1.2 Grantor warrants that it is well and truly seized of a good and marketable title in fee simple to the Premises, that it is the lawful owner of the rest of the Trust Property, and that, except for the easements, restrictions and other exceptions to title specifically set forth in the policy of title insurance issued to Beneficiary insuring the lien of this Deed of Trust (hereinafter called the "Permitted Exceptions"), the title to all the Trust Property is clear, free and unencumbered; Grantor shall forever warrant and defend the same unto Beneficiary, its successors and assigns, against all claims whatsoever.

GRANTOR FURTHER REPRESENTS, WARRANTS, COVENANTS AND AGREES AS FOLLOWS:

Grantor warrants that: (a) this Deed of Trust is executed at Borrower's request and not at the request of Lender; (b) Grantor has the full power, right, and authority to enter into this Deed of Trust and to hypothecate the Property; (c) the provisions of this Deed of Trust do not conflict with, or result in a default under any agreement or other instrument binding upon Grantor and do not result in a violation of any law, regulation, court decree or order applicable to Grantor; (d) Grantor has established adequate means of obtaining from Borrower on a continuing basis information about Borrower's financial condition; and (e) Lender has made no representation to Grantor about Borrower (including without limitation the creditworthiness of Borrower).

SECTION 2. OBLIGATION SECURED

This Deed of Trust is given for the purpose of securing, in such order of priority as Beneficiary may elect:

2.1 Payment of an indebtedness up to the principal sum of EIGHT HUNDRED FORTY SIX THOUSAND AND NO/100 DOLLARS (\$846,000.00) with interest thereon, extension and other fees, late charges, prepayment premiums and attorneys' fees, advanced to or for the benefit of

Borrower according to the terms of that Construction Loan Agreement, dated October 3, 2001, made by and between Borrower and Beneficiary (the "Loan Agreement"), as evidenced by promissory notes made by Borrower to the order of Beneficiary, defined in the Loan Agreement and referred to herein as the "Builder Notes," including but not limited to that promissory note of even date herewith made by Borrower to the order of Beneficiary in the principal amount of \$846,000.00 and any and all extensions, modifications, substitutions or renewal of any of the Builder Notes (The Builder Notes are hereinafter severally and collectively called the "Note");

2.2 Payment, performance and observance by Borrower of each covenant, condition, provision and agreement contained herein and of all monies expended or advanced by Beneficiary pursuant to the terms hereof, or to preserve any right of Beneficiary hereunder, or to protect or preserve the Trust Property or any part thereof;

2.3 Payment, performance and observance by Borrower of each covenant, condition, provision and agreement contained in the Loan Agreement and in any other document or instrument related to the indebtedness hereby secured and of all monies expended or advanced by Beneficiary pursuant to the terms thereof or to preserve any right of Beneficiary thereunder;

2.4 Payment of any and all additional loans and advances made by Beneficiary to Borrower and/or to the then record owner or owners of the Trust Property (excluding, however, any such loan to an individual for personal, family or household purposes) with interest thereon, late charges, extension and other fees, prepayment premiums and attorneys' fees, according to the terms of the promissory note(s) and/or credit agreement(s) evidencing such loans and advances, and all extensions, modifications, renewals or replacements thereof.

All of the indebtedness and obligations secured by this Deed of Trust are hereinafter collectively called the "Obligation."

GRANTOR'S WAIVERS. Grantor waives all rights or defenses arising by reason of any "one action" or "anti-deficiency" law, or any other law which may prevent Lender from bringing any action against Grantor, including a claim for deficiency to the extent Lender is otherwise entitled to a claim for deficiency, before or after Lender's commencement or completion of any foreclosure action, either judicially or by exercise of a power of sale.

SECTION 3. LEASES; ASSIGNMENT OF RENTS AND LEASES

3.1 To facilitate payment and performance of the Obligation, Grantor hereby absolutely transfers and assigns to Beneficiary all right, title and interest of Grantor in and to (i) all existing and future leases, subleases, licenses and other agreements for the use and occupancy of all or any part of the Trust Property, whether written or oral and whether for a definite term or month to month, together with all guarantees of the lessee's obligations thereunder and together with all extensions, modifications and renewals thereof (hereinafter called the "Leases"), and (ii) all income, receipts, revenues, rents, issues and profits now or hereafter arising from or out of the Leases or from or out of the Trust Property or any part thereof, including without limitation room rents, minimum rents, additional rents, percentage rents, parking and maintenance charges and fees, tax and insurance contributions, proceeds of the sale of utilities and services, cancellation premiums, claims for damages arising from any breach of the Leases, proceeds from any sale or other disposition of all or any portion of the Trust Property, and all other benefits arising from the use or enjoyment of, or the

lease, sale or other disposition of, all or any portion of the Trust Property, together with the immediate and continuing right to receive all of the foregoing (hereinafter called the "Rents").

