## **ARTICLE 3            Recognition**

### **A.        Recognition**

The District recognize the Association as the sole and exclusive collective bargaining agent for all employees within job classifications covered by this Agreement who are presently employed or subsequently hired by the District. The District also recognizes the Association as representing the personnel engaged in fire prevention/investigation, suppression, medical services, and fire equipment/apparatus repair and maintenance within the boundaries of the District. It is further agreed that the District will consult with the Association regarding any new classifications created by the District and shall determine whether such new classification shall be included within the bargaining unit pursuant to the requirements of NRS chapter 288 and added to the list of represented job classifications in Article 3, Section B(1).

The District and the Board of Fire Commissioners agree to not enter into any other agreement, whether written or verbal, with the employees covered under this bargaining unit, whether individually or collectively. The District and Association shall agree upon any changes to existing job classifications.

Support roles shall be defined as Fire Captain/Investigator, Fire Inspector, and Fire Master Mechanic/Equipment Technician.
3. Excluded from the bargaining unit are all seasonal, volunteer, administrative and confidential employees.

**C. Safety Staffing**

1. The District recognizes the need for additional staffing and agrees to work with the Association to achieve staffing levels recommended by the National Fire Protection Association (NFPA 1710) commensurate with the overall goals of firefighter safety and sustainable funding. The District and Association will work together to achieve a minimum number of personnel on each apparatus placed into service on a permanent, 24-hour per day basis as follows by no later than April 2, 2017:

3. If the District reduces shift staffing below eighteen (18) bargaining unit members per shift, the District will first notify the Association. The Association has the ability to request to meet and negotiate over the impacts and effects of any reduction in staffing below eighteen (18) bargaining unit members covered by this Agreement.

4. At a minimum, an entire Engine company will cross-staff a Truck placed into service.

5. Pursuant to Article 5(B), the District reserves the right to provide staffing under emergency situations that may deviate from the minimum staffing goals listed above.

**D. Employee Relations Liaison**

The Association will provide a liaison to work with the District's Executive Office Manager or designee. The liaison will be appointed by the Association president. The duties of the liaison will include assisting with the administration of payroll, employee relations, benefits management, time and attendance management or additional tasks as directed by the District. The District and Association will equally share the cost of any training that is considered necessary by the District's Executive Office Manager. ## **ARTICLE 4 Association Rights**

### **A. Bulletin Boards**

The District will furnish bulletin board space for the use of the Association where currently available. Only areas designated by the District for Association use may be used for posting notices. Bulletin boards will only be used for the following notices:

All notices posted by the Association must be dated and signed by a member of the Association's Executive Board. The District's equipment, materials, supplies, or interdepartmental mail systems will not be used by the Association for the preparation, reproduction, or distribution of notices, except as specifically allowed in Article 4, Sections B and C below, nor will such notices be prepared by District's employees during public access hours.

### **B. Interdepartmental / Electronic Mail System**

The District will allow limited use of the District's interdepartmental mail system and the District's e-mail system. Such use will not include mass mailings of materials not suitable for posting under Section A of this Article. All use of the District's e-mail system is subject to the District's internet and e-mail policies, including the provision that no reasonable expectation of privacy exists for messages placed on the system, and that all messages are subject to the Nevada Public Records Law and other applicable laws. The Association will use interdepartmental mail and email systems at its own risk.

### **C. Use of the District's Copiers and Computers**

2. All copying and computer use will be done outside of public access hours, unless authorized by management.

3. The use of the District's equipment by the Association will not interfere with District's business.

**D. Dues Deductions**

The District will provide payroll deductions for Association dues at no cost to the Association or its members on the following terms:

1. **Authorization**

The District will deduct dues from the salaries of Association members and remit the total deductions to the designated Association officer(s) on a biweekly basis. However, no deductions will be made except in accordance with the terms of a deduction authorization form individually and voluntarily executed by the employee for whom the deduction is made. The deduction authorization form will clearly explain any restrictions on the employee's right to terminate his/her dues deduction authorization that is imposed by the Association. No restriction imposed by the Association may require the employee to remain a member or continue automatic dues deductions beyond the end of the calendar month in which the employee terminates his/her membership or authorization for deductions.

2. **Amount of Dues**

The Association will certify to the District in writing the current rate of membership dues. The Association will notify the District of any change in the membership dues at least sixty (60) days prior to the effective date of such change.

3. **Indemnification**

The Association will indemnify and hold the District and its elected officials, officers, employees and agents harmless against any and all claims, demands, suits, and all other forms of liability or costs that may arise out of or are related to any action taken by the District under the provisions of Article 4.

**E. Use of District's Facilities**

The District will permit the use of the District's meeting room facilities by employees and the Association provided such use does not interfere with the District's operations or scheduled activities. Facilities used by the Association will be scheduled in accordance with the District's adopted scheduling procedures to avoid conflicts in facility use.

**F. Meals**

Each shift employee will be responsible to pay for his or her own meals. The Association will collect a monthly assessment to supply basic

condiments supporting the employee's meals. There shall be no cost to the District regarding meals.

