and absolute discretion. Beneficiary may also proceed on this default by exercising the same remedies it has on this Deed.

A. To protect the security of this Deed of Trust, Trustor agrees:

- (1) That Trustor will observe and perform said provisions; and that the referenced to property, obligations, and parties in said provisions shall be construed to refer to the property, obligations and parties set forth in this deed of trust.
- (2) To complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon and to pay when due all claims for labor performed and materials furnished therefore, to comply with all laws affecting said property or requiring any alterations or improvements to be made thereon, not to commit or permit waste thereof; not to commit, suffer or permit any act upon said property in violation of law; to cultivate, irrigate, fertilize, fumigate, prune and do all other acts which from the character or use of said property may be reasonably necessary, the Specific enumerations herein not excluding the general.
- (3) Trustor agree to provide, maintain and deliver to Beneficiary at Trustor's expense, fire and extended coverage insurance in an amount of not less than the full replacement value of any building which may exist on the subject property, with loss payable to Beneficiary. Trustor shall provide fire insurance protection on Trustor's furniture, fixtures and personal property on the subject real property in an amount equal to the full replacement value thereof, and promises that any insurance coverage in this regard will contain a waiver of the insurers' right of subrogation against Beneficiary. In addition, Trustor shall, at Trustor's expense, maintain in full force policies of liability insurance and, if applicable, flood insurance, with Beneficiary as an additional insured thereunder, insuring Trustor against all claims resulting from the injury to or the death of any person or the damage to or the destruction of any property belonging to any person by reason of Beneficiary's interest hereunder or the use and occupancy of the subject real property by Trustor. Such insurance shall be in the following amounts: (1) \$500,000 combined single limit liability insurance covering property damage and bodily injury; (2) flood insurance equal to the replacement cost of the subject real property, or up to \$500,000, whichever is less, is required if the collateral is located in a flood zone. The amount collected under any fire or other insurance policy may be applied by Beneficiary upon any indebtedness secured hereby and in such order as Beneficiary may determine, or at the option of Beneficiary the entire amount so collected or any part thereof may be released to Trustor. Such application or release shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice. Trustor shall not do or omit to do any act which will in any way impair or invalidate any insurance policy required by this Deed of Trust. All insurance policies shall contain a written obligation of the insurer to notify Beneficiary in writing at least ten (10) days prior to any cancellation thereof.
- (4) To appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of the Beneficiary or Trustee; and to pay all costs and expenses, including cost of evidence of title and attorney's fees in a reasonable sum, in any such action or proceeding in which Beneficiary or Trustee may appear, and in any suit brought by Beneficiary to record, defend or collect any and all amounts due under this Deed and to foreclose this Deed.
- (5) To pay; at least ten days before delinquency all taxes and assessments affecting said property, including assessments on appurtenant water stock; when due, all encumbrances, charges and liens, with interest, on said property or any part thereof, which appear to be prior to superior hereto; all cost, fees and expenses of this Trust. Should Trustor fail to make any payment or to do any act as herein provided, then Beneficiary or Trustee, but without obligation so to do and without notice to or demand upon Trustor and without releasing Trustor from any obligation hereof, may make or do the same in such manner and to such extent as either may be deemed necessary to protect the security hereof, Beneficiary or Trustee being authorized to enter upon said property for such purposes; appear in and defend any action or proceeding purporting to affect the security hereof or the rights or powers of Beneficiary or Trustee; pay, purchase, contest or compromise any encumbrance, charge or lien which

in the judgment of either appears to be prior or superior hereto; and, in exercising any such powers, pay necessary expenses, employ counsel and pay their reasonable fees.

- (6) To pay immediately and without demand all sums so expended by Beneficiary or Trustee, with interest from date of expenditure at the amount allowed by law in effect at the date hereof, and to pay for any statement provided for by law in effect at the date hereof regarding the obligation secured hereby any amount demanded by the Beneficiary not to exceed the maximum allowed by law at the time when said statement is demanded.
- (7) Trustor shall hold Trustee and Beneficiary harmless from, and indemnify them for, any and all claims raised by any third party against Trustee or Beneficiary resulting from their interests hereunder or the acts of Trustor. Such indemnification shall include reasonable attorney's fees and costs, including cost of evidence of title.
- (8) Trustor shall take reasonable care of the property and any structures thereon. Trustor shall commit, permit no waste, and do no act which will unduly impair or depreciate the value of the property. If Trustor fails to take reasonable care as required, then Beneficiary or Trustee, at their option, may make necessary repairs and apply the same, including reasonable attorney's fees, upon any indebtedness secured hereby, and in such order as Beneficiary may determine in its sole and absolute discretion. Trustor shall not abandon any water rights, power rights or any rights of whatever nature which are appurtenant to the property.
- (9) As used in this Section 9: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of jurisdiction where the property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Trustor, shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release and Hazardous Substances, on or in the property. Trustor shall not do, nor allow anyone else to do, anything affecting the property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use or release of a Hazardous Substance, creates a condition that adversely affects the value of the property. The preceding two sentences shall not apply to the presence, use, storage on the property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the property.

