NOTICE OF ATTACHMENT OF AN OPEN TAX LIEN ON AGRICULTURAL REAL PROPERTY IN DOUGLAS COUNTY

Due to the filing of an agricultural, historic or open space application NRS 361A.110 states the property may be subject to liens for undetermined amounts. Also pursuant to NRS 361A.155 when any portion of agricultural land is converted to a higher use the county assessor shall determine its taxable and agricultural use values against which to compute the deferred tax for each fiscal year the property was under agricultural assessment during the preceding fiscal years, or such period as is required pursuant to subsection 2 of NRS 361A.280.

In accordance to NRS 361A.270 the owner will, within 30 days after a parcel or any portion of a parcel of real property which has received agricultural use assessment ceases to be used exclusively for agricultural use, notify the county assessor in writing of the date of cessation of that use. Pursuant to NRS 361A.280 all deferred taxes will become due along with penalties if the owner failed to give the notice required by NRS 361A.270. Also according to NRS 361A.290 if there are deferred taxes that have not been paid under provisions of NRS 361A.265 or 361A.280 at the time real property is sold or transferred, the seller must notify the buyer in writing that there is a lien for deferred taxes on the property.

The following list contains real property which has a prior approved application for agricultural assessment.

You will please take further notice that deferred taxes on all qualified agricultural real property in Douglas County will annually attach as a perpetual lien under NRS 361A.280(3). Persons desiring information regarding these liens should contact the Douglas County Assessor's Office.

Dated this 17th day of February, 1995