## **ARTICLE 5**

### **District's Rights and Responsibilities**

- A.** Those subject matters that are not within the scope of mandatory bargaining and that are reserved solely to the District without negotiation include:
1. The right to hire, direct, assign or transfer an employee, but excluding the right to assign or transfer an employee as a form of discipline.
  2. The right to reduce in force or lay off any employee because of lack of work or lack of adequate funding, subject to the Reduction-In-Force procedures in Article 12 (Effects of Layoff).
  3. The right to determine:
    - a. Appropriate staffing levels and work performance standards, except for safety considerations;
    - b. The content of the workday including, without limitation, workload factors, except for safety considerations;
    - c. The quality and quantity of services to be offered to the public; and
    - d. The means and methods of offering those services.
  4. The safety of the public.
- B.** Notwithstanding the provisions of any collective bargaining agreement negotiated pursuant to NRS Chapter 288, the District is entitled to take whatever actions may be necessary to carry out their responsibilities during emergencies such as a riot, military action, natural disaster or civil disorder. Those actions may include the temporary suspension of this collective bargaining agreement for the duration of the emergency. The parties mutually agree that any action taken under the provisions of this subsection will not be construed as a failure to negotiate in good faith or a breach of this agreement.
- C.** The provisions of NRS Chapter 288 and this Article recognize and declare the ultimate right and responsibility of the District to manage their operations in the most efficient manner consistent with the best interests of all its citizens, taxpayers and employees.
- D.** This Article does not preclude, but NRS Chapter 288 and this subsection does not require, the District to negotiate subject matters enumerated above which are outside the scope of mandatory bargaining. The District shall discuss subject matters outside the scope of mandatory bargaining but the District is never required to negotiate those matters that are not the subject of mandatory bargaining.

## **ARTICLE 6**

## **Salaries and Pay Practices**

### **A. Step-in-Grade Pay Scale**

The parties desire to maintain a pay range for each job classification as described in more detail in the summary attached as Exhibit "A" to this Agreement. Notwithstanding any other provision of this Agreement, in no case will any salary increase or wage adjustment result in an employee exceeding the maximum hourly rate shown in Exhibit "A."

### **B. Merit Increases – Pay for Performance**

1. The District and Association agree to abandon the current Performance Management Plan (PMP) maintained by Douglas County and to work together to secure an evaluation tool that will not be associated with merit-related wage adjustments but will, instead, focus on an employee's performance and professional development.
2. Wage adjustments will be based on negotiated increases within the ranges of compensation for the various positions covered under this Agreement and in a manner that facilitates the employee's ability to move through each job classification range at a rate mutually agreed upon by the parties.

### **C. Working Above Job Classification or Working in an Acting Position/Job Classification**

Any employee assigned to work in an acting classification of Paramedic, Engineer, Fire Captain or Battalion Chief will be compensated with an additional 5% of pay for all time worked in an acting capacity. This provision excludes trades between employees. Temporary promotions are subject to the conditions of Article 14.

### **D. Call Back (for employees hired on or before July 1, 2008).**

#### **1. Call Back Defined**

"Call-back" is defined as compensation earned for returning to duty after an employee has completed his/her regular shift, is off duty for any period of time, and is requested to return to duty with less than 12 hours' notice pursuant to the requirements of the Nevada Revised Statutes.

#### **2. Call Back Pay**

Call back is paid at one and one-half (1.5) times the employees hourly rate and is paid for a minimum of two (2) hours or time actually worked, whichever is greater.

**E. Call Back** (for employees hired after July 1, 2008).

1. Except as it may conflict with Nevada Administrative Code at 284.214, "call-back pay" is defined as compensation earned for returning to duty after an employee has completed his/her regular shift and is requested to return to duty with less than 12 hours' notice to respond to an emergency, except for any employee who is (1) called into work while on standby status, (2) not required to leave the premises where he/she is residing or located at the time of notification in order to respond, or (3) called back to work if the work begins 1 hour or less before or after his/her scheduled work shift.
2. For the purpose of this Article 6, "Emergency" means a sudden, unexpected occurrence that is declared by the governing body or chief administrative officer of the public employer to involve clear and imminent danger and require immediate action to prevent and mitigate the endangerment of lives, health or property.
3. **Call Back Pay**  
Call back is paid at one and one-half (1.5) times the employees hourly rate and is paid for a minimum of two (2) hours or time actually worked, whichever is greater.

**F. Call Back** (for employees hired after January 1, 2010).

1. "Call Back" is defined as returning to duty within 12 hours after one's regular working hours to respond to an emergency.
2. For the purpose of this Article 6, "Emergency" means a sudden, unexpected occurrence that is declared by the governing body or chief administrative officer of the public employer to involve clear and imminent danger and require immediate action to prevent and mitigate the endangerment of lives, health or property.
3. **Call Back Pay**  
Call back is paid at one and one-half (1.5) times the employees hourly rate and is paid for a minimum of two (2) hours or time actually worked, whichever is greater.

**G. Compensatory Time**

**40-Hour Employees**

Full-time, non-shift employees working more than normally scheduled hours may elect to receive compensatory time off in lieu of receiving overtime pay. Compensatory time may be accrued to a maximum of 184 hours and may be banked for up to 24 months, but will be paid at the pay rate when it is was accrued.

