### Certificate of Amendment

For Record of Survey for Tom Yturbide, recorded August 28, 1989, file No. 209569, Official Records, Douglas County, Nevada.

Dear Mr. Tschihart,

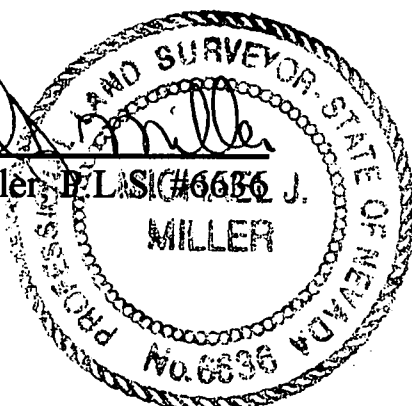

Pursuant to the provisions of N.R.S. 278.473, I request the following correction be made to the above referenced Record of Survey Map:

On Sheet 1 of 1, under "NOTES" shown in the lower left portion of the sheet, Note No. 5. reads "5. The legal limit of private ownership on Lake Tahoe frontage extends to elevation 6229.1 feet above mean sea level which is mean high water mark according to the Nevada State Water Resources Division. the State of Nevada retains ownership below said elevation." This note is incorrect, and should be replaced with the following note:

"5. The legal limit of private ownership on Lake Tahoe frontage extends to elevation 6223 feet above mean sea level which is low water mark per N.R.S. 321.595. The State of Nevada retains ownership below said elevation."

This correction does not change the location of any survey monument, property line or boundary line. When this certificate is recorded, we request a proper notation be placed on the original Record of Survey map, according to the provisions of paragraph 3 of N.R.S. 278.473.

Surveyor:

  
Michael J. Miller, P.L.S.#6636 J.
