Case No. 10-070CV
Dept. No.

ORDER GRANTING MOTION FOR SUMMARY JUDGMENT

This matter came before the Court on Plaintiff's Motion for Summary Judgment. The motion was unopposed by the Defendant. The Court reviewed the memoranda, arguments, points and authorities and is fully informed of all the relevant facts. The Court finds that Defendant has breached her contractual obligation to Plaintiff by failing to make monthly payments pursuant to the terms of the credit card agreement.

/ / /

1 The Court further finds that Plaintiff has satisfied its burden of proof by showing that
2 Defendant is liable for the Credit Card debt under NRS 97A.150, and has done so by
3 providing periodic billing statements that show proof of purchases and payments made by
4 the Defendant pursuant to NRS 97A.160. In addition, these records were authenticated by an
5 affidavit that was compliant with the requirements as laid out in NRS 97A.160.

6 Therefore this Court finds that there is no genuine issue as to any material fact and that
7 Plaintiff is entitled to judgment as a matter of law for the relief sought in its complaint. The
8 Court expressly directs that final judgment be entered with respect to Plaintiff's claims.

9 IT IS HEREBY ORDERED, ADJUDGED AND DECREED that Plaintiff shall have a
10 Judgment against the Defendant in the amount of \$5,185.41, plus accrued pre-judgment
11 interest in the amount of \$ 0.00, plus post-judgement interest at the legal rate per annum
12 from date of judgment until paid; as well as court costs in the amount of \$242.00 (See
13 Memorandum of Costs and Disbursements); and reasonable attorney's fees in the amount of
14 \$750.00. In addition, Plaintiff will be awarded for future court costs associated with
15 collecting this judgment, including but not limited to writ fees, service fees, and court filing
16 fees.

17 THIS ORDER IS APPROVED AS TO FORM AND CONTENT

18 IT IS SO ORDERED.