## **H. Overtime**

### **1. Overtime Defined**

Overtime hours will be as defined by Fair Labor Standards Act ("FLSA") regulations. Any changes to the District's overtime filling practices or procedures will be agreed upon by the Association prior to implementation.

### **2. FLSA Hours**

Each employee scheduled to work 56 hour shifts will be compensated 3 hours per pay period at straight time regardless of the actual number of hours worked.

### **3. Compensatory Time for 40-hour employees**

Employees scheduled to work forty (40) hours per week earning overtime pay may elect compensatory time off in lieu of overtime paid. Said compensatory time off must be used within sixty (60) calendar days or it will be paid in the next pay period at the overtime rate unless this timeframe is extended in writing by the Fire Chief or designee. This section does not apply to 56-hour employees assigned to 24-hour shifts.

## **I. Holiday Pay**

### **1. 56-Hour Shift Employees**

56-hour employees on a twenty-four hour schedule will receive two (2) lump sum allowances of sixty-six (66) hours of straight time wages on the first pay dates in December and June in lieu of working holidays. Each payment will be considered compensation for the holidays during the previous six-month period. New employees will be compensated for a pro rata share of hours based on their hire date (e.g., an employee who is hired on March 15<sup>th</sup> with 108 days left in the semi-annual period will have his/her holiday pay calculated as follows:  $108 \text{ days} \times 100\% \text{ divided by } 182.5 \text{ days} = 59.18\%$ ;  $59.18\% \text{ of } 66 \text{ hours} = 39.06 \text{ hours}$ ). Should additional holidays be declared by the President of the United States, Governor of Nevada, or the Fire District Board, the disbursement will be increased by twelve hours for each additional holiday declared. Employees who leave the District's employment prior to the first pay dates in December and July will not be eligible for the previous six months of holiday pay.

### **2. 40-Hour Employees**

Employees working 40-hour work weeks will receive one-half (1.5) times their Base Hourly Wage or compensatory time at one-half (1.5) times their Base Hourly Wage if scheduled or required to work a holiday designated by the United States, the State of Nevada or the District.

**J. Uniform Allowance**

1. The District will provide an annual uniform allowance of \$900 per employee. Four Hundred and Fifty Dollars (\$450) will be paid to the employee on the first pay dates in December and June of each year during the term of this contract for the prior six-month periods.
2. Any changes to the District's uniform procedure, or changes to the uniform requirements directed by the District, will be implemented only after the District meets and confers with the Association. This uniform allowance is all inclusive of uniforms, personal bedding and laundering, professional cleaning or personally desired and District approved safety equipment.
3. The parties may develop a uniform procedure and standard supply process.
4. All new employees will be eligible to charge to an authorized vendor and/or to receive reimbursement for approved uniform items not to cumulatively exceed \$1,200. Receipts for uniform items must be submitted for reimbursement. After the successful completion of the initial probation period, a new employee will receive the next scheduled uniform allowance payment per Article 6(J)(1).
5. Any new employee who fails to pass probation shall turn in all equipment or uniforms issued or purchased through the provisions of this Article 6 to the District. Any purchased uniforms or equipment lost or damaged during the probation period shall be reimbursed to the District by the departing employee. The District may require probationary employees to sign an agreement that allows the District to deduct the costs of unreturned equipment or uniforms from a separating employee's check or provide other relief. The District is solely responsible for this uniform program, including its creation and implementation.

**K. Tuition Reimbursement**

1. The District will reimburse full-time employees for their educational costs for coursework or specialized training that the District believes is beneficial.
2. Both credit-yielding courses from accredited academic institutions of higher learning and non-credit yielding technical training courses are eligible for consideration for tuition reimbursement. Tuition or class fees will be reimbursed for non-credit yielding courses if the subject matter directly relates to an employee's job description and/or future jobs within the District to include:

Hazardous Materials  
Various Rescue Disciplines and Specialties  
EMS Recertification Courses  
Vehicle and Machinery Extrications  
Explosive Ordinance Disposal  
Wildland Firefighting

3. To be eligible to receive tuition reimbursement, employees must have regular, full-time status and at least one year of service with the District prior to taking any course to be eligible to receive tuition reimbursement.

4. Tuition reimbursement will occur under the policies stated in the East Fork Fire Protection District Procedures Manual, Policy 308.03 (Training and Tuition Reimbursement).

**L. Hazardous Materials Team Assignment Incentive**

Employees certified to the levels defined in NFPA 1670, "Technical Rescue," assigned to a recognized team officially established by the District and assigned to that team by the District Fire Chief will receive a Hazardous Material Incentive payment provided that the required certification and all team requirements, as established by the Districts, are met.

Effective the first full pay period of July 2014, the Hazardous Materials Incentive is equal to one and one half percent (1.5%) of the qualifying employee's Base Hourly Wage.

**M. Paramedic Preceptor Incentive**

perform in the Preceptor capacity for a minimum of 240 hours and must follow all operational guidelines and protocols established by the District. Preceptor incentive pay will be received following the documented completion of the internship. All necessary documentation will be forwarded to the District.

The selection of Paramedic Preceptor is within the sole discretion of the District. If for any reason a selected employee is unable to complete the Preceptor rotation, then the District will select an alternate and compensate the alternate as provided above.

