

**FIRST AMENDMENT TO THE FISCAL YEAR 2014-16 LABOR AGREEMENT
BETWEEN THE EAST FORK FIRE PROTECTION DISTRICT AND THE EAST FORK
PROFESSIONAL FIREFIGHTER BATTALION CHIEFS**

The East Fork Fire Protection District and the East Fork Professional Firefighter Battalion Chiefs hereby agree to amend Articles 6, 7, and 9 of the current labor agreement, recorded on November 12, 2014, as follows:

PA

ARTICLE 6 Salaries and Pay Practices

A. Definitions

For the purposes of this Agreement, the following terms have the indicated meaning:

“Base Hourly Wage” means the amount earned at the employee’s hourly rate. Base wage or base pay does not include incentives, overtime or additional pay, etc.

B. Step-in-Grade Pay Scale

The parties desire to maintain a pay range for each job classification as described in more detail in the summary attached as Exhibit “A” to this Agreement. In no case will any salary range adjustment result in an employee exceeding the Top Step of FP-95 for the “Battalion Chief” job classification during the term of the Agreement:

C. Merit Increases – Pay for Performance

1. The purpose of the Performance Management Plan (“PMP”) is to recognize and reward employees who demonstrate motivation, performance above the standard scope of work, and efficiency, skill, and initiative in their work, while also appropriately ranking employees who perform at or below the established level of performance for a particular position.
2. The parties’ preferred merit scoring system for use in the PMP system, when financially feasible, is based upon the following scale:

PMP Score: 100 - 97	=	7 Steps
96 - 93	=	6 Steps
92 - 89	=	5 Steps
88 - 86	=	4 Steps
85 - 0	=	No Step Increase

Scores that include a fraction will be rounded to the closest whole number. For example, a score of 92.5 would be rounded to 93. A score of 89.4 would be rounded to 89.

3. Merit increases must not result in an employee's salary to exceed the Top Step of the employee's job classification.
4. Before a change is made to the PMP evaluation process, which will impact an employee's performance rating, the District agrees to meet and confer with the Association.
5. Employees who receive a performance rating of greater than or equal to 85.5% and who are at the Top Step of their job classification will receive, in a lump sum, 75% of the merit increase they would have received if the employee's salary was not at the top of their pay range as a single lump sum payment.

By way of example: An employee whose salary is at the Top Step of the salary range for the employee's job classification and receives a performance rating that would result in a four step salary increase will receive a lump sum payment equal to 75% of the wage increase associated with a four step increase in the employee's job classification.

6. Employees who receive a performance rating of greater than or equal to 85.5% and who are near the top of their salary range will receive a merit increase sufficient to raise them the number of steps necessary to move them to the Top Step of their job classification. Additionally, the employee will receive, in a lump sum, 75% of the difference between the Top Step of their job classification and what the total wage increase would have been if the employee was not at the Top Step of their job classification.

By way of example: An employee who is near the top of the salary range and receives a performance rating that would result in a four step increase and only receives a two-step pay increase, which moves the employee to the Top Step of the employee's job classification, will receive a lump sum payment equal to 75% of the value of the remaining two-step pay increase the employee would otherwise have received.

7. The lump sum merit payment and salary increase must not exceed the amount the Pay for Performance increase would have been given if the employee were not at the top of the salary range (Top Step of the employee's job classification). Any portion of a salary increase that would otherwise increase the employee's salary above the Top Step of the employee's job classification will be paid to the individual in a lump sum payment.

8. Effective July 1, 2015, and until a successor labor agreement is ratified by the District and the Association, no merit step-increases or lump sum payments will be awarded. The term of the current labor agreement between the District and Association will end on June 30, 2016.
9. Effective the last full pay period in June 2016, all Battalion Chiefs will receive a two-step pay adjustment. The pay range will also increase two-steps at both the bottom and top step of the "Battalion Chief" salary range.

Each payment will be considered compensation for the holidays during the previous 6 month period. New employees will be compensated for a pro rata share of hours based on their hire date (e.g., an employee who is hired on March 15th with 108 days left in the semi-annual period will have his/her holiday pay calculated as follows: 108 days x 100% divided by 182.5 days = 59.18%; 59.18% of 66 hours = 39.06 hours). Should additional holidays be declared by the President of the United States, Governor of Nevada, or the Fire District Board of Commissioners, the disbursement will be increased by twelve hours for each additional holiday

An additional 1% in compensation will be paid upon termination of employment for each year of service greater than ten years to a maximum of 50%. No employee will be entitled to receive the compensation provided for by this section for accrued sick leave until he/she has served a minimum of ten years in District's employment.
3. Sick leave payoff amounts may be directed by the employee into a post-retirement medical account if a post-retirement program is developed and offered by the District. 4. At the employee's option, instead of being compensated directly for sick leave, the District, with approval of PERS, will transfer compensable sick leave at the calculation referenced in D(1) through the provided Deferred Compensation Programs offered and then, at the employee's initiative, be converted to PERS retirement credits.

E. Light/Modified Duty Assignments

1. For any employee covered by this agreement whose physical condition prevents him/her from performing his/her normal work duties as assigned, at the convenience of the District, the District may place him/her in an assignment in which the employee can perform work consistent with his/her condition. 3. The intent of this provision is to permit employees to return to work as soon as is medically possible within the requirements of applicable workers' compensation laws. Further, the parties understand that light duty refers to tasks other than the full range of the employees' regular assigned duties.
4. Nothing in this section will require the District to create a light duty assignment.
