TOGETHER with all improvements now or hereafter erected on the Property, and all easements, rights, appurtenances, fixtures and rents (subject however to the rights and authority herein given to Beneficiary to collect and apply such rents), all of which shall be deemed to be and remain a part of the Property covered by this Deed of Trust; and all of the foregoing, together with said Property (or the leasehold estate if this Deed of Trust is on a leasehold), are hereinafter referred to collectively as the "Property"; Trustor presently assigns absolutely and irrevocably to Beneficiary all of Trustor's right, title and interest in and to all present and future leases of the property and all Rents from the Property. In addition, Trustor grants Beneficiary a Uniform Commercial Code security interest in the Personal Property defined above.

This Deed of Trust, including the assignment of rents and the security interest in the personal property, is given to secure (1) payment of the indebtedness including future advances and (2) performance of each agreement and obligation of Trustor under the Agreement, the related documents, and this Deed of Trust. This Deed of Trust is governed in part by NRS 106.300 to 106.400 and therefore secures future advances made by lender. The maximum amount of advances secured by this Deed of trust is stated below, which maximum may increase or decrease from time to time by amendment of the Agreement.

TO SECURE to Beneficiary all of the following described items (the "Indebtedness"):

1. The repayment of all indebtedness owed to Beneficiary under an open-end line of credit evidenced by and described in that certain **AGREEMENT** between Beneficiary and WALTER C SCHWARTZ AND MARION SCHWARTZ (the "Borrower") dated August 20, 1996, together with all modifications, amendments, extensions and renewals thereof (hereinafter referred to as the "Agreement"). Beneficiary shall make advances to Borrower pursuant to the terms and conditions of the Agreement, which advances shall be repaid in whole or in part from time to time by Borrower. The maximum amount outstanding on the line of credit shall not exceed the aggregate principal balance of One Hundred Twenty Eight Thousand Eight Hundred and 00/100 Dollars (\$ 128800.00). The Indebtedness secured by this Deed of Trust, together with interest and other charges assessed on the unpaid balance thereof computed in accordance with the terms of the Agreement, shall be payable to Beneficiary in the manner and subject to the conditions set forth in the Agreement.
2. The payment of all other sums, with interest thereon, advanced in accordance herewith to protect the security of this Deed of Trust.
3. The performance of the covenants and agreements of Trustor contained in this Deed of Trust.

Specifically, without limitation, this Deed of Trust secures a revolving line of credit. Such advances may be made, repaid, and remade from time to time, subject to the limitation that the total outstanding balance owing at any one time, not including finance charges, and any amounts expended or advanced as provided in this paragraph, shall not exceed the credit limit as provided in the Agreement. It is the intention of Trustor and Beneficiary that this Deed of Trust secures the balance outstanding under the Agreement from time to time from zero up to the credit limit as provided and any intermediate balance.

Trustor covenants that Trustor is lawfully seized of the estate hereby conveyed and has the right to grant and convey the Property, and that the Property is unencumbered, except for any exceptions to title listed in any title insurance policy or report issued in favor of Beneficiary in connection with this Deed of Trust acceptable to Beneficiary. Trustor covenants that Trustor warrants and will defend the lien created by this Deed of Trust and the title to the Property against all claims and demands subject to encumbrances of record.

The word "Trustor" means any and all persons and entities executing this Deed of Trust, including without limitation those names listed above. Any Trustor who signs this Deed of Trust, but does not sign the Home Equity Agreement and Disclosure, is signing this Deed of Trust only to grant and convey that Trustor's interest in the Property and to grant a security interest in Trustor's interest in the Personal Property to Lender and is not personally liable under the Home Equity Agreement and Disclosure except as otherwise provided by contract or law.

Trustor covenants and agrees as follows:

