The affairs of said unincorporated association shall be governed by the laws of the State of Nevada and, to the extent not inconsistent therewith, by the Articles and By-Laws of the Association as if they were created for the purpose of governing the affairs of an unincorporated association. The Association shall cease to exist at any time this Declaration and any supplemental Declaration are abolished by written consent or vote of eighty percent (80%) of the Owners.

2.02 Construction Consistent with Law. This Declaration and all subsequent actions by the Association shall be construed whenever possible so as to be consistent with all applicable laws, federal, state and local. If a provision of this Declaration cannot be construed as being consistent with the law, the law shall control.

Owner thereof to membership, and then only to the transferee of title to said property interest. Each Unit is allocated one (1) vote for purposes of organization and operation of the Association. In no event, shall any unit be allocated a greater interest with regard to the Association than any other Unit. If any property interest, ownership of which entitles the Owner thereof to vote, is held jointly or in common by more than one (1) Person, the vote or votes to which such property interest is entitled shall also be held jointly or in common in the same manner. However, the vote or votes for such property interest shall be cast, if at all, as a Unit, and neither fractional votes nor split votes shall be allowed. In the event that such joint or common Owners are unable to agree among themselves as to how their vote or votes shall be cast as a unit, they shall lose the right to cast their vote or votes on the matter in question. Any joint or common Owner shall be entitled to cast the vote or votes belonging to the joint or common Owners unless another joint or common Owner shall have delivered to the Secretary of the Association prior to the time for casting such

Such insurance shall insure the Association and the mortgagees, as their interests may appear. As to each such policy which will not be thereby voided or impaired, the Association hereby waives and releases all claims against the Board, and the officers, agents and employees of each thereof, with respect to any loss covered by such

Such financing may be effected through conventional mortgages or deeds of trust, the issuance and sale of development or other bonds, or in any other form or manner as may be deemed appropriate by the Association. The mortgage, deed of trust or other security interest given to secure repayment of such debt may consist of a first lien or a second or other junior lien, as shall be deemed appropriate by the Association, on the Improvement or other facility to be constructed, together with such underlying and surrounding lands as the Association deems appropriate. 2.08 Indemnification

(a) Third Party Actions. The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed

action, suit or proceeding, whether civil, criminal, administrative, or investigative (other than an action by or based on the right of the Association) by reason of the fact that he or she is or was a director, officer, employee, servant or agent of the Association against expenses (including attorney's fees), judgments, fines, and amounts paid in settlement actually and reasonably incurred by him in connection with such action, suit or proceeding if he or she acted in good faith and in a manner he or she reasonably believed to be in or not opposed to the best interests of the Association, and, with respect to any criminal action or proceeding, had no reasonable cause to believe his or her conduct was unlawful. The termination of any action, suit or proceeding by judgment, order, settlement, conviction, or upon a plea of nolo contendere or its equivalent, shall not of itself create a presumption that the person did not act in good faith or in a manner which he or she reasonably believed to be in or not opposed to the best interests of the Association, or, with respect to any criminal action or proceeding, had reasonable cause to believe that his or her conduct was unlawful.

If a member of the Board of Directors is sued for liability for actions undertaken in their role as a Board member or officer of the Association, the Association shall indemnify the Board member and/or officer for his or her losses or claims and undertake all costs of defense until and unless it is proved that such member acted with willful or wanton misfeasance or with gross negligence. After such proof, the Association is no longer liable for the cost of defense and may recover costs already expended for the Board Member and/or officer.

Board members are not liable to the victims of crimes which may occur on the property. Punitive damages may not be recovered against the Association.

(b) Derivative Actions. The Association may indemnify any person who was or is a party or is threatened to be made a party to any threatened, pending or completed action, suit or proceeding by or in the right of the Association to procure a judgment in its favor by reason of the fact that he or she is or was a director, officer, employee, servant or agent of the Association, against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection with the defense or settlement of such action, proceeding or suit if he or she acted in good faith and in a manner he reasonably believed to be in or not opposed to the best interests of the Association, except that no indemnification shall be made in respect of any claim, issue, or matter as to which such person shall have been adjudged to be liable for negligence or misconduct in the performance of his or her duty to the Association unless and only to the extent that the court in which such action, proceeding or suit was brought shall determine upon application that, despite the adjudication of liability and in view of all the circumstances of the case, such person is fairly and reasonably entitled to indemnity for such expenses which such court shall deem proper.