**N. Paramedic Certification Incentive**

1. Any Fire Captain assigned to the Training and Safety Assignment (the "Training Assignment") will receive Training and Safety Assignment incentive pay equal to six percent (6%) of the Base Hourly Wage of the Captain filling the assignment (the "Training Incentive"). The Training Incentive will commence on the first day the Training Assignment is accepted.

2. After filling the Training Assignment for 12 months, the Training Incentive will increase to a total of nine percent (9%) of the Base Hourly Wage of the Captain filling the Training Assignment after acting within the Training Assignment for at least 12 consecutive months.

3. After filling the Training Assignment for 24 months, the Training Incentive will increase to a total of twelve percent (12%) of the Base Hourly Wage of the Captain filling the training Assignment and will remain at 12% during the remainder of the time the Captain fills the Training Assignment.

4. Any Fire Captain performing the Training Assignment will continue to receive a PMP evaluation on the Fire Captain's promotional date.

5. When a Fire Captain leaves the Training Assignment and resumes the regular duties of a Fire Captain, the Fire Captain will no longer be eligible to receive the Training Incentive and will only receive the employee's Base Hourly Wage and any other incentive pay the employee is otherwise entitled to receive.

6. If a Fire Captain that is filing the Training Assignment is promoted to Battalion Chief, then the Fire Captain will receive a promotional salary increase of 7 steps above his or her current base wage plus the Training Incentive s/he was receiving immediately prior to his or her promotion.

However, the regularly scheduled employee shall be compensated as if he/she had worked his/her normal schedule for the traded shift for FLSA purposes. Where overtime is required as the result of an Employee's inability to fill a shift trade, the Employee failing to fill a shift shall have his/her annual or sick leave balance, as appropriate, reduced hour for hour up to twenty-four (24) hours.

2. All fire suppression employees must successfully complete the NV/CA Firefighter Interagency Recruitment and Examination Academy ("Regional Academy") after being hired and before being assigned to suppression duties as a 56-hour employee. 1. Any employee who has not completed the initial "at will" probationary period in the lower classification and accepts a promotion may have four (4) additional bi-weekly pay periods extended to the employee's initial "at will" probation but in no event shall any employee serve a cumulative "at will" probationary period of longer than thirty (30) bi-weekly pay periods. ## ARTICLE 12

## Effects of Layoff/ Resignation

### A. Layoff Order

Employees will be laid off based on lowest level of Departmental seniority in accordance with Articles 5 (District's Rights and Responsibilities) and 13 (Seniority).

### B. Notice

Employees due to be laid off will be given written notice of such layoff at least thirty (30) calendar days prior to the effective date.

### C. Bumping

In lieu of being laid off, an employee may elect to demote to any job classification of a lower maximum salary within the same job classification. An employee being bumped will be treated as if laid off and will have any bumping rights granted to the employee under a labor contract with the District. A decision to bump must be made by the affected employee within seven (7) calendar days of notification that they will be laid off.

### D. Posting

The names of permanent and probationary employees laid off, will be placed on the reemployment list for thirty-six (36) months. All employees eligible for rehire status must meet all eligibility requirements of the position. - F. The layoff process may be adjusted to meet specific circumstances or other alternatives considered to meet the needs of the District and Association, which must be mutually agreed upon in writing by both parties. The parties will meet and confer on any adjustments regarding the layoff prior to any layoff being implemented.

## ARTICLE 13

## Seniority

### A. Types of Seniority

Two types of seniority will be established: Departmental (overall) Seniority and Rank (time in grade) Seniority.

1. Departmental Seniority will be determined by the following criteria:
  - a. An employee's Departmental Seniority will be determined based upon continuous full time employment with the District as determined by the hire date for a full time position.
  - b. For the purpose on settling a tie, should two or more employees have the same hire date, the tied employee's seniority will be based upon their order on the ranked hiring list. If employees are tied on hiring list, the tied employee's seniority will be determined by the Fire Chief.
  - c. Continuous service will be broken only by resignation of a full time position, discharge, or retirement.
2. Rank Seniority will be determined by the following criteria:
  - a. An employee's Rank Seniority will be determined based upon the date an employee is hired or promoted into the rank in which they hold.
  - b. For the purpose on settling a tie, should two or more employees have the same hire/promotion date, the tied employee's seniority will be based upon their order on the ranked hiring/promotion list. If employees are tied on hiring/list, the tied employee's seniority will be based upon Departmental Seniority.
  - c. An employee that is demoted to a lower rank will be placed within that lower ranks seniority list, based upon the date in which they would have originally qualified for placement in that rank. If any ties exist, the above procedure will be used to determine seniority.

### B. Seniority List

1. Upon completion of this agreement, lists defining the Departmental and Rank Seniority will be agreed upon. These lists will become the only working and approved seniority lists.
2. The list will be updated upon any changes within seniority. The changes will be agreed upon between the Fire Chief or their designee and the Association President or his or her designee.

Once agreed upon, the list will be distributed to the District office, all staffed stations and the Association's Secretary.

