**AGREEMENT TO CONNECT TO SEWER
AND
RIGHT-OF-ENTRY**

This agreement is made this 5 day of November, 2002, between Douglas County (County), a political subdivision of the State of Nevada, and Betty V. Legate, Owner of property (Owner) described as Assessor's Parcel Number 1420-07-311-002, at 3450 Agate Court.

County Responsibilities

1. County agrees to pay all engineering and construction costs associated with extending a single sewer lateral from the sewer main to connect with the house on the parcel. The County will provide at least a one week notice to the Owner before construction starts. The County will also remove the contents from the landowner's existing septic tank and fill it with sand or soil. The County agrees that the Owner will not pay any connection fee but will pay the required monthly fee.
2. Douglas County and its contractor will attempt to minimize the damage to existing landscaping, and will restore damaged landscaping and other improvements to the best of its ability.

Owner Responsibilities

3. The Owner, Betty V. Legate, grants permission to Douglas County, and its employees, authorized agents, and contractors, to enter onto the Owner's land, described as Assessor's Parcel Number 1420-07-311-002, at 3450 Agate Court, for the purposes of abandonment of the Owner's septic tank, and construction of a sewer lateral from Owner's home to the sewer main, and any necessary incidents, as shown on the attached exhibit A. This permission is granted for a period of one year from the date of this document or until the construction is completed if before the one year with the understanding that the County, after completion of the project, will leave the Owner's land in as neat and presentable condition as reasonably possible.
4. Owner agrees that no connection fee will be charged for the sewer connection, which is the equivalent amount to serve one single-family dwelling unit. Owner may purchase additional connections if they are necessary, but may only use these connections on subject property. Once physically connected to the sewer system, owner agrees to accept the responsibility to maintain the sewer lateral between the house and sewer main and pay the monthly sewer rate for the service.

General Provisions

5. This letter contains the entire agreement between parties relating to the subject matter and supersedes any and all agreements previously made by and between the parties pertaining to the same subject matter. No change, amendment, alteration or modification of this agreement will be effective unless documented in writing and executed by both parties.