(c) Determination. Any indemnification which the Association has elected to provide under paragraph (a) or (b) of this Section 2.08 (unless ordered by a court) shall be made by the Association only as authorized in the specific case upon a determination that indemnification of the officer, director, employee, servant or agent is proper in the circumstances because he or she has met the applicable standard of conduct set forth in paragraph (a) or (b) of

this Section 2.08. Such determination shall be made (a) by the Board by a majority vote of a quorum consisting of directors who were not parties to such action, suit or proceeding, or (b) if such a quorum is not obtainable, or even if obtainable, by independent legal counsel in a written opinion; provided, however, that if a director, officer, employee, servant or agent of the Association has been successful on the merits or otherwise in defense of any action, suit or proceeding referred to in paragraph (a) or (b) of this Section 2.08, or in defense of any claim, issue or matter therein, then, to the extent that the Association has elected to provide indemnification, he or she shall automatically be indemnified against expenses (including attorneys' fees) actually and reasonably incurred by him or her in connection therewith without the necessity of any such determination that he or she has met the applicable standard of conduct set forth in paragraph (a) or (b) of this section 2.08.

(d) Payment in Advance. Expenses incurred in defending a civil or criminal action, suit or proceeding may, in the discretion of the Board, be paid by the Association in advance of the final disposition of such action, suit or proceeding as authorized by the Board as provided in paragraph (c) of this Section 2.08 upon receipt of an undertaking by or on behalf of the director, officer, employee, servant or agent to repay such amount unless it shall ultimately be determined that he or she is entitled to be indemnified by the Association as authorized in this Section 2.08.

(e) Insurance. The Board shall purchase and maintain insurance on behalf of any person who is or was a director, officer, employee, servant, or agent of the Association, against any liability asserted against him or her or incurred by him or her in any such capacity, or arising out of his or her status as such, whether or not the Association would have the power to indemnify him or her against such liability hereunder or otherwise.

(f) Other Coverage. The indemnification provided by this Section 2.08 shall not be deemed exclusive of any other rights to which anyone seeking indemnification may be entitled under this Declaration, agreement, vote of the Members, vote of disinterested directors, Nevada law, or otherwise, both as to action in his or her official capacity and as to action in another capacity while holding such office, and may continue as to a person who has ceased to be a director, officer, employee, servant or agent and may inure to the benefit of the heirs and personal representatives of such a person.

2.09 Diseased Trees. Upon reasonable notice, the Association may enter upon any part of the Project at any time to inspect for, prevent and control diseased trees and other plant life and insect infestation of trees. If any diseased or insect infested trees or other plant life are found, the Association may spray, remove diseased trees and other plant life, and take such other remedial measures as deemed expedient. 2.11 Breach of Rules or Restrictions. In the event of a breach of any Association Rule or of any of the Association Restrictions contained in this Declaration by an Owner, their family, guests, employees, invitees, licensees or tenants, the Board, for and on behalf of itself and all other Owners, shall enforce the obligations of each Owner to obey such Rules or Restrictions in any manner provided by the Act, or in equity, including, but not limited to, appropriate hiring of legal counsel, the pursuit of legal action, or suspension of the Owner's right to use the facilities of the Common Area or suspension of the Owner's voting rights; provided, however, such suspension may only take place after notice and hearing as herein provided, for an infraction of such Rules. In addition to the Other remedies herein set forth, including without limitation, assessing the cost of repair of any damage resulting from an infraction of the Rules, the Board, by majority vote, may levy a fine against such Owner, after appropriate notice and hearing as herein provided, and the payment of such fine may be enforced in the same manner as set forth in Section 8.07 hereof. Prior to imposing any penalty provided herein for breach of any rules enacted hereunder or of the Restrictions contained in this Declaration, the Board shall send written notice to the Owner specifying the nature of the infraction and shall set a hearing before the Board regarding such infraction and the penalty to be imposed. In the event that the Board determines that the infraction has occurred and that a penalty shall be imposed, after a hearing has been provided, the determination of the Board shall be final. In the event legal counsel is retained or legal action is instituted by the Board pursuant to this paragraph, any settlement prior to judgment or any judgment rendered in any such action shall include costs of collection, court costs, and reasonable attorneys' fees.

