1. Grant. In consideration of the mutual promises and other consideration set forth herein, the sufficiency of which is hereby acknowledged, Owner grants Operator the right (including ingress and egress) to install, operate, improve, remove, repair and/or maintain its Equipment within the Premises. Upon termination of this Agreement, Operator shall have the right to remove its Equipment, as applicable, provided that any Equipment that Operator does not remove within 90 days of such termination, shall be deemed abandoned and become the property of the Owner. This Agreement may be recorded. This rights granted hereunder shall run with the land and shall bind and inure to the benefit of the parties and their respective successors and assigns.

3. Owner represents and warrants that it is the legal owner of and the holder of fee title to the Premises; that it has the authority to execute this Agreement. The person signing this Agreement represents and warrants that he/she is Owner's authorized agent with full authority to bind Owner hereto. 4. In the event of a default by a party hereunder in addition to rights available at law or in equity, the non-defaulting party may (i) terminate the Agreement after 30 days prior written notice, unless the other party cures or commences to cure such breach during such 30-day period and diligently proceeds with such cure (exercising commercially reasonable efforts). Neither party shall be liable to the other party for any delay or its failure to perform any obligation under this Agreement if such delay or failure is caused by the occurrence of any event beyond such party's reasonable control.

5. Each party shall indemnify, defend and hold harmless the other against all liability, claims, losses, damages and expenses (collectively, "Liability"), but only to the extent that such Liability arises from any negligent or willful misconduct, breach of this Agreement, or violation of a third party's rights or applicable law on the part of the party from whom indemnity is sought. Each party seeking such indemnification shall use reasonable efforts to promptly notify the other of any situation giving rise to an indemnification obligation hereunder, and neither party shall enter into a settlement that imposes liability on the other without the other party's consent, which shall not be unreasonably withheld.

6. Notwithstanding anything to the contrary stated hereunder, Operator and Owner will not be liable for any indirect, special, incidental, punitive or consequential damages, including, but not limited to, damages based on loss of service, revenues, profits or business opportunities.
