THIS ASSIGNMENT OF PERMITS, LICENSES AND CONTRACTS ("Assignment") is made and entered into as of July 30, 1997 by and among CARSON VALLEY INN, INC., a Nevada corporation and MULREANY ASSOCIATES, a Nevada general partnership, hereinafter collectively referred to as "Assignors", parties of the first part, and WELLS FARGO BANK, National Association, hereinafter referred to, together with its successors and assigns, as "Lender", party of the second part.

R\_E\_C\_I\_T\_A\_L\_S:

WHEREAS:

A. Reference is made to that certain Credit Agreement (as it may be hereafter renewed, extended, amended, restated or otherwise modified, the "Credit Agreement") executed concurrently or substantially concurrent herewith by and among Assignors, as Borrowers, and Lender, as Lender. All capitalized words and terms which are used herein (and which are not otherwise defined herein) shall have the respective meanings and be construed herein as provided in Section 1.01 of the Credit Agreement and any reference to a provision of the Credit Agreement shall be deemed to incorporate that provision as a part hereof in the same manner and with the same effect as if the same were fully set forth herein.

B. Pursuant to the Credit Agreement, and subject to the terms and conditions specified therein, Lender has agreed to provide a reducing revolving credit facility to Assignors in the initial maximum principal amount of Fourteen Million Five Hundred Thousand Dollars (\$14,500,000.00) (the "Credit Facility"), which Credit Facility includes a subfacility for issuance of standby letters of credit on behalf of Assignors, or either of them.

C. It is a condition of the Credit Facility that all interest of Assignors, and each of them, in all assignable permits, licenses and contracts, if any, which are entered into in connection with, or are in any way related to: (i) the real property, located in the County of Douglas, State of Nevada, which is described by "Exhibit A", attached hereto (the "Real Property"); (ii) the Casino Facilities operated on the Real Property; or (iii) any other business activity conducted by, or on behalf of, Assignors, or either of them, on the Real Property (collectively, the "Additional Business(es)"); now existing, or which in the future may be entered into or procured, be presently assigned to Lender as additional security for the Credit Facility and as additional security for the performance of all obligations to be performed by Assignors, or either of them, pursuant to the Credit Agreement and the other Loan Documents (other than the Environmental Certificate), upon the terms and conditions set forth below. All such assignable permits, licenses, warranties and contracts, if any, whether presently existing or entered into in the future, are hereinafter collectively referred to as the "Permits".

NOW, THEREFORE, in consideration of the Credit Facility, Assignors do hereby assign to Lender all of their right, title and interest in and to the Permits, as follows:

1. Assignors do hereby grant, assign and convey unto Lender all the right, title, interest and privilege which Assignors, or either of them, now have, or may hereafter acquire, in any of the Permits. Without limiting the generality of the foregoing, Lender shall have the present and continuing right with full power and authority, in its own name, or in the name of Assignors, or either of them, or otherwise, to do any and all things which Assignors may be or may become entitled to do under the said Permits, and the right to make all waivers and agreements, give all notices, consents and releases and other instruments and to do any and all other things whatsoever which Assignors, or either of them, may be or may become entitled to do under the said Permits.

2. The acceptance of this Assignment and the payment or performance under the Permits hereby assigned shall not constitute a waiver of any rights of Lender under the terms of the Credit Agreement or of any other Loan Document for the benefit of Lender.

3. Assignors shall keep and perform the following with respect to the Permits:

(a) Except for assignments permitted under the Credit Agreement and Permitted Encumbrances, Assignors will not further assign any interest in the Permits, or create or permit any lien, charge, or encumbrance upon any of their respective interests in the Permits;

(b) Assignors will not, without the prior written consent of Lender:

(i) Cancel, terminate or surrender, or consent to any cancellation, termination or surrender, or permit any event to occur which would entitle any grantor of a Permit to terminate or cancel its Permit if such cancellation, termination or surrender would be reasonably likely to materially and adversely affect either the Casino Facilities or any material Additional Business (other than a cancellation or termination caused by the default of the Permit grantor thereunder);

(ii) Fail to comply with any condition or to satisfy any obligation which may be imposed upon Assignors, or either of them, under any Permit if such failure would be reasonably likely to materially and adversely affect either the Casino Facilities or any material Additional Business;