1. **TAXES.** Trustor shall pay when due all taxes, special taxes, assessments, charges (including water and sewer) fines and impositions levied against or on account of the Property. Trustor shall keep the Property free and clear of all liens which have a priority over the interest of Beneficiary under this Deed of Trust except for the lien of any taxes and assessments not yet due and payable and other liens acceptable to Beneficiary. Upon demand, Trustor shall furnish to Beneficiary such evidence as Beneficiary may reasonably require, that Trustor has paid all taxes and assessments applicable to the Property. Trustor may withhold payment of any tax or assessment in connection with a good faith dispute over Trustor's obligation to pay such tax or assessment provided any such dispute is prosecuted with due diligence and Beneficiary's lien position is not jeopardized. Beneficiary retains the right to require Trustor to provide adequate assurances to Beneficiary that any dispute will not result in an impairment of Beneficiary's lien position granted by this Deed of Trust.
2. **PRIOR MORTGAGES AND DEEDS OF TRUST.** Trustor shall promptly perform all of Trustor's obligations under any mortgage, deed of trust or other security agreement with a lien which has priority over the lien of this Deed of Trust, including delivering to Beneficiary evidence of Trustor's prompt performance.
3. **HAZARD INSURANCE.** Trustor shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage" and such other hazards as Beneficiary may require, and in such amounts and for such periods as Beneficiary may require. Beneficiary shall be named as Loss Payee or Additional Insured, whichever may be appropriate, in all such insurance policies.

The insurance carrier providing the insurance shall be chosen by Trustor subject to approval by Beneficiary, provided that such approval shall not be unreasonably withheld. All insurance policies and renewals thereof shall be in a form acceptable to Beneficiary and shall include a standard mortgagee clause in favor of and in a form acceptable to Beneficiary. Beneficiary shall have the right to hold the policies and any renewals thereof, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over the lien of this Deed of Trust. At Beneficiary's request, Trustor will deliver certificates of insurance in form satisfactory to Beneficiary including endorsements that any coverage will not be cancelled or diminished without at least ten (10) days prior written notice to Beneficiary. Should the Property at any time become located in an area designated as a special flood hazard area, Trustor agrees to obtain and maintain Federal Flood Insurance to the extent such insurance is required and or becomes available for the term of the Indebtedness secured by this Deed of Trust and for the maximum balance available or the maximum limit of coverage that is available, whichever is less.

In the event of loss, Trustor shall give prompt notice to the insurance carrier and Beneficiary. Beneficiary may make proof of loss if not made promptly by Trustor.

4. PRESERVATION AND MAINTENANCE OF PROPERTY; LEASEHOLDS; CONDOMINIUMS; PLANNED UNIT DEVELOPMENTS. Trustor shall keep the Property in good repair and shall not commit waste or permit impairment or deterioration of the Property and shall comply with the provisions of any lease if this Deed of Trust is on a leasehold. If this Deed of Trust is on a unit in a condominium or a planned unit development, Trustor shall perform all of Trustor's obligations under the declaration of covenants creating or governing the condominium or planned unit development, the by-laws and regulations of the condominium or planned unit development, and constituent documents.

5. PROTECTION OF BENEFICIARY'S SECURITY. If Trustor fails to perform any covenants or agreements contained in this Deed of Trust, or if any action or proceeding is commenced which affects Beneficiary's interest in the Property, then Beneficiary, at Beneficiary's option, may make such appearances, disburse such sums, including reasonable attorneys' fees, and take such action as is necessary to protect Beneficiary's interest. Any amounts disbursed by Beneficiary pursuant hereto, with interest thereon, at the rate specified in the Agreement, shall become additional Indebtedness of Trustor secured by this Deed of Trust. Unless Trustor and Beneficiary agree to other terms of payment, such amounts shall be payable upon notice from Beneficiary to Trustor requesting payment thereof. Nothing contained in this Deed of Trust shall require Beneficiary to incur any expense or take any action hereunder. Any action taken by Beneficiary shall not be construed as curing any default by Trustor.

6. INSPECTION. Beneficiary may make or cause to be made reasonable entries upon and inspections of the Property, provided that Beneficiary shall give Trustor notice prior to any such inspection specifying reasonable cause therefor related to Beneficiary's interest in the Property.

7. APPRAISAL. Beneficiary may obtain appraisals of the Property and Trustor shall cooperate with Beneficiary and grant access to the Property for the purposes of completing any such appraisals. In the event that Beneficiary is required to obtain appraisals in order to comply with any law or regulation imposed by any government entity which has jurisdiction over Beneficiary, Trustor shall bear the cost of any such appraisal and Beneficiary is hereby authorized to add such cost to the Indebtedness secured hereby.