## **ARTICLE 14**

### **Promotion/Demotion**

**A.** The District will consider its own qualified employees for promotional opportunities at the discretion of the Fire Chief up to and including all positions recognized by Article 3 of this agreement prior to considering qualified outside applicants.

1. The District will maintain ranked promotional eligibility lists for two years for positions listed in Article 3, Section B(1).
2. Eligible employees will have the prerequisite certifications and experience for the position being tested. The District will not lower the prerequisite certifications and experience if no qualified employee candidates exists.

**B.** Nothing in this Agreement will prohibit the District from hiring an outside applicant for any position if, in the sole discretion of the Fire Chief or other hiring authority, no employee applicant possesses the necessary qualifications, credentials and skills for the position.

**C.** The District reserves the right to design, develop, and administer all testing procedures. Prior to the posting of testing procedures, the Association President or his/her designee will be provided an overview of the test components for review and comment.

These procedures may consist of written test, assessment centers, candidate schools, intern programs or a mixture of these components. The District will be responsible for ensuring that all aspects of the promotional process are competitive, content valid, and reflective of the position for which the process is intended to fill. The weighting of each aspect of the procedures will be determined by the District. The District will have the exclusive authority to determine the passing scores for each component of the promotional process and determine the number of candidates that move on to the next step of the promotional process.

**D.** Employees promoted to a position in a higher classification will receive a promotional pay increase of seven steps. However, any promotional pay increase may not result in a salary that either exceeds the top of the new pay range or is lower than the bottom of the new pay range. Employees that are demoted, either voluntarily or involuntarily, to a position in a lower job classification will receive a salary decrease of at least seven steps. The new pay rate must not exceed the top of the new pay range of the new job classification.

**E.** The District will conduct a performance review of any person within a position/classification for more than six (6) months that is promoted into a

higher position/classification. A prorated merit increase will be applied to the salary before determining promoted salary. Prorated amount will be based upon the length of time in the position since the last evaluation period.

- F. After the probationary period expires, members wishing to transfer back to their respective position will apply in writing. Requests in writing for transfer back to their former position will be honored without prejudice as vacancies permit. Such members will assume their former classification at a pay rate as outlined in D above. For a period of one year following the date of transfer the employee will not be eligible for promotion during this period. This one year period shall not be considered probationary.
- G. The District retains the right to temporarily promote an employee to the positions of engineer, captain, battalion chief to replace an employee injured on duty, as documented by a treating physician, or who has accepted a light duty assignment, has elected to use Leave Without Pay, or is deployed for military service for more than 12 full pay periods (the "Absent Employee"). The temporary promotion will take effect after the Absent Employee has missed work for four consecutive pay periods as calculated from the first shift the Absent Employee fails to report for duty. No temporary promotion will exceed 12 full pay periods and the employee will be entitled to receive a promotional pay increase under Article 14.D.

After the temporarily promoted employee has worked 12 full pay periods, the Absent Employee will be evaluated by his or her treating physician to determine if the employee may return to work. If the physician determines that the Absent Employee is expected to be able to return to work within four full pay periods, then no further temporary promotions will occur. If the Absent Employee is expected to be unable to return to work within four full pay periods, the District may make another temporary promotion.

The District agrees that any temporary promotion will be filled in the descending order of the current promotional list for the position to be filled. If there is no current promotional list or no qualified candidate, the District Fire Chief may interview qualified candidates and make temporary promotions.

- H. The Engineer, Captain, and Battalion Chief examinations will be given no less than every two calendar years unless another schedule is mutually agreed on by both parties. The Battalion Chief and Engineer exams shall alternate years with the Captain exam. Exams shall not be conducted June 1 to September 30 of a given year and no two exams shall occur within six months of each other.

The following is the scheduled testing cycle:

Battalion Chief testing will commence in the spring of 2017.  
Fire Captain testing will commence in the spring of 2018.  
Engineer testing will commence in the fall of 2018.

**ARTICLE 15      Retirement**

## Grievance Procedures

### A. Definitions

1. Grievance

A grievance is a claimed violation, misapplication, or misinterpretation of a specific provision of this Agreement which adversely affects the grievant. The exercise or lack of exercise of a District Right (Article 5) is not grievable. The grievance procedures of this contract may not be used to collaterally or otherwise challenge or attack separate judicial, quasi-judicial, or administrative proceedings.

2. Grievant

A grievant is a person employed by the District and represented by the Association pursuant to the terms of Article 3 who has submitted a grievance as defined above. Alleged violations, misapplications, or misinterpretations which affect more than one employee in a substantially similar manner may be consolidated at the discretion of the District or the Association as a group grievance and will thereafter be represented by a single grievant. The Association may be a grievant in cases limited to alleged violations of sections which provide specific benefits to the Association (excluding Article 5).

3. Grievance Committee (Executive Board)

The Grievance Committee shall include at least four members of the Executive Board and the grievant.

4. Day

The term "day" will mean a business day, excluding all holidays recognized by the District.

### B. Process

1. Grievance Determination (Step 1)

The Grievance committee, upon receiving a written and signed petition, shall determine if, in their opinion, a grievance exists. If in their opinion no grievance exists, no further actions shall be taken.