(iii) Amend or modify any of the Permits if such amendment or modification would be reasonably likely to materially and adversely affect either the Casino Facilities or any material Additional Business;

(iv) Waive any default under or breach of any Permit except for any waiver that would not be reasonably likely to result in any material adverse affect on either the Casino Facilities or any material Additional Business;

(v) Unless legally required to do so, give any consent, waiver or approval which would impair the interest of Assignors, or either of them, in any of the Permits if such consent, waiver or approval would be reasonably likely to materially and adversely affect either the Casino Facilities or any material Additional Business; or

(vi) Fail to keep any Permit in full force and effect if such failure would be reasonably likely to

materially and adversely affect either the Casino Facilities or any material Additional Business.

(c) Assignors will promptly notify Lender of the occurrence of any default under any of the Permits which, if left uncured, would be reasonably likely to materially and adversely affect either the Casino Facilities or any material Additional Business.

4. Notwithstanding any provision to the contrary contained in this Assignment, it is understood and agreed that so long as there shall exist no Event of Default under the Credit Agreement: (i) there is reserved to Assignors a license (which is revocable upon the terms and conditions set forth herein) to retain, use and enjoy the Permits; and (ii) Lender shall refrain from exercising its rights and remedies under Section 1 of this Assignment. Upon the occurrence of an Event of Default as set forth in the Credit Agreement, such license granted to Assignors shall be immediately revoked without further demand or notice and Lender is hereby empowered to enter and take possession of the Real Property and to use, manage and operate the same and to do all acts required or permitted by the Permits, and to perform such other acts in connection with the use, management and operation of the Real Property, the Casino Facilities and/or any Additional Business as Lender, in its sole discretion, may deem proper. Should the Event of Default which resulted in any such revocation be cured prior to foreclosure, deed-in-lieu of foreclosure, or a similar conveyance under any of the Security Documents, then such license granted to Assignors shall be immediately reinstated without further demand or notice and Lender shall, as soon as reasonably possible, and at the expense of Assignors, redeliver possession of the Permits to Assignors (and shall execute such notices to third parties as Assignors may reasonably request) and the parties hereto shall each be restored to, and be reinstated in, their respective rights and positions hereunder as if the Event of Default had not occurred (without impairment of or limitation on Lender's right to proceed hereunder upon subsequent Events of Default).

5. Lender shall not be obligated to perform or discharge any obligation or duty to be performed or discharged by Assignors, or either of them, under the Permits. This Assignment shall not place responsibility for the management, control, care, operation or repair of the Real Property, the Casino Facilities or any Additional Business upon any of the Indemnified Parties; nor shall this Assignment cause any of

the Indemnified Parties to be responsible or liable for any negligence in the management, control, care, operation or repair of the Real Property, the Casino Facilities and/or any Additional Business which results in loss, injury or death to any tenant, guest, licensee, employee or stranger (provided that this Section 5 shall not act to relieve any Indemnified Party from liability which results from such Indemnified Party's own gross negligence or willful misconduct).

6. Assignors hereby agree to indemnify, protect, defend and save harmless Lender and its directors, trustees, officers, employees, agents, attorneys and shareholders (individually an "Indemnified Party" and collectively, the "Indemnified Parties") from and against, any and all losses, damages, expenses or liabilities of any kind or nature from any investigations, suits, claims, demands or other proceedings, including reasonable counsel fees incurred in investigating or defending such claim, suffered by any of them and caused by, relating to, arising out of, resulting from, or in any way connected with: (i) this Assignment; (ii) any of the Permits; or (iii) the management, control, care, operation or repair of the Real Property, the Casino Facilities and/or any Additional Business. It is provided, however, that Assignors shall not be obligated to indemnify, protect, defend or save harmless an Indemnified Party if, and to the extent, the loss, damage, expense or liability was caused by the gross negligence or intentional misconduct of such Indemnified Party. In case any action shall be brought against any Indemnified Party based upon any of the above and in respect to which indemnity may be sought against Assignors, Lender shall promptly notify Assignors in writing, and Assignors shall assume the defense thereof, including the employment of counsel selected by Assignors and reasonably satisfactory to Lender, the payment of all reasonable costs and expenses and the right to negotiate and consent to settlement. Upon reasonable determination made by an Indemnified Party that such counsel would have a conflict of interest representing such Indemnified Party and Assignors, the applicable Indemnified Party shall have the right to employ, at the expense of Assignors, separate counsel in any such action and to participate in the defense thereof. Assignors shall not be liable for any settlement of any such action effected without their consent, but if settled with Assignors' consent, or if there be a final judgment for the claimant in any such action, Assignors agree to indemnify, defend and save harmless such Indemnified Parties from and against any loss or liability by reason of such settlement or judgment. In the event that any Person is adjudged by a court of competent jurisdiction not to

