AFFIDAVIT OF TRUTH

I, Gregory J. Hobbs, the undersigned, hereinafter Affiant, make this Affidavit of my own free will, and hereby affirm, under oath, that the information contained in this Affidavit is true and correct.

This Affidavit is lawful notification to the above named parties and is hereby made and sent to the above named recipients pursuant to the California Constitution, specifically the Declaration of Rights under the provisions of Article 1, 3(a), 3(b)(4), 7(a), 16, 26, 31(h) and Article 3, Section 1. This Affidavit is also sent pursuant to the Federal Constitution, specifically, the Bill of Rights, in particular, Amendments I, IV, V, VII, IX and X, and pursuant to each recipients oath of office. This Affidavit requires each recipient to provide a written response to me within 30 days, via a sworn and notarized Affidavit, specific to the subject matter specified in this Affidavit.

NOTICE TO PRINCIPAL IS NOTICE TO AGENT
NOTICE TO AGENT IS NOTICE TO PRINCIPAL

You are hereby noticed that your failure to respond as stipulated and rebut, with particularity and evidence, anything with which you disagree in this Affidavit is your lawful, legal and binding agreement with and admission to the fact that everything in this Affidavit is true, correct, legal and lawful and fully binding upon you in any court in America without your protest or objection or that of those who represent you. Your silence is your acquiescence.

I hereby state that it is not now nor has it ever been my intention to avoid paying any obligation that I **lawfully** owe, under the Constitution for the State of California and the United States. It is my duty and my intent to **uphold the law**, as per the provisions contained within those Constitutions.

FTB executives, officers and employees have sworn an oath to uphold both the state and federal Constitutions, and pursuant to their oaths they must abide by them in the performance of their official duties or **they violate the Supreme Law of the Land and perjure said oaths.**

I hereby affirm, by and through my personal, first-hand knowledge, that the following is true and correct:

I sent five letters, one each to the above named entities (Dated April 17, 2007);

The letters notified the recipients of: (a) my statements, averments, and questions; (b) the requirement to respond within a specified time period and to rebut the statements and averments made in those letters if they disagreed with said statements and averments; (c) the fact that failure to rebut said statements and averments would act as an admission of, agreement with and stipulation to said statements and averments and that said statements and averments are fully binding upon them in any court in America without protest or objection by them or those who represent them.

Each of the identified parties received my letter.

Each of the identified parties failed to rebut any of the statements or averments made in the referenced letters.

Each of the identified parties has, by their actions or lack thereof, admitted to, agreed with and stipulated to the statements and averments contained in the referenced letter.

Each of the identified parties failed to respond to the notice contained in said letters.

Some of the statements and averments stipulated to by each of the identified parties are as follows:

Executives, officers and employees of the FTB take an oath of office to uphold the Constitutions for California and the United States of America.

Each of the identified parties has taken an oath to uphold and defend both the California and federal Constitutions.

Each of the identified parties has a legal obligation to perform the duties of their office with respect to and in compliance with their oath of office.

Gregory J. Hobbs has accepted the oath of office and the oath to uphold and defend the California and federal Constitutions sworn to by each of the identified parties.

Each of the identified parties, as employees, officers, executives and executive members of the FTB are responsible for the actions of the FTB.

Each of the identified parties has a legal obligation to insure that every individual receives proper due process from the FTB prior to any attempt to take that individuals property in compliance with the law and their oath of office.

The administrative appeals process offered by the FTB does not meet the legal definition of due process nor is it in keeping with the numerous court rulings that define due process.

None of the identified parties has taken any action to insure that the FTB operates in compliance with the law to provide each individual with due process prior to the taking of any property.

Each of the identified parties has violated their oath of office.

No legal assessment of taxes has been made against Gregory J. Hobbs for the years 1998 and 1999.

Gregory J. Hobbs did not participate in any revenue taxable activity or receive any taxable income for the years 1998 and 1999.

There has been no administration of the law through the courts or any decision rendered by any court of competent jurisdiction stating that Gregory J. Hobbs has any legal requirement or obligation to file California tax returns or to pay any taxes for the years 1998 and 1999.

The FTB failed to provide any due process to Gregory J. Hobbs prior to the demand for payment of taxes for the year 1998 and 1999 in violation of both the state and federal Constitutions.

The actions, or lack thereof, of the identified parties are willful, intentional and under color of law.

The FTB has used threats, intimidation and coercion against my person and acted under color of law in its attempts to take my property.

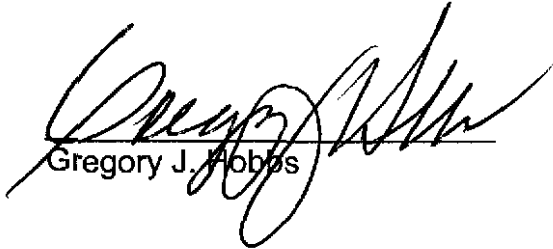

There is no California law, statute or regulation that supercedes the provisions of the state and federal Constitutions.

Lawful notification has been provided to you stating that if you do not rebut the statements and averments made in this Affidavit, then you agree with and admit to said statements and averments. Pursuant to that lawful notification, if you disagree with anything stated in this Affidavit of Truth then rebut that with which you disagree, with particularity, within thirty (30) days of receipt thereof by means of your written, sworn and notarized affidavit of truth based in specific, relevant fact and law to support your disagreement. Your failure to respond, as stipulated, is your agreement with and admission to the fact that everything in this Affidavit of Truth is true, correct, legal and lawful and is your irrevocable admission attesting to this and is fully binding upon you in

any court of law in America without protest or objection by you or those who represent you.
