ASSIGNMENT OF EASEMENT

THIS ASSIGNMENT OF EASEMENT, made this 13th day
of March, 2009, at Carson City, Nevada by the STATE OF NEVADA,
acting by and through the STATE LAND REGISTRAR, hereinafter referred to as
ASSIGNOR, and the STATE OF NEVADA, acting by and through its DEPARTMENT
OF TRANSPORTATION, hereinafter referred to as ASSIGNEE.

WITNESSETH:

WHEREAS, NRS 321.003 provides:

"321.003 Assignment of land to state agency; certification of state land registrar
required before making improvements; lease, sale of state land.

1. The State Land Registrar shall assign any land or interest in land owned by the
state which is needed for governmental purposes to the appropriate state agency for
use and administration. Before a state agency erects a building or makes any other
permanent improvement on land assigned to it, the agency shall notify the State Land
Registrar, in a form prescribed by him, and shall not proceed with the construction or

improvement until the state land registrar certified the nature of any encumbrances against the state's title to the land, and certifies that the boundaries of the land assigned include the site of the proposed construction or improvement.

2. When authorized by the legislature to lease or sell land or any interest therein, the Division of State Lands shall do so upon the best terms available. The State Land Registrar shall execute on behalf of the state any lease, deed or other document by which any land or interest therein owned by the state is conveyed."

NOW THEREFORE, in consideration of and pursuant to the provision of NRS 321.003(1), the STATE LAND REGISTRAR, by these presents does hereby assign to ASSIGNEE this easement for maintenance, construction, inspection and operation of an infiltration basin, and for maintenance, construction, inspection and operation of a pipe riser as well as for maintenance, construction, inspection and operation of an area of revegetation, and for use as a temporary staging area during construction, within that certain real property located, lying and being in the County of Douglas, State of Nevada, and more particularly described on Exhibit A attached hereto and incorporated by reference herein:

TOGETHER WITH the improvements, tenements and appurtenances thereunto belonging or in anywise appertaining thereof; subject, however, to the following specific conditions:

1. ASSIGNEE understands that this easement assignment is subject to the acquisitions of all necessary local, regional, state and federal permits and approvals as required by law.

2. ASSIGNEE understands that they shall be responsible for performance of all duties which are necessary or appropriate to carry out their statutory administrative functions pertaining to said real property.
3. ASSIGNEE agrees to pay for and be responsible for all damages to the real property, improvements, and personal property of the ASSIGNOR and the improvements and personal property of others caused by ASSIGNEE, or its contractor(s), while constructing, reconstructing, operating, repairing, maintaining or removing said infiltration basin, pipe riser and revegetation or while the property is being used as a temporary staging area.
4. ASSIGNEE agrees to indemnify and hold harmless, to the extent authorized by NRS Chapter 41, ASSIGNOR and its agents from and against any and all liability caused by ASSIGNEE'S officers, employees or agents for personal injuries, property damage, or for loss of life or property resulting from, or any way connected with the condition of use of the premises covered herein, including any hazard, deficiency, defect or other matter, known or unknown, arising out of or connected with the temporary staging area, the infiltration basin, pipe riser and revegetation and all construction, reconstruction, operation, repairs, maintenance or removal of the infiltration basin, pipe riser and revegetation.
5. ASSIGNEE agrees that the infiltration basin and pipe riser must be maintained in good repair at all times. The area of revegetation shall be monitored for successful establishment and maintained upon establishment.
6. ASSIGNOR must receive a written request prior to commencement of any work, including any future construction, reconstruction, repairs or removal of the infiltration basin, pipe riser and revegetation.

7. ASSIGNEE understands and agrees that this easement assignment does not include authorization for renting, leasing, selling, issuing easements, or entering into any other transaction which could affect the title to said properties. Such authority is retained by the ASSIGNOR, pursuant to NRS 321.003(2).

8. ASSIGNEE understands and agrees that, if the portions of the property, as described in Exhibit A, herein assigned, together with any improvements placed upon said premises by ASSIGNEE, shall be abandoned or shall cease to be used by ASSIGNEE for a period of one year, use and Administration of said properties shall revert to the ASSIGNOR, who may require improvements to be removed by ASSIGNEE.

9. ASSIGNEE, its successors and assigns, understands and agrees that failure to concur with or comply with any of the conditions contained herein will cause this assignment of easement to become invalid, but only after notice of non-compliance has been provided by ASSIGNOR to ASSIGNEE and a reasonable period to cure of 30 days has passed. Should ASSIGNOR and ASSIGNEE disagree on whether or not ASSINGEE has complied with the terms and conditions of this assignment of easement, they shall meet to confer and to attempt to resolve any such disputes prior to the commencement of said period to cure.

10. ASSIGNEE, its successors and assigns, and/or its agent(s) or contractor(s) understands and agrees that upon the mutual termination of this assignment of easement, all created improvements will be removed by ASSIGNEE, and if so requested by ASSIGNOR, the property will be returned to its pre-project condition as much as feasible. Any and all right, title or interest must be quitclaimed by instrument to the ASSIGNOR within a reasonable time, without claim or demand of any kind from

ASSIGNOR. Except as might otherwise be provided for, any expenses for cure will be borne by ASSIGNEE or its assigns at no expense or cost to the ASSIGNOR.

11. ASSIGNEE agrees that access for maintenance, construction, inspection and operation of all existing and approved appurtenances and access for equipment staging shall be from State Route 207 or other paved surfaces. ASSIGNEE agrees that all future maintenance and inspection outside paved surfaces will be conducted by foot unless written notice is given to ASSIGNOR outlining the intent and scope of the maintenance and inspection activities and ASSIGNOR grants ASSIGNEE a Right of Entry Authorization for the activity. Further conditions may be outlined by the ASSIGNOR in the Right of Entry Authorization.

This easement is assigned for the maintenance, construction and inspection of an infiltration basin, a pipe riser and revegetation and for use as a temporary staging area, upon, over, across and through the land herein described, together with the right to enter upon said lands to maintain, construct, and inspect, operate and remove said appurtenances; together with the right to clear and keep cleared any obstruction from the surface as may be deemed necessary to ensure the safe and proper operation of said appurtenances.
