POWERS OF TRUSTEES

Subject to any limitations stated elsewhere in this instrument, the Trustees are vested with the power to do and perform all acts necessary to accomplish the proper management and distribution of the trust estate of this Trust or any trust created hereunder and which the Trustees, in their discretion, may deem to be in the best interest of this Trust and the respective trusts and shares herein created. Specifically, the Trustees are hereby vested with the following powers:

- A. Retention of Property. To hold and retain for such time as the Trustees deem advisable and prudent, any property received into this Trust at its inception or subsequently added thereto or acquired pursuant to proper authority; to retain or acquire unproductive assets which the Trustees deem advisable and prudent, as Grantors, or the survivor of them, may direct or approve.
- B. <u>Management Powers.</u> To manage and control the trust estate and to encumber, sell (for cash or on deferred payments), convey, exchange, partition, divide, improve, and repair trust property or otherwise dispose of any of the trust property; to grant options; to lease trust property for any purpose and for terms within or extending beyond the duration of this Trust, including exploration for the removal of gas, oil and other minerals; and to enter into community oil leases, pooling, and utilization agreements; to create restrictions, easements, and other servitudes.
- C. <u>Insurance</u>. To carry insurance of such kinds and in such amounts as the Trustees may deem advisable and prudent, at the expense of the Trust, in order to protect the trust estate and the Trustees personally against any risk or hazard.
- D. <u>Operation of Business</u>. To continue the operation of any business lawfully received into the Trust, whether organized as a sole proprietorship, partnership, limited liability company or corporation; to do and perform all acts that Trustees deem advisable and prudent in the operation of such business; and to dissolve, liquidate or sell such business at such time and on such terms as Trustees deem advisable and prudent.
- E. <u>Investment Powers.</u> To invest and reinvest the trust estate in every kind of property, real, personal or mixed, and every kind of investment, specifically including, but not being limited to, corporate obligations of every kind, stocks, preferred or common, shares of investment trusts, investment companies, certificates of deposit, bonds, and/or mutual funds, that men or women of prudence, discretion and intelligence acquire for their own account, including any common trust fund administered by the successor Trustees. The investments need not be diversified.
- F. <u>Securities</u>. To acquire, register or qualify for exemption from registration, and to sell any securities (including options, whether "puts" or "calls") or other property held under the Trust in the name of Trustees or in the name of a nominee with or without the addition of words indicating that such securities or other property are held in a fiduciary capacity, and to hold in bearer form any securities or other property held hereunder so that title thereto will pass by delivery; however, the books and records of Trustees shall show that all such investments are part of the Trust; and to enter into short sales of securities. To have all the rights, powers and

PG- 740 05/05/2008 privileges of an owner with respect to the securities held in trust including, but not limited to, the power to vote, give proxies and pay assessments; to participate in voting trusts, pooling agreements, foreclosures, reorganizations, consolidations, mergers and liquidations, and incident to such participation to deposit securities with and transfer title to any protective or other committee on such terms as the Trustees may deem advisable; and to exercise and sell stock subscription or conversion rights.

- G. <u>Litigate or Compromise Claims</u>. - H. <u>Loans of Trust Assets.</u> To make secured loans in such amounts, upon such terms, at such rates of interest and on such security as Trustees deem prudent, provided such secured loans are properly in writing; to purchase a holder's interest in a secured promissory note and the security therefor at such discount as Trustees shall deem prudent, taking into account the terms thereof, the rate of interest and the nature of the security.
- I. <u>Borrow Money.</u> To borrow money for any trust purpose upon such terms and conditions as the Trustees may deem proper, and to obligate the trust estate for repayment; to encumber the trust estate or its property by mortgage, deed of trust, pledge or otherwise, using such procedure to consummate the transaction as the Trustees may deem advisable. The power of the Trustees to borrow shall include the power to borrow money on behalf of one trust from any other trust provided for in this Trust Agreement, and to obligate the trusts, or any of them, provided for in this Trust Agreement to repay such borrowed money.
- J. Income v. Principal. To determine what is principal or income of the trust estate and apportion and allocate such principal or income in accordance with the provisions of the applicable statutes of the State of Nevada as they may now not provided for either in this instrument or under the laws of the State of Nevada shall be determined by the Trustees in accordance with accepted accounting practices.