Trustor shall promptly give Beneficiary and Trustee written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the property and any Hazardous Substance or Environmental Law of which Trustor has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of a Hazardous Substance which adversely affects the value of the property. If Trustor learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the property is necessary, Trustor shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Beneficiary or Trustee for an Environmental Cleanup.

- (10) At all convenient and reasonable times, upon prior notice to Trustor, Beneficiary or Trustee shall have the right and license to go on and into the property to inspect it in order to determine whether the provisions of this Deed are being kept and performed

B. It is mutually agreed:

- (1) That any award in connection with any condemnation for public use of or injury to said property or

any part thereof is hereby assigned and shall be paid to Beneficiary, who may apply or release such monies received by him in the same manner and with the same effect as above provided for disposition of proceeds of fire or other insurance.

- (2) That by accepting payment of any sum secured hereby after its due date. Beneficiary does not waive his right either to require prompt payment when due of all other sums so secured or to declare default for failure so to pay.
- (3) That at any time or from time to time, without liability therefore and without notice, upon written request of Beneficiary and presentation of this Deed and said Note for endorsement, and without affecting the personal liability of any person for payment of the indebtedness secured hereby, Trustee may; reconvey any part of said property; consent to the making of any map or plat thereof; join in granting any easement thereon, or join in any extension agreement or any agreement subordinating the lien or charge hereof.
- (4) That upon written request of Beneficiary stating that all sums secured hereby have been paid, and upon surrender of this Deed and said Note to Trustee for cancellation and retention or other disposition as Trustee may choose and upon payment of its fees, Trustee shall reconvey, without warranty, the property then held hereunder. The recitals in such RECONVEYANCE of any matters or facts shall be conclusive proof of the truthfulness thereof. The grantee in such reconveyance may be described as "the person or persons legally entitled thereto." Five years after issuance of such full RECONVEYANCE, Trustee may destroy said Note and this Deed (unless directed in such request to retain them).
- (5) That Trustor absolutely and unconditionally hereby assigns, transfers, conveys and sets over to Beneficiary all the Rents; provided, however, prior to any default by Trustor in the payment, observance, performance and discharge of any condition, obligation, covenant or agreement of Trustor contained herein, Trustor shall have the right as the agent and fiduciary representative of Beneficiary for collection and distribution purposes only, to collect and receive the Rents as they become due and payable to be applied by Trustor to the payment of the principal and interest and all other sums due or payable on said promissory note and to the payment of all other sums payable under this Deed of Trust and, thereafter, so long as no default as aforesaid has occurred, the balance shall be distributed to the account of Trustor. Upon any such default, Beneficiary may at any time without notice, either in person, by agent or by a receiver to be appointed by a court, and without regard to the adequacy of any security for the indebtedness hereby secured, enter upon and take possession of the Property or any part thereof, in its own name or in the name of Trustor, sue for or otherwise collect the Rents, including those past due and unpaid and apply the same, less costs and expenses of operation and collection, including reasonable attorneys' fees and expenses, to the payment of the principal and interest and all other sums due or payable on said promissory note and to the payment of all other sums payable under this Deed of Trust and in such order as Beneficiary may determine. The entering upon and taking possession of the Property, the collection of the Rents and the application thereof as aforesaid, shall not cure or waive any default or notice of default hereunder or invalidate any act done pursuant to such notice.

All leases and rental agreements now or hereafter affecting the Real Property, including all oil and gas leases and other subsurface leases and the royalties derived therefrom, are hereby assigned and transferred to Beneficiary by the Trustor, and Trustor hereby agrees and covenants that none of said leases of rental agreements will be modified or terminated without the consent in writing of Beneficiary. Trustor shall provide to Beneficiary a non-disturbance and attornment agreement, in form acceptable to Beneficiary, executed by each tenant under a lease or rental agreement for a portion of said Real Property executed after the date hereof.

