board is required to secure or to pay for pursuant to applicable law, the terms of the Genoa Lakes Restrictions, this Declaration, or the Articles or Bylaws of the Association.

(t) Contracts. To enter into contracts with Declarant, Major Developers, and other Persons on such terms and provisions as the Board shall determine, to operate and maintain any Common Area or recreational or other facility or area, or to provide any service or perform any function on behalf of Declarant or Major Developer or other Person. As to any such contract into which the Association may enter with a Subassociation, the Association may make, establish and promulgate, and in its discretion may amend or repeal and reenact, rules of the kind described in Section 2.10 with respect to the Association's property.

(u) Wildlife Population. The Association shall have the authority and obligation to pay for the removal of wildlife from all areas of the project in a humane manner if it is determined by the Association in conjunction with owner of The Golf Club at Genoa Lakes that the population of a particular species has become so large that it is damaging property, posing a risk to the viability of another species or is significantly interfering with Owners' use and enjoyment of their property or any of the property or improvements within the Project. Reasonable expenses for removal of overpopulated wildlife shall be born equally by The Association and The Golf Club at Genoa Lakes.

(v) To obtain and hold any and all types of permits and licenses, and to operate a cabaret, bar, lounge and/or restaurants.

(w) To acquire and own and to dispose of all manner of real and personal property, whether by grant, lease, gift or otherwise.

2.08 Indemnification.

(a) Third Party Actions. The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or in the right of the Association) by reason of the fact that he or she is or was a director, officer, employee, servant or agent of the Association against expenses (including attorneys' fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which he reasonably believed to be in or not opposed to the best interests of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his conduct was unlawful.

If a member of the Board of Directors is sued for liability for actions undertaken in their role as a Board member or officer of the Association, the Association shall indemnify them for their losses or claims and undertake all costs of defense until and unless it is proved that such member acted with willful or wanton misfeasance or with gross negligence. After such proof, the Association is no longer liable for the cost of defense and may recover costs already expended from the Board member.

Board members are not liable to the victims of crises which may occur on the property. Punitive damages may not be recovered against the Association but may be recovered only from persons whose intentional activities are proved to have resulted in damages.

(b) Derivative Actions. The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he is or was a director, officer, employee, servant or agent of the Association, against expenses (including attorneys' fees) actually and reasonably incurred by him in connection with the defense or settlement of such action, proceeding or suit if he acted in good

faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his duty to the Association unless and only to the extent that the court in which such action, proceeding or suit was brought shall determine upon application that, despite the adjudication of liability and in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(c) Determination. Any indemnification which the Association has elected to provide under paragraph (a) or (b) of this Section 2.08 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the officer, director, employee, servant or agent is proper in the circumstances because he has met the applicable standard of conduct set forth in paragraph (a) or (b) of this Section 2.08. Such determination shall be made (a) by the Board by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable, or even if obtainable, a quorum of disinterested directors so directs, by independent legal counsel in a written opinion; provided, however, that if a director, officer, employee, servant or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in paragraph (a) or (b) of this Section 2.08, or in defense of any claim, issue or matter therein, then, to the extent that the Association has elected to provide indemnification, he shall automatically be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him in connection therewith without the necessity of any such determination that he has met the applicable standard of conduct set forth in paragraph (a) or (b) of this Section 2.08.

(d) Payment in Advance. Expenses incurred in defending a civil or criminal action, suit or proceeding may, in the discretion of the Board, be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board as provided in paragraph (c) of this Section 2.08 upon receipt of an undertaking by or on behalf of the director, officer, employee, servant or agent to repay such amount unless it shall ultimately be determined that he is entitled to be indemnified by the Association as authorized in this Section 2.08.

(e) Insurance. The Board shall purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, servant, or agent of the Association, against any liability asserted against him or incurred by him in any such capacity, or arising out of his status as such, whether or

not the Association would have the power to indemnify him against such liability hereunder or otherwise.

(f) Other Coverage. The indemnification provided by this Section 2.08 shall not be deemed exclusive of any other rights to which anyone seeking indemnification may be entitled under this Declaration, agreement, vote of the Members, vote of disinterested directors, Nevada law, or otherwise, both as to action in his official capacity and as to action in another capacity while holding such office, and may continue as to a person who has ceased to be a director, officer, employee, servant or agent and may inure to the benefit of the heirs and personal representatives of such a person.

(g) The Association agrees to pay, defend, indemnify and hold harmless the Declarant from any and all claims or actions relating to damage or claim of damage as a result of the golf course and the proximity of the golf course to the residential units comprising the Project. The Association, and each Member of the Association, their guests and invitees, expressly assumes the risk for damage or injury occurring from an errant golf ball and the Association agrees to hold harmless the Declarant from any claim or action for such alleged damage initiated by the Association, its Members or their guests, employees, agents or invitees.

(h) Risk of Flood. A portion of the Project is located in a designated flood plain. The possibility of flooding exists with respect to every Homesite, Unit, Common Area, Limited Common Area and the common property of every Village and Neighborhood. The Declarant and Association make no warranty as to any area's protection from flood. The acquisition of a Homesite or Unit within the Project acknowledges that the Owners are expressly assuming the risk for any damages occurring as a result of flood and that the Declarant and Association cannot be held liable for any damages occurring as a result of flood. Further, the Association, and each member of the Association, their guests and invitees expressly assume the risk for damage or injury occurring as the result of flood and the Association agrees to hold harmless the Declarant from any claim or action for such damage initiated by the Association, its Members, employees, agents or invitees.