3.2 Grantor hereby authorizes and directs the lessees and tenants under the Leases that, upon written notice from Beneficiary, all Rents shall be paid directly to Beneficiary as they become due. Grantor hereby relieves the lessees and tenants from any liability to Grantor by reason of the payment of the Rents to Beneficiary. Nevertheless, Grantor shall be entitled to collect the Rents until Beneficiary notifies the lessees and tenants in writing to pay the Rents to Beneficiary. Beneficiary is hereby authorized to give such notification upon the occurrence of an Event of Default and at any time thereafter while such Event of Default is continuing. Receipt and application of the Rents by Beneficiary shall not constitute a waiver of any right of Beneficiary under this Deed of Trust or applicable law, shall not cure any Event of Default hereunder, and shall not invalidate or affect any act done in connection with such Event of Default, including, without limitation, any trustee's sale or foreclosure proceeding.

3.3 All Rents collected by Grantor shall be applied in the following manner: First, to the payment of all taxes and lien assessments levied against the Trust Property, where provision for paying such is not otherwise made; Second, to the payment of any amounts due and owing under the Obligation; Third, to the payment of current operating costs and expenses (including repairs, maintenance and necessary acquisitions of property and expenditures for capital improvements) arising in connection with the Trust Property; Fourth, to Grantor or its designee. All Rents collected by Beneficiary may be applied to the items above listed in any manner that Beneficiary deems advisable and without regard to the aforestated priorities.

3.4 Grantor represents and warrants that there are no other assignments, transfers, pledges or encumbrances of any Leases or Rents. Grantor shall (i) fulfill or perform each and every term, covenant and provision of the Leases to be fulfilled or performed by the lessor thereunder; and (ii) give prompt notice to Beneficiary of any notice received by Grantor of default thereunder or of any alleged default or failure of performance that could become a default thereunder, together with a complete copy of any such notice. Grantor, without the prior written consent of Beneficiary, shall not enter in to any new tenant leases.

3.5 Beneficiary does not assume and shall not be liable for any obligation of the lessor under any of the Leases and all such obligations shall continue to rest upon Grantor as though this assignment had not been made. Beneficiary shall not be liable for the failure or inability to collect any Rents.

3.6 Neither the Assignment of Rents and Leases contained herein nor the exercise by Beneficiary of any of its rights or remedies in connection therewith, prior to Beneficiary obtaining actual possession of the Trust Property as provided in herein, shall constitute Beneficiary a "mortgagee in possession" or otherwise make Beneficiary responsible or liable in any manner with respect to the Trust Property or the occupancy, operation or use thereof.

SECTION 4. SECURITY AGREEMENT

4.1 This Deed of Trust shall cover, and the Trust Property shall include, all property now or hereafter affixed or attached to or incorporated upon the Premises, which, to the fullest extent permitted by law, shall be deemed fixtures and a part of the Premises. To the extent any of the Trust Property consists of rights in action or personal property covered by the Uniform Commercial

Code, this Deed of Trust shall also constitute a security agreement, and Grantor hereby grants to Beneficiary, as secured party, a security interest in all such property, and all proceeds thereof, for the purpose of securing the Obligation. In addition, for the purpose of securing the Obligation, Grantor hereby grants to Beneficiary a security interest in all of the property described below in, to, or under which Grantor now has or hereafter acquires any right, title or interest, whether present, future, or contingent: all equipment, inventory, accounts, general intangibles, instruments, documents, and chattel paper, as those terms are defined in the Uniform Commercial Code, and all other personal property of any kind (including without limitation money and rights to the payment of money), whether now existing or hereafter created, that are now or at any time hereafter (i) in the possession or control of Beneficiary; (ii) erected upon, attached to, or appurtenant to, the Premises; (iii) to be incorporated into any improvements on the Premises (whether stored on the Premises or elsewhere); (iv) used in connection with, or identified for use in connection with, the Premises (whether stored on the Premises or elsewhere); or (v) related to, or arising from, the Premises or any of the personal property described herein, the construction of any improvements on the Premises, or the ownership, development, maintenance, leasing, management, sale or other disposition of the Premises; including without limitation all such property more particularly described as follows:

(a) Buildings, structures and improvements, and building materials, fixtures and equipment to be incorporated into any buildings, structures or improvements;