2.12 Liability of Members of Board. No member of the Board shall be personally liable to any of the other Board members, to the Members or to any other person for any error or omission of the Association, its representatives and employees, or the Architectural Review Committee, provided that such Board member has, upon the basis of such information as may be possessed by him or her, acted in good faith.

5.02 Lakes, Water Bodies and Wetlands. ALL WATER AREAS ON THE PROPERTY OR NEAR THE PROPERTY, INCLUDING PONDS, LAKES AND STREAMS ARE TREATED EFFLUENT AND HUMAN CONTACT IS EXPRESSLY PROHIBITED. All lakes, ponds and streams within the Project, if any, shall be for irrigation of the golf course only, and no other use thereof, including, without limitation, swimming, motorized boating, playing or use of personal flotation devices, shall be permitted. Given the arid nature of the area of the Project and the changing laws relating to use of ponds and other water amenities, there is no guarantee or warranty by the Association that the ponds will be maintained or remain during the life of the Project. No piers or docks shall be constructed on any portion of lakes, streams or ponds, nor attached to the shoreline or banks thereof. The Association shall not be responsible for any loss, damage, or injury to any person or property arising out of the authorized or unauthorized use of lakes, ponds, or streams adjacent to or within the Project. No dredging or filling shall be undertaken on any property adjacent to any water body, except by the Association.

5.03 Easement Around Bodies of Water. There is an easement in favor of the Association, over, under and across the twenty feet (20') abutting the perimeter edges of all bodies of water located within or adjacent to the Project and abutting or adjoining the golf course, for purposes of landscaping and maintenance, at the sole discretion of the Association.

5.04 Golf Carts. Golf carts shall be allowed in any designated crossing area. Except as provided herein, golf carts are prohibited on any streets.

5.05 Operation of Golf Carts. All golf carts operated within the Project pursuant to paragraph 5.04, above, may only be operated on designated crossing areas. Operation of golf carts by unlicensed drivers or drivers under the age of eighteen (18) is strictly prohibited unless specific written authorization is issued in writing by the General Manager or the Head Professional of the Sunridge Golf Club and the legal guardian of the unlicensed driver. Operation of golf carts within the Project is prohibited before sunrise or after sunset. Operators of golf carts must obey all traffic signs and posted speed limits. Golf cart operators assume all liability for injury, damage to property or claims in any way whatsoever related to their Operation of the golf carts allowed by this Declaration.

5.06 Right of Way of Golf Carts, Easements Across Roadways. Drivers of vehicles within the Project shall yield the right of way at all times to drivers of golf carts.

5.07 Storage of Golf Carts. When not in use, all golf carts allowed by this Declaration must be stored in each respective Member's garage. At no time should a golf cart be left parked in the Member's driveway or street front overnight.

ARTICLE VI
ASSOCIATION PROPERTY

6.01 Use. Each Member of the Association who resides in the Project, and the members of his or her family who reside with them, and each lessee of a Homesite shall be entitled to use the Property of the Association, subject to:

(a) The provisions of the Association Rules and Regulations, and each person who uses any Property of the Association, in using the same, shall be deemed to have agreed to comply therewith;

(b) The right of the Association to charge reasonable dues, use fees and other fees for those facilities or amenities for which fees are normally charged or assessed;

