5. INCORPORATED DOCUMENTS. The parties agree that the scope of this interlocal contract is specifically described in Attachment A, "Annual Operating Agreement," and that Attachment A is incorporated into this contract.

6. ASSENT. The parties agree that the terms and conditions listed in Attachment A are also specifically a part of this contract and are limited only by any limitations expressly provided.

7. INSPECTION AND AUDIT.

Books and Records. Each party agrees to keep and maintain under generally accepted accounting principles full, true, and complete records, agreements, books, and documents as are necessary to fully disclose to the District, State, or Federal Governments, or their authorized representatives, upon audits or reviews, sufficient information to determine compliance with all District, State, or Federal regulations and statutes.

Inspection and Audits. Each party agrees that the relevant books, records (written, electronic, computer-related or otherwise), including but not limited to relevant accounting procedures and practices of the party, financial statements and supporting documentation, and documentation relating to the work product shall be subject at any reasonable time, to inspection, examination, review, audit, and copying at any office or location where such records may be found by the District, the State Auditor, Department of Administration, Budget Division, Attorney General, and the State Legislative Auditor, and with regard to Accounting Office, the Office of Inspector General, or any of their authorized representative.

Period of Retention. All books, records, reports, and statements relevant to this contract must be retained a minimum of three years and, by a party which receives Federal funding used to perform this contract, for five years. The retention period runs from the date of termination of this contract. Retention time shall be extended when an audit is scheduled or in progress for a period reasonably necessary to complete an audit or to complete any administrative and judicial litigation which may ensue.

8. INDEMNIFICATION. To the fullest extent of NRS ch. 41 liability limitations, each party shall indemnify, hold harmless and defend, not excluding the other's right to participate, the other party from and against all liability, claims, action, damages, losses, and expenses, including but not limited to reasonable attorneys' fees and costs, arising out of any alleged negligent or willful acts or omissions of the party, its officers, employees, and agents in the performance of this agreement. The obligation shall not be construed to negate, abridge, or otherwise reduce any other right or obligation of indemnity which would otherwise exist as to any party or person described in this paragraph.

The indemnification obligation under this paragraph is condition upon receipt of written notice by the indemnifying party within 30 days of the indemnified party's actual receipt of written notice of any actual or pending claim or cause of action. The indemnifying party shall not be liable to hold harmless any attorneys' fees and costs for the indemnified party's chosen right to participate.

9. INDEPENDENT PUBLIC AGENCIES. The parties are associated with each other only for the purposes and to the extent set forth in this contract, and in respect to performance of services pursuant to this contract, each party is and shall be a public agency separate and distinct from the other party and, subject only to the terms of this contract, shall have the sole right to supervise, manage, operate, control, and direct performance of the details incident to its duties under this contract. Nothing contained in this contract shall be deemed or construed to create a partnership or joint venture, to create relationships of an employer-employee or principal-agent, or to otherwise create any liability for one agency whatsoever with respect to the indebtedness, liabilities, and obligations of the other agency or any other party.

10. ASSIGNMENT. Neither party shall assign, transfer, or delegate any rights, obligations, or duties under this contract without the prior written consent of the other party.

11. GOVERNING LAW AND JURISDICTION. This contract and the rights and obligations of the parties under it shall be governed by and construed according to the laws of Nevada.

12. ENTIRE AGREEMENT AND MODIFICATION. This contract constitutes the entire agreement of the parties and is intended as a complete and exclusive statement of the promises, representations, negotiations, discussions, and other agreements that may have been made in connection with the subject matter of the contract. Unless an incorporated attachment to this contract specifically displays a mutual intent to modify or supercede a particular part of this contract, general conflicts in language between any attachment and this contract shall be construed consistently with the terms of this contract. Unless otherwise expressly authorized by the terms of this contract, no modification or amendment to this contract shall be binding upon the parties unless the modification or amendment is in writing and signed by all of the parties. This contract supercedes all other past agreements when approved and signed by all of the parties.

IN WITNESS WHEREOF, the parties hereto have caused this agreement to be executed as of the day and year first above written.