- L. <u>Transactions With Grantors and Beneficiaries</u>. To purchase, at fair market value, securities or other property from, or otherwise contract with Grantors, or either of them, the beneficiaries under the Trust or any of the respective trusts and shares herein created, or the legal representatives of their respective estates, and to make secured or unsecured loans to Grantors, either of them, beneficiaries hereunder or the legal representatives of their respective estates, in such amounts, upon such terms, at such rates of interest and on such security as Trustees deem advisable and prudent.
- M. <u>Distribution of Assets.</u> To partition, allot and distribute the trust estate, regarding any division or partial or final distribution of the trust estate, in money,

BK- 0508 PG- 741 undivided interests or in kind or partly in money and partly in kind, at valuations determined by the Trustees, and to sell such property as the Trustees may deem necessary to make any division or distribution. In making any division or partial or final distribution of the trust estate, the Trustees shall be under no obligation to make a pro rata division, or to distribute the same assets to beneficiaries similarly situated; rather, the Trustees may, in their discretion, make a non-pro rata division between the trusts or shares and non-pro rata distributions to such beneficiaries, as long as the total respective assets allocated to separate trusts or shares, or distributed to such beneficiaries, have equivalent or proportionate fair market value. After any division of the trust estate, Trustees may make joint investments with funds from some or all of the several shares or trusts, but Trustees shall keep a separate account for each share or trust.

- N. <u>Distributions to Beneficiaries.</u> To make distributions hereunder directly to any beneficiary, to the guardian of such beneficiary's person or estate or to any other person deemed suitable by Trustees for the benefit of a beneficiary, or by direct payment of such beneficiary's expenses.
- O. <u>Tax Liabilities.</u> To take any action and to make any election which, in the trustees' discretion, is necessary to minimize the tax liabilities of the Trust and its beneficiaries, and the Trustees shall have the power to allocate any resulting benefits among the various beneficiaries or to otherwise make adjustments in the rights of any beneficiary as may be necessary to compensate for the consequences of any such action or election which the Trustees in their discretion determine could result in an unfair advantage to one beneficiary or group of beneficiaries over others.
- P. <u>Administration Expenses.</u> To pay all taxes, assessments, fees, charges and other expenses incurred in the administration of the Trust and the respective trusts and shares herein created, and to employ and pay reasonable compensation to agents and counsel, including investment counsel. Notwithstanding any other provision of this Trust Agreement, all taxes, assessments, fees, charges and other expenses incurred by the Trustees in the administration or protection of the Trust, including the compensation allowed by any court to the Trustees for their services hereunder, shall be a charge upon the trust estate and shall be paid by the Trustees out of the income therefrom, or in the event and to the extent that the income may be insufficient, then out of the principal of the trust estate, prior to final distribution of the trust property. The determination of the Trustees with respect to all such matters shall be conclusive upon all persons howsoever interested in the Trust.
- Q. Expense of Last Illness. To pay the expense of the last illness, funeral and burial of each Grantor and the estate, inheritance, succession and other death taxes, including any interest and/or penalties thereon, imposed under the laws of any jurisdiction by reason of the death of either Grantor or with respect to the transfer or receipt of any property passing or which has passed under or outside of the Trust, regardless of whether the same is included in the estate of a deceased Grantor.
- R. <u>Retention of Professionals.</u> To retain such advisors, agents and counsel, including legal, tax and/or investment counsel, as Trustees deem advisable, and to make recommendations to Trustees and to assist Trustees in exercising the powers granted to Trustees pursuant to this Trust Agreement. Such advisors, agents or counsel shall be appointed or removed by Trustees by written instrument, signed and

acknowledged by Trustees and delivered to the advisors, agents or counsel so appointed or removed. The Trustees shall pay a reasonable compensation for all services performed by such advisors, agents or counsel as a cost of administration of the Trust and such payments shall not affect the compensation to which Trustees shall be entitled.

- S. <u>Funds on Deposit.</u> To hold funds on deposit in one or more accounts, with various financial institutions or brokerage companies, and in such form of account, whether or not interest bearing, as Trustees may deem advisable and prudent, without regard to the amount of any such deposit or whether it would otherwise be a suitable investment for funds of the Trust.
- T. <u>Safe Deposit Boxes.</u> To open and maintain safe deposit boxes in the name of Trustees.
- U. <u>Power to Terminate Trust.</u> If any trust created herein has at any time, in the opinion of the Trustees, reached a point where it is not economically feasible to continue, the Trustees may, in their discretion but are not required to, terminate such trust and, regardless of the age of the beneficiaries thereof, distribute the principal and any accrued or undistributed net income thereof to such beneficiaries, or to their guardian or other fiduciary.
- V. <u>Release/Restriction of Powers.</u> To release or restrict the scope of any power that the Trustees may hold in connection with the Trust, whether such power is expressly granted herein or implied by law. The Trustees shall exercise this power in a written instrument executed by the Trustees specifying the power to be released or restricted and the nature of the restriction.
- X. <u>Powers Not Limited.</u> The enumeration of the powers set forth in this Article shall not limit the general or implied powers of Trustees. No exercise of any power granted to Trustees shall operate to increase the estate tax or income tax liability of this Trust nor any of the separate trusts or shares herein created. Trustees shall have such additional powers as are now or may hereafter be conferred upon trustees by law necessary to administer and carry out the express and implied purposes of this Trust, as well as the respective trusts and shares herein created, subject only to any limitations expressly provided herein. In no event shall this paragraph be construed as giving Trustees the authority to possess a power which will cause the Trust, or any beneficiary herein, to incur any additional tax liability.