(b) Goods, materials, supplies, fixtures, equipment, machinery, furniture and furnishings, including without limitation, all such items used for (i) generation, storage or transmission of air, water, heat, steam, electricity, light, fuel, refrigeration or sound; (ii) ventilation, air-conditioning, heating, refrigeration, fire prevention and protection, sanitation, drainage, cleaning, transportation, communications, maintenance or recreation; (iii) removal of dust, refuse, garbage or snow; (iv) transmission, storage, processing or retrieval of information; and (v) floor, wall, ceiling and window coverings and decorations;

(c) Income, receipts, revenues, rents, issues and profits;

(d) Water and water rights, ditches and ditch rights, reservoirs and reservoir rights, stock or interest in irrigation or ditch companies, minerals, oil and gas rights, royalties, and lease or leasehold interests;

(e) Plans and specifications prepared for the construction of any improvements, including without limitation, all studies, estimates, data, and drawings;

(f) Documents, instruments and agreements relating to, or in any way connected with, the operation, control or development of the Premises, including without limitation, any declaration of covenants, conditions and restrictions and any articles of incorporation, bylaws and other membership documents of any property owners association or similar group;

(g) Claims and causes of action, legal and equitable, in any form whether arising in contract or in tort, and awards, payments and proceeds due or to become due, including without limitation those arising on account of any loss of, damage to, taking of, or diminution in value of, all or any part of the Premises or any personal property described herein;

(h) Sales agreements, escrow agreements, deposit receipts, and other documents and agreements for the sale or other disposition of all or any part of the Premises or any of the personal property described herein, and deposits, proceeds and benefits arising from the sale or other disposition of all or any part of the Premises or any of the personal property described herein;

(i) Policies or certificates of insurance, contracts, agreements or rights of indemnification, guaranty or surety, and awards, loss payments, proceeds, and premium refunds that may be payable with respect to such policies, certificates, contracts, agreements or rights;

(j) Contracts, agreements, permits, licenses, authorizations and certificates, including without limitation all architectural contracts, construction contracts, management contracts, service contracts, maintenance contracts, franchise agreements, license agreements, building permits and operating licenses;

(k) Trade names, trademarks, and service marks (subject to any franchise or license agreements relating thereto);

(l) Refunds and deposits due or to become due from any utility companies or governmental agencies;

(m) Replacements and substitutions for, modifications of, and supplements, accessions, addenda and additions to, all of the personal property described herein;

(n) Books, records, correspondence, files and electronic media, and all information stored therein;

together with all products and proceeds of all of the foregoing, in any form, including all proceeds received, due or to become due from any sale, exchange or other disposition thereof, whether such proceeds are cash or non-cash in nature, and whether represented by checks, drafts, notes or other instruments for the payment of money. The personal property described or referred to in this Paragraph 4.1 is hereinafter called the "Personal Property." The security interests granted in this Paragraph 4.1 are hereinafter severally and collectively called the "Security Interest."

4.2 The Security Interest shall be self-operative with respect to the Personal Property, but Grantor shall execute and deliver on demand such additional security agreements, financing statements and other instruments as may be requested in order to impose the Security Interest more specifically upon the Personal Property. The Security Interest, at all times, shall be prior to any other interests in the Personal Property except any lien or security interest granted in connection with any Permitted Exception. Grantor shall act and perform as necessary and shall execute and file all security agreements, financing statements, continuation statements and other documents requested by Beneficiary to establish, maintain and continue the perfected Security Interest. Grantor, on demand, shall promptly pay all costs and expenses of filing and recording, including the costs of any searches, deemed necessary by Beneficiary from time to time to establish and determine the validity and the continuing priority of the Security Interest.

4.3 Grantor shall not sell, transfer, assign or otherwise dispose of any Personal Property or any interest therein without obtaining the prior written consent of Beneficiary. Grantor shall keep

the Personal Property free of all security interests or other encumbrances, except the Security Interest and any security interests and encumbrances granted in connection with any Permitted Exception. Although proceeds of Personal Property are covered hereby, this shall not be construed to mean that Beneficiary consents to any sale of the Personal Property.

4.4 Grantor hereby warrants, covenants and agrees that: (i) the Personal Property is or will be used primarily for business (other than farm) purposes; (ii) the Personal Property will be kept at the Premises; and (iii) Grantor's records concerning the Personal Property will be kept at Grantor's address as set forth in the beginning of this Deed of Trust.