2001 ANNUAL OPERATING AGREEMENT

**EAST FORK FIRE AND PARAMEDIC DISTRICT
AND
SIERRA FOREST FIRE PROTECTION DISTRICT**

This Operating Agreement is entered into by and between the Sierra Forest Fire Protection District, Nevada Division of Forestry, Department of Conservation and Natural Resources, State of Nevada, hereinafter referred to as the Division, and the East Fork Fire and Paramedic Districts hereinafter referred to as the Districts. Representatives from the Division and the Districts shall conduct an annual review of the Operating Agreement during the month of April.

1. It is in the interest of both parties to render automatic aid at the request of a responsible fire officer to suppress a fire or disaster of such magnitude that it is or is likely to be beyond the control of a single party and requires the combined forces of both parties.
2. It is also in the interest of both parties to respond the closest forces to reported and actual emergencies when the assisting party is situated to provide a more timely response to the emergency. The automatic response of closest forces, sent by a Dispatch Center, is referred to as automatic aid and does not require Duty Officer approval.
3. No response to an aid request provided for in this Agreement will be made by the parties hereto unless the request is received through the established communication channels common to each party requesting such aid and approved by a responsible officer of the party granting such aid.
4. Such aid shall be provided without expectation of reimbursement up to the first twelve (12) hours of the incident from the time of request and within the limits of the Division and the District; provided: however, that neither party shall be required to deplete its own fire protection resources, services, and facilities to the detriment of its normal fire protection responsibilities.
5. The exception to this reimbursement period is the Air Operations including the Heli-Tack program and the use of Conservation Crews. These programs are separately contracted and are not part of this Agreement. The responding SFFPD Duty Officer may request that Nevada Division of Forestry Air assets be sent as an initial attack resource if State, private, Federal, or watershed lands are or may be affected by the incident.
6. On all alarms that either the Division or the Districts assists the other, it will furnish the benefiting agency with a preliminary report within 20 working days after the incident is terminated.
7. The Division and Districts agree that each may maintain and operate mobile radios on the other's frequencies when interagency communications is required.

8. All incident communications shall be conducted on the frequency of the agency having incident jurisdiction or as assigned by the requesting agency.
9. The respective dispatch centers are responsible to contact the other center using the most expedient method available when emergency responses are dictated by the specific terms of this agreement.
 - a.) The Douglas Dispatch Center will immediately tone out notification of an emergency or request for equipment or personnel, and contact the Nevada Division of Forestry's on-duty dispatcher and make notification of the request for the response of Sierra Forest Fire Protection District resources
 - (1) The Douglas Dispatch Center has the responsibility of toning-out the Sheridan Volunteer Fire Department to respond on behalf of the NDF. Minden Dispatch will advise Douglas Dispatch of the necessity of that response.
 - b.) Any request, other than automatic aid, to use Sierra Forest Fire Protection resources outside of Sierra Forest Fire Protection District 12 shall be made through Minden Dispatch.
 - (1) All requests for NDF District 12 resources outside of the established Automatic Aid Agreement shall be considered Mutual Aid and shall have prior approval of the NDF Operational Duty Officer prior to any dispatching of resources
 - (2) This includes responses outside of Douglas County through established auto/mutual aid agreements held by East Fork Fire and Paramedic Districts and their adjoining jurisdictions.
 - c.) "White Fire 2" will be the primary tactical channel, unless otherwise directed by Minden Dispatch or Douglas County Dispatch at the time of dispatch.
10. The Division and the District will advise the other agency of wildland fires that have extended beyond the capabilities of initial attack forces and/or is a potential extended attack fire.
 - a.) The Division agrees that anytime an NDF District 12 resource is used outside of its initial response area (Jacks Valley – East Fork Fire and Paramedic District 12) for an incident that the Douglas Dispatch Center shall be notified.
 - b.) NDF District 12 resources will notify the Douglas Dispatch Center if they travel outside the boundaries of NDF District 12 while conducting normal business for the Division.
11. Upon request, the Fire Prevention Bureaus of each party shall conduct joint reviews of significant projects in the automatic aid areas here after described, if any. The Division and the District agree to assist each other with fire investigations on request by the agency having jurisdiction.

