4. As a condition of the above approval, Chapter 34 of the TRPA Code of Ordinances requires that an appropriate deed restriction be recorded documenting both the transfer of one existing residential unit of use from the Sending Parcel, and the requirement that the sending parcel be restricted to reflect the use remaining thereon. The Deed Restriction must likewise document that the structure or facility accounting for the existing use on the Sending Parcel shall be removed or modified and the land restored and maintained in as natural a state as possible, so as to eliminate the transferred development.
