NOTICE OF REAFFIRMATION OF IRRIGATION EASEMENT

Whereas, Anne M. and John G. Stone, Trustees of the Stone Family trust are owners of parcels APN 19-060-44 and APN 19-060-45, and that these parcels enjoy a vested water right to a portion of the flow of Mott Creek. The irrigation water under this right is currently delivered via a system of ditches and buried pipelines crossing parcels APN 19-060-52 and APN 19-060-53, substantially as shown on the document recorded on Book 1292, page 837, recorded on Dec. 4, 1992.

Construction and/or landscaping have been established over the pipeline easement subsequent to the recording of the above-mentioned document, and this will serve to reaffirm our continuing right to the easement, including the right to enter the two properties for the purpose of maintenance and/or repair of the ditches and/or pipelines, including the removal of structures and/or landscaping within the easement should this become necessary at some time in the future.