4.5 Grantor represents and warrants that: (i) the name of Grantor set forth in the beginning of this Deed of Trust is the true, correct and complete legal name of Grantor, and (ii) the address of Grantor's chief executive office, or residence if Grantor is an individual without an office, is accurately set forth at the beginning of this Deed of Trust.

4.6 Grantor shall give Beneficiary immediate written notice of any change in the name, identity or structure of Grantor and any change in the location of: (i) Grantor's chief executive office (or residence if Grantor is an individual without an office); (ii) the Personal Property or any part thereof; or (iii) Grantor's records concerning the Personal Property

4.7 All covenants and warranties of Grantor contained in this Deed of Trust shall apply to the Personal Property whether or not expressly referred to in this Section 4. The covenants and warranties of Grantor contained in this Section 4 are in addition to, and not in limitation of, those contained in the other provisions of this Deed of Trust.

4.8 Upon its recording in the real property records, this Deed of Trust shall be effective as a financing statement filed as a fixture filing. In addition, a carbon, photographic or other reproduced copy of this Deed of Trust and/or any financing statement relating hereto shall be sufficient for filing and/or recording as a financing statement. The filing of any other financing statement relating to any personal property, rights or interests described herein shall not be construed to diminish any right or priority hereunder.

4.9 This Deed of Trust is a "construction mortgage" as defined in the Uniform Commercial Code and secures an obligation incurred for the construction of an improvement on land, including the acquisition cost of the land.

SECTION 5. PROTECTION AND PRESERVATION OF THE TRUST PROPERTY

POSSESSION AND MAINTENANCE OF THE PROPERTY. Borrower and Grantor agree that Borrower's and Grantor's possession and use of the Property shall be governed by the following provisions:

5.1 **POSSESSION AND USE:** Until the occurrence of an Event of Default, Grantor may (1) remain in possession and control of the Property; (2) use, operate or manage the Property; and (3) collect the Rents from the Property.

5.2 Grantor shall neither commit nor permit to occur any waste upon the Trust Property but shall at all times make or cause to be made all repairs, maintenance, renewals and

replacements as may be necessary to maintain the Trust Property in good condition and repair. Grantor shall keep the Trust Property free of termites, dry rot, fungus, beetles and all other harmful or destructive insects and shall keep all plants, trees and shrubs included in the Trust Property neatly pruned and in good condition. Grantor shall keep the Trust Property free of rubbish and other unsightly or unhealthful conditions. Grantor shall neither use nor permit the use of the Trust Property in violation of applicable laws, ordinances, rules, and regulations, any other requirements of regulatory authorities having jurisdiction over the Trust Property, any covenants and restrictions running with the land, any leases and other contracts approved by Beneficiary relating to the Trust Property, or any policy of insurance insuring the Trust Property ("Legal Requirements").

5.3 Grantor shall promptly complete any improvements that may be commenced, and shall repair and restore any portions of the Trust Property that may be damaged or destroyed, in a good and workmanlike manner according to plans and specifications approved by Beneficiary, and in compliance with all Legal Requirements. Grantor shall pay when due all claims for work performed and materials furnished on or in connection with the Trust Property or any part thereof and shall pay, discharge, or cause to be removed, all mechanic's, artisan's, laborer's or materialman's charges, liens, claims of liens or encumbrances upon the Trust Property. Grantor shall comply with all Legal Requirements, including any Legal Requirements that require alterations or improvements to be made to the Trust Property. Except as required by law, Grantor shall not remove, substantially alter, or demolish any building or improvement included in the Trust Property without Beneficiary's prior written consent.

5.4

(a) Grantor shall provide and maintain policies of fire and extended coverage insurance on the Trust Property in an amount not less than the full insurable value, on a replacement-cost basis, of the Trust Property and, when requested by Beneficiary, shall also provide and maintain policies of insurance in amounts required by Beneficiary covering vandalism and malicious mischief, sprinkler leakage, rent abatement and/or business loss, flood damage, earthquake and all other risks commonly insured against by persons owning like properties in the locality of the Trust Property or commonly required by prudent institutional lenders making loans secured by liens against such properties. All such policies shall contain standard, non-contributory trust beneficiary clauses making losses payable to Beneficiary. Grantor shall also provide and maintain comprehensive public liability insurance in amounts required by Beneficiary and containing endorsements naming Beneficiary as an additional insured. All insurance policies shall be with companies from time to time approved by Beneficiary, shall provide that Beneficiary is to receive thirty (30) days' notice prior to cancellation and shall otherwise be in form and substance satisfactory to Beneficiary. Original policies of insurance shall be delivered to Beneficiary; renewal policies shall be delivered to Beneficiary thirty (30) days before the expiration of the then-existing policies with satisfactory proof that the premiums for renewal have been paid.