(c) The right of the Association to suspend the rights to the use of any Property of the Association by any Member or lessee and their respective families, guests and invitees for any period during which any Assessment against the Member's property remains past due and unpaid; and, after Notice and Hearing by the Board, the right of the Association to invoke any remedy set forth in Section 3.09 and Article VIII for any other infraction of the Association Restrictions;

(d) The right of the Association to require that security deposits be made and deposited with the Association to secure all sums, and to guarantee performance of all duties, due and owing or to become due and owing to the Association;

(e) The right of the Association to allow the general public, or certain segments thereof, to use any Association Property, and in the discretion of the Board, to charge use or other fees therefor subject to subparagraph (b) above provided that the Association may not charge fees for access to public-type parks and sport fields;

(f) Such rights to use Association Property as may have been granted by the Association to others; and

(g) Such covenants, conditions, and restrictions as may have been imposed by the Association or prior owners on Association Property.

6.02 Maintenance of Association Property. The cost of maintenance and general upkeep of all Association property including all Common Area and entry landscaping shall be borne by the Association. The Association shall be responsible for all of the costs and maintenance of Association property.

6.03 Easement of Enjoyment. Every Member of the Association shall have a right and easement of enjoyment in and to the Common Area, subject to this Declaration as it may be amended from time to time and to any restrictions or limitations contained in any deed

conveying such property to the Association. Any Owner may delegate his or her right of enjoyment to the members of his or her family, tenants, members and social invitees, as applicable, subject to reasonable regulation by the Board and in accordance with procedures it may adopt. An Owner who leases his or her Unit shall be deemed to have delegated all such rights to the Unit's lessee.

Access to the Golf Course within, near or adjacent to the Property is strictly subject to the rules and procedures established by the respective owners of the Golf Course and/or Club Facilities. No Owner or occupant gains any right to enter or to use the Golf Course or Club Facilities solely by virtue of ownership or occupancy of a Homesite or Unit.

6.04 Easement for Golf Balls. Every Homesite and Common Area is burdened with an easement permitting golf balls unintentionally to come upon the Common Area and Homesites immediately adjacent to or near the Golf Course and for golfers at reasonable times and in a reasonable manner to come upon the Common Area or the exterior portions of a Homesite or Unit to retrieve errant golf balls; provided, however, if any Homesite or Unit is fenced or walled, the golfer is required to seek the Owner's permission before entry. Owners should undertake all necessary measures to protect their residence, property, guests, family members and invitees from errant golf balls. THE ACQUISITION OF A HOMESITE WITHIN THE PROPERTY ACKNOWLEDGES THAT THE OWNERS ARE EXPRESSLY ASSUMING THE RISK FOR ANY DAMAGES OCCURRING BY VIRTUE OF AN ERRANT GOLF BALL BY VIRTUE OF SUCH OWNER'S ACQUISITION OF A HOMESITE OR UNIT IN A GOLF COURSE COMMUNITY.

6.05 Damages. Each Member and lessee described above in Section 6.01 shall be liable to the Association for any damage to Property of the Association which may be sustained by reason of the negligent or intentional misconduct of such person or of his or her family, guests or invitees. If the property, the ownership or leasing of which entitles the Owner or lessee thereof to use Association Property, is owned or leased jointly or in common, the liability of all such joint or common Owners or lessees shall be joint and several. The amount of such damage may be assessed against such person's real and personal property on or within the Project, including the leasehold estate of any lessee, and may be collected as provided in Article VIII, below, for the collection of Assessments.

6.06 Damage and Destruction. In the case of destruction of or damage to Association Property by fire or other casualty:

(a) **Decision to Reconstruct.** If the Board determines to rebuild any Improvement destroyed or damaged in a manner substantially the same as that which was destroyed or damaged, it shall prepare plans and obtain bids for the plans.

(b) **Decision Not to Reconstruct.** If the Board determines not to rebuild any Improvement so destroyed or damaged, or to build facilities substantially different from those which were destroyed or damaged, if the Members, by a vote of two-thirds (2/3) of the Unit

Owners, vote to ratify such decision, the Board shall act accordingly; but if the Members do not by such percentage vote to ratify such decision, the Board shall proceed to repair or rebuild the damaged or destroyed facility pursuant to paragraph A of this Section 6.06. Should the entry landscaping and/or entry gatehouse become destroyed or damaged, the Association agrees to rebuild said entry Improvements in a manner consistent with their original condition.

