ORDER RE MOTION FOR
ATTORNEYS' FEES AND COSTS

Before: KIRSCHER, JURY and TAYLOR, Bankruptcy Judges.

The Panel received and considered appellee's motion for attorneys' fees and costs under Fed. R. Bankr. P. 8020 and appellant's opposition thereto.

We find this appeal frivolous. The merits of the foreclosure action were not at issue in this appeal, merely whether appellee had demonstrated the de minimis showing required to establish standing to obtain relief from the automatic stay. A writ of possession establishes such standing, even if the underlying foreclosure remains in dispute on appeal in another forum. The fact that there was a final disposition on the

validity of the foreclosure in another court, albeit on appeal,
is the linchpin of a finding of frivolity here.

Appellee's motion is GRANTED. Appellee is hereby awarded
\$14,815.00 in reasonable attorney's fees and single costs of
\$509.92 for a total of \$15,324.92, jointly and severally against
appellant and her counsel, Tory M. Pankopf.
