Purpose

Trutor irrevocably grants, transfers, and assigns to Trustee, in trust, with power of sale, the real property described in **Exhibit "A"** attached to this Deed of Trust, hereafter referred to as the "subject property," together with the rents, issues, and profits thereof, for the purpose of securing the following:

Trust and secured hereby, or for the purpose of supplementing or amending this Deed of Trust, or any instrument secured hereby.

ARTICLE II

Covenants of Trustors

1. Trustor covenants and agrees to pay when due all claims for labor performed and materials furnished for any construction, alterations, or repairs upon the subject property; to comply with all laws affecting subject property or relating to any alterations or improvements that may be made thereon; not to commit or permit waste thereon, nor to suffer, or permit any acts upon subject property in violation of any law, covenant, condition, or restriction affecting subject property; to maintain subject property in a good state of repair and not to make any alteration to subject property which would in any way reduce or impair its value.

2. thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

2. By accepting payment of any sum secured hereby after its due date, Beneficiary does not waive their right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.

3. Trustor and Beneficiary covenant and agree that if the subject property or any portion thereof is sold, transferred or conveyed, the Trustor shall pay to Beneficiary the lesser of (i) the net sales proceeds, after payment of Trustor's expenses, the Promissory Note secured by the prior Deed of Trust against the property, and (ii) the then remaining unpaid principal balance of the Promissory Note secured hereby, together with all accrued and unpaid interest, and Beneficiary shall execute all documents necessary to release the property sold from the lien of this Deed of Trust.

(b) Failure to perform any of the covenants contained in Article II of this Deed of Trust.

(c) The default under any of the terms of any Deed of Trust to which this Deed of Trust is subject and subordinate.

2. Upon any default, the Beneficiary may, at their option, declare the full amount of the indebtedness evidenced by the Promissory Note immediately due and payable even though the time of maturity as expressed in the Promissory Note may not have arrived, and the Beneficiary shall be entitled to enter upon and take possession of the subject property, or any part thereof, and to do and perform such acts of repair or protection as may be necessary or proper to conserve the value thereof, and to rent or lease the same or any part thereof for such rental, term and upon such conditions as they consider necessary or proper, and to collect and receive the rents, issues, and profits thereof as additional security.