ARTICLE VII
ARCHITECTURAL REVIEW COMMITTEE

7.01 Architectural Review Committee. There shall be an Architectural Review Committee (ARC) which shall consist of three (3) members or five (5) members, all of which shall be designated by the Board. There may also be two (2) alternate members, either of whom may be designated by the Committee to act as substitute on the Committee in the event of absence or disability of any member. Each member of the Committee shall hold office until such time as he or she has resigned or has been removed or his or her successor has been appointed, as provided herein. Members of the Committee may be removed by the Board at any time without cause.

7.02 Review of Proposed Construction. Whenever in this Declaration or in any Supplemental Declaration the approval of the Architectural Review Committee is required, the ARC shall have the right to consider all of the Plans and Specifications for the Improvement or proposal in question and all other facts which in its sole discretion are relevant. Except as provided in Sections 3.15 and 3.16 above, prior to commencement of any construction of any Improvement in the Project, the Plans and Specifications therefore shall be submitted to the Architectural Review Committee, and construction thereof may not commence unless and until the Committee has approved such Plans and Specifications in writing. The Committee shall consider and act upon any and all Plans and Specifications submitted for its approval pursuant to this Declaration, and perform such other duties assigned to it by this Declaration, or as from time to time shall be assigned to it by the Board, including the inspection of construction in progress to assure its conformance with Plans and Specifications approved by the Committee. The Committee shall approve Plans and Specifications submitted for its approval only if it deems that the construction, alterations, or additions contemplated thereby in the locations indicated will not be detrimental to the surrounding area or the Project as a whole, and that the appearance of any structure affected thereby will be in harmony with the surrounding structures. The Committee may condition its approval of Plans and Specifications on such changes therein as it deems appropriate, and may require submission of additional Plans and Specifications or other information prior to approving or disapproving the material submitted; The Committee may also issue rules or guidelines regarding anything relevant to its functions, including but not limited to minimum standards and procedures for the submission of Plans and Specifications for approval. Such rules shall be known as the Architectural Design Guidelines. The ARC, at its sole discretion, may require a reasonable fee to accompany each application for approval. The fee, payable in advance by Applicant, shall be used to cover the ARC and its members' reasonable costs. The Committee may require such detail in Plans and Specifications submitted for its review and such other information as it deems proper, including without limitation,

environmental impact statements. Until receipt by the Committee of all required Plans and Specifications and other information, the Committee may postpone review of anything submitted for approval.

7.03 Architectural Design Guidelines. The Architectural Review Committee shall from time to time, and in its sole discretion and upon the Board's final approval, adopt, amend and repeal by unanimous vote rules and regulations to be known as "Architectural Design Guidelines" interpreting and implementing the provisions of this Declaration and setting forth fees to be charged and procedures and design and construction criteria to be followed in submitting proposals to the Committee. A copy of the Architectural Design Guidelines as they may from time to time be adopted, amended or repealed, certified by any member of the Architectural Review Committee, shall be maintained at the office of the Association and shall be available for inspection and copying by any Member at any reasonable time during the business hours of the Association. The following minimum standards and restrictions shall apply to any construction work performed on the Property:

(a) No more than one (1) residential unit shall be constructed on any Homesite. Further, provided that one (1) residential unit may be constructed on more than one (1) Homesite in which event the Owner shall be required to pay assessments on the number of Homesites owned and constructed upon absent approval of an alternative plan by the Board.

(b) All Improvements shall be constructed in full compliance with all applicable zoning laws, building codes and other laws, ordinances and regulations applicable to the construction, use and occupancy of improvements, except as approved by Douglas County.

