### NAME OF TRUST AND APPOINTMENTS

A. NAME OF TRUST:

This trust shall be known as the CLETTA JIVENE PHELPS TRUST DATED FEBRUARY 13, 2003.

B. PRIMARY TRUSTEE:

I hereby designate myself as the primary trustee of this trust. I may exercise dominion and control over any and all of the trust assets.

C. SUCCESSOR TRUSTEE:

I designate MARKAM H. HOUSMAN AND JUDY L. BENTON as the successor trustees (co-trustees) of this trust. My successor trustee is to assume the duties as trustee hereunder upon my resignation, death, or disappearance, or if I am certified in writing to be incompetent as provided under Article Five of this Declaration of Trust. Except as otherwise specified within the provisions of this Declaration of Trust, in the event of my incompetency, my successor trustee is to use the income and assets of this trust exclusively for my health, education, support, and maintenance. If

D. ALTERNATE SUCCESSOR TRUSTEE:

If either MARKAM H. HOUSMAN or JUDY L. BENTON is unable or unwilling to act as successor trustee, the other may act alone as trustee with all powers appointed herein. If both MARKAM H. HOUSMAN and JUDY L. BENTON are unable or unwilling to act as successor trustee, I appoint EUGIE L. ARCHER as alternate successor trustee to serve with all rights and responsibilities given to the original successor trustee.

E. RESIGNATION OF TRUSTEE(S):

Any trustee may resign at any time by giving at least thirty days prior written notice, specifying the effective date of the resignation to any other trustees then serving and to the trustee appointed by this Declaration of Trust to act upon the resigning trustee's resignation.

F. IF NO NAMED TRUSTEE CAN ACT:

If no trustee named in this trust is willing and able to act, a trustee or co-trustees may be selected by the majority of adult income and remainder beneficiaries named herein. The

successor trustee(s) so selected and appointed shall have all rights and responsibilities hereinbefore given to the named successor trustee(s).

G. **COMPENSATION FOR SUCCESSOR TRUSTEE:**

My successor trustee(s) shall serve with reasonable compensation. If a corporate trustee serves as trustee, they shall serve with reasonable compensation in accordance with their regularly adopted fee schedule as may be in effect at the time such services are performed. Additionally, all expenses of any type incurred by my successor trustee(s) in carrying out duties under this trust shall be paid for from the trust.

H. **BOND WAIVED:**

No bond will be required of the primary trustee or the successor trustee(s), or any other trustee(s) named herein.

I. **ACCOUNTING TO BENEFICIARIES REQUIRED:**

The primary trustee will render such accounting to the successor trustee(s) as the primary trustee deems advisable for the purpose of advising the successor trustee(s) of the nature and location of the assets of the trust. The successor trustee(s) shall make a written accounting to all remainder beneficiaries of the net proceeds of this trust or to their guardians at least annually and at the time that all assets of this living trust are distributed. Said accounting shall consist of a record showing assets on hand at the time of the last accounting, plus additions, minus expenses and distributions, which shall equal current assets on hand. The successor trustee(s) shall not be required to obtain authority or approval of any court in the exercise of any power conferred upon the successor trustee(s), nor shall the successor trustee(s) be required to make accountings or reports to any court.

J. **PRIMARY BENEFICIARY:**

I hereby designate myself as the primary beneficiary of this trust. As long as I shall live, I will have the exclusive right to the use and benefit of the income and the assets of this trust. Upon my death, my successor trustee(s) shall take charge of the assets then remaining in this trust and distribute them according to the plan of distribution in Article Two of this Declaration of Trust document.

**\*\*\* ARTICLE TWO \*\*\***  
**PLAN OF DISTRIBUTION**

**A. PLAN OF DISTRIBUTION UPON MY DEATH:**

Upon my death my successor trustee(s) shall take charge of the assets then remaining in this trust and make distribution thereof according to the following plan of distribution:

