Borrower shall perform, observe and comply with all provisions hereof, of the Note, and of every other Loan Document and will promptly pay to Lender the principal with interest thereon and all other sums required to be paid by Borrower under the Note and pursuant to the provisions of this Security Instrument and of every other Loan Document when payment shall become due, provided that nothing herein shall be construed to cause this Security Instrument to secure any covenant or other obligation of Borrower under any Loan Document which is expressly stated to be an unsecured obligation of Borrower or to be an obligation of Borrower which is not secured by this Security Instrument.

2. GENERAL REPRESENTATIONS, COVENANTS AND WARRANTIES. Borrower represents, covenants and warrants that as of the date hereof and at all times hereafter during the term hereof: (a) Borrower is the lawful owner of good and marketable fee simple title to the Property and has good right and authority to grant, bargain, sell, convey, transfer, and assign the Property or, if this Security Instrument secures a leasehold estate, Borrower is the owner of the Tenant's interest under the Lease and the holder of the estate thereunder, and is the owner of the Improvements hereby secured, and has good right to grant, bargain, sell, convey, transfer, and assign the same as security under this Security Instrument. If this Security Instrument secures a leasehold estate, the terms "**Lease**", "**Landlord**" and "**Tenant**" shall have the meanings ascribed thereto in **Exhibit "A"** attached hereto. If the Property is a leasehold, the Lease is in full force and effect and is unmodified and no event of default has occurred thereunder; (b) Borrower will warrant and forever defend the title to the Property against the claims of all persons whomsoever claiming the same or any part thereof, and this warranty of title shall survive the foreclosure of this Security Instrument

and shall inure to the benefit of and be enforceable by any person who may acquire title to the Property pursuant to foreclosure; (c) Borrower is now able to meet its debts as they mature, the fair market value of its assets exceeds its liabilities, no bankruptcy or insolvency proceedings are pending or contemplated by or against Borrower, no assignment to creditors has been made by Borrower and no portion of Borrower's assets are presently subject to any attachment, execution or judicial seizure, and Borrower covenants immediately to provide notice to Lender in the event that any change in any of the circumstances described in this sentence should occur; (d) All reports, statements and other data furnished by or on behalf of Borrower, or any partner, officer, employee or agent of Borrower or any guarantor in connection with the Loan are true, correct and complete in all material respects and do not omit to state any fact or circumstance necessary to make the statements contained therein not misleading; (e) Borrower is duly organized, validly existing and in good standing under the laws of the state of its organization and is qualified and authorized to do business in the state where the Property is located, and has full power and authority to own its property, to carry on its business as presently being conducted and as contemplated to be conducted hereunder and to execute, deliver and perform its obligations under this Security Instrument, the Note and the other Loan Documents; the person(s) executing this Security Instrument, the Note and the other Loan Documents on behalf of Borrower have been duly authorized to execute and deliver this Security Instrument, the Note and other Loan Documents on behalf of Borrower; this Security Instrument, the Note and the other Loan Documents constitute legally valid and binding obligations of Borrower enforceable in accordance with their terms; and the execution, delivery and performance of this Security Instrument, the Note and the other Loan Documents by Borrower will not conflict with, or constitute a breach of, or default under, Borrower's governing instruments or any indenture, mortgage, deed of trust, note, lease, commitment, agreement or other instrument or obligation to which Borrower is a party or by which Borrower or its properties is bound; (f) There are no actions, suits or proceedings pending, or to the knowledge of Borrower threatened, against or affecting Borrower or the Property of any nature; (g) Borrower is not in default under the terms of any instrument evidencing or securing any indebtedness of Borrower and there has occurred no event which would, if incurred or uncorrected, constitute a default under any such instrument with the giving of notice, passage of time or both; (h) Electric, gas, sewer, water facilities, and any other necessary utilities, are available (or, if this is a construction loan, will be available at such time during or after construction as Lender deems necessary) and shall continue to be available in sufficient capacity to service the Property satisfactorily for its intended uses; and (i) the Property, including without limitation the Improvements thereon, comply with (or if this is a construction loan, the Improvements at such time during or after construction as Lender deems necessary, will comply with) and will continue throughout the term hereof to comply with all applicable restrictive covenants, applicable zoning and subdivision ordinances and building codes, all applicable health, disability and environmental laws and regulations and all other applicable laws, ordinances, rules and regulations, including permits, licenses and/or certificates that may be necessary from time to time to comply with any of these requirements.

3. SECURITY AGREEMENT AND FINANCING STATEMENTS. Borrower (as Debtor) hereby grants to Lender (as Creditor and Secured Party) a security interest in all of the Property which is tangible or intangible personal property, including without limitation, fixtures, goods, accounts, deposit accounts, instruments, chattel paper, documents, letters of credit, letter of credit rights, supporting obligations, and general intangibles described hereinabove and all additions, substitutions and proceeds (cash and noncash) of the foregoing.

Borrower shall execute any and all such documents as Lender may request, including without limitation, financing statements pursuant to the Uniform Commercial Code in the jurisdiction in which the Property is located or in which Borrower resides or is formed or organized, as applicable (the "**Uniform Commercial Code**"), to preserve and maintain the priority of the lien created hereby on property which may be deemed personal property or fixtures, and shall pay to Lender on demand any expenses incurred by Lender in connection with the preparation, execution and filing of any such documents. Said financing statements shall be filed in the real estate records of the county in which the Property is located and such other offices as Lender deems advisable under the Uniform Commercial Code. Borrower hereby authorizes Lender to file all financing statements, refilings, continuations and amendments thereof as Lender deems necessary or advisable to create, preserve and protect said lien and security interest. Borrower shall cooperate with Lender in obtaining control of deposit accounts, letter of credit rights and any other collateral for which control is necessary for perfection under the Uniform Commercial Code. This Security Instrument constitutes a security agreement for any and all items of Property which are personal property and fixtures and which, under applicable law, may be subject to a security interest pursuant to the applicable Uniform Commercial Code and which are not herein effectively made part of the Land. Borrower hereby grants Lender a security interest in said property, and in all additions, substitutions and proceeds (cash and noncash) thereof, for the purpose of securing all indebtedness and obligations of Borrower now or hereafter secured by this Security Instrument. The remedies available to Lender for violations of the covenants, terms and conditions set forth in this security agreement shall be (i) as set forth in this Security Instrument and (ii) as permitted under applicable law, including the Uniform Commercial Code. Each of these remedies shall be distinct and cumulative as to all other rights or other remedies and may be exercised concurrently, independently or successively, as Lender may elect.

This Security Instrument constitutes a financing statement filed as a fixture filing in the Official Records of the County Recorder of the county in which the Property is located with respect to any and all fixtures included within the term "Property" as used herein and with respect to any goods or other personal property that may now be or hereafter become such fixtures.

Borrower and Lender agree that neither the filing of a financing statement in the public records normally having to do with personal property nor the taking of any other action described in the above Paragraph shall be construed in any way as derogating from or impairing the express declaration and intention of the parties hereto, hereinabove stated, that everything used in connection with the production of income from the Property and/or adapted for use therein and/or which is described or reflected in this Security Instrument is, and at all times and for all purposes and in all proceedings both legal or equitable, shall be regarded, to the extent permitted by applicable law, as part of the real estate encumbered by this Security Instrument irrespective of whether (i) any such item is physically attached to the Improvements, (ii) serial numbers are used for the better identification of certain equipment or other items capable of being thus identified in a recital contained herein or in any list filed with Lender, or (iii) any such item is referred to or reflected in any such financing statement so filed at any time. Similarly, the mention in any such financing statement of (1) rights in or to the proceeds of any fire and/or hazard insurance policy, or (2) any award in eminent domain proceedings for a taking or for loss of value, or (3) Borrower's interest as lessor in any present or future lease, rental agreement, tenancy agreement or occupancy agreement or right to income growing out of the use and/or occupancy of the Property, whether pursuant to lease or otherwise, shall never be construed as in any way altering any of the rights of Lender as determined by this Security Instrument or impugning the priority of Lender's lien granted hereby or by any other recorded document, but such mention in the financing statement is declared to be for the protection of Lender in the event any court or judge shall at any time hold with respect to clauses (1), (2), and (3) of this Paragraph 3 that notice of Lender's priority of interest to be effective against a particular class of persons, including but not limited to the federal government and any subdivisions or entity of the federal government, must be filed in such public records.