2.09 Assessment Benefiting Specific Areas. The Association shall also have authority to levy assessments against specific local areas and Improvements including Neighborhoods and Villages within the project to be expended for the benefit of the properties so assessed. The assessments levied under this Section 2.08 shall be levied in proportion to the benefits conferred or to be conferred, as determined by the Board, and therefore the amount levied against each parcel of land or Improvement need not be equal. Any such assessments shall constitute a lien on the properties so assessed and such liens shall be enforced in the same

manner and to the same extent as is provided in Article X of this Declaration for regular and special Assessments.

2.10 Diseased Trees. The Association may enter upon any part of the Project at any time to inspect for, prevent and control diseased trees and other plant life and insect infestation of trees and other plant life. If any diseased or insect infested trees or other plant life are found, the Association may spray, remove diseased trees and other plant life, and take such other remedial measures as it deems expedient. The cost thereof applicable to privately owned property may be levied by the Association as a specific assessment against such property pursuant to Section 2.08 hereof.

2.11 Rules:

(a) Rulemaking Power. The Board may, from time to time and subject to the provisions of this Declaration, propose, enact and amend rules and regulations to be known as the "Genoa Lakes Association Rules". Any rules which relate to the management, operation and control of the Association or the Common Area, common facilities or interests shall become effective and binding on all Owners only after adoption by the Board. Such rules may concern, but need not be limited to: matters pertaining to use of the Common Area and Recreation and Open Space; signs; collection and disposal of refuse; minimum standards of maintenance of property; parking and traffic restrictions; limitations on maintenance of landscaping or other improvements on any property which obstruct the vision of motorists or which create a hazard for vehicular or pedestrian traffic; and any other subject or matter within the jurisdiction of the Association as provided in this Declaration. Said rules may restrict and govern the use of Common Area by any Members, by the family of such Member or by any invitee, licensee or lessee of such Member. Declarant has retained the right to establish rules relating to the use of that portion of the Common Area and Recreation and Open Space owned by it, including the Club Facilities, and the Association may incorporate such rules in its Rules; the right of an Owner or the Board to enforce the Genoa Lakes Association Rules is limited to those Owners that are subject to this Declaration.

(b) Notification of Rules. A copy of the Rules, as they may be from time to time adopted, amended or repealed, shall be mailed or otherwise delivered to each Member and may be recorded. The recordation of said Rules shall have the same force and effect as if they were set forth in and were a part of this Declaration. No Rules may be adopted which materially impair the rights, preferences, or privileges of any Owner as specifically set forth herein.

2.12 Breach of Rules or Restrictions. In the event of a breach of any Rule or of any of the Restrictions contained in

this Declaration by an Owner, their family, guests, employees, invitees, licensees or tenants, the Board, for and on behalf of itself and all other Owners, shall enforce the obligations of each Owner to obey such Rules or Restrictions in any manner provided by law or in equity, including, but not limited to, appropriate hiring of legal counsel, the pursuing of legal action, or suspension of the Owner's right to use the facilities of the Common Area or suspension of the Owner's voting rights; provided, however, such suspension may not be for a period in excess of thirty (30) days, after notice and hearing as herein provided, for an infraction of such Rules. In addition to the other remedies herein set forth, including without limitation, assessing the cost of repair of any damage resulting from an infraction of the Rules, the Board, by majority vote, may levy a fine against such Owner, after appropriate notice and hearing as herein provided, in an amount not to exceed an amount equal to six (6) months of the assessments made under Section 9.03 for each such violation and the payment of such fine may be enforced in the same manner as set forth in Section 9.07 hereof. Prior to imposing any penalty provided herein for breach of any rules enacted hereunder or of the Restrictions contained in this Declaration, the Board shall send written notice to the Owner specifying the nature of the infraction and shall provide an opportunity to the Owner for a hearing before the Board regarding such infraction and the penalty to be imposed. In the event that the Board determines that said infraction has occurred and that a penalty shall be imposed, after a reasonable opportunity for a hearing has been provided, the determination of the Board shall be final. ARTICLE III

DEVELOPMENT OF GENOA LAKES: ANNEXATION

3.01 Subdivision and Development by Declarant. Declarant intends to divide the Project into several areas, to develop some of the said areas and, at Declarant's option, to dedicate some of said areas as Common Areas, Recreation and Open Space, or for other purposes for the benefit of the developed areas, in accordance with the Approved Tentative Map. It is contemplated that the Project will be developed pursuant to such Approved Tentative Map, as it may from time to time be amended or modified, as a unified planned development district or common interest community in which the development of, and restrictions upon, each portion thereof will benefit each other portion and the whole thereof. As each area is developed or dedicated, Declarant, or if the area is owned by a Major Developer, Declarant and such Major Developer, may record one or more Supplemental Declarations with respect thereto which will refer to the Declaration and designate the use classification, and which may supplement the Declaration with such additional covenants, conditions and restrictions as Declarant or Declarant and such Major Developer may deem appropriate for that area. Such Supplemental Declaration may, but need not, provide for the establishment of a Subassociation to be comprised of Owners within the area subject thereto. Any Supplemental Declaration may provide its own procedure for the amendment of any provisions thereof, as, for example, by a specified vote of only the Owners of some of the property within the area subject thereto. All lands, Improvements and uses in each area to be developed shall be subject to both this Declaration and the Supplemental Declaration, if any, for that area. The maximum number of Units Declarant has the right to create within the project area is two hundred twenty (220).