(b) In the event of loss, Grantor shall give immediate notice to Beneficiary, and Beneficiary may make proof of loss if not made promptly by Grantor. Each insurance company is hereby authorized and directed to make payment for loss directly to Beneficiary, instead of to Grantor or to Grantor and Beneficiary jointly; Beneficiary may apply all or any part of such insurance proceeds to the payment of the Obligation, whether or not then due, or the restoration or repair of the Trust Property. Beneficiary shall not be responsible for any insurance, for the collection of any insurance proceeds, or for the insolvency of any insurer. Application of insurance proceeds by Beneficiary shall not cure nor waive any Event of

Default nor invalidate any act done hereunder because of any such Event of Default. In the event of the sale of the Trust Property under the power of sale herein granted to Trustee, or upon foreclosure of this Deed of Trust as a mortgage, or in the event Beneficiary or a receiver appointed by the court shall take possession of the Trust Property without sale, then all right, title and interest of Grantor in and to all insurance policies then in force shall inure to the benefit of and pass to the beneficiary in possession, receiver or purchaser at such sale, as the case may be. Beneficiary is hereby appointed attorney in fact for Grantor to assign and transfer such policies.

5.5 Grantor shall pay or cause to be paid all taxes and assessments of every kind, nature and description levied or assessed on or against the Trust Property and shall deliver to Beneficiary, at least ten (10) days before they become delinquent, receipts showing payment of all such taxes and assessments and shall pay when due all dues and charges for water and water delivery, electricity, gas, sewers, waste removal, bills for repairs, and any and all other claims, encumbrances and expenses incident to the ownership of the Trust Property.

5.6 Grantor hereby assigns, transfers and conveys to Beneficiary all compensation and each and every award of damages in connection with any condemnation for public or private use of, or injury to, the Trust Property or any part thereof, to the extent of the Obligation then remaining unpaid, and all such compensation and awards shall be paid directly to Beneficiary. Beneficiary may apply all or any part of such compensation and awards to the payment of the Obligation, whether or not then due, or to the restoration or repair of the Trust Property.

SECTION 6. PROTECTION AND PRESERVATION OF BENEFICIARY'S INTEREST

6.1 Grantor, by the payment of any such tax or taxes, shall protect Beneficiary against any and all loss from any taxation of indebtedness or deeds of trust, direct or indirect, that may be imposed upon this Deed of Trust, the lien of this Deed of Trust on the Trust Property, or upon the Obligation, by any law, rule, regulation or levy of the federal government, any state government, or any political subdivision thereof. In the event the burden of such taxation cannot lawfully be shifted from Beneficiary to Grantor, Beneficiary may declare the entire Obligation due and payable sixty (60) days after notice to Grantor.

6.2 If Grantor shall fail to pay any taxes, assessments, expenses or charges, to keep all of the Trust Property free from liens and claims of liens, to maintain and repair the Trust Property, or to procure and maintain insurance thereon, or otherwise fail to perform as required herein, Beneficiary may advance the monies necessary to pay the same, to accomplish such maintenance and repairs, to procure and maintain such insurance or to so perform; Beneficiary is hereby authorized to enter upon the Trust Property for such purposes.

6.3 Upon written request by Beneficiary, Grantor shall appear in and prosecute or defend any action or proceeding that may affect the lien or the priority of the lien of this Deed of Trust or the rights of Beneficiary hereunder and shall pay all costs, expenses (including the cost of searching title) and attorneys' fees incurred in such action or proceeding. Beneficiary may appear in and defend any action or proceeding purporting to affect the lien or the priority of the lien of this Deed of Trust or the rights of Beneficiary. Beneficiary may pay, purchase, contest or compromise any adverse claim, encumbrance, charge or lien that in the judgment of Beneficiary appears to be prior or superior to the lien of this Deed of Trust, other than any Permitted Exceptions.

6.4 Without obtaining the prior written consent of Beneficiary, Grantor shall not sell, transfer, convey, assign or otherwise dispose of, or further encumber, all or any part of the Trust Property or any interest therein, voluntarily or involuntarily, by operation of law or otherwise. If Grantor is other than a natural person, any material change in the ownership or management of, or interest in, Grantor, or any pledge or encumbrance of any interest in Grantor, shall be deemed to be a transfer of the Trust Property. Consent to any such transaction shall not be deemed to be consent or a waiver of the requirement of consent to any other such transaction.