Trustor agrees that it will not (a) execute any further assignment of any of its right, title and interest in the Rents without the prior written consent of Beneficiary; (b) accept prepayments of any installments of Rents to become due under any leases or rental agreements in excess of one (1) month except prepayments in the nature of security which security will not exceed an amount equal to one (1) month's rent under the lease or rental agreement; (c) with respect to any lease or rental agreement having a term of two (2) years or more, Trustor will not terminate, amend or modify any such lease or rental agreement without the prior written consent of the Beneficiary or

- (6) That upon default by Trustor in payment of any indebtedness secured hereby or in performance of any agreement hereunder, Beneficiary may declare all sums secured hereby immediately due and payable by delivery to Trustee of written declaration of default and demand for sale and of written notice of default and of election to cause to be sold said property, which notice shall cause to be filed for record. Beneficiary also shall deposit with Trustee this Deed, said Note and all documents evidencing expenditures secured hereby.

After the lapse of such time as may then be required by law following the recordation of said notice of default, and notice of sale having been given as then required by law, Trustee, without demand on Trustor, shall sell said property at the time and place fixed by it in said notice of sale, either as a whole or in separate parcels, and in such order as it may determine, at public auction to the highest bidder for cash in lawful money of the United States, payable at the time of sale. Trustee may postpone sale of all or a portion of said property by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by public announcement at the time fixed by the preceding postponement. Trustee shall deliver to such purchaser its deed conveying the property so sold, but without any covenant or warranty, express or implied. The recitals in such deed of any matters or facts shall be conclusive proof of the truthfulness thereof. Any person, including Trustor, Trustee, or Beneficiary as hereinafter defined, may purchase at such sale.

After deducting all costs, fees and expenses of trustee and of this Trust, including costs of evidence of title in connection with sale, Trustee shall apply to proceeds of sale to payment of: all sums expended under the terms hereof, not then repaid, with accrued interest at the amount allowed by law in effect at the date hereof; all other sums then secured hereby; and the remainder, if any, to the person or persons legally entitled thereto.

- (7) Beneficiary, or any successor in ownership of any indebtedness secured hereby, may from time to time, by instrument in writing, substitute a successor or successors to any Trustee named herein or acting hereunder, which instrument, executed by the Beneficiary and duly acknowledged and recorded in the office of the recorder of the County or Counties where said property is situated, shall be conclusive proof of proper substitution of such successor Trustee or Trustees, who shall, without conveyance from the Trustee predecessor, succeed to all its title, estate, rights, powers and duties. Said instrument must contain the name of the original Trustor, Trustee and Beneficiary hereunder, the book and page where this Deed is recorded and the name and address of the new Trustee.
- (8) That this Deed applies to, insures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term Beneficiary shall mean the owner and holder, including pledgees of the note secured hereby whether or not named as Beneficiary herein. In this Deed, whenever the contest so requires, the masculine gender includes the feminine and/or neuter, and the singular number includes the plural.
- (9) That Trustee accepts this Trust when this Deed, duly executed and acknowledged, is made a public record as provided by law. Trustee is not obligated to notify any party hereto of pending sale under any other Deed of Trust or of any action or proceeding in which Trustor, Beneficiary or Trustee shall be a party unless brought by Trustee.
- (10) If all, or any part, of the subject property, or any interest therein, is sold, conveyed, alienated or transferred (or if a beneficial interest in Trustor is sold or transferred and Trustor is not a natural person), whether voluntary or involuntarily, without Beneficiary's prior written consent, Beneficiary shall have the right, at its option, except as prohibited by law, to declare any indebtedness or obligations secured hereby, irrespective of the maturity date specified in any Note evidencing the same, immediately due and payable. If Beneficiary exercises this option, Beneficiary shall give Trustor notice of acceleration. The notice shall provide a period of not less than 10 days from the date the notice is delivered or mailed within which borrower must pay all sums secured by this Deed of Trust. If Trustor fails to pay these sums prior to the expiration of this period, Beneficiary may invoke any remedies permitted by this Deed of Trust without further notice or demand on Borrower.

Lender requests that copies of notices of foreclosure from the holder of any lien which has priority over this Deed of Trust be sent to lender's address, as set forth on page one of this Deed of Trust.

The undersigned Trustor requests that copies of any Notice of Default and Notice of Sale be mailed to him at his address hereinbefore set forth.