3.02. Annexation. Declarant, and other Persons with Declarant's written consent, may at any time and from time to time add to the lands which are subject to this Declaration. Except as provided in paragraph (4) of this Section 3.02, upon the recording of a Notice of Addition of Land containing the provisions set forth below in this Section 3.02 (which Notice may be contained within any Supplemental Declaration affecting such land), the covenants,

conditions and restrictions contained in this Declaration shall apply to the added land in the same manner as if it had been originally subject to this Declaration; and thereafter, except as provided in paragraph (4) of this Section 3.02, the rights, privileges, duties and liabilities of the Persons subject to this Declaration shall be the same with respect to the added land as with respect to the lands originally covered by this Declaration.

The Notice of Addition of Land referred to hereinabove shall contain the following provisions:

(1) A reference to this Declaration, which reference shall state the date of recordation hereof and the book and page numbers wherein this Declaration is recorded;

(2) A statement that the provisions of this Declaration shall apply to the added land as set forth herein;

(3) An adequate legal description of the added land; and

(4) Declarant's written consent if the added land is not then owned by Declarant. As part of such written consent Declarant may agree with the Person who owns such land as to the terms and conditions upon which Declarant will exercise its rights and duties, as Declarant under this Declaration, with respect to such added land. Such terms and conditions may provide for joint exercise, as to such added land, of Declarant's said rights and duties.

(5) Such complimentary additions and modifications to this Declaration as may be necessary to reflect the different character, if any, of the added land which may be significantly at variance with the original land.

The right of Declarant to add additional land or units to this Declaration shall apply to all of the real property described in Exhibit "B," attached hereto and incorporated herein by this reference. Such additional land may, at Declarant's sole option, be annexed to the Project not later than ten (10) years after the issuance of the last Nevada Division of Real Estate Public Offering Statement for the Project.

3.03. Deannexation. Declarant may deannex any area of land within the Project from this Declaration, without the consent of any Owner at any time prior to the conveyance of any area of Land or Unit on that portion of land to be withdrawn, to a Purchaser. Such deannexation shall be effected by recording a deannexation declaration. Upon recordation of the deannexation declaration, the land to be deannexed shall be removed and deannexed from the Project and, thereafter, shall be free from the obligations, requirements, declaration, limitations, covenants,

conditions and restrictions set forth herein. Any deannexation will be consistent with any and all applicable County requirements.

3.04. Lands Owned by Major Developer. If an area has been sold to a Major Developer, any Supplemental Declaration and Notice of Addition of Land with respect thereto shall be executed by both Declarant and such Major Developer.

3.05 Special Declarant Rights. There are hereby reserved unto the Declarant or its designee(s) the following enumerated rights:

(a) To complete any of the improvements depicted on the plats, plans and maps as set forth in the Declaration.

(b) To exercise the development rights including annexation as set forth in this Declaration.

(c) To maintain, operate and relocate one (1), but not more than three (3) sales offices, management offices, signs, advertising relating to the Community, and additional model homes, together with easements of ingress and egress throughout the Common Area for marketing purposes.

(d) To use and exercise easements through Common Areas for the purposes of making and constructing improvements within the Common-Interest Community.

3.06. Dust Control Mitigation. Fugitive dust from disturbed areas will be controlled during and after construction by an on-going program using best practical methods such as watering, revegetation, or other controls approved by the Douglas County Department of Public Works.

During Construction, Declarant will distribute water over roadways and areas of cut and fill by water trucks. A sufficient amount of water shall be applied to these areas as directed by the Engineer or by Public Works to properly reduce dust particulates.

During construction, within the project, Declarant, Owners and/or any contractor working on behalf of the Declarant or

an owner shall monitor weather forecasts on a daily basis for wind speed and storm front prediction. Advance dust control measures, such as prewatering, will be implemented when high winds are forecast.

Declarant's revegetation of cut and fill areas of construction shall consist of application of an annual winter grass rye mix. Prior to seeding, compacted soils will be ripped or scarified as necessary. Grass seed will be placed by the use of a drill seed or by hydroseeding. Either method shall use a seed mix of at least 20 pounds per acre.

If, within 2 weeks of seeding, the vegetative cover of any area has not become well established, the area in question will be reseeded to accomplish growth of the vegetative cover.

Dust mitigation methods on individual lots shall be engaged in by the individual owners and any contractor engaged in activities on behalf of any owner. Each lot owner and their contractor shall make every effort to control and reduce fugitive dust from their lot construction area.

If an individual lot owner or his contractor damages the seeded area of an adjacent lot, the damaged area shall be reseeded at the expense of the owner or contractor who caused the damage.

Upon the conclusion of any such maintenance or repair, the golf course and any effected portion of the Golf Club facilities shall be returned to the same condition it was in prior to the maintenance or repair activity.

6.12 Easement in Favor of Declarant to Facilitate Sales and Resales. There is hereby reserved to Declarant, its agents and employees, the right and exclusive easement to use any units owned or leased by the Declarant as models, management offices, sales and resales offices, or customer service offices.

The Declarant reserves the right to relocate the same from time to time within the property; upon relocation, the furnishings thereof may be removed. The Declarant further reserves the right to maintain on the property such advertising signs as may comply with applicable governmental regulations which may be placed in any location on the property and may be relocated or removed all at the sole discretion of the Declarant. The Declarant shall have the right to restrict the use of certain common element parking spaces for sales purposes and to use such spaces for sales purposes. Further, the Declarant shall have the exclusive right to erect temporary offices or certain common elements for models, sales, resales, management, customer service, and similar purposes. The reservation of this easement to facilitate sales also applies to any land annexed or to be covered by these Covenants, Conditions and Restrictions. Any such sales and marketing facilities and common areas shall be maintained at the sole cost of the Declarant so long as Declarant is the sole user of such areas.