(c) The placement of the Improvements on a Homesite, the type of roofs, exterior materials and building shapes shall be established in such manner as to be in compliance with the Architectural Design Guidelines and determined to be reasonable in the sole discretion of the Architectural Review Committee. Although the Architectural Review Committee shall not proscribe specific building "envelopes" for each site, the Committee shall have the authority to establish standards in the Architectural Design Guidelines for the setback of buildings from the borders of Homesites.

7.04 Meetings of the Committee. The Committee shall meet from time to time as necessary to perform its duties hereunder, but such meetings shall be held at least annually or as otherwise required by law. The Committee may from time to time by resolution, unanimously adopted in writing, designate one of its members to take any action or perform any duties for and on behalf of the Committee, except the granting of variances pursuant to Section 7.08. In the absence of such designation, the vote of a majority of all of the members of the Committee, or the written consent of a majority of all of the members of the Committee taken without a meeting, shall constitute an act of the Committee.

7.05 No Waiver of Future Approvals. The approval or consent of the Committee to any Plans or Specifications for any work done or proposed or in connection with any other

matter requiring the approval or consent of the Committee, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any Plans or Specification or other matter whatsoever subsequently or additionally submitted for approval or consent by the same or a different Person.

7.06 Compensation of Members. The members of the Committee shall be entitled to reimbursement for expenses incurred by them in the performance of their duties hereunder.

7.07 Nonliability of Committee Members. Neither the Committee nor any member thereof nor the Board nor any member thereof shall be liable to the Association or to any Owner or to any other Person for any loss, damage or injury arising out of or in any way connected with the performance of the Committee's or the Board's respective duties under this Declaration unless due to the willful misconduct or bad faith of the Committee or its members or the Board of its members, as the case may be. The Committee shall review and approve or disapprove all Plans and Specifications submitted to it for any proposed Improvement, including the construction, alteration or addition thereof or thereto, solely on the basis of aesthetic considerations and the overall benefit or detriment which would result to the surrounding area and the Association generally. The Committee shall take into consideration the aesthetic aspects of the architectural designs, placement of buildings, landscaping, color schemes, exterior finishes and materials and similar features, but shall not be responsible for reviewing, nor shall its approval of any Plans or Specifications be deemed approval thereof from the standpoint of structural safety, engineering soundness, or conformance with building or other codes which may be applicable to the planned construction.

7.08 Variances. The Committee may authorize variances from compliance with any of the architectural provisions of this Declaration, any Supplemental Declaration or the Architectural Design Guidelines, including restrictions upon height, bulk, size, shape, floor area, land area, placement of structures, set-backs, building envelopes, colors, materials, or similar restrictions, when circumstances such as topography, natural obstructions, hardship, or aesthetic or environmental considerations may, in its sole and absolute discretion, warrant. Such variances must be consistent with any and all applicable law. Such variances must be evidenced in writing and must be signed by at least a majority of all of the members of the Committee and submitted for approval by a majority vote from the Board. If such a variance is granted, no violation of the covenants, conditions or restrictions contained in this Declaration, Supplemental Declaration or the Architectural Design Guidelines shall be deemed to have occurred with respect to the matter for which the variance was granted.

The granting of such a variance shall not operate to waive any of the terms and provisions of this Declaration, the Architectural Design Guidelines or any Supplemental Declaration for any purpose except as to the particular property and particular provision and in the particular instance covered by the variance.

7.09 Obligations with Respect to Zoning and Subdivisions.

The Architectural Review Committee shall require all Persons to comply fully with the zoning and master plan designations and the variances approved for the Project by the Douglas County Board of County Commissioners, and with all applicable federal, state and local laws, regulations and ordinances, insofar as the same is applicable and as the same may hereafter be amended from time to time.

ARTICLE VII
FUNDS AND ASSESSMENTS

8.01 Agreement to Pay. Each Owner, by his or her acceptance of a deed, for each Homesite or Unit owned, covenants and agrees to pay to the Association such regular and special assessments as are established, made and collected, as provided in this Declaration.