2. Informal Resolution (Step 2)

If the Grievance Committee believes a grievance does exist, the grievance committee shall, within thirty (30) business days from the event giving rise to a grievance, or from the date the committee could reasonably have been expected to have had knowledge of such event, the Grievance Committee must orally discuss the grievance with the grievant's Battalion Chief or above in order to try

and reach an informal resolution. A decision must be reached by the Grievance Committee within seven (7) business days.

3. **Formal Resolution (Step 3)**

If a grievant is not satisfied with the resolution proposed at the informal level, the grievant may, within five (5) business days of the receipt of such answer file a formal written grievance with the Deputy Fire Chief (as designated by the Fire Chief) for adjustment. The written grievance must contain a statement describing the grievance and the remedy requested by the Grievance Committee. The Deputy Fire Chief shall, within five (5) business days after receiving the written grievance hold a meeting with the grievant. Within five (5) business days after the Deputy Fire Chief's meeting with the grievant, the Deputy Fire Chief will provide a written response to the grievant.

4. **Written Appeal from Formal Decision**

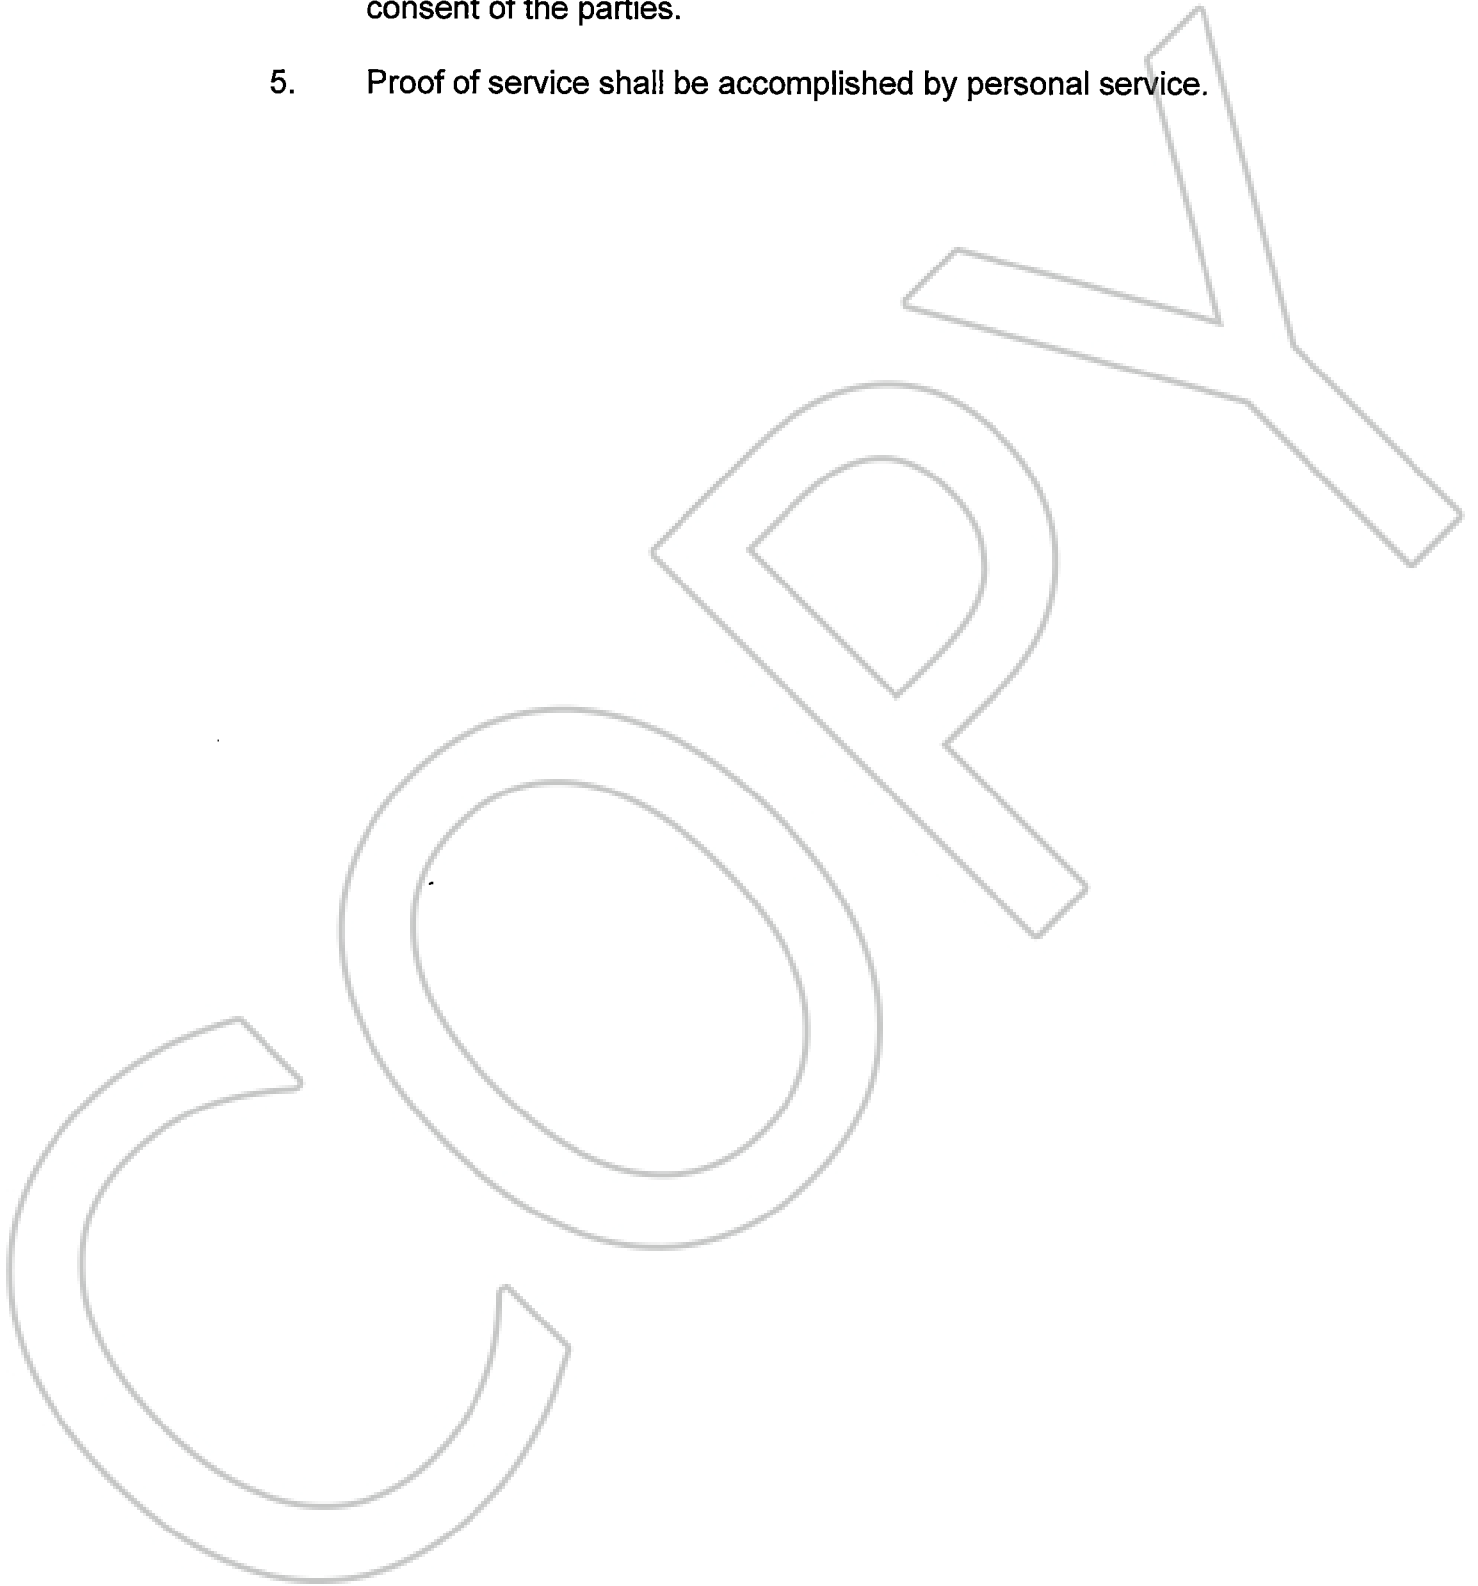

If the grievant is not satisfied with the written response from the Deputy Fire Chief (or designee), the grievant may, within five (5) business days from the receipt of such response, file a written appeal to the Fire Chief. Within twenty-one (21) business days of the Fire Chief's receipt of the written appeal, the Fire Chief (or designee) shall investigate the grievance which may include a meeting with the concerned parties, and thereafter provide a written response to the grievant. The parties understand and agree that the Fire Chief's written response shall be final and binding unless, within fourteen (14) business days of the grievant's receipt of the written response, the Grievance Committee notifies the Fire Chief or designee of its intention to appeal the matter to the External Hearing Officer (EHO). See, Article 18 for External Hearing Officer (EHO).