6.13 Emergency Access Easement. An easement for purposes of emergency access is hereby granted across a portion of the Golf Club, more specifically described as the 7th fairway. The easement shall exist for purposes of allowing ingress and egress of emergency vehicles. Said easement shall be marked on the fairway in such a manner that will not interfere with the normal use of the golf course.

ARTICLE VII

ASSOCIATION PROPERTY

7.01 Use. Each Member of the Association who resides in Genoa Lakes Country Club, and the members of their family who reside with them, and each lessee of a Homesite, Townhouse or a dwelling Unit on a multi-family Homesite, shall be entitled to use the Property of the Association, subject to:

(a) The provisions of The Golf Club at Genoa Lakes Restrictions, and each person who uses any Property of the Association, in using the same, shall be deemed to have agreed to comply therewith;

(b) The right of the Association to charge reasonable dues, use fees and other fees for those facilities or amenities for which fees are normally charged or assessed.

(c) The right of the Association to suspend the rights to the use of any Property of the Association by any Member or lessee and their respective families, guests and invitees for any period during which any Assessment against the Member's property remains past due and unpaid; and, after Notice and Hearing by the

Board, the right of the Association to invoke any remedy set forth in Section 4.10 and Article IX for any other infraction of the Genoa Lakes Association Restrictions;

(d) The right of the Association to require that security deposits be made and deposited with the Association to secure all sums, and to guarantee performance of all duties, due and owing or to become due and owing to the Association;

(e) The right of the Association to allow the general public, or certain segments thereof, to use any Association Property, and in the discretion of the Board, to charge use or other fees therefor subject to subparagraph (b) above provided that the Association may not charge fees for access to public-type parks and sport fields; and

(f) Such rights to use Association Property as may have been granted by the Association to others; and

(g) Such covenants, conditions, and restrictions as may have been imposed by the Association or prior owners on Association Property.

7.02 Maintenance of Association Property. The cost of maintenance and general upkeep of all Association property including all common area and entry landscaping shall be borne equally by the Association and the Declarant until 80% of the total units of the Project have been sold, at which point the Association will be responsible for 75% of such costs and the Declarant the remaining 25%. At the time all of the units of the Project have been sold, the Association shall be responsible for all of the costs and maintenance of Association property. If at any time the Association and/or the Declarant fail to adequately maintain Association property, the Golf Club shall have the right to provide the necessary maintenance and charge the Association and/or Declarant for such maintenance in accordance with this Section.

7.03 Easement of Enjoyment. Every Member of the Association shall have a right and easement of enjoyment in and to the Common Area, subject to this Declaration as it may be amended from time to time and to any restrictions or limitations contained in any deed conveying such property to the Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, tenants, members and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

Access to the Golf Course within or adjacent to the Properties is strictly subject to the rules and procedures established by the respective owners of the Golf Course and/or Club Facilities. No Owner or occupant gains any right to enter or to use the Golf Course or Club Facilities solely by virtue of ownership or occupancy of a Homesite or Unit.

7.04 Easement for Golf Balls. Every Homesite, Unit, Common Area, Limited Common Area and the common property of any Village or Neighborhood is burdened with an easement permitting golf balls unintentionally to come upon the Common Area, Limited Common Area, Homesites, Homes, Units or common property immediately adjacent to the Golf Course and for golfers at reasonable times and in a reasonable manner to come upon the Common Area, Limited Common Area, common property of a Neighborhood, or the exterior portions of a Homesite or Unit to retrieve errant golf balls; provided, however, if any Homesite or Unit is fenced or walled, the golfer will seek the Owner's permission before entry. Homesite or Unit owners should undertake all necessary measures to protect their residence, property, guests, family members and invitees from errant golf balls. The acquisition of a Homesite within the Properties acknowledges that the Owners are expressly assuming the risk for any damages occurring by virtue of an errant golf ball by virtue of such Owner's acquisition of a Homesite or Unit in a Golf Course community. The Association agrees to indemnify Declarant against any action by the Owners against Declarant for the damage caused by an errant golf ball.

7.05 Easement in Favor of Club Facility. The Declarant hereby reserves a perpetual easement in favor of the Declarant and all of its successors and assigns, including the Golf Club and its owner members, guests, invitees, licensees or employees, over, under and across any Association property for purposes of use, maintenance, ingress, egress, sales and marketing, at no fee or cost whatsoever to the Declarant, its successors or assigns, including the Golf Club and its Owner Members, guests, invitees, licensees or employees. Additionally, said easement shall include, but not be limited to access for the purposes of providing utility service and the construction and maintenance of facilities and/or other improvements necessary for the operation and maintenance of the Golf Club.

7.06 Damages. Each Member and lessee described above in Section 7.01 shall be liable to the Association for any damage to Property of the Association which may be sustained by reason of the negligent or intentional misconduct of such person or of his family, guests or invitees. If the property, the ownership or leasing of which entitles the Owner or lessee thereof to use Association Property, is owned or leased jointly or in common, the liability of all such joint or common Owners or lessees shall be joint and several. The amount of such damage may be assessed against such person's real and personal property on or within the

Project, including the leasehold estate of any lessee, and may be collected as provided in Article IX, below, for the collection of Assessments.