have been entitled to indemnification under this Section 7, it shall repay all amounts with respect to which it has been so adjudged. If and to the extent that the indemnification provisions contained in this Section 7 are unenforceable for any reason, the Assignors hereby agree to make the maximum contribution to the payment and satisfaction of such obligations that is permissible under applicable law. The provisions of this Section 6 shall survive the termination of this Assignment and repayment of the Credit Facility.

7. Assignors agree that this Assignment and the designation and directions herein set forth are irrevocable. So long as: (i) this Assignment and/or the designation and directions set forth herein are in effect; (ii) any obligation of Assignors under the Credit Facility remains unsatisfied; or (iii) Lender has any obligation, whether contingent or otherwise, to advance any funds under either of the Credit Facility or any of the Loan Documents; Assignors will not make any other assignment, designation or direction inconsistent herewith (except as otherwise permitted in the Credit Agreement), and any such assignment, designation or direction which is inconsistent herewith shall be void. Assignors will, from time to time, execute all instruments of further assurance and all such supplemental instruments as may be reasonably requested by Lender.

8. No action or inaction on the part of Lender shall constitute an assumption on the part of Lender of any obligations or duties under the Permits. No action or inaction on the part of Assignors, or either of them, shall adversely affect or limit in any way the rights of Lender under this Assignment or, through this Assignment, under the Permits.

9. Assignors warrant and represent that no other assignments of their interests in the Permits have been made (other than assignments which are no longer in effect and which have been irrevocably terminated); that no notice of termination has been served on any of them with respect to any Permits, the termination of which would be reasonably likely to result in a Material Adverse Change; and that there are presently no defaults existing under any of the Permits, which defaults would be reasonably likely to result in a Material Adverse Change if left uncured.

10. The full performance of the terms contained in the Credit Agreement and the Note and the due release and termination of the Security Documents which are executed and

delivered concurrently herewith shall render this Assignment void. Upon such reconveyance, Lender, at the request and the expense of Assignors, will deliver either an instrument canceling this Assignment or assigning the rights of Lender hereunder, as Assignors shall direct.

11. This Assignment applies to and binds the parties hereto and their respective heirs, administrators, executors, successors and assigns. This Assignment may not be modified or terminated orally. The obligations of Assignors hereunder shall be joint and several.

12. All of the rights and remedies of Lender hereunder are cumulative and not exclusive of any other right or remedy which may be provided for hereunder or under any other Loan Document. Nothing contained in this Assignment and no act done or omitted by Lender pursuant to its terms shall be deemed a waiver by Lender of any rights or remedies under the Loan Documents, and this Assignment is made and accepted without prejudice to any rights or remedies possessed by Lender under the terms of the Loan Documents. The right of Lender to collect the secured principal, interest, and other Indebtedness under any of the Loan Documents, and to enforce any other security may be exercised by Lender prior to, simultaneous with, or subsequent to any action taken under this Assignment.

13. Upon the occurrence of an Event of Default, Assignors shall be deemed to have appointed and do hereby appoint Lender the attorney-in-fact of Assignors to prepare, sign, file and/or record such documents or instruments, or take such other actions, as may be reasonably necessary to perfect and preserve, against third parties, the interest in the Permits which is granted to Lender hereunder.

14. This Assignment shall be governed by the internal laws of the State of Nevada, without regard to principles of conflict of law.

15. In the event any one or more of the provisions contained in this Assignment shall be invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby.

16. This Assignment may be executed in any number of separate counterparts with the same effect as if the signatures hereto and hereby were upon the same instrument.

All such counterparts shall together constitute one and the same document.