1. Pay all of my legally enforceable debts, including the expenses of my last illness and funeral expenses, current bills and any and all other expenses incurred in closing out this trust and making distribution of assets thereof.
2. If no beneficiary or contingent beneficiary named herein to receive a specific asset survives me, I give that asset to that beneficiary's issue by representation. If the deceased beneficiary leaves no surviving issue, then the asset given to the deceased beneficiary shall become part of the net proceeds of this trust and shall be distributed according to the provisions of the following paragraphs.
4. I may from time to time indicate my desire that specific gifts be made from this living trust upon my death. If I make known my desire in a writing referring to or attached to this trust agreement, upon my death, the trustee(s) shall distribute the specific gifts as if the specific gifts had been made in this trust agreement itself. In dating the specific gifts document, it is not my intention to redate the entire trust agreement.
5. I direct that my successor trustee(s) divide my personal effects, including automobiles, boats, sporting equipment, jewelry, furniture, furnishings, china, glassware, silver and household equipment (except those items which are specifically given to a beneficiary elsewhere in this trust agreement in which case said specific gift shall take precedence over this paragraph), among the following named beneficiaries who survive, as the surviving named beneficiaries agree or, failing such agreement, in such manner as my successor trustee(s) may deem equitable. If the surviving named beneficiaries do not agree, I give my successor trustee(s) full discretion to determine the division and distribution of the articles above referred to between my surviving named beneficiaries, and such determination shall be binding on all persons. The named beneficiary for purposes of this paragraph is MARKAM H. HOUSMAN.
6. The net proceeds of this trust remaining after compliance with the above provisions shall be distributed to my beneficiary, MARKAM H. HOUSMAN. If my beneficiary, MARKAM H. HOUSMAN, does not survive me, I give the share of said beneficiary to JUDY L. BENTON. If MARKAM H. HOUSMAN and JUDY L. BENTON do not survive me, I give the share of said beneficiary to EUGIE L. ARCHER. If none of the persons named in this Paragraph 6 survive me, I give the share of said beneficiary to JASON SMITH (the son of EUGIE L. ARCHER), provided that if any beneficiary or alternate beneficiary named in this paragraph has not reached the age of eighteen (18), such beneficiary's share shall be distributed to the following described testamentary trustee(s), for the following

0629760

BK1104PG09022

uses and purposes and subject to the following described trusts for the benefit of the issue of my deceased beneficiary.

- a. If any beneficiary who is to receive a portion of my trust has not yet reached the age of eighteen (18) years at the time of my death, then the successor trustee(s) shall act as testamentary trustee(s) of the portion given to said beneficiary(ies), until said beneficiary(ies) reach the age of eighteen (18) years, and retain it in a separate trust for said beneficiary. Until the testamentary trust terminates, the testamentary trustee(s) shall pay to the beneficiary(ies) or for the beneficiary(ies)' benefit, from the income or principal of the beneficiary(ies)' trust, such sum or sums as the testamentary trustee(s) shall deem necessary or proper to provide for that beneficiary(ies)' suitable health, education, maintenance or support adding any unused income to the principal at the end of each year. When the beneficiary of the trust reaches the age of eighteen (18) years, the testamentary trustee(s) shall distribute all remaining principal and any accumulated income to said beneficiary, and the testamentary trust shall terminate.
- b. The testamentary trustee(s) shall make a written accounting to all beneficiaries or to their guardians at least annually and at the time that all assets of this testamentary trust are distributed. Said accounting shall consist of a record showing assets on hand at the time of the last accounting, plus additions, minus expenses and distributions, which shall equal current assets on hand. The testamentary trustee(s) shall not be required to obtain authority or approval of any court in the exercise of any power conferred upon the trustee(s), nor shall said trustee(s) be required to make accountings or reportings to any court. The testamentary trustee(s) shall serve with reasonable compensation.
- c. In the event of the death of any beneficiary prior to the termination of that beneficiary's testamentary trust, then the testamentary trustee(s) shall distribute the deceased beneficiary's trust principal and accumulated income to the surviving beneficiaries of each other trust created in this paragraph. If a beneficiary's trust is still in existence, said share from a deceased beneficiary shall be added to the existing trust and held under the terms and conditions of that existing trust. If a beneficiary's trust is no longer in existence, that beneficiary shall receive his/her share of the deceased beneficiary's trust outright.

**B. IF ALL BENEFICIARIES PREDECEASE:**

Upon my death, if neither beneficiaries nor alternate beneficiaries named herein survive, then I give the net proceeds of this trust to my heirs at law.

