**ASSUMPTION AND CONSENT AGREEMENT**

THIS ASSUMPTION AND CONSENT AGREEMENT (the "Agreement") is entered into this 14 day of April, 2000, by and among FINOVA Capital Corporation, a Delaware corporation ("Lender"), Kenneth Robert Tracey & Therese Ann Tracey ("Borrower"), and Christopher A. Caloggero, Sr. & Lynne Caloggero ("Purchaser").

**RECITALS:**

A. Borrower and Harich Ridge Tahoe ("Developer") entered into that Deed of Trust dated September 5, 1992, executed by Kenneth Robert Tracey & Therese Ann Tracey, and recorded on September 15, 1992, in Douglas County, Nevada in Book 992, Page 2191, and other related documents (collectively, the "Contract") pursuant to which Borrower is obligated to honor certain promises, including, but not limited to, the promise to pay Developer the amounts described in the Contract. The Contract entitles Borrower to use and enjoy that certain property specified in the Contract (the "Property").

B. Lender is the successor to the rights of Developer in, to and under the Contract, which rights include, without limitation, the right to receive the payments due from Borrower.

C. Borrower wishes to sell to Purchaser, and Purchaser desires to buy from Borrower, the rights and obligations of Borrower under the Contract (the "Purchase"). In conjunction with this Purchase, Borrower and Purchaser desire to modify the Contract as follows:

1. Assumption. Purchaser desires to assume Borrower's existing and ongoing obligations under the Contract, and to take Borrower's interest in the Property subject to the liens and security interests in favor of Lender; and in connection with such assumption rights, desires that Lender consent to the Purchase and waive any rights it may have under the Contract pursuant to any "due on sale" or similar provisions.

D. Lender is willing to consent to the Purchase, waive any "due on sale" and similar provisions contained in the Contract specifically with respect to the Purchase, and accept Purchaser's assumption of the Borrower's obligations under the Contract, in accordance with the terms, conditions and requirements of this Agreement.

THEREFORE, in consideration of these Recitals, and for other good and valuable consideration, the receipt and sufficiency of which are acknowledged, Borrower, Purchaser, and Lender agree as follows:

**ARTICLE I - ASSUMPTION**

1.1 Balances Correct. Borrower, Purchaser and Lender acknowledge that the existing balances of principal and accrued interest outstanding under the Contract as set forth in Schedule 1 to this Agreement, are true and correct as of the date of this Agreement; that there are no offsets to the amount due, and that there are no defenses or counterclaims to the obligations of Borrower; and that Developer and Lender (to the extent applicable, if at all) have fully performed all obligations under the Contract which each of them may have had, or now have, to Borrower.

1.2 Assumption. Purchaser absolutely and unconditionally assumes all of the Borrower's Obligations under the Contract, and without limiting the generality of such assumption, covenants, promises and agrees:

- a. to pay to Lender the amounts due under the Contract;
- b. to perform each and all of the covenants to be performed by Borrower under the Contract; and,
- c. to be bound by each and all of the terms and provisions of and to perform each and all of the Obligations of Borrower under the Contract.

Purchaser acknowledges and agrees that this assumption is part of the consideration for the Purchase agreed to by Borrower and Purchaser.

1.4 Acknowledgment and Ratification. #### ARTICLE II - CONSENT OF LENDER

2.1 Consent to Conveyance to Purchaser. Conditioned upon full and complete satisfaction of the Conditions Precedent set forth in Article III of this Agreement, Lender consents to the transfer of Borrower's interest in the Property to Purchaser, and waives any right it may have under the Contract as a result of such transfer to Purchaser. Provided, however, this waiver shall be strictly limited to Lender's rights arising as a result of the transfer to Purchaser, and by entering into this Agreement, Lender shall not be deemed to have waived any rights or remedies it may have with respect to any other transfer.

#### ARTICLE III - CONDITIONS PRECEDENT

This Agreement shall become effective only when each of the following conditions is met:

3.1 Documents Delivered. Borrower and Purchaser shall have executed or caused to be executed, and shall have delivered or caused to be delivered to Lender (a) this Agreement, and (b) a legally binding, effective and recorded transfer document (e.g., deed, assignment) whereby Borrower has conveyed its right, title and interest in and to the Property to Purchaser.

3.2 Assumption Fee and Other Expenses. Borrower shall have paid (or caused to have been paid) to Lender an assumption fee equal to \$ 150.00.

3.3 Outstanding Payments. All amounts currently due and owing under the Contract shall have been paid in full.

#### ARTICLE IV - MISCELLANEOUS

4.1 Entire Agreement. This Agreement embodies the entire agreement and understanding among the parties hereto and supersedes all prior negotiations, agreements and understandings relating to the subject matter hereof, except as otherwise provided herein.

4.2 No Waiver. No failure to exercise, and no delay in exercising any right, power or remedy hereunder or under the Contract shall impair any right, power or remedy which Lender may have, nor shall any such delay be construed to be a waiver of any of such rights, powers or remedies.

4.3 Extent of Obligations. Borrower's and Purchaser's obligations under the Contract and this Agreement are independent obligations and are absolute and unconditional.

4.4 Incorporation of Recitals. The Recitals and the Schedule attached hereto are an integral part hereof and are fully incorporated herein by this reference.
