AMENDMENT NO. 2
Contract Between Douglas County
and
ECO:LOGIC, LLC

Genoa Lakes Exploratory Well and Hollister Well Testing

Whereas, on April 20, 2006, Douglas County, a political subdivision of the State of Nevada, and ECO:LOGIC, LLC, an independent contractor, entered into a contract for Contractor to provide engineering services for design of the Genoa Lakes exploratory well and Hollister well testing; and

Carol M. Cullock
DEPUTY

Whereas, on July 6, 2006, Amendment No. 1 was approved to incorporate additional professional services to design a monitoring well at the Montana Development, provide on-site geologic services during drilling, construction and test pumping, and to obtain water samples for testing; and

Whereas, the County has not obtained rights to the Montana Development well site; and

Whereas, the County recently obtained ownership of the existing Simek 100 gallon per minute well to supply the West Valley Water Service Area and the County desires to replace the existing Simek 100 gallon per minute well and design a monitoring well for the site to evaluate water quality and probable yield of a replacement well; and

Whereas, the site of monitoring well approved in Amendment No. 1 will be changed from the Montana Development to the site of the existing Simek 100 gpm well shown in Attachment A; and

Now, therefore, in consideration of the agreements herein made, the parties mutually agree as follows:

- Contractor agrees to provide professional consulting services for permitting, design, on-site geologic services during construction, and data analysis and reporting for a monitoring well at the Simek 100 gallon per minute well site as outlined in Amendment No. 1.
- The additional work will extend the project schedule to December 31, 2007.
- The 2007 Fee Schedule attached as Exhibit B will apply to all remaining work.
- Contractor agrees to provide the services set forth in the contract and Amendment No. 1 and Amendment No. 2 for a cost not to exceed a total cost of \$82,106.60.