6.5 All rights, powers and remedies granted Beneficiary herein, or otherwise available to Beneficiary, are for the sole benefit and protection of Beneficiary, and Beneficiary may exercise any such right, power or remedy at its option and in its sole and absolute discretion without any obligation to do so. In addition, if, under the terms hereof, Beneficiary is given two or more alternative courses of action, Beneficiary may elect any alternative or combination of alternatives, at its option and in its sole and absolute discretion. All monies advanced by Beneficiary under the terms hereof and all amounts paid, suffered or incurred by Beneficiary in exercising any authority granted herein, including reasonable attorneys' fees, shall be added to the Obligation, shall be secured by this Deed of Trust, shall bear interest at the highest rate payable on any of the Obligation until paid, and shall be due and payable by Grantor to Beneficiary immediately without demand.

6.6 Grantor, upon request of Beneficiary, shall promptly correct any defect, error or omission that may be discovered in the content of this Deed of Trust or in the execution or acknowledgment hereof. In addition, Grantor shall do such further acts as may be necessary or that Beneficiary may reasonably request to carry out more effectively the purposes of this Deed of Trust, to subject any property intended to be encumbered hereby to the lien and security interest hereof, and to perfect and maintain the lien and security interest hereof.

SECTION 7. DEFAULTS; REMEDIES

7.1 The occurrence of any event or condition defined in the Loan Agreement as an Event of Default shall constitute an "Event of Default" under this Deed of Trust:

7.2 Upon the occurrence of any Event of Default, and at any time while such Event of Default is continuing, Beneficiary may do one or more of the following:

(a) Declare the entire Obligation to be immediately due and payable, and the same, with all costs and charges, shall be collectible thereupon by action at law.

(b) Give such notice of default and of election to cause the Trust Property to be sold as may be required by law or as may be necessary to cause Trustee to exercise the power of sale granted herein. Trustee shall then record and give such notice of trustee's sale as then required by law and, after the expiration of such time as may be required by law, may sell the Trust Property at the time and place specified in the notice of sale, as a whole or in separate parcels as directed by Beneficiary, or by Grantor to the extent required by law, at public auction to the highest bidder for cash in lawful money of the United States, payable at time of sale, all in accordance with applicable law. Trustee, from time to time, may postpone or continue the sale of all or any portion of the Trust Property by public declaration at the time and place last appointed for the sale. No other notice of the postponed sale shall be required. Upon any sale, Trustee shall deliver its deed conveying the property sold, without any covenant or warranty, express or implied, to the purchaser or

purchasers at the sale. The recitals in such deed of any matters or facts shall be conclusive as to the accuracy thereof. Any person, including Grantor, Trustee or Beneficiary, may purchase at the sale.

(c) Commence proceedings for foreclosure of this Deed of Trust in the manner provided by law for the foreclosure of a real property mortgage.

(d) Exercise any or all of the remedies of a secured party under the Uniform Commercial Code with respect to the Personal Property. If Beneficiary should proceed to dispose of any of the Personal Property in accordance with the provisions of the Uniform Commercial Code, five (5) days' notice by Beneficiary to Grantor shall be deemed to be commercially reasonable notice under any provision of the Uniform Commercial Code requiring notice. Grantor, however, agrees that all property of every nature and description, whether real or personal, covered by this Deed of Trust, together with all personal property used on or in connection with the Premises or any business conducted thereon by the Grantor and covered by separate security agreements, is encumbered as one unit, that this Deed of Trust and such security interests, at Beneficiary's option, may be foreclosed or sold in the same proceeding, and that all property encumbered (both realty and personalty), at Beneficiary's option, may be sold as such in one unit as a going business, subject to the provisions of applicable law.

(e) Without regard to the adequacy of any security for the Obligation or the solvency of Grantor or any other person or entity, send notifications to any and all lessees and tenants under the Leases that all Rents shall be paid to Beneficiary. Thereafter, Beneficiary shall be entitled to collect the Rents until Grantor cures all Events of Default and may apply the Rents collected at its sole discretion to the maintenance of the Trust Property and/or the payment of the Obligation.

(f) Apply for and obtain, without regard to the adequacy of any security for the Obligation or the solvency of the Grantor or any other person or entity, a receiver by any court of competent jurisdiction to take charge of all the Trust Property, to manage, operate and carry on any business then being conducted or that could be conducted on the Premises, to carry on, protect, preserve, replace and repair the Trust Property, and receive and collect all Rents and to apply the same to pay the receiver's expenses for the operation of the Trust Property and then in the manner provided in Paragraph 3.3 herein. Upon appointment of said receiver, Grantor shall immediately deliver possession of all of the Trust Property to such receiver. Neither the appointment of a receiver for the Trust Property by any court at the request of Beneficiary or by agreement with Grantor nor the entering into possession of all or any part of the Trust Property by such receiver shall constitute Beneficiary a "mortgagee in possession" or otherwise make Beneficiary responsible or liable in any manner with respect to the Trust Property or the occupancy, operation or use thereof.