**C. General Provisions**

1. If the Grievance Committee fails to carry a grievance forward to the appropriate level within the prescribed time period, the grievance shall be considered settled based upon the decision rendered at the most recent step utilized.
2. If the Deputy Fire Chief or Fire Chief fails to respond with an answer within the given time period, the Grievance Committee may appeal a grievance to the next level as if the Committee had received a negative response on the final day of the period available for the response.
3. The grievant may be represented by a person of the grievant's choice.

4. Time limits and procedures may be waived by mutual written consent of the parties.
5. Proof of service shall be accomplished by personal service.

## ARTICLE 17

## Discipline

### A. Basis for Disciplinary Action

The tenure and status of every post-initial probationary unit employee is conditioned on reasonable standards of personal conduct and job performance. Failure to meet such standards shall be grounds for appropriate disciplinary action. Disciplinary action shall be for just cause and may, in addition to the causes set forth in the written personnel ordinances and policies, rules or regulations, be based upon any of the following grounds: failure to fully perform required duties, insubordination, failure to comply with or abuse of written District policies or rules, unexcused absences, misuse or abuse of the District's property or equipment, substandard job performance, conviction of a crime, and commission of other acts which are incompatible with service to the public. If the infraction warrants serious discipline, nothing in this Article precludes the District from imposing the most severe without the progressive disciplinary process.