**C. ABILITY TO TERMINATE SMALL TESTAMENTARY TRUST:**

0629760 Notwithstanding any other provision of this living trust, if at any time any testamentary trust created in this Declaration of Trust is reduced to an amount which the testamentary

trustee(s), in the trustee(s)' sole discretion, believe makes the trust no longer economically feasible, the trustee(s) may, in the trustee(s)' sole discretion, do any of the following:

- terminate such trust and distribute the trust property to the person(s) then entitled to the income or to receive or to have the benefit of the income therefrom or to the legal representative of such person. If there is more than one income beneficiary, the distribution to such income beneficiaries shall be made in the proportion in which they are beneficiaries or if no proportion is designated, in equal shares to such beneficiaries, or
- purchase and deliver to the income beneficiary(ies) restrictive savings accounts, certificates of deposit, annuities, endowments, or comparable investments which the trustee(s) deem proper, or
- distribute the trust assets to a custodian for the income beneficiary(ies) under the Uniform Transfers to Minors Act, Uniform Gifts to Minors Act, or a similar law. If no income beneficiary(ies) exist, then trustee discretion to distribute trust assets to a custodian under the Uniform Transfers to Minors Act, Uniform Gift to Minors Act, or similar law shall apply to remainder beneficiary(ies).

**D. RULE AGAINST PERPETUITIES:**

Any power of appointment created by this living trust shall be exercisable by the designated donee, if, and only if, the power is exercised prior to twenty-one years after the death of the last to die of my descendants in being at the time of my death. Any property interest transferred by this living trust shall vest no later than twenty-one years after the death of the last to die of my descendants in being at the time of my death.

**E. SUBCHAPTER S ELECTION:**

If any trust provided for herein owns any shares of stock in a Subchapter S corporation, then I intend that said trust qualify as a Qualified Subchapter S Trust pursuant to I.R.C. §1361. The trustee(s) are, therefore, authorized and directed to take whatever steps the trustee(s) deem necessary to satisfy the requirements of said section, including but not limited to, dividing any trust with multiple beneficiaries into separate trusts for each beneficiary's pro rata share, and the trustee(s) are then directed to distribute the net income from each of these trusts to each beneficiary at least quarter-annually.

**F. DISINHERITANCE:**

I have intentionally and with full knowledge omitted to provide for all of my heirs who are not specifically mentioned in the terms of this trust agreement, specifically including in this disinheritance: CLIFFORD L. LANNING, DEBORAH PHELPS, AREN SCOTT, and any issue of EUGIE L. ARCHER except JASON SMITH.

**G. IN TERROREM:**

The distributions designated in this trust are intended to be in lieu of any other claims, of whatever nature and whether arising by statute or otherwise, by any taker hereunder, and

0629760

BK1104PG09024

any taker who asserts any other claim or contests this trust shall forfeit all interest in any property, income or other benefit to him/her. Any property, income or other benefit forfeited by the operation of this paragraph shall be distributed as part of the net proceeds of this living trust as if the taker asserting the claim did not survive.

H. **AUTHORIZATION TO CONSOLIDATE TRUSTS:**

I authorize my testamentary trustee(s) to consolidate all testamentary trust(s) which are for the benefit of identical beneficiaries and contain identical or substantially identical terms and provisions, whether created by this trust agreement or pursuant to other documents.

I. **SURVIVORSHIP CLAUSE:**

If any beneficiary dies prior to the termination of this living trust or within thirty (30) days after the date of my death, whichever is earlier, any interests which would have passed to said beneficiary under the provisions of this living trust are to be disposed of according to the plan of distribution which would have been effective under this living trust if such beneficiary had predeceased me. It is my intention that any property or interest which is distributed from my living trust as a result of any transfer authorized by my successor trustee(s) prior to the death of said beneficiary will not be revoked or otherwise affected by the subsequent death of the distributee.

Upon termination of any separate smaller trust, the trustee(s) are authorized to distribute from any one such trust to any beneficiary in proportions/amounts as the trustee(s) consider desirable so long as distribution from all such separate smaller trusts would, if such trusts were a single trust, satisfy the provisions governing the trust before its division.

**\*\*\* ARTICLE FIVE \*\*\***  
**GENERAL PROVISIONS**

**A. CERTIFICATE OF TRUSTEE AUTHORITY AND POWER:**

A Certificate of Trustee Authority and Power signed by a majority of the serving trustee(s) of this trust and acknowledged before a notary public shall be conclusive evidence upon all persons and institutions and for all purposes of the facts stated in said Certificate respecting the terms of the trust, the text of the trust, and regarding who are from time to time trustee(s) of the trust.