8. HAZARDOUS MATERIALS. Trustor hereby represents and warrants that no Hazardous Materials, as defined below, are now located on the Property, and neither Trustor nor, to Trustor's knowledge, any other person has ever caused or permitted any Hazardous Materials to be placed, held, located or disposed of on, under or at the Property, or any part thereof. Trustor further represents and warrants that no investigation, administrative order, consent order and agreement, litigation or settlement with respect to Hazardous Materials is proposed, threatened, anticipated or in existence with respect to the Property. Hazardous Materials shall mean (a) "hazardous waste" as defined by the Resource Conservation and Recovery Act of 1976 (42 U.S.C. Section 6901 et seq.), as amended from time to time and regulations promulgated thereunder; (b) "hazardous substance" as defined by the Comprehensive Environmental Response, Compensation and Liability Act of 1980 (42 U.S.C. Section 9601 et seq.), as amended from time to time, and regulations promulgated thereunder; (c) asbestos; (d) polychlorinated biphenyls; (e) underground storage tanks, whether empty, filled or partially filled with any substance, (f) any substance the presence of which on the Property is prohibited by any federal, state or local law, ordinance, rule or regulation; and (g) any other substance which by any federal, state or local law, ordinance, rule or regulation requires special handling or notification in its collection, storage, treatment, or disposal. Trustor agrees not to cause or permit any Hazardous Materials to be placed, held located or disposed of on, under or at the Property or any part thereof. Trustor further agrees to give notice to Beneficiary immediately upon Trustor's learning of the presence of any Hazardous Materials on the Property, to promptly comply with any governmental requirements requiring the removal, treatment or disposal of such Hazardous Materials, and to defend, indemnify and hold harmless Beneficiary and Trustee from any and all liabilities, claims, losses or costs (including, without limitation attorney's fees) which may now or in the future be paid, incurred or suffered by or asserted against Beneficiary or Trustee by any person, entity or governmental agency with respect to the presence on or the discharge of Hazardous Materials from the Property. The representations, covenants, warranties and indemnifications contained in this paragraph shall survive the reconveyance of this Trust Deed.

9. **USE OF PROPERTY.** Beneficiary shall not use the Property for any illegal purpose.

10. **CONDEMNATION.** The proceeds of any award or claim for damages, direct or consequential, in connection with any condemnation or other taking of the Property, or any part thereof, or for conveyance in lieu of condemnation, are hereby assigned and shall be paid to Beneficiary to the extent of any Indebtedness which may be due and owing under the Agreement or pursuant to this Deed of Trust, subject to the terms of any mortgage, deed of trust or other security agreement with a lien which has priority over this Deed of Trust.

11. **TRUSTOR NOT RELEASED; FORBEARANCE BY BENEFICIARY NOT A WAIVER.** Extension of time for payment or modification of the sums secured by this Deed of Trust granted by Beneficiary to any successor in interest of Trustor shall not operate to release, in any manner, the liability of the original Trustor or Trustor's successor in interest. Beneficiary shall not be required to commence proceedings against such successor or refuse to extend time for payment or otherwise modify the Indebtedness secured by this Deed of Trust by reason of any demand made by Trustor or Trustor's successor in interest. Any forbearance by Beneficiary in exercising any right or remedy hereunder, or otherwise afforded by applicable law, shall not be a waiver of nor shall preclude the exercise of any such right or remedy in the future.

Any Trustor who signs this Deed of Trust, but does not execute the Agreement, (a) acknowledges having read and understood the Agreement, the obligations of which are secured by this Deed of Trust, (b) is not personally liable under the Agreement, and (c) agrees that Beneficiary and any other Trustor hereunder may agree to extend, modify, forbear, or make any other accommodations with regard to the terms of this Deed of Trust or the Agreement, without that Trustor's consent and without releasing that Trustor or modifying this Deed of Trust as to that Trustor's interest in the Property.

13. **NOTICE.** Except for any notice required under applicable law to be given in another manner, (a) any notice to Trustor provided for in this Deed of Trust shall be given by delivering it or by mailing such notice by certified mail addressed to Trustor at the Property Address or at such other address as Trustor may designate by notice to Beneficiary as provided herein, and (b) any notice to Beneficiary shall be given by certified mail to Beneficiary's address shown at the top of the first page hereof or to such other address as Beneficiary may designate by notice to Trustor as provided herein. Any notice provided for in this Deed of Trust shall be deemed to have been given to Trustor or Beneficiary when given in the manner designated herein.