A copy of the District's adopted policies and procedures will be provided to the Association and to each work site. The Association will receive all updates to the District's policies and procedures in a timely manner.

1. Investigatory Interviews. Prior to an investigatory interview related to disciplinary action, an employee will be notified by the District that he/she may be accompanied by an Association representative. Reasonable notification will be during public access hours and will be a minimum of six (6) hours prior to the investigatory interview, except when circumstances may require the investigatory interview, excluding recognized District's holidays. The interview can be held sooner if agreed to by mutual consent.

### B. Types of Discipline

Five types of discipline are recognized for purposes of applying one of the procedures under this article, they are:

1. Counseling  
Counseling is the process between a Captain or above and a subordinate designed to correct employee problems through the identification of an issue and the creation of an action plan to address the issue. It is utilized for minor discrepancies that can be remedied through early intervention. This may be documented in the current performance evaluation system. Counseling will be conducted by the Captain or above. Counseling is not subject to grievance.

2. **Verbal Reprimand**  
The verbal reprimand is the second step in the disciplinary process whereas Captains or above are unable to correct behavior through the counseling phase. The verbal reprimand reinforces previous counseling sessions and will be documented in the current performance evaluation system in use by the District. Verbal reprimand will be conducted by the Captain or above. Verbal reprimand is not subject to grievance, remedy may be sought through normal performance evaluation process.
3. **Written Reprimand**  
The written reprimand is the next area in the progressive discipline process and should be utilized when the previous steps have failed to correct behavior or when the initial offense or actions warrant such action. A reprimand, the details of which are committed to writing and placed in the employee's personnel file. Any written reprimand will be conducted by the Battalion Chief or higher. A copy of the employee's response to a written reprimand will be attached to the written reprimand and placed in the employee's personnel file in Human Resources.
4. **Short Suspension  
(Severe Disciplinary Action)**  
Includes any disciplinary suspension(s) without pay which, when accumulated with previous disciplinary suspension(s) within a twelve (12) month period, if any, does not exceed two (2) shifts for 56-hour employees and 40 hours for 40-hour employees. Short suspension will be conducted by the Battalion Chief or higher.
5. **Long-Term Suspension, Demotion or Discharge  
(Severe Disciplinary Action)**  
Includes disciplinary suspension(s) without pay of more than two (2) shifts for 56-hour employees or 40 hours for 40-hour employees within a twelve (12) month period, demotion, or discharge. Long-term suspension will be conducted by the Deputy Fire Chief or higher.

**C. Appeal from a Written Reprimand**

The next level of supervisor shall review the reprimand upon the request of the employee prior to the reprimand being placed in the employee's personnel file. The supervisor shall comment on the merits of the reprimand and to the validity of the infraction. The employee may request to have representation during this process.

**D. Notice**

In cases involving severe discipline the person administering the discipline will provide to the employee in person a written statement containing:

1. A description of the events, which necessitated the proposed disciplinary action;
2. A statement of the charges;
3. A statement of the proposed disciplinary action;
4. Notification that the employee may review or make copies of available materials leading to the action; and
5. The right of the employee and an Association representative or counsel to meet with the Deputy Chief or Fire Chief at a given time and place or to submit in writing his/her response to the proposed action;
6. A statement of the employee's right to representation.

**E. Employee's Response**

An employee's opportunity to respond is not intended to be an adversary hearing. However, the employee may present witnesses in support of his/her opposition to the proposed severe discipline. The limited nature of this response does not obviate management's authority to initiate further investigation if the employee's version of the facts raises doubts as to the accuracy of the supervisor's information leading to the proposed discipline. The employee may be accompanied and represented by a person of his choice during this procedure.

**F. Management's Decision**

Following a review of the employee's response to the proposed severe disciplinary action the person administering the discipline will serve the affected employee by personal delivery, a statement signed by him/her indicating, if applicable, management's decision based on the employee's response and, if the proposed action is to be implemented, the specific charges against the employee and the effective date of the action.

**G. Appeal from Severe Disciplinary Action**

The disciplinary hearing decision may be appealed by the employee in accordance with the Grievance Procedure (Article 16) and/or the External Hearing Officer (EHO) Procedure (Article 18) of this agreement.

**H. Acting Battalion Chiefs**

Employees serving in the acting capacity of the Battalion Chief job classification pursuant to Article 6, Section C, will be subject to this Article during said acting capacity.

## ARTICLE 18

No EHO will have the power to amend or modify a negotiated agreement or addenda supplementary thereto or to establish any new terms or conditions of employment. The EHO's authority will be limited only to the application and interpretation of the provisions of this negotiated

agreement. No EHO will have the power to alter, amend or modify any District policy, procedure or regulation.

**E. Matters Subject to EHO Procedure**

Proposals to create, add to, or change this written agreement or addenda supplementary hereto will not be grievable nor submitted to an EHO and no proposal to modify, amend, or terminate a negotiated agreement, nor any matter or subject arising out of or in connection with such proposal, may be referred to this process.

**F. Rules of Evidence**