Borrower represents, covenants and warrants that as of the date hereof and at all times hereafter during the term hereof as follows: Borrower's full, correct and exact legal name is set forth at the end of this Security Instrument. If Borrower is not an individual, Borrower is an organization of the type and (if not an unregistered entity) is incorporated in, organized or formed under the laws of the state specified in the introductory paragraph to this Security Instrument. If Borrower is an unregistered entity (including, without limitation, a general partnership) it is organized or formed under the laws of the state specified in the introductory paragraph of this Security Instrument. In the event of any change in name or identity of Borrower, Borrower shall notify Lender in writing of such change at least 30 days prior to the effective date of such change and hereby authorizes Lender to file such Uniform Commercial Code forms as are necessary to maintain the priority of Lender's lien upon the Property which may be deemed personal property or fixtures, including future replacement thereof, which serves as collateral under this Security Instrument, and shall pay all expenses in connection with the filing and recording of such forms. If Borrower is not an individual, Borrower's principal place of business and chief executive office, and the place where Borrower keeps its books and records, including recording data of any kind and nature including, without limitation, software, writings, plans, specifications and schematics concerning the Property, has for the preceding five (5) years (or, if less, the entire period of existence of Borrower) been and will continue to be (unless Borrower notifies Lender of any change in writing at least 30 days prior to the date of such change) the address of Borrower set forth at the end of this Security Instrument. If Borrower is an individual, Borrower's principal residence has for the preceding five (5) years been and will continue to be (unless Borrower notifies Lender of any change in writing at least 30 days prior to the date of such change) the address of Borrower as set forth at the end of this Security Instrument.

4. REPAIR AND MAINTENANCE OF PROPERTY. Borrower covenants and agrees with Lender to cause the Property to be managed in a first class manner satisfactory to Lender; to keep the Property in good condition and repair, including, without limitation, maintaining all structures on the Property free of any liquid water and/or water vapor intrusion into the structures in amounts that could support the growth of fungus and/or mold inside the structures and free of any sites of growing fungus and/or mold inside the structures; not substantially to alter, remove or demolish any buildings or other Improvements except when incident to the replacement of fixtures, machinery or appliances with items of like kind and of at least equivalent value; to restore promptly and in a good and workmanlike manner to no less than the equivalent of its condition on origination of the Loan any buildings or other Improvements which may be damaged or destroyed, including, without restricting the generality of the foregoing, damage from termites and earth movement, whether or not insurance proceeds are available to cover any part of the cost of such restoration and repair; to pay when due all claims for labor performed and materials furnished in connection with the Property and not to permit any mechanic's or materialman's lien to be filed or remain against the Property; to comply with all laws affecting the Property or the operation or leasing thereof or requiring any alterations or improvements to be made thereon, including, without limitation, the Americans with Disabilities Act of 1990; to fully remedy in a manner acceptable to Lender any notice of violation or any other notice issued by any governmental entity having jurisdiction over the Property within thirty (30) days of the date of such notice; not to commit or permit waste

thereon; not to commit, suffer or permit any act upon the Property in violation of law; to cultivate, irrigate, fertilize, fumigate and prune all landscaping on the Property; and to do all other acts that from the character or use of the Property may be reasonably necessary to keep the Property in the same or better condition (reasonable wear and tear excepted) as at the date of this Security Instrument; to perform and keep each of the covenants and agreements required to be kept and performed by Borrower pursuant to the terms of the Lease and any and all other instruments creating Borrower's interest in or defining Borrower's rights in respect to the Property. Without the prior written consent of Lender, Borrower shall not (i) initiate or acquiesce in a change in the zoning classification of and/or restrictive covenants affecting the Property or seek any variance under existing zoning ordinances, (ii) use or permit the use of the Property in a manner which may result in the use of the Property becoming a non-conforming use under applicable zoning ordinances, or (iii) subject the Property to restrictive covenants.

5. CONSTRUCTION OF IMPROVEMENTS. If all or any part of the Loan secured hereby is used for land development and improvement or construction purposes, Borrower shall comply in all respects with any agreement between Borrower and Lender relating thereto.

6. INSURANCE. At all times, Borrower is to provide, and maintain in force, and pay the cost of property, commercial general liability, and other types and forms of insurance coverage with respect to such Property or the Loan as may be required by Lender in accordance with Lender's insurance requirements as delivered to Borrower from time to time, including but not limited to the following:

PROPERTY ALL-RISK INSURANCE. Each policy of insurance shall be in an amount, for a term and in a form and content, shall insure against such risks of loss or damage as are commonly covered by all risk extended coverage policies of insurance and such other risks as Lender may from time to time designate for coverage under Borrower's policies, and shall be provided through such insurance companies, as may be satisfactory to Lender, with loss payable to Lender and shall, if required by Lender, be delivered to and remain in the possession of Lender as further security for the performance by Borrower under this Security Instrument. Such policy of insurance shall include a Lender's Loss Payable Endorsement or Mortgagee Clause in favor of and in form acceptable to Lender.

The amount of such insurance shall in no event be less than (i) the original amount of the Note and be in compliance with any co-insurance requirements of such insurance, or (ii) an amount equal to the highest insurable value of the Property, whichever is the lesser.

Borrower hereby assigns to Lender all unearned premiums on any such policy, and agrees that any and all unexpired insurance shall inure to the benefit of, and pass to, Lender upon acquisition by Lender of the Property through foreclosure proceedings or any purchaser of the Property pursuant to such foreclosure proceedings. Pursuant to its rights granted hereunder in all proceeds from any insurance policies, Lender is hereby authorized and empowered at its option to adjust or compromise any loss under any insurance policies on the Property and to collect and receive the proceeds from any such policy or policies. Each insurance company is hereby authorized and directed to make payment for all such losses directly to Lender alone and not to Borrower and Lender jointly. So long as Borrower is not in default under the Loan Documents, Borrower shall be entitled to participate in the adjustment or compromise of any insurance loss.

COMMERCIAL GENERAL LIABILITY INSURANCE AND LOSS OF INCOME INSURANCE. Borrower shall, at its sole expense, purchase and maintain commercial general liability insurance coverage for the ownership, maintenance and use of the Property. Lender may require such policies to: (a) be no less than a certain minimum amount; (b) insure against such risks of liability as are commonly covered by broad form commercial liability policies in general use for owners of properties similar to the Property and such other risks as Lender may from time to time designate for coverage under Borrower's policies; (c) be provided through such insurance companies as may be satisfactory to Lender; and (d) include Lender and its successors and assigns, as additional insured or additional loss payees.

Lender may further require that Borrower provide, and maintain in force, at Borrower's sole expense, loss of rental income insurance, loss of earnings insurance, business interruption insurance or other forms of coverage to protect the income or earnings of the Property, in form, coverage and liability amount acceptable to Lender.

OTHER INSURANCE. Borrower shall, at its sole expense, obtain and maintain such additional insurance coverages as Lender may from time to time require against other insurable hazards or risks, including but not limited to, environmental impairment liability coverage; provided that Lender may only require coverage for risks not required by Lender at origination of the Loan if such hazards or risks are commonly insured against, and provided such insurance is reasonably available, for property similarly situated, due regard being given to the height and type of any buildings, their construction, use and occupancy.

Borrower shall promptly pay all premiums when due on any such policies and renewals thereof and shall furnish Lender with written evidence of such payment. At least 30 days prior to the expiration of any such policies required by Lender, a policy form renewing or extending such expiring insurance shall be delivered to Lender if Lender requests delivery of such policies to it.

In the event Borrower fails to provide insurance complying with the provisions hereof, Lender may, but without obligation so to do, without notice to Borrower, without demand upon Borrower, without releasing Borrower

from any obligation hereof, and without curing any default of Borrower, obtain insurance, in any amounts determined by Lender, through or from any insurance agency or insurer or insurance underwriter acceptable to Lender, and pay the premium therefor, and Lender by doing so shall not be chargeable with obtaining or maintaining such insurance or for the collection of any insurance monies or for any insolvency of any insurer or insurance company.

Lender, from time to time, may furnish to any insurance agency or company, or any other person, any information contained in or extracted from any insurance policy theretofore delivered to Lender pursuant hereto and any information concerning the Loan, Borrower, or the Property.

Borrower hereby assigns to Lender all insurance proceeds from each and every kind of insurance obtained by Borrower related to the Property, including without limitation, all proceeds from insurance not specifically required by Lender at the origination of the Loan or thereafter but which may be carried by Borrower from time to time with respect to the Property or the ownership, operation or income thereof, including, without limitation, earthquake insurance. If at any time Borrower obtains insurance related to the Property or the ownership, operation or income thereof, which is not specifically required by Lender, including, without limitation, earthquake insurance, then Borrower shall nevertheless include Lender and its successors and assigns as additional insureds or additional loss payees thereto.