7.07 Damage and Destruction. In the case of destruction of or damage to Association Property by fire or other casualty:

A. Decision to Reconstruct. If the Board determines to rebuild any Property destroyed or damaged in a manner substantially the same as those which were destroyed or damaged, it shall prepare plans and obtain bids for said plans. The Board will call a special meeting where Members may, by two-thirds (2/3) of the vote cast at such meeting, elect to accept or reject the Board's plan and bids. The Board will modify its reconstruction plans until the required Membership vote is obtained.

Reconstruction of damaged or destroyed property where the winning bid to perform necessary repairs is less than \$20,000 may be performed on behalf of The Association without a vote of the Membership, provided such a decision is reached by a unanimous decision of the Board.

B. Decision Not to Reconstruct. If the Board determines not to rebuild any Property so destroyed or damaged, or to build facilities substantially different from those which were destroyed or damaged, it shall call a special meeting of the Members to consider such decision. If the Members, by a vote of eighty percent (80%) of the Unit Owners, elect to ratify such decision, the Board shall act accordingly; but if the Members do not by such percentage elect to ratify such decision, the Board shall proceed to repair or rebuild the damaged or destroyed facility pursuant to paragraph A of this Section 7.06. Should the entry landscaping and/or entry gatehouse become destroyed or damaged, the Association agrees to rebuild said entry improvements in a manner consistent with their original condition as constructed by the Declarant. This pledge to reconstruct the entry improvements is intended to preserve the Declarant's creation of an upscale image for The Genoa Lakes community and The Golf Club at Genoa Lakes.

7.08 Roadways. A private roadway easement, 24 feet in width, is granted to the Association for the provision of all roadways within the Project, subject to the retained right of the Declarant and its successors and assigns, to have unlimited access on, over, under and across all such roadways. This easement may be conveyed to the Association with the reservation of the rights set forth in this Agreement.

7.09 Relocation of Golf Club Improvements. The Declarant and its successors and assigns, including the Golf Club shall retain the right to relocate golf club improvements such as

tee boxes, greens, cart paths and lakes, so long as such relocation does not materially interfere with a then existing use of the Association property.

ARTICLE VIII

ARCHITECTURAL AND LANDSCAPE CONTROL COMMITTEE

8.01 Members of Committee. There shall be an Architectural and Landscape Control Committee (ALCC) which shall consist of three (3) members or five (5) members, all of which shall be designated by Declarant. There shall also be two (2) alternate members, either of whom may be designated by the Committee to act as substitute on the committee in the event of absence or disability of any member. Each member of the Committee shall hold office until such time as he has resigned or has been removed or his successor has been appointed, as provided herein. Members of the Committee may be removed at any time without cause.

8.02 Declarant's Rights of Appointment. The Declarant shall have the right to appoint and remove all members of the ALCC, including alternates. Upon sale of the final unit or homesite by the Declarant or its successor, the right to appoint and remove all members of ALCC shall be automatically transferred to the Board who shall then have the authority to appoint and/or remove members of the ALCC upon a majority vote.

8.03 Review of Proposed Construction. Whenever in this Declaration or in any Supplemental Declaration the approval of the Architectural and Landscape Control Committee is required, it shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts which in its sole discretion are relevant. Except as provided in Sections 4.16 and 4.17 above, prior to commencement of any construction of any Improvement in the Project, the Plans and Specifications therefor shall be submitted to the Architectural and Landscape Control Committee, and construction thereof may not commence unless and until the Committee has approved such Plans and Specifications in writing. The Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform such other duties assigned to it by this Declaration, or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Committee. The Committee shall approve Plans and Specifications submitted for its approval only if it deems that the construction, alterations, or additions contemplated thereby in the locations indicated will not be detrimental to the surrounding area or the Project as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures. The Committee may condition its approval of Plans and Specifications on such changes

therein as it deems appropriate, and may require submission of additional Plans and Specifications or other information prior to approving or disapproving the material submitted. The Committee may also issue rules or guidelines regarding anything relevant to its functions, including but not limited to minimum standards and procedures for the submission of Plans and Specifications for approval. Such rules shall be known as the Architectural and Landscape Control Design Guidelines. The ALCC, at its sole discretion, may require a reasonable fee to accompany each application for approval. Said fee, payable in advance by Applicant, shall be used to cover the ALCC and its members' reasonable costs. The Committee may require such detail in Plans and Specifications submitted for its review and such other information as it deems proper, including without limitation, environmental impact statements. Until receipt by the Committee of all required Plans and Specifications and other information, the Committee may postpone review of anything submitted for approval.

8.04 Architectural Design Guidelines. The Architectural and Landscape Control Committee shall from time to time, and in its sole discretion, adopt, amend and repeal by unanimous vote rules and regulations to be known as "Architectural Design Guidelines" interpreting and implementing the provisions of this Declaration and setting forth fees to be charged and procedures and design and construction criteria to be followed in submitting proposals to the Committee. A copy of the Architectural Design Guidelines as they may from time to time be adopted, amended or repealed, certified by any member of the Architectural and Landscape Control Committee, shall be maintained at the office of the Association and shall be available for inspection and copying by any Member at any reasonable time during the business hours of the Association. The following minimum standards and restrictions shall apply to any construction work performed on the Property:

(a) No more than one (1) residential unit shall be constructed on any Homesite; however, if the size of the Homesite permits, a single detached guest house for guests or domestic employees shall be considered as part of the same residential unit. Further provided that one (1) residential unit may be constructed on more than one (1) Homesite in which event the Owner shall be required to pay assessments on the number of Homesites owned and constructed upon absent approval of an alternative plan by the Board.

