the Underground Utility Facilities in Easement Area 1 or the Additional Utility Facilities in Easement Area 2.

Grantee will be responsible for any damages, proximately caused by Grantee negligently constructing, operating, adding to, maintaining, or removing the Underground Utility Facilities and/or the Additional Utility Facilities, to any tangible, personal property or improvements owned by Grantor and located on Easement Area 1 and/or Easement Area 2 on the date Grantor signs the Grant of Easement.