7. DISPOSITION OF THE PROCEEDS OF ANY INSURANCE POLICY, CONDEMNATION OR OTHER RECOVERY. The amount received by Lender pursuant to this Security Instrument under any insurance policy, or in connection with any condemnation for public use of the Property, or for injury or damage to the Property, or in connection with the transaction financed by the Loan secured hereby (collectively, the "Proceeds"), at the option and in the sole discretion of Lender, and without regard to the adequacy of Lender's security, may be (a) applied by Lender upon any indebtedness secured hereby and in such order as Lender may determine, or (b) without reducing the indebtedness secured hereby, used by Lender or, with Lender's express prior written consent, by Borrower to replace, restore, or reconstruct the Property to a condition satisfactory to Lender, or (c) released by Lender to Borrower, or (d) divided by Lender in any manner among any such application, use or release. No such application, use or release shall cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice (or alter the amount of any payment provided under the Note, this Security Instrument, or any other Loan Document or postpone or extend the due date of any payment due under the Note, this Security Instrument or any other Loan Document).

Notwithstanding the foregoing provisions of this Paragraph 7, Lender shall permit Borrower to use the Proceeds to replace, restore or reconstruct the Property (herein "Restoration") following any injury or damage to the Property or condemnation of a portion of the Property for public use on the following terms and conditions, each of which must be satisfied as determined by Lender in its reasonable judgment:

(i) the Proceeds shall first be applied to reimburse Lender for all costs and expenses incurred by Lender in recovering the Proceeds and Restoration of the Property, including without limitation, reasonable attorneys' fees, and the balance of the Proceeds (herein "Net Claims Proceeds") shall be used by Borrower only to pay the actual reasonable costs of Restoration;

(ii) the Improvements affected by such injury, damage or condemnation shall be replaced, restored or reconstructed to at least the same condition as the Improvements in existence on the Property immediately prior to the injury, damage or condemnation, in full compliance with all applicable zoning, building, health and safety, and other laws, ordinances and governmental requirements applicable to the Restoration;

(iii) the plans, specifications, cost breakdown, architect and engineering agreements, construction contracts, construction schedule, contractors, major subcontractors, and any payment and performance bonds required by Lender, shall be approved by Lender in its reasonable discretion;

(iv) if the Net Claims Proceeds are not sufficient, in the reasonable judgment of Lender, to fully pay for all costs of Restoration, Borrower shall deposit with Lender, within ten (10) days following written request, cash in such amount as Lender shall determine to be sufficient at such time for the full payment of all costs of Restoration, and Borrower shall make such additional cash deposits, within ten (10) days following written request, as Lender shall determine from time to time during the course of the Restoration are necessary to ensure that sufficient funds will be available at all times to pay for all costs of Restoration; all such sums deposited by Borrower with Lender shall be held by Lender in a non-interest bearing account at an office of Lender, and Lender shall be granted a first priority security interest therein to secure Borrower's obligation to pay for all costs of Restoration;

(v) the Net Claims Proceeds and all funds deposited by Borrower to pay for the costs of Restoration as provided in clause (iv) above shall be disbursed by Lender in progress payments (less a ten percent (10%) retention, which shall be disbursed only upon full and final completion of Restoration as determined by Lender in its reasonable judgment) in accordance with and subject to Lender's standard construction loan disbursement procedures and requirements and such additional construction-related requirements as Lender may reasonably impose in connection with the Restoration;

(vi) Lender shall receive satisfactory evidence that (a) the proceeds of existing rental insurance payable on account of the damage or destruction together with the net cash flow from the undamaged portions of the

Property will be sufficient to pay debt service on all indebtedness secured by the Property during the full period of Restoration, (b) the continued use of the Property upon completion of Restoration is economically feasible and will be in full compliance with all applicable laws and ordinances, (c) all leases of the Property which Lender may require to be and remain in place following completion of the Restoration will be in full force and effect after such completion, and (d) Restoration will be completed within a reasonable time and in any event no less than six (6) months prior to the Final Payment Date (as defined in the Note); and

(vii) no default under the Note, this Security Instrument or any other Loan Document shall have occurred and be continuing.

Borrower agrees that in no event shall Lender's consent to or approval of any Restoration be deemed to extend the due date of any payments owing under the Note or any other Loan Document, or otherwise be construed to cure or waive any default of Borrower under the Note, this Security Instrument or any other Loan Document. In the event that, prior to completion of Restoration, Borrower is in default under the Note, this Security Instrument or any other Loan Document, then without limiting any other rights and remedies of Lender, Lender shall have the right to apply any funds of Borrower held on deposit with Lender as provided in clause (iv) above against such obligations of Borrower under the Note, this Security Instrument or any other Loan Document as Lender may determine in its sole discretion.

Borrower hereby specifically, unconditionally and irrevocably waives all rights of a property owner granted under any law or statute which provides for allocation of condemnation proceeds between a property owner and a lienholder.

8. TAXES, LIENS, AND OTHER SUMS DUE. Borrower covenants and agrees with Lender to pay, satisfy and discharge: (a) at least 10 days before delinquency, all general and special city and county taxes, and all assessments on water stock, affecting the Property, (b) when due, all special assessments for public improvements on or benefiting the Property, (c) on demand of Lender but in no event later than the date such amounts and/or performance become due (1) all encumbrances, charges and liens (including, without limitation, income tax liens, or liens of a similar character, imposed or levied by the United States Government, the state in which the Property is located, any municipality or county, or an agency of any of them), with interest, on such Property, or any part thereof which are, or appear to Lender to be prior to or superior to this Security Instrument, (2) all costs, fees and expenses under this Security Instrument whether or not described herein, (3) fees or charges for any statement regarding the obligation secured hereby in any amount demanded by Lender not to exceed the maximum amount allowed by law therefor at the time when such request is made, (4) Lender's and Trustee's fees, charges and expenses for any other statement, information or services furnished by Lender or Trustee in connection with the obligations secured hereby (said services may include, but shall not be limited to, the processing by Lender or Trustee, or both, of assumptions, substitutions, modifications, extensions, renewals, subordinations, rescissions, changes of owners, recordation of maps, plats or records of survey, grants of easements, and full and partial reconveyances, and the obtaining by Lender of any policies of insurance pursuant to any of the provisions contained in this Security Instrument), (5) if such Property includes a leasehold estate, all payments and obligations (whether monetary or otherwise) required of Borrower or its successor in interest under the terms of the instrument or instruments creating such leasehold, (6) all payments and monetary obligations required of the owner of the Property under any declaration of covenants, conditions and restrictions pertaining to the Property or any modification thereof, and (7) any sums advanced or paid by Lender or Trustee under any clause or provision of this Security Instrument. Should Borrower fail to make any such payment, Lender, without contesting the validity or amount, may elect, but without obligation to do so, to make or advance such payment together with any costs, expenses, fees, or charges relating thereto, including employing counsel and paying attorneys' fees. Any such sum, until so repaid, shall be secured hereby and bear interest from the date it was advanced or paid at the **Default Rate** (as defined in the Note) and shall be secured by this Security Instrument. Borrower agrees to notify Lender immediately upon receipt by Borrower of notice of any increase in the assessed value of the Property and agrees that Lender, in the name of Borrower, may contest by appropriate proceedings such increase in assessment. Borrower will obtain the written consent of Lender prior to permitting any issuance of any improvement bond for unpaid special assessments. Borrower agrees to notify Lender and appropriate taxing authorities immediately upon the happening of any event which does or may affect the value of Property, the amount or basis of assessment of the Property, or the availability of any exemption to which Borrower is or may be entitled. If any state, federal, municipal or other governmental law, order, rule or regulation, passed subsequent to the date hereof, in any manner changes or modifies existing laws governing the taxation of deeds of trust or debts secured by deeds of trust, or the manner of collecting taxes so as to materially and adversely affect the rights of Lender, the entire balance of the indebtedness and other sums secured by this Security Instrument and all interest accrued thereon shall, without notice, become due and payable forthwith at the option of Lender.