(b) All improvements shall be constructed in full compliance with all applicable zoning laws, building codes and other laws, ordinances and regulations applicable to the construction, use and occupancy of improvements.

(c) The placement of the improvements on a Homesite, the type of roofs, exterior materials and building shapes shall be established in such manner as to be determined reasonable in the sole discretion of the Architectural and Landscape Control Committee. Although the Architectural and Landscape Control Committee shall not proscribe specific building "envelopes" for each site, the Committee shall have the authority to establish standards in the Architectural Design Guidelines for the setback of buildings from the borders of home sites.

8.05 Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder, but such meetings shall be held at least annually on or about the first Tuesday in April of each year or as required by law. The Committee may from time to time by resolution unanimously adopted in writing, designate one of its members to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 8.10. In the absence of such designation, the vote of a majority of all of the members of the Committee, or the written consent of a majority of all of the members of the Committee taken without a meeting, shall constitute an act of the Committee.

8.06 No Waiver of Future Approvals. The approval or consent of the Committee to any Plans or Specifications for any work done or proposed or in connection with any other matter requiring the approval or consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans or Specifications or other matter whatsoever subsequently or additionally submitted for approval or consent by the same or a different Person.

8.07 Compensation of Members. The members of the Committee shall be entitled to reasonable compensation from the Association for services rendered, together with reimbursement for expenses incurred by them in the performance of their duties hereunder. Such compensation shall be determined by Declarant while it has the right to approve or disapprove the members of the Committee pursuant to Section 8.02 above and thereafter such compensation shall be determined by the Board.

8.08 Inspection of Work.

A. Completed Work. Inspection of completed work and correction of defects therein shall proceed as follows:

(a) Upon the completion of any Improvement for which approved Plans or Specifications are required under this Declaration, the Owner shall give written notice of completion to the Committee within 15

days of the Notice of Completion given to Douglas County.

(b) Within such reasonable time as the Committee may set in its Rules but not to exceed thirty (30) days thereafter, the Committee or its duly authorized representative may inspect such Improvement. If the Committee finds that such work was not done in strict compliance with all approved Plans and Specifications submitted or required to be submitted for its prior approval, it shall notify the Owner in writing of such noncompliance within such period, specifying in reasonable detail the particulars of noncompliance, and shall require the Owner to remedy the same.

(c) If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance, the Committee shall notify the Board in writing of such failure. Upon Notice and Hearing, the Board shall issue a ruling determining whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board's ruling within such period, the Board, at its option, may either remove the noncomplying Improvement or remedy the noncompliance, and the Owner shall reimburse the Association upon demand for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against such Owner and the Improvement in question and the land upon which the same is situated for reimbursement and the same shall constitute a lien upon such land and Improvement and be enforced as in this Declaration provided.

(d) If for any reason after receipt of said written notice of completion from the Owner, the Committee fails to notify the Owner of any noncompliance within the period provided above in subparagraph (b) of Section 8.08A, the Improvement shall be deemed to be in accordance with said approved Plans and Specifications.

B. Work in Progress. The Committee may inspect all work in progress and give notice of noncompliance as provided above in subparagraph (b) of Section 8.08A. If the Owner denies that such noncompliance exists, the procedures set out in subparagraph (c) of Section 8.08A shall be followed, except that no further work shall be done, pending resolution of the dispute,

which would hamper correction of the noncompliance if the Board should find that such noncompliance exists.

8.09 Nonliability of Committee Members. Neither the Committee nor any member thereof nor the Board nor any member thereof shall be liable to the Association or to any Owner or to any other Person for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Committee or its members or the Board or its members, as the case may be. Except insofar as its duties may be extended with respect to a particular area by a Supplemental Declaration filed by Declarant or by Declarant and a Major Developer, as the case may be, the Committee shall review and approve or disapprove all Plans and Specifications submitted to it for any proposed Improvement, including the construction, alteration or addition thereof or thereto, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the surrounding area and Genoa Lakes generally. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any Plans or Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes which may be applicable to the planned construction.

8.10 Variances. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration or any Supplemental Declaration, including restrictions upon height, bulk, size, shape, floor area, land area, placement of structures, set-backs, building envelopes, colors, materials, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations may, in its sole and absolute discretion, warrant. Such variances must be consistent with any and all applicable law. Such variances must be evidenced in writing and must be signed by at least a majority of all of the members of the Committee. If such a variance is granted, no violation of the covenants, conditions or restrictions contained in this Declaration or any Supplemental Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration, the Architectural Design Guidelines or any Supplemental Declaration for any purpose except as to the particular property and particular provision and in the particular instance covered by the variance.

8.11 Obligations with Respect to Zoning and Subdivisions.

A. The Architectural and Landscape Control Committee shall require all Persons to comply fully with the zoning and master plan designations and the special use permit enacted for GENOA LAKES by the Board of County Commissioners of Douglas County, Nevada, and with all applicable federal, state and local laws, regulations and ordinances, insofar as the same is applicable and as the same may hereafter be amended from time to time.