12. The Division and the District agree to assist each other with fire and EMS training and mutually agree to accept each others training certifications.
13. NDF will provide industrial insurance coverage on all volunteers serving as members of the Jack's Valley Volunteer Fire Department. The Jack's Valley Volunteer Fire Department will provide the necessary coverage reports to the NDF administration. All claims filed will be filed through the NDF, following their procedures and guidelines.
14. The East Fork Fire and Paramedic Districts will provide industrial insurance coverage on all volunteers serving as members of the Sheridan Volunteer Fire Department. The Sheridan Volunteer Fire Department will provide the necessary coverage reports to the East Fork Fire and Paramedic Districts' administration. All claims filed will be filed through the East Fork Fire and Paramedic District, following their procedures and guidelines.
15. All Jack's Valley Volunteer Fire Department members will receive an annual physical examination in accordance with the rules and procedures established by the East Fork Fire and Paramedic Districts. The NDF agrees to reimburse the East Fork Fire and Paramedic Districts for the costs of physical examinations for volunteers upon the submission of a bill by the Districts or by Douglas County.
16. All Sheridan Volunteer Fire Department members will receive an annual physical examination in accordance with the rules and procedures established by the East Fork Fire and Paramedic Districts. The East Fork Fire and Paramedic Districts will bear the cost of the exams.
17. The NDF will be responsible for providing all personal protective gear for the Jack's Valley Volunteer Fire Department personnel.
18. The East Fork Fire and Paramedic Districts will be responsible for providing all personal protective gear for the Sheridan Volunteer Fire Department personnel.
19. The East Fork Fire and Paramedic Districts will allow the Jack's Valley Volunteers to participate in the District's programs for the procurement of wildland firefighting boots.
20. The East Fork Fire and Paramedic Districts will allow the Jack's Valley Volunteers to participate in the District's member incentive program.
21. The East Fork Fire and Paramedic District will allow Cadet Firefighters associated with the Jack's Valley Volunteer Fire Department to participate in the District-wide Cadet/Explorer program.
22. The NDF will continue to allow the East Fork Fire and Paramedic District to house the following equipment at the specified location:

24. The East Fork Fire and Paramedic Districts will continue to allow the NDF to house the following equipment at the specified location:

- One Type-One 4x4 Engine Station 8
- One 6x6 Water Tender Station 8
- One Heavy Brush Station 8
- One Utility Station 8

25. Each agency will not be responsible for equipping another apparatus in any manner, unless agreed upon by each agency. All East Fork Fire and Paramedic District and NDF equipment must be identified and returned as part of an initial inventory at the commensuration of this agreement, unless agreed upon by each agency.

26. Volunteers with the Jack's Valley Volunteer Fire Department who are eligible to be licensed as Nevada Ambulance Attendants will be licensed at the basic EMT level under the East Fork Fire and Paramedic District Permit.

27. Volunteers with the Jack's Valley Volunteer Fire Department who are eligible to be licensed as Nevada Ambulance Attendants will be licensed at the EMT Intermediate level under the NDF Permit.

28. All personnel, career and volunteer will follow the protocols as established and approved by the East Fork Fire and Paramedic Districts while performing duties within the boundaries of the East Fork Paramedic Districts.

29. The Jack's Valley Volunteer Fire Department, Inc., will be allowed to maintain a lockable office space at Station 121. The office will include telephone and fax service provided by NDF.

30. All personnel, career and volunteer, will use the East Fork Fire and Paramedic District Accountability system while responding to and working at incidents within the boundaries of the East Fork Fire Protection District. The District will provide the necessary accountability cards and training of the use of the system to NDF personnel. The NDF will accommodate the accountability cards used by the East Fork Fire and Paramedic Districts at working incidents within the boundaries of the Sierra Forest Fire Protection District of Douglas County.