Notwithstanding the foregoing, Borrower shall have the right to contest diligently and in good faith the validity or amount of any tax, assessment or charge affecting the Property or any part thereof, and, so long as the validity or amount thereof is being contested diligently and in good faith, Borrower may, to the extent permitted by law, defer payment of such tax, assessment or charge, provided Borrower protects the Property against any lien arising out

of any such tax, assessment or charge or out of any such contest by either (a) depositing with Lender, in a non-interest bearing account, as additional security for the Loan, an amount equal to 120% of the amount of the tax, assessment or charge being contested, or (b) a surety bond in form and substance satisfactory to Lender and issued by a corporate surety satisfactory to Lender.

Borrower will pay when due and payable, all appraisal fees, recording fees, taxes, brokerage fees and commissions, abstract fees, title policy fees, escrow fees, attorneys' fees, fees of inspecting architect(s) and engineer(s), fees of environmental engineers and consultants, and all other costs and expenses of every character which have been incurred or which may hereafter be incurred by Lender in connection with the issuance of its commitment for the Loan, the preparation and execution of Loan Documents, the funding of the Loan, and the administration and enforcement of this Security Instrument, the Note and the other Loan Documents. During the term of the Loan, Borrower will, upon demand by Lender, reimburse Lender for all such expenses, together with accrued interest at the Default Rate, which have been incurred or which shall be incurred by Lender, and Borrower will defend, indemnify and hold harmless Lender and Trustee from and against, and reimburse them for, all claims, demands, liabilities, losses, damages, judgments, penalties, costs, and expenses (including, without limitation, attorneys' fees) which may be imposed upon, asserted against, or incurred or paid by Lender or Trustee by reason of, on account of or in connection with any bodily injury or death or property damage occurring in or upon or in the vicinity of the Property through any cause whatsoever or asserted against them on account of any act performed or omitted to be performed hereunder or on account of any transaction arising out of or in any way connected with the Property, or with this Security Instrument or any of the indebtedness evidenced by the Note.

9. CLAIMS, DEMANDS AND ACTIONS. Borrower covenants and agrees with Lender: (a) To give Lender immediate notice of any claim, demand, action or proceeding purporting to affect the Property (including, without limitation, loan funds, whether or not disbursed) or purporting to affect the security hereof (whether or not it affects the security hereof) or the condition and integrity of the Improvements constructed thereon or purporting to affect the rights or powers of Lender or Trustee or which are Commercial Tort Claims (as defined in the Uniform Commercial Code) arising in favor of Borrower, (b) to defend any such action or proceeding; and (c) to file and prosecute all necessary claims and actions to prevent or recover for any damage to or destruction of the Property, and enforce against others each and every obligation to be performed by them under any declaration of covenants, conditions, and restrictions pertaining to the Property. Both Trustee and/or Lender are hereby authorized, without obligation so to do, to commence, appear in, and defend any action or proceeding, whether or not brought by or against Borrower to exercise or enforce any other right, remedy, or power available or conferred hereunder, whether or not judgment be entered in any action or proceeding. Trustee and/or Lender may appear or intervene in any action or proceeding, and retain counsel therein, and take such action therein as either may deem advisable, and may settle, compromise or pay the same or any other claims and, for any of said purposes, may expend and advance such sums of money as either may deem necessary. Borrower covenants that, in addition to the present assignment of actions, claims, damages and awards set forth herein, Borrower will execute and deliver to Lender such assignments of actions, claims, damages, and awards as Lender may, from time to time, request, including but not limited to, assignments to Lender in such form as Lender may require of all such claims, demands and actions which are Commercial Tort Claims (as defined in the Uniform Commercial Code). Borrower hereby authorizes Lender to file all financing statements, refilings, continuations and amendments thereof as Lender deems necessary or advisable under the Uniform Commercial Code in connection with such assignments. Whether or not Borrower so appears or defends, Borrower shall pay on demand all costs and expenses of Lender and Trustee, including without limitation, costs of evidence of title and attorneys' fees in a reasonable sum, in any such action or proceeding in which Lender or Trustee may appear by virtue of being made a party defendant or otherwise and irrespective of whether the interest of Lender or Trustee in the Property is directly questioned by such action including, but not limited to, any action for the condemnation or partition of the Property and any suit brought by Lender to foreclose this Security Instrument. Lender may apply, use or release such monies so received by it in the same manner as in Paragraph 7 provided for the proceeds of insurance.

10. LEASEHOLD ESTATE. If the Property is a leasehold estate: (a) Borrower will: (i) pay the rent reserved by the Lease and all other monetary obligations thereunder as the same become due and payable; (ii) promptly perform and observe all of the covenants, agreements, obligations and conditions required to be performed and observed by the Tenant under the Lease, and do all things necessary to preserve and keep unimpaired its rights thereunder; (iii) promptly notify Lender in writing of the commencement of a proceeding under the federal bankruptcy laws by or against Borrower or Landlord under the Lease; (iv) if any of the indebtedness secured hereby remains unpaid at the time when notice may be given by the Tenant under the Lease of the exercise of any right to renew or extend the term of the Lease, promptly give notice to the Landlord of the exercise of such right of extension or renewal; (v) in case any proceeds of insurance upon the Property or any part thereof are deposited with any person other than Lender pursuant to the requirements of the Lease, promptly notify Lender in writing of the name and address of the person with whom such proceeds have been deposited and the amount so deposited; and (vi) promptly notify Lender in writing of any request made by either party to the Lease to the other party thereto for arbitration or

appraisal proceedings pursuant to the Lease, and of the institution of any arbitration or appraisal proceedings and promptly deliver to Lender a copy of the determination of the arbitrators or appraisers in each such proceeding; and (b) Borrower will not surrender the Lease or Borrower's leasehold estate and interest therein, nor terminate or cancel the Lease; and will not, without prior written consent of Lender, modify, change, supplement alter or amend the Lease, either orally or in writing and as further security for the repayment of the indebtedness secured hereby and for the performance of the covenants, agreements, obligations and conditions herein and in the Lease contained, Borrower hereby assigns to Lender all of its rights, privileges and prerogatives as Tenant under the Lease to terminate, cancel, modify, change, supplement, alter or amend the Lease and any such termination, cancellation, modification, change, supplement, alteration or amendment of the Lease, without the prior written consent thereto by Lender shall be void and of no force and effect. Without limiting the generality of the foregoing, Borrower will not reject the Lease pursuant to 11 U.S.C. Section 365(a) or any successor law, or allow the Lease to be deemed rejected by inaction and lapse of time, and will not elect to treat the Lease as terminated by the Landlord's rejection of the Lease pursuant to 11 U.S.C. Section 365(h)(1) or any successor law, and as further security for the repayment of the indebtedness secured hereby and for the performance of the covenants, agreements, obligations and conditions herein and in the Lease contained, Borrower hereby assigns to Lender all rights, privileges and prerogatives of Borrower, Borrower's bankruptcy trustee, and Borrower in the capacity of a debtor-in-possession, to deal with the Lease, or otherwise exercise any rights or remedies with respect thereto, which right may arise as a result of the commencement of a proceeding under the federal bankruptcy laws by or against Borrower or Landlord under the Lease, including, without limitation, the right to assume or reject, or to compel the assumption or rejection of the Lease pursuant to 11 U.S.C. Section 365(a) or any successor law, the right to seek and obtain extensions of time to assume or reject the Lease, the right to elect whether to treat the Lease as terminated by the Landlord's rejection of the Lease or to remain in possession of the Property and offset damages pursuant to 11 U.S.C. Section 365(h)(1) or any successor law; and any exercise of such rights, privileges or prerogatives by Borrower, Borrower's bankruptcy trustee, or Borrower in the capacity of a debtor-in-possession, without the prior written consent thereto by Lender shall be void and of no force and effect. As further security for Lender, Borrower hereby agrees to deposit with Lender a duplicate original of the Lease and all supplements thereto and amendments thereof, to be retained by Lender until the indebtedness secured hereby is fully paid. So long as there is no breach of or default under any of the covenants, agreements, obligations and conditions herein contained to be performed by Borrower, or in the performance by Borrower of any of the covenants, agreements, obligations and conditions in the Lease to be performed by the Tenant thereunder, Lender shall have no right to terminate, cancel, modify, change, supplement, alter or amend the Lease. No release or forbearance of any of Borrower's obligations as Tenant under the Lease, whether pursuant to the Lease or otherwise, shall release Borrower from any of its obligations under this Security Instrument, including, but not limited to, Borrower's obligations with respect to the payment of rent as provided for in the Lease and the observance and performance of all of the covenants, agreements, obligations and conditions contained in the Lease to be observed and performed by the Tenant thereunder. Unless Lender shall otherwise expressly consent in writing, the fee title to the Property demised by the Lease and the leasehold estate thereunder shall not merge, but shall always remain separate and distinct, notwithstanding the union of such estates either in Borrower or in a third party by purchase or otherwise.