8.02 The Association Operating Fund. The Board shall establish a fund (the "The Springs Property Owners Association Operating Fund") into which shall be deposited all monies paid to the Association and from which disbursements shall be made in performing the functions of the Association under the Association Restrictions. The funds of the Association must be used solely for purposes related to the areas and Improvements owned by or leased to the Association, or subject to the Association Restrictions, to maintenance or operation by the Association, including maintenance and repair of all private roads within the Project, or otherwise for purposes authorized by the Act or this Declaration, as they may from time to time be amended.

8.03 Regular Annual Assessments. Prior to the beginning of each fiscal year, the Board shall estimate the expenses to be incurred by the Association during such year in performing its functions under this Declaration, including a reasonable provision for contingencies and appropriate replacement reserves, less any expected income and any surplus from the prior year's fund. Uniform and equal Assessments sufficient to pay such estimated net charges shall then be levied and collected as provided in this Article VIII. If the sums collected prove inadequate for any reason, including nonpayment of any individual Assessment, the Association may at any time and from time to time levy further Assessments in the same manner as aforesaid. All such regular Assessments shall be due and payable to the Association during the fiscal year in equal monthly installments on or before the first day of each month, or in such other manner as the Board may designate in its sole and absolute discretion, which shall at least be annually.

8.04 Special Assessments. In addition to the regular annual Assessments provided for above in Section 8.03, the Board may levy special Assessments, upon the property and in the manner set forth in this Article VIII, whenever in the Board's opinion such special Assessments are necessary to enable the Board to carry out the mandatory functions of the Association under the Association Restrictions, and the Board may levy such special Assessments whenever in the Board's sole discretion such special Assessments are necessary to enable the Board to carry out the optional functions of the Association under the Association Restrictions.

8.05 Notice of Special Assessments; Time or Payment. The Association may, in its discretion, give written notice of special Assessments to each Owner, which notice shall specify the amount of the special Assessment and the date or dates of payment of the same. No payment shall be due fewer than fifteen (15) days after such written notice has been given. Failure of the Association to give notice of the special Assessment shall not affect the liability of the Owner of any Unit or Homesite for such special Assessment, but the date when payment shall become due in such a case shall be deferred to a date fifteen (15) days after such notice shall have been given.

8.06 Late Charges . If any Assessment, whether regular or special, is not paid within fifteen (15) days after it is due, the Owner may be required by the Board to pay a late charge at such rate as the Board may designate from time to time and interest not to exceed the maximum amount allowed under the Act per annum.

8.07 Unpaid Assessments as Liens. The amount of any delinquent Assessment, whether regular or special, assessed against any property and any late payment charge attributable thereto, plus interest on such Assessment and charge at a rate not to exceed the maximum amount allowed under the Act per annum simple interest, and the costs of collecting the same, including reasonable attorneys' fees, foreclosure fees, late fees, interest, costs of collection shall be a Lien upon such Homesite and the Improvements thereto. Such Lien shall be prior to any declaration of homestead. Such Lien shall be created in accordance with NRS 116.3116 and shall be foreclosed in the manner provided for in NRS 116.31162, 116.31164 and 116.31168. A certificate executed on behalf of the Association stating the indebtedness secured by such Lien amount shall be conclusive upon the Association as to the amount of such indebtedness as of the date of the certificate, in favor of all Persons who rely thereon in good faith, and such certificate shall be furnished to any Owner upon request at a reasonable fee set by the Board.

8.08 Mortgage Protection. Except for the Super-Priority Lien, no lien created under this Article VIII or under any other Article of this Declaration, nor any lien arising by reason of any breach of the Association Restrictions, nor the enforcement of any provision of this Declaration or of any Supplemental Declaration shall defeat or render invalid the rights of the Beneficiary under any recorded Mortgage or Deed of Trust of first and senior priority now or hereafter upon a Homesite made in good faith and for value perfected before the date on which the assessment sought to be enforced became delinquent.

ARTICLE IX
MISCELLANEOUS

9.01 Term. This Declaration, including all of the covenants, conditions and restrictions hereof, shall run until December 31, 2050, unless amended as herein provided. After December 31, 2050, this Declaration, including all such covenants, conditions and restrictions, shall be automatically extended for successive periods of ten (10) years each, unless amended or extinguished by a written instrument executed by at least eighty percent (80%) of the Owners in the Association Project and recorded in the Douglas County real property records.

