The Board of Trustees of the GARDNERVILLE RANCHOS GENERAL IMPROVEMENT DISTRICT, Douglas County, State of Nevada, (hereinafter "District" or "GRGID") hereby orders as follows:

W I T N E S S E T H

WHEREAS, a Petition for the Inclusion of Real Property into the DISTRICT dated May 5, 2000, has been filed with the District requesting the inclusion into the District of the real property described in Exhibit "A" to the Petition. Generally, the property requested to be included within the District includes approximately 76,230 square feet of A-1 zoned property. The property sought to be annexed is further identified as Douglas County Nevada Assessor's Parcel No. 1220-15-510-005 (formally APN 27-275-030), and also may be commonly known as 986 Riverview Drive, Gardnerville, Nevada, 89410; and

WHEREAS, the Petition was determined to be in proper form, and was signed by the fee owners of the property who sought the District's Order of Annexation. At the general business meeting of the District Board of Trustees ("Board") held on June 7, 2000, the Petition for Inclusion of Real Property into the District was approved subject to the conditions of approval; and

WHEREAS, the Board had previously fixed the date and time of Wednesday, June 7, 2000 at the hour of 6:00 o'clock p.m. at the District's office located at 931 Mitch Drive, Gardnerville, Nevada as the date, time and place when the Board would conduct a public hearing, and thereafter take action on the Petition for Inclusion of Real Property; and

Ranchos General Improvement District submitted by the fee owners of the property, to wit: Wayne C. and Linda J. Davis; and

WHEREAS, prior to the Petition for Inclusion being heard by the Board, the District Manager caused notice to be given of the time, place and date of the meeting at which Petition would be considered. No person listed in the Petition for Annexation as a fee owner sought to have any portion of the property withdrawn. Further, the parcel so included is capable of being served by the facilities of the District, and the parcel described would be benefited by inclusion within the District. Similarly, the District would be benefited by the property being included therein; and

WHEREAS, at the public hearing conducted on the Petition for Inclusion of Real Property, the public was invited to comment either in favor of or against the Petition for Inclusion. After hearing no public comment in opposition to the Petition, the public hearing was closed by the Chairman of the Board. Thereafter, the Board acted to include the property described in the Petition for Inclusion of Real Property within the District, subject to compliance with the requirements of the Policies and Procedures Manual, the installation of a water meter, and a deed restriction or recordable agreement to be signed by the Petitioners setting forth that Petitioners would pay any further and increased annexation fees should the future use of the property change to a more dense use than that which was approved by the Board of Trustees. The property is currently zoned A-1, and Petitioners agree to pay, or bind their successors in interest to pay, annexation fees for Petitioners' property in the event

that the use of the Petitioners' property changes to a different, higher density/use after the Order of Annexation has been recorded. Petitioner shall consent to the assessment by the District of annexation fees calculated as the difference between the annexation fees paid by Petitioners at the time of annexation and those fees which would have been assessed if the property had been reclassified and/or permitted as a higher density classification or use at the time of the property's annexation.

Petitioners have been provided with, and shall duly execute the District's standard form "Consent to Payment of Annexation Fees" prior to the recordation of this Order; and

WHEREAS, by action of the Board, when all acts and conditions and requirements of the law and of the approval of the Petition for Inclusion of Real Property within the District have been complied with in regular and due form, and in strict compliance with NRS 318.258 "Inclusion", and the certification to that effect by the District Manager and the District Engineer is received by the Board, the Board will enter this order as is required by the NRS.

Upon execution of this Order by the Chairman, and upon compliance with all conditions of approval, the Order shall be filed as is required with the Clerk of Douglas County, Nevada for her thereafter filing the same with the Secretary of the State of Nevada; and

WHEREAS, the BOARD orders that the annexation be granted, and this Order recorded, only upon the Petitioners' compliance with the Conditions of Annexation, and compliance with all applicable ordinances and resolutions of Douglas County and

the Policies and Procedures Manual of the District. Thereafter, this Order shall be recorded with the Office of the Recorder of Douglas County, Nevada.

NOW, THEREFORE, THE BOARD OF TRUSTEES OF THE GARDNERVILLE RANCHOS GENERAL IMPROVEMENT DISTRICT ORDERS AS FOLLOWS:

1. The property ordered to be included, described in Exhibit "A" to the Petition for Inclusion of Real Property into the District and Exhibit "A" to this Order, is included within the District upon the Petitioners' compliance with the following conditions:

B. The Petitioners shall pay to the District the sum determined by the District Manager in accordance with the requirements of the District's Policies and Procedures Manual, which contains the calculation of, and the required payment of, the Annexation fees based upon the applicable formulas contained therein.

C. Pursuant to the provisions of the District's Policies and Procedures Manual, the Petitioners shall be required to remit to the District any deferred portion of the Annexation fees should any portion of the property annexed (described in Exhibit "A" hereto) be rezoned to a higher land use or a higher density, or should the use of the parcel be changed in the future to a use from that which it is currently used or proposed to be

used, or should APN 1220-15-510-005 require additional sewer and/or water service than it requires at the time of this order.