11. ACCUMULATION ACCOUNT. Borrower covenants and agrees with Lender, upon demand by Lender, to pay to Lender in addition to and concurrently with any other payments required in any note secured by this Security Instrument, monthly advance installments, as estimated by Lender from time to time for the purpose of establishing an account (the "**Accumulation Account**") for payment of any or all taxes, assessments, special assessments, fire, casualty, liability, loss of rental income, and other insurance premiums, encumbrances and leasehold payments, security deposits, or other obligations secured by this Security Instrument or required to be paid with respect to the Property (hereafter in this Paragraph referred to as "**Impositions**"). Borrower shall deliver promptly to Lender all bills and notices of such Impositions. If the amounts paid to Lender under the provisions of this Paragraph are not sufficient to pay such Impositions as they become due, Borrower shall pay to Lender promptly upon demand the amount of the deficiency. All monies paid to Lender under this Paragraph shall not be held in trust and may be intermingled with other monies of Lender and such amounts held by Lender shall earn only such interest as prescribed by law, if any. Lender may pay such Impositions before or after they become due and payable, but before delinquency. In the event of a default in the payment of any note secured by this Security Instrument, default of any obligation secured hereby, or default in the performance of any of the covenants and obligations of this Security Instrument, then any balance remaining from monies paid Lender under the provisions of this Paragraph may, at the option of Lender, be applied to the payment of principal, interest or obligations secured hereby in lieu of being applied to any of the purposes for which the Accumulation Account is established. At all times, any negative balance in the Accumulation Account shall constitute a secured advance made by Lender to protect its security under this Security Instrument and shall accrue interest at the Default Rate defined in the Note. Lender will make such reports of the Accumulation Account as are required by law.

12. SALES, TRANSFERS, FURTHER ENCUMBRANCES AND OTHER EVENTS. Lender shall have the right, at its option, to declare all sums secured hereby immediately due and payable, if (a) Borrower or any successor

in interest to Borrower conveys, transfers or assigns the Property or any part thereof, or interest therein, or agrees to do so, whether by deed, contract of sale, lease with option to buy, or otherwise and whether such conveyance, transfer or assignment is to an unrelated third party or a related entity, including without limitation an entity that shares a common ownership with Borrower or an entity that is a subsidiary of Borrower; or (b) Borrower or any successor in interest to Borrower further encumbers or alienates the Property or any part thereof, or interest therein; or (c) in the event that the Property is not rental property, Borrower or any successor in interest to Borrower leases the Property or any part thereof without the prior written consent of Lender; or (d) in the event that the Property is rental property, Borrower or any successor in interest to Borrower enters into any lease, rental agreements, tenancy agreement, or occupancy agreement in violation of any of the terms or conditions under this Security Instrument or any other Loan Document; or (e) suffers its title or any interest therein to be divested, whether voluntarily or involuntarily; or (f) without the written consent of Lender, Borrower or any successor in interest to Borrower changes or permits to be changed the character or use of the Property from the character or use contemplated by Borrower and Lender upon execution of this Security Instrument, as specified in Borrower's application to Lender and other documents executed by Borrower in connection with the Loan, including, without limitation, drilling or extracting oil, gas, or other hydrocarbon substances, or any mineral of any kind or character; or (g) suit be commenced to condemn the Property as being unfit for human use and occupancy or to abate as a nuisance activities or conditions found thereon (and Lender reasonably believes that its security under this Security Instrument may be impaired by such suit or the activities or conditions which are the subject of such suit) or for the partition or sale of the Property; or (h) in the event that Borrower is a general partnership or limited liability company, any of the partners' or members' interests in Borrower or any portion thereof are sold, transferred or assigned, whether voluntarily or involuntarily, other than to such partners' or members' respective family revocable trusts; or (i) in the event that Borrower is a limited partnership, any limited partnership interests or any portion thereof consisting of more than twenty percent (20%) ownership interest in Borrower are sold, transferred or assigned, whether voluntarily or involuntarily, other than to such partners' respective family revocable trusts, or any of the general partners' general partnership interests or the general partners' limited partnership interests in Borrower or any portion thereof are sold, transferred or assigned, whether voluntarily or involuntarily, other than to such general partners' respective family revocable trusts or (j) in the event that Borrower is a corporation, more than twenty percent (20%) of the capital stock thereof is sold, transferred or assigned, whether voluntarily or involuntarily, other than to the shareholders' respective family revocable trusts; or (k) Borrower or any successor in interest to Borrower has made any oral or written material misrepresentations or failed to disclose any material fact, in order to induce Lender to enter into the transaction evidenced by the Note or any agreements which this Security Instrument secures; or (l) Borrower or any successor in interest to Borrower has disbursed funds collected from Rents and Profits to itself or its equity owners for personal use without first reserving sufficient funds to be used for the protection or preservation of the Property, for maintaining the Property in good condition, and for making such capital improvements and replacements to the Property as are reasonably foreseeable to be required within a period of twelve (12) months following the date of such distribution of funds. If any of the events described in this Paragraph 12 occur and if Lender consents to the same, then such consent must be in writing and signed by Lender to be effective. Such written consent shall not be deemed or construed as a waiver of any of Lender's rights or as a cure of any default by Borrower pertaining to any subsequent occurrences of any event described in this Paragraph 12 and the written consent of Lender shall be required on all subsequent occurrences. Furthermore, if any event described in this Paragraph 12 occurs and if Lender does not give its written consent to same but fails to exercise its right to declare all sums secured hereby due and payable, such failure shall not be deemed or construed as a waiver of any of Lender's rights or as a cure of any default of Borrower pertaining to the occurrence of such event or any subsequent occurrences of any event described in this Paragraph 12. The right of Lender to declare all sums secured hereby immediately due and payable if any of the events described in this Paragraph 12 occur shall not be construed or deemed to be exclusive of any other rights of Lender set forth in this Security Instrument or the Loan Documents, or any rights at law or in equity now or hereafter existing, to declare all sums secured hereby immediately due and payable, but all such rights shall be cumulative.

13. PREPAYMENT FEE. Should the Note or any other obligation secured hereby provide any fee for prepayment of any of the indebtedness secured hereby, whether such prepayment is made prior to or following the occurrence of any default of Borrower or the institution of any foreclosure proceedings by Lender, Borrower covenants and agrees with Lender to promptly pay said fee notwithstanding Borrower shall have defaulted in any obligation secured hereby and Lender, by reason thereof, shall have declared all sums secured hereby immediately due and payable.

14. WAIVERS AND CONSENTS PERTAINING TO NOTE. Borrower waives presentment, demand, protest and notice of nonpayment of the Note, and consents to delays, changes in time of payment, and the amount of installments due under the Note, and, to the extent provided in the Note, to the reduction or increase of the interest rate thereof.

15. WAIVER OF STATUTE OF LIMITATIONS. Time is of the essence in all Borrower's obligations hereunder, and to the fullest extent permitted by law, Borrower waives the right to assert any present or future statute of limitation with respect to any debt, demand or obligation secured hereunder in any action or proceeding for the