(g) Without regard to the adequacy of any security for the Obligation or the solvency of Grantor or any other person or entity, enter upon and take possession of all or any part of the Trust Property, either in person or by agent or employee, or by a receiver appointed by a court of competent jurisdiction; Grantor shall on demand peaceably surrender possession of the Trust Property to Beneficiary. Beneficiary, in its own name or in the name of Grantor, may operate and maintain all or any part of the Trust Property to such extent as Beneficiary deems advisable, may rent and lease the same to such persons, for

such periods of time, and on such terms and conditions as Beneficiary in its sole discretion may determine, and may sue for or otherwise collect any and all Rents, including those past due and unpaid. In dealing with the Trust Property as a beneficiary in possession, Beneficiary shall not be subject to any liability, charge, or obligation therefor to Grantor, other than for willful misconduct, and shall be entitled to operate any business then being conducted or which could be conducted thereon or therewith at the expense of and for the account of Grantor (and all net losses, costs and expenses thereby incurred shall be advances governed by Paragraph 6.6 hereof), to the same extent as the owner thereof could do, and to apply the Rents to pay the receiver's expenses, if any, for the operation of the Trust Property and then in the manner provided in Paragraph 3.3 herein.

(h) Upon the completion of any foreclosure or trustee's sale of all or a portion of the Trust Property, commence an action to recover any of the Obligation that remains unpaid or unsatisfied.

7.3 Grantor or Borrower shall pay all costs and expenses, including without limitation costs of title searches and title policy commitments, Uniform Commercial Code searches, court costs and reasonable attorneys' fees, incurred by Beneficiary in enforcing payment and performance of the Obligation or in exercising the rights and remedies of Beneficiary hereunder. All such costs and expenses shall be secured by this Deed of Trust and by all other lien and security documents securing the Obligation. In the event of any court proceedings, court costs and attorneys' fees shall be set by the court and not by jury and shall be included in any judgment obtained by Beneficiary.

7.4 In addition to any remedies provided herein for an Event of Default, Beneficiary shall have all other legal or equitable remedies allowed under applicable law (including specifically that of foreclosure of this instrument as though it were a mortgage). No failure on the part of Beneficiary to exercise any of its rights hereunder arising upon any Event of Default shall be construed to prejudice its rights upon the occurrence of any other or subsequent Event of Default. No delay on the part of Beneficiary in exercising any such rights shall be construed to preclude it from the exercise thereof at any time while that Event of Default is continuing. Beneficiary may enforce any one or more remedies or rights hereunder successively or concurrently. By accepting payment or performance of any of the Obligation after its due date, Beneficiary shall not thereby waive the agreement contained herein that time is of the essence, nor shall Beneficiary waive either its right to require prompt payment or performance when due of the remainder of the Obligation or its right to consider the failure to so pay or perform an Event of Default.

SECTION 8. GENERAL PROVISIONS

8.1 Grantor shall defend, indemnify and hold harmless Beneficiary, any successors to Beneficiary's interest in the Trust Property, any purchaser of the Trust Property upon foreclosure, and all shareholders, directors, officers, employees and agents of all of the foregoing and their heirs, personal representatives, successors and assigns from and against all claims, costs, expenses, actions, suits, proceedings, losses, damages and liabilities of any kind whatsoever, including but not limited to all amounts paid in settlement of, and all costs and expenses (including attorneys' fees) incurred in defending or settling, any actual or threatened claim, action, suit or proceeding, directly or indirectly arising out of or relating to the Obligation, this Deed of Trust, or the Trust Property, including but not limited to (i) any violation or claim of violation of any Legal Requirements with respect to the Trust Property; or (ii) any breach of any of the warranties, representations and covenants contained herein. This indemnity provision shall continue in full force and effect and shall

survive the payment and performance of the Obligation, the release of record of the lien of this Deed of Trust, any foreclosure (or action in lieu of foreclosure) of this Deed of Trust, the exercise by Beneficiary of any other remedy under this Deed of Trust or any other document or instrument evidencing or securing the Obligation, and any suit, proceeding or judgment against Grantor by Beneficiary hereon.

