BUILDING LOAN AGREEMENT

Lot 3-4 Chichester
Plan 1544

The undersigned, Classic Homes, LLC., a Nevada Limited Liability Company (hereinafter referred to as "Borrower"), in consideration of a loan from Horan Investment Company (hereinafter referred to as "Lender"), in the amount of \$128,000 (the Loan Amount) to be used for the construction of improvements on property in the City of Minden, County of Douglas, Nevada described in Exhibit "A" attached hereto and incorporated by reference herein hereby agrees:

1. To execute and deliver to Lender in form and substance satisfactory to Lender a note, deed of trust, and such other instruments as Lender may require governing, evidencing and or securing said loan (the Loan Documents) and to procure for Lender a policy of title insurance in form, substance and amount satisfactory to Lender showing the lien or liens applicable to said loan as having the dignity and priority requested by Lender in the instructions given by Lender to the title through which said loan transaction is closed;
2. To commence said construction or cause said construction to be commenced within thirty (30) days from the date hereof; to cause the construction of the improvements to be prosecuted with diligence and continuity and to complete the same in accordance with the complete plans and specifications and the cost breakdown submitted to and approved by Lender in connection with said loan; to strictly enforce any construction contract for the work of improvement to the end that the contractor promptly and diligently performs all of the obligations on its part to be performed thereunder, such performance to be in a manner which will preserve to the Lender its security on the property and improvements thereon;
3. To cause said construction to be in accordance with good building practice and in compliance with all applicable laws, ordinances, rules and regulations of federal, state, county, or municipal governments or agencies now in force or that may be enacted hereafter, and with all directions, rules and regulations of the fire marshal, health officer, building inspector or other officers of every governmental agency now having or hereafter acquiring jurisdiction;
4. To complete said improvements with such degree of diligence as is usual and customary in such cases; provided, however, that the time within which the improvements must be completed may be extended for a period equal to the period of delays beyond the control of the contractor as set forth in the construction contract. In no event, however, may the time for completion of the improvements extend beyond six months from the date hereof. Time is of the essence hereof;
5. To permit Lender to inspect such construction at any and all times. It is expressly understood and agreed, however that Lender is under no duty to supervise the work of construction or inspect the work in process or Borrower's books and that any such inspection is for the sole purpose of preserving Lender's rights hereunder. No such inspection on the part of Lender shall constitute a representation that there has been or will be compliance with the Plans and specifications or that the construction is free from defective materials or workmanship;
6. To permit Lender to examine and make copies or extracts of Borrower's books and records and, if and when requested to do so by Lender, to exhibit to Lender and permit Lender to make copies of all contracts incident to said construction and of all bills incurred in connection therewith;
7. To furnish Lender such instructions or certificates as may be requested by Lender prior to each disbursement to be made hereunder and to use or cause each such disbursement to be used solely for the payment of materials, labor, services, and other costs incurred in connection with said construction and for no other purpose until all bills, claims, and demands for said materials, labor, services, and other costs have been paid in full;
8. To accept disbursements hereunder in accordance with the Disbursement Plan indicated in Exhibit "B", attached hereto and incorporated herein by reference thereto or in such manner as agreed upon by Lender & Borrower;
9. That borrower will pay on demand such amounts which are required to pay:
 - a. Insurance premiums, taxes and assessments;
 - b. Payments of interest becoming due according to the terms of said note;
10. That any waiver by Lender of any provision of this agreement shall be in writing and shall be effective only to the extent in such writing specifically set forth, and that no waiver of any provision of this agreement, and no acquiescence in or waiver of, any default by Borrower, shall constitute a waiver of any provision or an acquiescence in or waiver of, any default whether the same as, or different from said default and whether past or future;
11. That there shall be no change in the approved plans and specifications without the prior written consent of Lender to each change. All contracts let by Borrower or its contractors relating to the work of construction shall contain a prohibition against such change without Lender's prior written approval;

0473145
BK0799PG4297

12. That Borrower agrees to fully pay and discharge all claims for labor done, material and services furnished in connection with the construction of the improvements, to diligently file or procure the filing of a valid notice of completion within 10 days of the completion of the work of improvement, and to take all other reasonable steps to forestall the assertion of claims of lien against the property upon which the improvements are to be constructed and of claims against the building loan commitment. Borrower agrees to not encumber the property with junior financing.

13. That performance of Borrower's obligation under this Building Loan Agreement is secured by that certain deed of trust applicable to the property described in Exhibit A attached hereto, in which Borrower is the Trustor and Lender is the Beneficiary;

14. That no materials, equipment, fixtures or any other part of the Improvements shall be purchased or installed under conditional sales agreement or other arrangements wherein the Seller reserves or purports to reserve the right to remove or to repossess any such items or to consider them personal property after their incorporation in the work of construction, unless authorized by Lender in writing;

15. That Borrower irrevocably appoints, designates and authorizes Lender as its agent (said agency being coupled with an interest) to file for record any notices of completion, cessation of labor, or any other notice that Lender deems necessary or desirable to protect its interest hereunder, or under the Note or Deed of Trust;

16. That all persons, firms and/or entities identified by the designation Borrower herein, shall be jointly and severally liable to Lender for the faithful performance of the terms hereof;

17. That all provisions hereof shall bind and inure to the benefit of successors and assigns of Lender and of heirs, executors, administrators, successors and assigns of borrowers; provided, however, that Borrower shall not assign this agreement or any right title or interest thereunder without the prior written consent of Lender.

In witness whereof, the parties hereto have executed this agreement on the date below written.