and remedies set forth in the previous sentence, shall be cumulative, and the exercise of any one or more of them shall not constitute an election of remedies: (a) Lender may apply to any court of competent jurisdiction for, and obtain appointment of, a receiver for the Property; (b) Lender may exercise any or all of the remedies granted to a secured party under the Uniform Commercial Code; (c) Lender may choose, in its sole and absolute discretion, to dispose of some or all of the Property, in any combination consisting of both real and personal property, together in one sale to be held in accordance with the law and procedures applicable to real property, as permitted by Section 9604 of the Uniform Commercial Code as enacted in the State of Nevada, NRS Section 104.9604, and Borrower agrees that such a sale of personal property together with real property constitutes a commercially reasonable sale of the personal property; and/or (d) Lender may exercise any other right or remedy which is set forth in this Security Instrument or any other Loan Document or which is otherwise available at law or in equity. Upon default by Borrower, Lender may, by delivery to Trustee of written notice of declaration of default and demand for sale, cause to be filed of record a written notice of default and election to sell the Property. If required by Trustee, Lender shall also deposit with Trustee the Security Instrument and Note or other Loan Documents or other agreements and such documents as required by Trustee evidencing expenditures or advances secured hereby. Trustee, upon presentation to it of an affidavit signed by Lender setting forth facts showing a default by Borrower under any Paragraph or provision contained in this Security Instrument, is authorized to accept as true and conclusive the facts and statements therein and to act thereon hereunder without any independent investigation or further inquiry by Trustee. Borrower hereby agrees to be bound thereby. After the lapse of such time as there may be required by law following recordation of such notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Borrower, shall sell the Property either as a whole or in separate parcels, and in such order as it or Lender may determine, at public auction to the highest bidder for cash in lawful money of the United States. Lender may, in its sole discretion, elect that the Property be sold in separate parcels through two or more successive sales. If Lender elects more than one sale of separate parcels of the Property, Lender may, at its option, cause the same to be conducted simultaneously or successively, on the same day or at such different days or times and in such order as Lender may deem to be in its best interests, and no such sale shall terminate or otherwise effect the first lien of the Security Instrument or Trustee's power of sale hereunder until all indebtedness secured hereby has been fully paid. If Lender elects to dispose of the Property through more than one sale, Borrower shall pay the costs and expenses of each such sale and of any proceedings where the same may be made or conducted. Trustee may postpone and change the time and place of sale of all or any portion of the Property by public announcement at any time and place fixed by it in said notice of sale and from time to time and place to place thereafter, without any further posting or notice thereof, may postpone such sale in public announcement to the time and place fixed by such postponement, whether or not said place fixed by any postponement be in the same city or other place as fixed in said notice of sale. Trustee shall deliver to such purchaser its deed conveying the Property so sold, but without any covenants or warranty, express or implied. The recital in such deed of any matters of fact or otherwise shall be conclusive proof of truthfulness thereof. Any person, including Borrower, Trustee or Lender may purchase at such sale. After deducting all costs, fees and expenses of Trustee and of this trust, including cost of evidence of title in connection with such sale, Trustee first shall apply the proceeds of sale to payments of all sums expended under the terms hereof not then repaid, with accrued interest at the rate then payable under the Note or other obligations secured hereby, then to payment of all other sums secured hereby in such order as Lender may direct, provided that, unless Lender expressly directs Trustee otherwise in writing, no proceeds of sale shall be applied to payment of any obligations of Borrower owing to Lender pursuant to Paragraphs 33 through 37 of this Security Instrument unless and until all other sums secured by this Security Instrument shall have been paid in full, and if thereafter there be any proceeds remaining, distribute them to the person or persons legally entitled thereto. Borrower and all persons dealing with the Property through or under Borrower and their successors and assigns, including, without limitation all subsequent purchasers of all or any portion of the Property and all persons holding or obtaining an interest in the Property which is junior and subordinate to this Security Instrument, by taking and accepting their respective conveyances, encumbrances, security interests, deeds of trust, or liens do hereby acknowledge, covenant and agree with Lender that (i) in the event of any default in the repayment of the indebtedness secured hereby, or in the event of any default under the terms of this Security Instrument, or under any other deed of trust or security agreement securing the same indebtedness as is secured by this Security Instrument, whether directly or by virtue of a cross-collateralization agreement or under any other Loan Document, Lender may proceed to seek foreclosure or any other relief available at law or in equity in any order which Lender may determine, in Lender's sole discretion, and Lender may proceed against any property or collateral securing said indebtedness in any order which Lender elects without regard to any matters which could or might be raised by any subsequent purchaser or by any junior lienor or encumbrancer under those certain equitable doctrines known as the doctrine of "marshalling of assets" and the doctrine of "inverse order of alienation", (ii) they will not assert, and they do hereby waive any right to assert, the doctrine of marshalling of assets or any similar equitable doctrines, and (iii) they will not assert, and they do hereby waive any right to assert, the doctrine of inverse order of alienation or any similar equitable doctrines.

21. NO WAIVER OR MODIFICATION UNLESS IN WRITING. No modification or waiver by Lender of any right under this Security Instrument shall be effective unless in writing. Waiver by Lender of any right granted to Lender

under this Security Instrument or under any provision of this Security Instrument as to any transaction or occurrence shall not be deemed a waiver as to any future transaction or occurrence. By accepting payment of any sum secured hereby after its due date, or by making any payment or performing any act on behalf of Borrower that Borrower was obligated hereunder but failed to make or perform, or by adding any payment so made by Lender to the indebtedness secured hereby, or by exercising Lender's rights to receive and collect the rents, issues, profits, security deposits, royalties, tolls, earnings, income and other benefits therefrom, Lender does not waive its right to require prompt payment when due of all sums so secured or to require prompt performance of all acts required hereunder, or to declare a default for failure so to pay or perform.

22. REMEDIES. No remedy herein provided shall be exclusive of any other remedy herein, or now or hereafter existing by law or in equity, but shall be cumulative. Every power or remedy hereby given to Trustee or to Lender or to which either of them may be otherwise entitled, may be exercised from time to time and as often as may be deemed expedient by them, and either of them may pursue separate remedies. If Lender holds any additional security for any obligation secured hereby, it may enforce the sale thereof at its option, either before, contemporaneously with, or after the sale is made hereunder, and on any default of Borrower, Lender may, at its option, offset against any indebtedness owing by it to Borrower, the whole or any part of the indebtedness secured hereby, and Lender is hereby authorized and empowered, at its option, without any obligation so to do, and without affecting the obligations hereof, to apply toward the payment of any indebtedness secured hereby and of Borrower to Lender, any and all sums of money which Lender may have in its possession or under its control, including, without limiting the generality of the foregoing, the indebtedness evidenced by an investment certificate or any escrow or trust funds. In order to assure the definiteness and certainty of the rights and obligations herein provided, Borrower waives any and all rights of offset of claims and no offset shall relieve Borrower from paying installments on the obligations secured hereby as they become due.

23. GENERAL PROVISIONS. (a) As and when used herein, the term "**Borrower**" shall mean and include Borrower above-named and its successors and permitted assigns and the term "**Lender**" shall mean and include Lender hereinabove named and its successors and assigns; (b) wherever the context so requires, the masculine gender includes the feminine and neuter, the singular number includes the plural and vice-versa; (c) captions and Paragraph headings used herein are for convenience only, are not a part of this Security Instrument, and shall not be used in construing it; (d) Lender shall have the right at any time and from time to time to provide any information it has in its possession relating to Borrower, or any guarantor of the Loan, or any other person or entity now or hereafter liable with respect to the Loan, or the Property to any party interested in acquiring all or any part of the Loan or any interest therein; (e) in exercising any right or remedy or taking any action provided herein, Lender may act through its employees, agents, counsel, or independent contractors, as authorized by Lender; (f) as and when used herein, the word "**including**" shall be deemed to mean "**including without limitation**"; and (g) if more than one person is named as Borrower, each obligation of Borrower hereunder shall be the joint and several obligation of each such person. Without limiting the foregoing, in the event that Borrower is a partnership, each general partner thereof shall be deemed to have agreed, by its execution of this Security Instrument, that such partner is jointly and severally liable with Borrower for the performance of each and every obligation of Borrower under this Security Instrument and the other Loan Documents and that Lender shall not be required to exhaust the assets of Borrower in enforcing any monetary obligation of Borrower to Lender prior to proceeding against the assets of such general partner. The foregoing agreement shall constitute a separate obligation of each general partner.

24. FURTHER ASSURANCES. At any time and from time to time, upon Lender's request, Borrower shall make, execute and deliver, or cause to be made, executed and delivered, to Lender and where appropriate shall cause to be recorded or filed, and from time to time thereafter to be re-recorded and refiled at such time and in such offices and places as shall be deemed desirable by Lender, any and all such further deeds of trust, instruments of further assurance, certificates, agreements and other documents as Lender may consider necessary or desirable in order to effectuate, complete or perfect, or to continue and preserve the obligations of Borrower under the Note, this Security Instrument or any other Loan Document and the lien of this Security Instrument or any other lien upon or security interest in all of the Property or any other property securing the indebtedness evidenced by the Note, whether now owned or hereafter acquired by Borrower and unto all and every person or persons deriving any estate, right, title or interest under this Security Instrument or the power of sale herein contained. Upon any failure by Borrower to do so, Borrower hereby authorizes Lender to make, execute, record, file, re-record or refile any and all such deeds of trust, instruments, certificates and documents for and in the name of Borrower, and Borrower hereby irrevocably appoints Lender the agent and attorney-in-fact of Borrower to do so.