8.2 The acceptance of this Deed of Trust by Beneficiary shall not be considered a waiver of or in any way to affect or impair any other security that Beneficiary may have, acquire simultaneously herewith, or hereafter acquire for the payment or performance of the Obligation, nor shall the taking by Beneficiary at any time of any such additional security be construed as a waiver of or in any way to affect or impair the security of this Deed of Trust; Beneficiary may resort, for the payment or performance of the Obligation, to its several securities therefor in such order and manner as it may determine.

8.3 Without notice or demand, without affecting the obligations of Grantor hereunder or the personal liability of any person for payment or performance of the Obligation, and without affecting the lien or the priority of the lien of this Deed of Trust, Beneficiary, from time to time, may: (i) extend the time for payment of all or any part of the Obligation, accept a renewal note therefor, reduce the payments thereon, release any person liable for all or any part thereof, or otherwise change the terms of all or any part of the Obligation; (ii) take and hold other security for the payment or performance of the Obligation and enforce, exchange, substitute, subordinate, waive or release any such security; (iii) consent to the making of any map or plat of the Trust Property; (iv) join in granting any easement on or in creating any covenants, conditions or restrictions affecting the use or occupancy of the Trust Property; (v) join in any extension or subordination agreement; or (vi) release or direct Trustee to release any part of the Trust Property from this Deed of Trust. Any such action by Beneficiary, or Trustee at Beneficiary's direction, may be taken without the consent of any junior lienholder and shall not affect the priority of this Deed of Trust over any junior lien.

8.4 Grantor and Borrower waive and agree not to assert: (i) any right to require Beneficiary to proceed against any guarantor, to proceed against or exhaust any other security for the Obligation, to pursue any other remedy available to Beneficiary, or to pursue any remedy in any particular order or manner; (ii) the benefits of any legal or equitable doctrine or principle of marshalling; (iii) the benefits of any statute of limitations affecting the enforcement hereof; (iv) demand, diligence, presentment for payment, protest and demand, and notice of extension, dishonor, protest, demand and nonpayment, relating to the Obligation; and (v) any benefit of, and any right to participate in, any other security now or hereafter held by Beneficiary.

8.5 Upon written request of Beneficiary stating that all of the Obligation has been paid, and upon surrender of this Deed of Trust and the Note to Trustee for cancellation and retention or, if requested, delivery, then Trustee (and Beneficiary if necessary to clear title), upon payment of Trustee's fees, shall reconvey, without warranty, the Trust Property. The recitals in such reconveyance of any matters or facts shall be conclusive as to the accuracy thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full reconveyance, Trustee may destroy the Note and this Deed of Trust (unless directed in such request to retain them), unless prior thereto Trustee has been directed to deliver them to the person or persons to whom the property was reconveyed.

8.6 Beneficiary or Trustee, or both, shall have the right to inspect the Trust Property at all reasonable times.

8.7 Time is of the essence hereof. If more than one Grantor is named herein, the word "Grantor" shall mean all and any one or more of them, severally and collectively. All liability hereunder shall be joint and several. This Deed of Trust shall be binding upon, and shall inure to the benefit of, the parties hereto and their heirs, personal representatives, successors and assigns. The term "Beneficiary" shall include not only the original Beneficiary hereunder but also any future owner and holder, including pledgees, of the Note. The provisions hereof shall apply to the parties according to the context thereof and without regard to the number or gender of words or expressions used.

8.8 The acceptance by Trustee of this trust shall be evidenced when this Deed of Trust, duly executed and acknowledged, is made a public record as provided by law. The trust created hereby is irrevocable by Grantor.

8.9 This Deed of Trust cannot be changed except by agreement, in writing, signed by Grantor and Beneficiary.

8.10 No setoff or claim that Grantor or Borrower now has or may in the future have against Beneficiary shall relieve Grantor or Borrower from paying or performing the Obligation.

8.11 Each term, condition and provision of this Deed of Trust shall be interpreted in such manner as to be effective and valid under applicable law but if any term, condition or provision of this Deed of Trust shall be held to be void or invalid, the same shall not affect the remainder hereof which shall be effective as though the void or invalid term, condition or provision had not been contained herein. In addition, should this instrument be or become ineffective as a deed of trust, then these presents shall be construed and enforced as a realty mortgage with the Grantor being the mortgagor and Beneficiary being the mortgagee.

8.12 This Deed of Trust, the Obligation and the agreements of any person or entity to pay or perform the Obligation shall be governed by and construed according to the laws of the State of Nevada.

8.13 All notices required or permitted to be given hereunder shall be in writing and shall be given at the place and in the manner provided in the Loan Agreement for the giving of notices.