14. **GOVERNING LAW; SEVERABILITY; STATUTORY COVENANTS.** The state and local laws applicable to this Deed of Trust shall be the laws of the State of Nevada. In the event that any provision or clause of this Deed of Trust or the Agreement conflicts with applicable law, such conflict shall not affect other provisions of this Deed of Trust which can be given effect without the conflicting provision, and to this end the provisions of this Deed of Trust are declared to be severable. 16. **REMEDIES ON DEFAULT.** Upon the occurrence of any Event of Default and at any time thereafter, Trustee or Beneficiary, at its option may exercise any one or more of the following rights and remedies, in addition to any other rights or remedies provided by law:

ARBITRATION PROVISIONS:

- (a) Any controversy or claim between or among the parties, including but not limited to those arising out of or relating to this agreement or any agreements or instruments relating hereto or delivered in connection herewith, and including but not limited to a claim based on or arising from an alleged tort, shall at the request of any party be determined by arbitration in accordance with the Commercial Arbitration Rules of the American Arbitration Association. The arbitration proceedings shall be conducted in Las Vegas, Nevada. The arbitrator(s) shall have the qualifications set forth in subparagraph (c) hereto. All statutes of limitations which would otherwise be applicable in a judicial action brought by a party shall apply to any arbitration or reference proceedings hereunder.
- (b) In any judicial action or proceeding arising out of or relating to this Agreement or any agreements or instruments relating hereto or delivered in connection herewith, including but not limited to a claim based on or arising from an alleged tort, if the controversy or claim is not submitted to arbitration as provided and limited in subparagraph (a) hereto, all decisions of fact and law shall be determined by a reference in accordance with Rule 53 of the Federal Rules of Civil Procedure or Rule 53 of the Nevada Rules of Civil Procedure or other comparable, applicable reference procedure. The parties shall designate to the court the referee(s) selected under the auspices of the American Arbitration Association in the same manner as arbitrators are selected in Association-sponsored arbitration proceedings. The referee(s) shall have the qualifications set forth in subparagraph (c) hereto.
- (c) The arbitrator(s) or referee(s) shall be selected in accordance with the rules of the American Arbitration Association from panels maintained by the Association. A single arbitrator or referee shall be knowledgeable in the subject matter of the dispute. Where three arbitrators or referees conduct an arbitration or reference proceeding, the claim shall be decided by a majority vote of the three arbitrators or referees, at least one of whom must be knowledgeable in the subject matter of the dispute and at least one of whom must be a practicing attorney. The arbitrator(s) or referee(s) shall award recovery of all costs and fees (including reasonable attorneys' fees, administrative fees, arbitrators' fees, and court costs). The arbitrator(s) or referee(s) also may grant provisional or ancillary remedies such as, for example, injunctive relief, attachment, or the appointment of a receiver, either during the pendency of the arbitration or reference proceeding or as part of the arbitration or reference award.
- (d) Judgment upon an arbitration or reference award may be entered in any court having jurisdiction, subject to the following limitation: the arbitration or reference award is binding upon the parties only if the amount does not exceed Two Million Dollars (\$2,000,000.00); if the award exceeds that limit, either party may commence legal action for a court trial de novo. Such legal action must be filed within thirty (30) days following the date of the arbitration or reference award; if such legal action is not filed within that time period, the amount of the arbitration or reference award shall be binding. The computation of the total amount of an arbitration or reference award shall include amounts awarded for arbitration fees, attorneys' fees, interest, and all other related costs.
- (e) At the Lender's option, foreclosure under a deed of trust or mortgage may be accomplished either by exercise of a power of sale under the deed of trust or by judicial foreclosure. The institution and maintenance of an action for judicial relief or pursuit of a provisional or ancillary remedy shall not constitute a waiver of the right of any party, including the plaintiff, to submit the controversy or claim to arbitration if any other party contests such action for judicial relief.
- (f) Notwithstanding the applicability of other law to any other provision of this Agreement, the Federal Arbitration Act, 9 U.S.C. § 1 et seq., shall apply to the construction and interpretation of this arbitration paragraph.
21. **RECONVEYANCE.** Upon payment by Trustor of all sums secured by this Deed of Trust, Beneficiary shall request Trustee to reconvey the Property and shall surrender this Deed of Trust and all instruments evidencing Indebtedness secured by this Deed of Trust to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled thereto. Such person or persons shall pay all costs of recordation, if any.
22. **SUBSTITUTE TRUSTEE.** Beneficiary, at Beneficiary's option, may from time to time remove Trustee and appoint a successor Trustee to any Trustee appointed hereunder. Without reconveyance of the Property, the successor Trustee shall succeed to all the title, power and duties conferred upon the Trustee herein and by applicable law.
23. **REQUEST FOR NOTICE.** Trustor requests that copies of the notice of default and notice of sale be sent to Trustor's address as shown above or to the last known address.