25. GOVERNING LAW; SEVERABILITY. This Security Instrument shall be governed by and construed and enforced in accordance with the laws of the United States of America and any rules, regulations or orders issued or promulgated hereunder applicable to the affairs of, or transactions entered into, by Lender as a federal savings bank; and this Security Instrument shall, to the extent not covered thereby, otherwise be governed by, and construed and enforced in accordance with, the laws of the state where the Property is located without giving effect to any choice of law rule that would cause the application of the laws of any jurisdiction other than such state. In the event that any

provision or clause of this Security Instrument, the Note or any other Loan Document is construed by a court of competent jurisdiction to be void, invalid or unenforceable, such construction shall not affect other provisions of this Security Instrument or the Note or the other Loan Documents which can be given effect without the void, invalid or unenforceable provision, and to this end the provisions of this Security Instrument, the Note and all other Loan Documents are declared to be severable.

26. NOTICES. Except for any notice required by applicable law to be given in another manner, all notices provided pursuant to the Note, this Security Instrument or any other Loan Document shall be in writing and shall be deemed to have been duly given if sent by United States certified mail, with return receipt requested, postage prepaid, or by United States Express Mail or other comparable overnight courier service to the parties at the address set forth herein or such other address as the recipient party may have designated by notice given in the manner specified above. Each such notice shall be deemed received upon the earlier of (i) when given or received in the manner prescribed by applicable law, (ii) when received in person by the recipient party or (iii) two calendar days following the mailing of such notice, certified mail, postage prepaid, return receipt requested to the address set forth herein.

27. LOST INSTRUMENTS. In the event that following execution, the Note, Security Instrument, or any other Loan Document should be lost, destroyed or mutilated, Borrower agrees to execute another original of such Note, Security Instrument or Loan Document.

28. TRUSTEE. Trustee accepts appointment hereunder when this Security Instrument, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other deed of trust or of any action or proceeding in which Borrower, Lender or Trustee shall be a party.

29. POWER OF TRUSTEE TO RECONVEY OR CONSENT. Without affecting the liability of any person, including Borrower, for the payment of any indebtedness secured hereby, including such indebtedness as may be due at the time of or after full reconveyance, or the lien of this Security Instrument upon any remainder of the Property for the full amount of any indebtedness then or thereafter secured hereby, or the rights or powers of Lender or Trustee with respect to the remainder of the Property (other than any person or property specifically released by Lender), Lender or Trustee (if so requested by Lender, from time to time, without liability therefor, and without notice to Borrower, upon written request of Lender and presentation of this Security Instrument and the Note or other agreement secured hereby, together with payment for any fees of Trustee therefor), may do any one or more of the following: (1) release any indebtedness; (2) extend the time or otherwise alter the terms of payment of such indebtedness; (3) accept additional security; (4) substitute or release any property securing such indebtedness; (5) reconvey all or any part of such property; (6) consent to the making of any map or plat thereof; (7) join in granting any easement thereon; or (8) join in any extension agreement or any agreement subordinating or otherwise affecting the lien or charge hereof. Any reconveyance by Trustee shall be made without warranty. The recitals in any reconveyance of any matters of fact shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyances may be described as "the person or persons legally entitled thereto". A full reconveyance of this Security Instrument shall operate as a re-assignment of the leases and the Rents and Profits assigned herein to Lender.

30. SUBSTITUTION OF TRUSTEE. Lender may, from time to time, by an instrument in writing, substitute a successor or successors to any trustee named herein or acting hereunder, which instrument, executed and acknowledged by Lender and recorded in the office of the recorder of the county or counties where the Property is situated, shall be conclusive proof of proper substitution of such successor trustee or trustees, who shall, without conveyances from the trustee predecessor, succeed in all its title, estate, rights, powers and duties. Such instrument shall contain the name and address of the new trustee. The procedure herein provided for substitution of trustees shall not be exclusive of other provisions for substitution provided by law.

31. STATEMENT OF OBLIGATION. Lender may charge a fee equal to sixty dollars (\$60.00) or such greater amount as maybe authorized under NRS Section 107.310 for furnishing each statement pursuant to NRS Sections 107.200 or 107.210.

32. RECONVEYANCE. Upon payment of all sums secured by this Security Instrument, including, but not limited to any prepayment premiums or fees due and payable under the Note, Lender shall request Trustee to reconvey the Property and shall surrender this Security Instrument and all notes evidencing indebtedness secured by this Security Instrument to Trustee. Trustee shall reconvey the Property without warranty to the person or persons legally entitled thereto. Such person or persons shall pay Trustee's reasonable costs incurred in so reconveying the Property.

34. ENVIRONMENTAL REPRESENTATIONS, WARRANTIES AND COVENANTS. Borrower (also referred to herein as **"Indemnitor"**) represents, covenants and warrants that as of the date hereof and at all times hereafter during the term hereof:

COMPLIANCE. The Property (including underlying groundwater and areas leased to tenants, if any), and the use and operation thereof, from and after the date of this Security Instrument will be in compliance with all applicable laws, ordinances, requirements and regulations (including consent decrees and administrative orders) relating to public health and safety and protection of the environment, including those statutes, laws, regulations, and ordinances identified in Paragraph 33 above, all as amended and modified from time to time (collectively, **"Environmental Laws"**). All Hazardous Materials generated or handled on the Property from and after the date of this Security Instrument will be stored and disposed of in a lawful manner. The Indemnitor will satisfy all requirements of applicable Environmental Laws for the maintenance and removal of all underground storage tanks on the Property, if any. Without limiting the foregoing, all Hazardous Material shall be handled in compliance with all applicable Environmental Laws.

ABSENCE OF HAZARDOUS MATERIALS. No generation, manufacture, storage, use, handling, treatment, transportation or disposal of Hazardous Material has occurred as a result of the presence or disposal of Hazardous Materials or is occurring on or from the Property. No Hazardous Material shall be introduced to or handled on the Property without thirty (30) days' prior written notice to and approval by Lender. No environmental or public health or safety hazards currently exist as a result of the presence or disposal of Hazardous Materials with respect to the Property or the business or operations conducted thereon. No underground storage tanks (including petroleum storage tanks) have ever been or are present on or under the Property.

ABSENCE OF WATER INTRUSION. PROCEEDINGS AND ACTIONS. There have been no past, and there are no pending or threatened: (i) actions or proceedings by any governmental agency or any other entity regarding public health risks or the environmental condition of the Property, or the disposal or presence of Hazardous Materials, or regarding any Environmental Laws; or (ii) liens or governmental actions, notices of violations, notice of noncompliance or other proceedings of any kind relating to Hazardous Materials or Environmental Laws that could impair the value of the Property, or the priority of Lender's mortgage lien. The Indemnitor shall immediately notify Lender and provide copies upon receipt of all written complaints, claims, citations, demands, inquiries, reports or notices relating to the condition of the Property or compliance with Environmental Laws. The Indemnitor shall promptly cure and have dismissed with prejudice any such actions and proceedings to the satisfaction of Lender. The Indemnitor shall keep the Property free of any lien imposed pursuant to any Environmental Laws.

ENVIRONMENTAL AUDIT. The Indemnitor shall provide such information and certifications, which Lender may reasonably request from time to time to ensure the Indemnitor's compliance with Borrower's obligations under all provisions of Paragraphs 33 through 36 of this Security Instrument. To investigate the Indemnitor's compliance with Environmental Laws and with this Security Instrument, Lender shall have the right, but no obligation, at any time and from time to time to enter upon the Property, take samples, review books and records of the Indemnitor, interview the employees and officers of the Indemnitor, and conduct similar activities. The Indemnitor shall cooperate in the conduct of such an audit.

No inspection or failure to inspect the Property by Lender shall impose any liability upon Lender for the discovery, failure to discover, evaluation, or remediation of any Hazardous Material that may exist on or affecting the Property. Lender shall not be liable or responsible for any loss, damage, injury or liability to the Property or to any persons or property thereon arising from any entry or inspection by Lender pursuant to this Paragraph 34, except only for any loss, damage, injury or liability which is caused solely by the gross negligence of Lender (which for purposes of

this Security Instrument shall mean an action taken by Lender with reckless disregard of the consequences thereof), provided that in no event shall Lender be liable under any circumstances for any consequential damages suffered by Borrower or any other person or entity.

Lender is entitled to rely upon the Indemnitee's representations and warranties contained herein despite any independent investigations by Lender or its consultants. The Indemnitee shall take reasonable actions to determine for itself, and to remain aware of, the environmental condition of the Property and shall have no right to rely upon any environmental investigations or findings made by Lender or its consultants.

