The Contractor represents that he is duly qualified, equipped, staffed, ready, willing and able to perform and render the services described;

In consideration of the agreements made, the parties mutually agree as follows:

3. INDEPENDENT CONTRACTOR STATUS. The parties agree that Contractor shall have the status of an independent contractor and that this contract, by explicit agreement of the parties, incorporates and applies the provisions of NRS 284.713, as necessarily adapted, to the parties, including that Contractor is not a County employee and that

There shall be no:

4. INDUSTRIAL INSURANCE. Contractor further agrees, as a precondition to the performance of any work under this contract and as a precondition to any obligation of the County to make any payment under this contract, to provide the County with a work certificate and/or a certificate issued by a qualified insurer in accordance with NRS § 616B.627. Contractor also agrees, prior to commencing any work under the contract, to complete and to provide the following written request to the qualified insurer:

PRIMARY MEDICAL GROUP has entered into a contract with Douglas County to perform work from July 1, 2003 to June 30, 2004 and requests that the State Industrial Insurance System provide to Douglas County 1) a certificate of coverage issued pursuant to NRS § 616B.627 and 2) notice of any lapse in coverage or nonpayment of coverage that the contractor is required to maintain. The certificate and notice should be mailed to:

Douglas County Manager
Post Office Box 218
Minden, Nevada 89423

Contractor agrees to maintain required workers compensation coverage throughout the entire term of the contract. If contractor does not maintain coverage throughout the entire term of the contract, contractor agrees that County may, at any time the coverage is not maintained by contractor, order the contractor to stop work, suspend the contract, or terminate the contract. For each six-month period this contract is in effect, contractor agrees, prior to the expiration of the six-month period, to provide another written request to the qualified insurer for the provision of a certificate and notice of lapse in or nonpayment of coverage. If contractor does not make the request or does not provide the certificate before the expiration of the six-month period, contractor agrees that County may order the contractor to stop work, suspend the contract, or terminate the contract.

5. SERVICES TO BE PERFORMED. The parties agree that the services to be performed are as follows: See attachment A.

6. PAYMENT FOR SERVICES. Contractor agrees to provide the services set forth in Paragraph (5) at a cost of \$2,167.00 per month with a total cost not to exceed \$26,009.00 per fiscal year. Contractor agrees to submit billings to the County, which will be paid within a reasonable time.

7. TERMINATION OF CONTRACT. This contract may be revoked without cause by either party prior to the ending date set forth in paragraph (2), provided that a revocation shall not be effective until 60 days after a party has served written notice upon the other party.

8. FISCAL FUNDING OUT. All payments under this contract are contingent upon the availability to the China Spring Youth Camp of the necessary funds. In the event

that sufficient funds, as determined by the China Spring Youth Camp, are not available for any reason, the China Spring Youth Camp shall not be obligated to make any payments to Contractor under this contract. This provision shall be construed as a condition precedent to the obligation of the China Spring Youth Camp to make any payments under the contract. Nothing in this contract shall be construed to provide Contractor with a right of payment over any other entity. If any payments which are otherwise due to Contractor under this contract are deferred because of the unavailability of sufficient funds, such payments will promptly be made to Contractor if sufficient funds later become available.

9. CONSTRUCTION OF CONTRACT. This contract shall be construed and interpreted according to the laws of the State of Nevada.

10. COMPLIANCE WITH APPLICABLE LAWS. Contractor shall fully and completely comply with all applicable local, state and federal laws, regulations, orders, or requirements of any sort in carrying out the obligations of this contract, including, but not limited to, all federal, state, and local accounting procedures and requirements and all immigration and naturalization laws.

13. DISPOSITION OF CONTRACT MATERIALS. Any books, reports, studies, photographs, negatives or other documents, data, drawings or other materials prepared by or supplied to Contractor in the performance of its obligations under this contract shall be the exclusive property of the County and all such materials shall be remitted and delivered, at Contractor's expense, by Contractor to the County upon completion, termination or cancellation of this contract. Alternatively, if the County provides its written approval to Contractor, any books, reports, studies, photographs, negatives or other documents, data, drawings or other materials prepared by or supplied to Contractor in the performance of its obligations under this contract must be retained by Contractor for a minimum of six years after final payment is made and all other pending matters are closed. If, at any time during the retention period, the County, in writing, requests any or all of the materials, then Contractor shall promptly remit and deliver the materials, at Contractor's expense, to the County, unless the County has requested remittance and delivery by Contractor of the items. Contractor shall not use, willingly allow or cause to have such materials used for any purpose other than the performance