**B. SPENDTHRIFT PROVISION:**

No interest in the principal or income of any trust created under this trust instrument shall be anticipated, assigned, encumbered or subjected to creditors' claims or legal process before actual receipt by a beneficiary. This paragraph shall not prohibit an assignment by a beneficiary to any other beneficiary of this trust. This provision shall not apply to my interest in the trust estate.

**C. INCAPACITY OF TRUSTEE:**

Whenever two licensed, practicing medical doctors who are not related by blood or marriage to me or any beneficiary or trustee of this trust certify in writing that a person serving as trustee cannot discharge the duties of trustee because of mental or physical infirmity and the certificates are personally served upon that person, then the office of that person shall be deemed vacated and the alternate trustee provisions under Article One of this Declaration of Trust shall apply. However, if after receipt of the certificates, the trustee alleged to be incompetent gives written notice to the person causing the certificates to be issued that he or she disagrees with the doctors, then the trustee shall continue in office unless he or she resigns or is removed by a court of competent jurisdiction. If, at a later date, the removed trustee regains competency and can evidence said competency with written affidavits from two licensed, practicing medical doctors who are not related by blood or marriage to me or any beneficiary or trustee of this trust, and serves said affidavits upon at least one (1) acting trustee, the removed trustee shall resume duties as trustee hereunder. Anyone dealing with the trust may rely upon written medical certificates or a photocopy of them, presented to them by the successor trustee(s), or original trustee, and shall incur no liability to any beneficiary for any dealings with any designated trustee(s) or successor trustee(s) in good faith reliance on said certificates. This provision is inserted in this document to encourage third parties to deal with any trustee or successor trustee(s) without the need for court proceedings.

**D. INCAPACITY OF THE GRANTOR:**

If I am replaced as trustee of this trust as provided above, the successor trustee(s) shall use the trust estate for my benefit and for the benefit of anyone else authorized by Article One or Two of this living trust. Any income not paid to or for my benefit or to or for the benefit of other authorized beneficiaries shall be added to the principal.

0629760

BK 1104 PG 09033

The foregoing shall also apply to distributions by the trustee(s) whenever the grantor who is not serving as trustee becomes incapacitated. My incapacity or regaining of capacity shall be established in the same manner provided for establishing the incapacity or regaining of capacity of trustee(s) as provided in Article Five C. above.

**E. TRUSTEE AUTHORITY TO MAKE GIFTS:**

If I am replaced as trustee of this trust as provided above, the successor trustee(s) shall be fully authorized to make gifts from this trust to third parties or to the successor trustee(s) as individual(s) as determined in the sole discretion of the successor trustee(s).

**F. ASSURANCES OF GRANTOR:**

I hereby agree that anyone dealing with the trust may rely on the original trust document and in the absence of actual notice of any modification or revocation of this trust, it shall be conclusively presumed that the trust is in full force and effect as stated herein. This assurance is given to encourage people to deal with the acting trustee(s) or grantor. Further, this assurance is given to encourage successor trustee(s) to rely on the trust document as presented to the successor trustee(s). This provision is binding upon all successors in interest to this trust.

**G. LIABILITY OF TRUSTEE(S):**

**1. LIABILITY OF SUCCESSOR TRUSTEE(S):**

No trustee shall be liable for or responsible for any act, omission or default of any predecessor trustee. No successor trustee shall have a duty to audit or investigate the administration of accounts by a predecessor trustee.

**2. NOTICE TO TRUSTEE(S):**

Unless the trustee(s) receive actual written notice of an event affecting a beneficial interest in this trust, the trustee(s) shall not be liable to any beneficiary for making distributions as though the event had not occurred.

**3. APPLICATION OF TRUST FUNDS:**

The trustee(s) shall be solely responsible for the manner in which trust assets are applied. No person paying money or delivering property to the trustee(s) shall be responsible for its application.

**H. GIFTS MADE BY GRANTOR:**

Any distribution made as a gift of principal or income of this trust to anyone other than grantor shall be considered a distribution of such assets first to grantor and then a direct transfer of such assets from grantor to donee(s). Grantor suggests, but does not legally mandate, that any assets which are the subject of such a gift be first distributed to grantor so that grantor can complete such gifts directly.
