2. The Declarant has received approval from the Tahoe Regional Planning Agency (TRPA) on May 25, 2004, to transfer existing development consisting of one existing residential unit of use from the Sending Parcel to the Receiving Parcel, described as follows:

3. The Sending Parcel and the Receiving Parcel are all located in the Tahoe Region as described in the Tahoe Regional Planning Compact (P.L. 96-551, 94 Stat. 3233, 1980), which region is subject to the regional plan and ordinances adopted by the TRPA pursuant to the Tahoe Regional Planning Compact.
4. As a condition of the above approval, Chapter 34 of the TRPA Code of Ordinances requires that an appropriate deed restriction be recorded documenting both the transfer of one existing residential unit of use from the Sending Parcel, and the requirement that the sending parcel be restricted to reflect the use remaining thereon. The Deed Restriction must likewise document that the structure or facility accounting for the existing use on the Sending Parcel shall be removed or modified and the land restored and maintained in as natural a state as possible, so as to eliminate the transferred development.