8.12 Relinquishment of Architectural Control To Subassociations. So long as Declarant is entitled to appoint the Board of Directors, Declarant may, at its sole discretion, relinquish to any Subassociation established pursuant to a Supplemental Declaration under this Declaration the right to appoint its own architectural committee for the area which is subject to such Supplemental Declaration; and after Declarant is no longer entitled to such appointment power, the Board of the Association may make such relinquishment. No such relinquishment shall be effective, however, without the written acceptance of the Subassociation. If such relinquishment is made, then the architectural committee of such Subassociation shall have all rights, powers, functions, duties and obligations with respect to the area subject to the Supplemental Declaration as are granted to the Architectural and Landscape Control Committee by this Article VIII or by any other sections of this Declaration and the Subassociation shall have all rights, powers, functions, duties and obligations with respect to such Subassociation architectural committee as are granted to the Association with respect to the Architectural and Landscape Control Committee by this Article VIII or by any other sections of this Declaration.

ARTICLE IX

FUNDS AND ASSESSMENTS

9.01 Agreement to Pay. Each Owner, by his acceptance of a deed, for each Homesite, Cluster Unit, Multi-Family Site, and Commercial Site owned, covenants and agrees to pay to the Association such regular and special assessments as are established, made and collected, as provided in this Declaration. Until such time as each Homesite within the Project has a residence constructed thereon and such Homesite is owned by Declarant, Declarant's assessments under this Article IX shall be limited to five dollars (\$5.00) per year, per homesite. Provided, however, that until the Association makes an assessment for common expenses, the Declarant shall pay all common expenses which may, at Declarant's sole discretion, be necessary pursuant to a Subsidy Agreement.

9.02 Genoa Lakes Association Maintenance Fund. The Board shall establish a fund (the "Genoa Lakes Association Maintenance Fund") into which shall be deposited all monies paid to the Association and from which disbursements shall be made in perform-

ing the functions of the Association under the Genoa Lakes Restrictions. The funds of the Association must be used solely for purposes related to the areas and Improvements owned by or leased to the Association, or subject to the Genoa Lakes Restrictions, to maintenance or operation by the Association, including maintenance and repair of all private roads within the Project, or otherwise for purposes authorized by the Genoa Lakes Restrictions as they may from time to time be amended. Nothing contained herein shall limit, preclude or impair the establishment of other maintenance funds by any Subassociation pursuant to any Supplemental Declaration.

9.03 Regular Annual Assessments. Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under this Declaration, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Uniform and equal Assessments sufficient to pay such estimated net charges shall then be levied and collected as provided in this Article IX. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion, which shall at least be annually.

9.04 Special Assessments. In addition to the regular annual Assessments provided for above in Section 9.03, the Board shall levy special Assessments, upon the property and in the manner set forth in this Article IX, whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the mandatory functions of the Association under the Genoa Lakes Restrictions, and the Board may levy such special Assessments whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the optional functions of the Association under the Genoa Lakes Restrictions.

9.05 Notice of Special Assessments; Time for Payment. The Association may, in its discretion, give written notice of special Assessments to each Owner, which notice shall specify the amount of the special Assessment and the date or dates of payment of the same. No payment shall be due fewer than fifteen (15) days after such written notice has been given. Failure of the Association to give notice of the special Assessment shall not affect the liability of the Owner of any Unit or Homesite for such special Assessment, but the date when payment shall become due in

such a case shall be deferred to a date fifteen (15) days after such notice shall have been given.

9.06 Late Charges and Suspension of Card Key Privileges. If any Assessment, whether regular or special, is not paid within fifteen (15) days after it is due, the Owner may be required by the Board to pay a late charge at such rate as the Board may designate from time to time not to exceed eighteen percent (18%). In addition, the Board may, in its discretion, suspend an Owner's card key privilege to activate automatic entrance mechanisms in the Project.

9.07 Unpaid Assessments as Liens. The amount of any delinquent Assessment, whether regular or special, assessed against any property and any late payment charge attributable thereto, plus interest on such Assessment and charge at a rate not to exceed eighteen percent (18%) per annum simple interest, and the costs of collecting the same, including reasonable attorneys' fees, shall be a lien upon such Homesite and the Improvements thereto. Such lien shall be prior to any declaration of homestead. Such lien shall be created in accordance with NRS 116.3116 and shall be foreclosed in the manner provided for in NRS 116.31162, 116.31164 and 116.31168. A certificate executed and acknowledged by any two (2) members of the Board stating the indebtedness secured by such lien shall be conclusive upon the Association as to the amount of such indebtedness as of the date of the certificate, in favor of all Persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request at a reasonable fee, not to exceed Ten Dollars (\$10.00).

9.08 Mortgage Protection. Notwithstanding any other provision of the Genoa Lakes Restrictions, no lien created under this Article IX or under any other Article of this Declaration, nor any lien arising by reason of any breach of the Genoa Lakes Restrictions, nor the enforcement of any provision of this Declaration or of any Supplemental Declaration shall defeat or render invalid the rights of the Beneficiary under any recorded Mortgage or Deed of Trust of first and senior priority now or hereafter upon a Homesite made in good faith and for value perfected before the date on which the assessment sought to be enforced became delinquent. However, after the foreclosure of any such first Mortgage or Deed of Trust or after any conveyance in lieu of foreclosure, such Homesite shall remain subject to the Genoa Lakes Restrictions and shall be liable for all regular Assessments and all special Assessments levied subsequent to completion of such foreclosure or delivery of such conveyance in lieu of foreclosure, and to all installments of all regular and special Assessments levied prior to completion of such foreclosure or delivery of such conveyance but falling due after such completion or such delivery.

