Please Note: Assessor's Parcel Numbers 23-540-01 through 23-540-18 were created by the Willowcreek Final Map. APN 23-540-19 was also created by this Final Map, but was later split further by the Parcel Map for Gregory and Hollis Painter. These four new parcels were given Assessor's Parcel Numbers 23-540-20 through 23-540-23.

3. This withdrawal of the water right or portion of the water right is for the purpose of having sufficient water available to supply the domestic wells of homes located at the place described below and reflected on the attached map:

a portion of the NE 1/4 of the SE 1/4 of section 34, and a portion of the SW 1/4 of section 35; Township 13 North, Range 20 East, M.D.B. & M.; said property is also known by the following assessors parcel numbers:

4. I understand that this withdrawal of *a portion* of permit numbers 49432 and 49433 must be approved by the Nevada State Engineer in order for this withdrawal to become effective and enforceable.

5. I understand this withdrawal shall become effective upon the date approved by the State Engineer. However, if a final subdivision or parcel map is not recorded in the office of the county recorder of the county wherein the land division is located within 18 months after the State Engineer's approval the base right holder may petition the State Engineer to void this

withdrawal on the basis that all proceedings concerning this division of land have been terminated.

6. I understand once this water right or portion thereof is withdrawn based on the recordation of a final subdivision map recorded in the office of the county recorder of the county wherein the land division is located, as provided in NRS 278.380 (1993), or in the case of a final parcel map as provided in NRS 278.4725 (1993), the process cannot be reversed nor can I claim the water withdrawn as a water right.

7. Upon approval of this withdrawal by the State Engineer, I shall record this Affidavit of Withdrawal in the office of the county recorder of the county in which the final subdivision map or parcel map is recorded.

8. I shall provide the State Engineer with a certified copy of the recorded Affidavit of Withdrawal within thirty (30) days of recording the Affidavit with the county recorder.