35. REMEDIAL WORK. As soon as possible, but no later than sixty (60) days after receipt by Indemnitee of any Claim, Indemnitee shall perform or cause others qualified to do so to commence and/or perform any and all necessary Remedial Work in response to any Claim. Subject to the terms of any leases and applicable laws, in response to Indemnitee's knowledge of the presence of any Hazardous Material on or under the Property or real property immediately adjacent to the Property, Indemnitee shall immediately perform or cause tenants to immediately perform all Remedial Work. All Remedial Work shall be performed by contractors approved by Lender and in accordance with all applicable Environmental Laws and any other applicable laws, rules, regulations, or orders. All costs and expenses of any Remedial Work shall be paid by Indemnitee, it being understood that Lender shall incur no cost, expense or liability in connection with any Remedial Work. Lender shall have the right, but no obligation, to join and participate in, as a party if it so elects at Lender's cost, any legal proceedings or actions initiated in connection with any Hazardous Material Claims, provided, however, Indemnitee shall reimburse Lender for its attorneys' fees and costs incurred if such participation is deemed reasonably necessary by Lender to protect its security interest in the Property.

36. ENVIRONMENTAL INDEMNIFICATION. The term "Lender's Environmental Liability" shall mean any losses, liabilities, obligations, penalties, claims, litigation demands, defenses, costs, judgments, suits, proceedings, damages (including consequential damages), disbursements or expenses of any kind or nature whatsoever (including reasonable attorneys' fees at trial and appellate levels and experts' fees and disbursements and expenses incurred in investigating, defending against or prosecuting any litigation, claim or proceeding) which may at any time be imposed upon, incurred by or asserted or awarded against Lender in connection with or arising from: (a) any Hazardous Material, on, in, under or affecting all or any portion of the Property, the groundwater, or any surrounding areas; (b) any misrepresentation, inaccuracy or breach of any warranty, covenant or agreement contained or referred to herein; (c) any violation or claim of violation relating to or affecting the Property by the Indemnitee or any third party of any Environmental Laws; (d) the imposition of any lien for damages caused by or the recovery of any costs for the cleanup, release or threatened release of Hazardous Material; (e) any claim by the Indemnitee against Lender under CERCLA or any state equivalent, or any similar law now existing or hereafter enacted; or (f) any actions taken by Lender (i) to enter and inspect the property pursuant to NRS Section 40.507, (ii) to appoint a receiver pursuant to NRS Section 32.015, (iii) pursuant to NRS Section 40.508, or (iv) pursuant to NRS Section 40.512.

INDEMNIFY AND DEFEND. The Indemnitee agrees to indemnify, defend (at trial and appellate levels and with counsel acceptable to Lender and at the Indemnitee's sole cost) and hold Lender free and harmless from and against Lender's Environmental Liability. The indemnification provided for in this paragraph shall specifically apply to and include any Lender's Environmental Liability in connection with the exercise of Lender's rights (a) to enter and inspect the Property pursuant to NRS Section 40.507 including, without limitation, the cost of repair of any physical injury to the Property caused by such entry and inspection, (b) to appoint a receiver pursuant to NRS Section 32.015, (c) pursuant to NRS Section 40.512 including, without limitation, costs to determine the estimated costs to clean up and remedy a past, present, or threatened release of any hazardous substance, and (d) to commence an action pursuant to NRS Section 40.508.

It is expressly understood and agreed that to the extent that Lender is strictly liable under any Environmental Laws, the Indemnitee's obligation to Lender under this indemnity shall likewise be without regard to fault on the part of the Indemnitee with respect to the violation or condition which results in liability to Lender.

SECURED OBLIGATIONS; SURVIVAL. Indemnitee's obligations hereunder shall be secured by this Security Instrument for so long as this Security Instrument shall remain a lien upon the Property, provided, however, that any termination of the lien of this Security Instrument shall not terminate or otherwise affect Indemnitee's obligations hereunder and Indemnitee's obligations hereunder shall survive (i) any foreclosure, deed in lieu of foreclosure or reconveyance of this Security Instrument, (ii) any sale or other transfer of the Property by either Indemnitee or Lender, and (iii) repayment of the Loan. The rights of Lender under the environmental provisions in this Security Instrument shall be in addition to any other rights and remedies of Lender against Indemnitee under any other document or instrument now or hereafter executed by Indemnitee, or at law or in equity (including, without limitation, any right of reimbursement or contribution pursuant to CERCLA), and shall not in any way be deemed a waiver of any of such rights. The obligations of Indemnitee hereunder shall be personal to each Indemnitee and their respective representatives, administrators, executors, successors and assigns, and shall not run, and shall not be deemed to run, with the land.

37. ENVIRONMENTAL DEFAULT AND REMEDIES. In the event that any portion of the Property is determined to be "environmentally impaired" (as "environmentally impaired" is defined in NRS Section 40.503,

then, without otherwise limiting or in any way affecting Lender's or Trustee's right and remedies under this Security Instrument, Lender may elect to exercise its right under NRS Section 40.512 to (1) waive its lien on such environmentally impaired or affected portion of the Property and (2) exercise (i) the rights and remedies of an unsecured creditor, including reduction of its claim against Borrower to judgment, and (ii) any other rights and remedies permitted by law. All costs and expenses, including, but not limited to, attorneys' fees, incurred by Lender in connection with any action commenced under any of Paragraphs 33 through 37 of this Security Instrument, including any action required by NRS Section 40.503 to determine the degree to which the Property is environmentally impaired, plus interest thereon at the rate specified in the Note until paid, shall be added to the indebtedness secured by this Security Instrument and shall be due and payable to Lender upon its demand.

38. WAIVER OF JURY TRIAL. To the fullest extent permitted by law, Borrower and Lender HEREBY WAIVE THEIR RESPECTIVE RIGHT TO TRIAL BY JURY in any action, proceeding and/or hearing on any matter whatsoever arising out of, or in any way connected with, the Note, this Security Instrument or any of the Loan Documents, or the enforcement of any remedy under any law, statute, or regulation. Neither party will seek to consolidate any such action in which a jury has been waived, with any other action in which a jury trial cannot or has not been waived. Each party acknowledges that it has received the advice of counsel with respect to this waiver.

39. FINAL AGREEMENT. The Note, this Security Instrument and the other Loan Documents collectively represent the final agreements between Lender and Borrower and may not be contradicted by evidence of prior, contemporaneous or subsequent oral agreements of the parties. There are no unwritten agreements between Lender and Borrower.

40. NONRECOURSE. Borrower's personal liability for the payment and performance of Borrower's obligations secured by this Security Instrument is limited pursuant to the terms and conditions set forth in those certain nonrecourse provisions of the Note, which terms and conditions are incorporated herein by reference.

41. ASSUMPTION OF LOAN. Notwithstanding anything to the contrary in Paragraph 12 of this Security Instrument, Lender will consent to a one-time transfer of the entire Property subject to the Loan Documents if: (1) the transferee's creditworthiness, financial strength and management ability are satisfactory to Lender, in its sole discretion (2) the Property meets Lender's underwriting criteria in effect at the time of the transfer of the Property, including, without limitation, a debt service ratio, loan to value ratio and loan to purchase price ratio, all satisfactory to Lender in its sole discretion; (3) the transferee has executed the form of Assumption Agreement provided by Lender containing such terms as Lender may require, including, if required by Lender, an increase in the rate of interest payable under the Note; (4) such transferee pays Lender an assumption fee equal to one percent (1.0%) of the remaining principal balance of the Note; (5) the Loan is current and there exists no event of default under this Security Instrument or any other Loan Document, and there exists no other event, which, with the giving of notice or the passage of time or both, would constitute an event of default under this Security Instrument or any other Loan Document; (6) Lender receives a new Lender's policy of title insurance or endorsement insuring the continued existing lien status of the Loan; and (7) the transferee pays all costs relating to the transaction (credit report fees, notary fees, recording fees, escrow fees, title fees, title insurance premium, legal fees, costs for appraisal and environmental reports, and any other costs incurred by Lender). In the event the above conditions are met, all existing terms of the Loan Documents will remain in effect. The obligations of Lender stated herein are expressly conditioned upon the assumption transaction being in compliance with the applicable law and regulations of all government agencies having jurisdiction over a Lender at the time of the transfer. The provisions of this Paragraph shall apply to the transfer of the Property by Borrower only and it shall not apply to a subsequent transfer by Borrower's transferee.