9.09 Effect of Amendments on Mortgages. Notwithstanding the provisions of Section 10.02, below, no amendment of Section 9.08 of this Declaration shall affect the rights of any Beneficiary whose Mortgage or Deed of Trust has the first and senior priority as provided in Section 9.08 and who does not join in the execution thereof, provided that its Mortgage or Deed of Trust is recorded in the real property records of Douglas County prior to the recordation of such amendment; provided, however, that after foreclosure or conveyance in lieu of foreclosure the property which was subject to such Mortgage or Deed of Trust shall be subject to such amendment.

9.10 Subordination. By subordination agreement executed by the Association, the benefits of Section 9.08 and 9.09, above, may in the sole and absolute discretion of the Board, be extended to beneficiaries not otherwise entitled thereto.

ARTICLE X

MISCELLANEOUS

10.01 Term. This Declaration, including all of the covenants, conditions and restrictions hereof, shall run until December 31, 2040, unless amended as herein provided. After December 31, 2040, this Declaration, including all such covenants, conditions and restrictions, shall be automatically extended for successive periods of ten (10) years each, unless amended or extinguished by a written instrument executed by at least two-thirds (2/3) of the Owners in the Genoa Lakes Project and recorded in the Douglas County real property records.

10.02 Amendment.

A. Special Provisions. No amendment of Article IX shall be effective as to any Beneficiary who does not join in the execution thereof provided that its Mortgage or Deed of Trust is recorded in the real property records of the county prior to the recordation of such amendment. Subject to the preceding sentence, and except as set forth below, no amendment of this Section 10.02 shall be effective unless adopted by a majority of the total number of votes entitled to be cast pursuant to Section 2.03A above at the time of the proposed amendment. No amendment of this Declaration shall be effective until executed and recorded in the real property records of Douglas County in the manner herein provided.

B. By Declarant. Except as provided in Section 10.02A, this Declaration may be amended by only the Declarant so long as Declarant is entitled to exercise any development rights or appoint all members of the Board; provided, however, that no such amendment by Declarant shall be effective without Notice and a Meeting, and if the Owners, other than

Declarant, entitled to cast eighty percent (80%) or more of the votes entitled to be cast pursuant to Section 2.03A, by written notice delivered to the Board within fifteen (15) days after such meeting, object to such amendment proposed by Declarant, such amendment shall not be effective. No amendment by Declarant shall be effective until there has been recorded in the real property records of the county, an instrument executed and acknowledged by Declarant and setting forth the amendment, and an instrument executed and acknowledged by the president and secretary of the Board certifying that the above-mentioned Notice and Meeting was given and held and that the Board did not within fifteen (15) days after said hearing receive written objections to the amendment from the Owners, other than Declarant, entitled to cast eighty percent (80%) or more of the votes entitled to be cast pursuant to Section 2.03A.

C. By Owners. Except as provided in Sections 10.02A and 10.02B, this Declaration may be amended by the recording in the county real property records of an instrument executed and acknowledged by the president and secretary of the Board, setting forth the amendment and certifying that such amendment has been approved by Owners entitled to cast at least fifty-one percent (51%) of the number of votes entitled to be cast pursuant to Section 2.03A. Any Owner may indicate their approval of such proposed amendment either by consenting thereto in writing or by affirmative vote at a duly convened regular or special meeting of the Association.

10.03 Notices. Any notice permitted or required to be given by the Declaration shall be in writing and may be delivered either personally or by mail. If delivery is made by mail, it shall be deemed to have been delivered on the third day (other than a Sunday or a legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the Person at the address given by such Person to the Association for the purpose of service of notices, or to the residence of such Person if no address has been given to the Association. Such address may be changed from time to time by notice in writing given by such Person to the Association.

10.04 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate their purposes of creating a uniform plan for the development and operation of Genoa Lakes and of promoting and effectuating the fundamental concepts of Genoa Lakes as set forth in Article I of this Declaration. This Declaration shall be construed and governed under the laws of the State of Nevada.

10.05 Enforcement and Nonwaiver.

A. Right of Enforcement. Except as otherwise provided herein, any Owner, at their own expense, Declarant and the

Board shall have the right to enforce all of the provisions of the Genoa Lakes Restrictions against any property within Genoa Lakes and the Owners thereof. Such right of enforcement shall include both damages for and injunctive relief against the breach of any such provision. The right of any Owner to so enforce such provisions shall be equally applicable without regard to whether the land (or other interest) of the Owner seeking such enforcement or the land (or other interest) whereon or with respect to which a violation of such provision is alleged is initially set forth on Exhibit A or is hereafter subjected to this Declaration pursuant to Section 3.02, above.

B. Violation a Nuisance. Every act or omission whereby any provision of the Genoa Lakes Restrictions is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated by any Owner, at their own expense, by Declarant, or by the Board, whether or not the relief sought is for negative or affirmative action. However, only Declarant, the Board and the duly authorized agents of either of them may enforce by self-help any of the provisions of the Genoa Lakes Restrictions, and then only if such self-help is preceded by reasonable notice to the Owner in question.

C. Violation of Law. Any violation of any federal, state or local law, ordinance or regulation pertaining to the ownership, occupancy or use of any property within the Genoa Lakes is hereby declared to be a violation of the Genoa Lakes Restrictions and subject to all of the enforcement procedures set forth in said Restrictions.

D. Remedies Cumulative. Each remedy provided by the Genoa Lakes Restrictions is cumulative and not exclusive.
