## ORDER OF ABANDONMENT

**COMES NOW**, the GARDNERVILLE RANCHOS GENERAL IMPROVEMENT DISTRICT ("District"), by and through the Chairman of the Board of Trustees of the District, and hereby enters the District's Order of Abandonment of District owned open space pursuant to the following stated recitals, terms and conditions.

### WITNESSETH

**WHEREAS**, the District has adopted a Policy and Procedures Manual ("Manual") wherein the District's policy regarding the abandonment or sale of District owned open space is set forth. The District, after compliance with provisions of its policy, has determined that it is in the best interests of the District that the property described below be abandoned; and

**WHEREAS**, prior to this Order, the Board of Trustees ("Board") has conducted several public hearings and one workshop relating to the abandonment of portions of District owned open space bordering nine residences on Cardinal Court and Hornet Drive. On December 4, 2002, March 13, 2003, and on June 11, 2003, after proper notice was posted, published and mailed to all those requesting such notice, the Board conducted public hearings or a workshop on abandonment of District owned open space. At none of the three public hearings/workshop did a member of the public appear and protest the proposed abandonments; and

**WHEREAS**, at the conclusion of the public hearing conducted on September 3, 2003, the Board, upon motion made, duly seconded and unanimously passed, voted in favor of abandoning open space bordering residential lots on Cardinal Court and Hornet Drive and authorizing the Chairman to sign this Order; and

**WHEREAS**, on June 11, 2003, and September 3, 2003, the Board found that the proposed abandonment will not materially injure the public; and

**WHEREAS**, the Board has been satisfied of the non-existence of any public utility easement over the open space which is abandoned. Further, the Board is satisfied that the area to be abandoned is small in size and irregularly shaped; accordingly, the areas abandoned would not be the subject of potential development and have value only to the adjoining property owners. The Board has waived compensation to the District for the value of the District's interests in the abandoned property; and

**WHEREAS**, the Board has determined that there shall be no conditions to this Order of Abandonment, and that such Order shall be recorded. However, should a map or maps be later required to carry into force and effect this Order of Abandonment issued by the Board, the receiving property owner to whom the District's interest is abandoned shall be responsible for the preparation and filing of any such map or maps.

**NOW, THEREFORE**, the Board of Trustees of the Gardnerville Ranchos General Improvement District, through its Chairman, enters this Order of Abandonment of District owned