9.02 Amendment. This Declaration may be amended by the recording in the County's real property records of an instrument executed and acknowledged by the president and secretary of the Board, setting forth the amendment and certifying that such amendment has been approved by Owners entitled to cast at least fifty-one percent (51%) of the number of votes entitled to be cast pursuant to Section 2.03. Any Owner may indicate their approval of such proposed amendment either by consenting thereto in writing or by affirmative vote at a duly convened regular or special meeting of the Association.

9.03 Notices. Any notice permitted or required to be given by the Declaration shall be in writing and may be delivered either personally, by mail, or by electronic mail designated in writing by an Owner. If delivery is made by mail, it shall be deemed to have been delivered on the third day (other than a Sunday or a legal holiday) after a copy of the same has been deposited in the United States mail, postage prepaid, addressed to the Person at the address given by such Person in writing to the Association for the purpose of service of notices, or to the residence of such Person if no address has been given to the Association. Such address may be changed from time to time by notice in writing given by such Person to the Association.

9.04 Interpretation. The provisions of this Declaration shall be liberally construed to effectuate their purposes of creating a uniform plan for the development and operation of the Association and of promoting and effectuating the fundamental concepts of the Association as set forth in the Recitals of this Declaration. This Declaration shall be construed and governed under the laws of the State of Nevada.

9.05 Enforcement and Nonwaiver.

(a) **Right of Enforcement.** Except as otherwise provided herein, any Owner, at their own expense, and the Board shall have the right to enforce all of the provisions of the Association Restrictions against any property within the Association and the Owners thereof. Such right of enforcement shall include both damages for and injunctive relief against the breach of any such provision. The right of any Owner to so enforce such provisions shall be equally applicable without regard to whether the land (or other interest) of the Owner seeking such enforcement or the land (or other interest) whereon or with respect to which a violation of such provision is alleged is initially set forth on Exhibit "A" or is hereafter subjected to this Declaration pursuant to Section 3.02, above.

(b) **Violation a Nuisance.** Every act or omission whereby any provision of the Association Restrictions is violated in whole or in part is hereby declared to be a nuisance and may be enjoined or abated by any Owner, at their own expense, or by the Board, whether or not the relief sought is for negative or affirmative action. However, only the Board and the duly authorized agents of either of them may enforce by self-help any of the provisions of the Association Restrictions, and then only if such self-help is preceded by reasonable notice to the Owner in question.

(c) **Violation of Law.** Any violation of any federal, state or local law, ordinance or regulation pertaining to the ownership, occupancy or use of any property within the Association is hereby declared to be a violation of the Association Restrictions and subject to all of the enforcement procedures set forth in this Declaration.

(d) **Remedies Cumulative.** Each remedy provided by the Governing Documents is cumulative and not exclusive.

(e) **Nonwaiver.** The failure to enforce any provision of the Association Restrictions at any time shall not constitute a waiver of the right thereafter to enforce any such provision or any other provision of the Governing Documents.

9.06 Construction.

(a) **Restrictions Severable.** Notwithstanding the provisions of the foregoing Section 9.04, each of the provisions of The Springs Property Owners Association Restrictions shall be deemed independent and severable, and the invalidity or partial invalidity of any provision or portion thereof shall not affect the validity or enforceability of any other provision.

(b) **Singular Includes Plural.** Unless the context requires a contrary construction, the singular shall include the plural and the plural the singular; and the masculine, feminine or neuter shall each include the masculine, feminine and neuter.

(c) **Captions.** All Captions and titles used in this Declaration are intended solely for convenience of reference and shall not enlarge, limit or otherwise affect that which is set forth in any of the paragraphs, Sections or Articles hereof.

(d) **Liberal Construction.** This Declaration be liberally construed to promote the purpose of a well planned community, and to insure the integrity of the interrelated land uses.
