Said Utility Facilities are to be installed at locations mutually agreed upon by Owner of Record at time of installation and Utility Company.

With respect to all underground utility facilities as described herein, after installation of said underground utility facilities, said easement and right-of-way as herein granted will be deemed to be a strip of land ten (10) feet in width, being five (5) feet on either side of the centerline of said underground utility facilities as installed on the above-described premises.

With respect to all surface mounted transformers and/or switchboxes as described herein, after installation of said transformers and/or switchboxes, said easement and right-of-way as herein granted will be deemed to encompass an area around said transformers and/or switchboxes of three (3) feet extending in all directions from the perimeter of said transformers and/or switchboxes as installed on the above-described premises.

IT IS FURTHER AGREED:

1. Grantee shall have at all times ingress and egress to the above-described land for the purpose of constructing, altering, maintaining, inspecting, repairing, reconstructing and operating said Utility Facilities.

2. Grantee shall be responsible for any damage to personal property or improvements, suffered by Grantor by reason of constructing, altering, maintaining, inspecting, repairing, reconstructing and operating said Utility Facilities by Grantee.

3. Grantee will at all times save and hold harmless Grantor with respect to any and all loss, damage or liability suffered or sustained by reason of any injury or damage to any person or property, caused by the constructing, altering, maintaining, inspecting, repairing, reconstructing and operating of said Utility Facilities by Grantee.

4. Grantor shall not erect or construct, nor permit to be erected or constructed any buildings, fences or structures, nor permit any activity which in the reasonable judgment of Grantee is inconsistent with Grantee's use of said easement.

5. Grantee shall have the right to remove or clear any and all buildings, fences, structures, combustible materials, trees, brush, debris, or any other obstruction from said easement, which in the reasonable judgment of Grantee may interfere with or endanger the constructing, altering, maintaining, inspecting, repairing, reconstructing and operating of said Utility Facilities.

6. Grantee shall have the right to cut down or trim all trees within, adjacent to and outside said easement which may in the reasonable judgment of Grantee endanger the
