Trustor also agrees that in the event of any default in any terms and conditions of any prior trust deed affecting the aforesaid real estate or in the event of any default in any of the terms and conditions of any other trust deed, the lien of which may be or become prior and paramount to the lien of this instrument, then in every such event the Beneficiary may, at its option, declare the indebtedness secured by this instrument due for all purposes, and foreclosure may be had hereunder as in the case of any other default hereunder, or if Beneficiary chooses, Beneficiary may pay such sum or sums as shall be necessary so that the terms and conditions of any trust deed, the lien of which is then prior and paramount to the lien of this instrument may be complied with, which such sums or sum when so paid shall be secured by the lien of this instrument and shall bear interest from the date of such payment or payments at the highest lawful contract rate per annum.
