TO PROTECT THE SECURITY HEREINABOVE GRANTED, TRUSTOR AGREES:

A. By the execution and delivery of this Deed of Trust, that Trustor will observe and perform all provisions contained herein and in other documents evidencing obligations secured hereby.

B. To keep the Real Property in good condition and repair; not to remove, demolish or substantially alter any building or other improvement that may be erected or placed thereon, except upon written consent of Beneficiary; to complete or restore promptly and in good and workmanlike manner any building which may be constructed, damaged or destroyed thereon to pay when due all claims for labor performed and materials furnished therefore, to comply with all laws, ordinances, regulations, conditions and restrictions affecting the Real Property, or requiring any alterations or improvements to be made thereon; not to commit, suffer or permit waste thereof; not to commit, suffer or permit any act upon the Real Property in violation of any law, ordinance, regulation, condition or restrictive covenant. D. To appear in and defend at its own expense the interest of Beneficiary and Trustee in any action or proceeding purporting to affect the security hereof, or any of the Real Property hereby conveyed, or the rights, powers and duties of Beneficiary and Trustee, including, but not limited to, condemnation proceedings.

E. To pay at least ten (10) days before delinquency all taxes, assessments, sewer use fees and other governmental levies, charges and impositions, general and special, ordinary and extraordinary, unforeseen as well as foreseen, of every kind or nature whatsoever imposed, assessed or levied which may be or become a lien on the Real Property; to pay when due, all encumbrances, charges, and liens, with interest, on the Real Property or any part thereof, which appear to be prior or superior hereto; to pay all costs, fees and expenses of this Trust.

F. Should Trustor fail to pay any of the obligations or to perform any of the agreements, covenants or conditions herein contained, Beneficiary or Trustee may, without notice to or demand upon, and without releasing Trustor from any obligation hereunder, pay any of such obligations or perform or cause to be fulfilled any of such agreements, covenants or conditions, including, but not limited to, paying or compromising any taxes, assessments, liens or encumbrances, charges or claims against the Real Property hereby conveyed or encumbered or any part thereof. In exercising any of the rights or powers herein granted, Beneficiary and Trustee may employ counsel, and incur and pay necessary costs and expenses, including the cost of any title search or title insurance, and counsel fees in a reasonable amount. All sums expended, paid or advanced by Beneficiary or Trustee, under the provisions of this Deed of Trust, shall be immediately repayable by Trustor upon demand, and shall bear interest at the rate of three percent (3%) per annum until paid, and shall, with interest thereon, be secured by this Deed of Trust.

G. As additional security, Trustor gives to and confers upon Beneficiary the right, power and authority during the continuance of this trust, to collect the rents, issues and profits of the Real Property, reserving unto Trustor the right prior to any default by Trustor in payment of any indebtedness secured hereby or in performance of any obligation or agreement secured hereby, to collect and retain such rents, issues and profits as they become due and payable. Upon any such default, Beneficiary may at the time, by a receiver to be appointed by a court, enter upon and take possession of the Real Property, or any part thereof, sue for or otherwise collect such rents, issues and profits including those past due and unpaid, and apply the same, less costs and expenses of operation and collection, including reasonable attorney's fees, upon any indebtedness and obligation secured hereby, and in such order as Beneficiary may determine. The entering upon and taking possession of the Real Property, or any part thereof, the collection of such rents, issues and profits or the application thereof as aforesaid, shall not cure or constitute a waiver of any default or notice of default hereunder or invalidate any act done pursuant to such notice.

IT IS FURTHER AGREED THAT:

(1) Trustor, immediately upon obtaining knowledge of the institution of any proceeding for the condemnation of the Real Property hereby conveyed or any portion thereof, the commencement of negotiations which might result in, or a substantial threat of, any taking under power of eminent domain or sale in lieu thereof, shall notify Trustee and Beneficiary thereof. Trustor will in good faith and with due diligence file, prosecute, negotiate or settle (subject to Beneficiary's right to approve any final settlement) any claim in respect of any such condemnation, taking or sale, and will cause any and all proceeds on account thereof to be paid to the Beneficiary to be applied toward payment of any indebtedness and obligations hereby secured in such order as Beneficiary may determine.

(2) By accepting payment of any sum hereby secured after its due date, Beneficiary does not waive its right either to require prompt payment when due of all other sums hereby secured or to declare a default for failure so to pay.

(3) Upon payment of all sums hereby secured Beneficiary shall forthwith give to Trustee a written request for issuance of its deed of full reconveyance, stating that all sums secured hereby have been paid and that all other obligations of Trustor have been performed, and shall surrender this Deed of Trust to Trustee for cancellation and retention and pay to Trustee its fees. Trustee shall thereupon reconvey the Real Property then held hereunder without warranty. The Grantee in such reconveyance may be described as "the person or persons legally entitled thereto." The recitals in such reconveyance of any matters of fact shall be conclusive proof of the truthfulness thereof.

(4) If breach or default be made in payment of any indebtedness secured hereby or in the performance of any obligation, promise or agreement contained herein or secured hereby, then, at any time thereafter, but during the continuation of such breach or default, Beneficiary may at its option, declare all sums secured hereby to be immediately due and payable without demand or notice; and Beneficiary or Trustee shall record in the office of the Recorder of Douglas County, Nevada, a notice of such breach or default and election to cause the Real Property to be sold to satisfy the indebtedness and obligations secured hereby, as provided by the laws of the State of Nevada with reference to deeds of trust.

On application of Beneficiary, and after not less than the time then required by law having elapsed following the recordation of said notice of default and election to sell, Trustee shall give notice of the time and place of sale in the manner and for a time not less than that then required by law, and without demand on Trustor, Trustee shall sell said collateral at the time and place of sale fixed on said notice of sale, or such part or parts thereof, or such interests therein, and in such order as Beneficiary may determine, at public auction, to the highest bidder for cash in lawful money of the United States to be paid at the time of sale.

Trustee may postpone sale of all or any portions of said collateral by public announcement at such time and place of sale, and from time to time thereafter may postpone such sale by

announcement at the time fixed by the preceding postponement and without further notice. Trustee may make such sale at the time to which the same shall be so postponed.

Trustee shall deliver to the purchaser its deed, bill of sale, and other appropriate documents of conveyance or transfer, transferring or conveying the collateral so sold, but without any covenant or warranty, express or implied. The recitals in any such deed or other documents of transfer or conveyance of any matters of fact stated either specifically or in general terms, or as conclusion of law or fact, shall be conclusive proof of the truthfulness thereof and such deed or other documents of transfer or conveyance shall be conclusive evidence against all persons as to all matters of fact therein recited.

Any person, including Trustor, Trustee or Beneficiary, may purchase at such sale. Trustor hereby agrees to surrender immediately, and without demand, possession of the Real Property to any purchaser at any sale held hereunder.

In the conduct of any such sale, Trustee may act itself or through any auctioneer, agent or attorney. In addition to the indebtedness and other obligations secured hereby, Trustor hereby agrees to pay the expenses of such sale and of this Trust, compensation of Trustee in a reasonable amount, counsel fees in a reasonable amount, and also such sums, if any, as the Trustee or Beneficiary shall have paid for procuring an abstract of title, or search of title, or certificate of title, report or insurance as to the condition of the title to the Real Property, or any part thereof, subsequent to the execution of this instrument, all of such sums shall be secured hereby and be due upon demand. Trustee shall apply the proceeds of any sale held hereunder to the satisfaction of the sums secured hereby, in such order and to such extent as Beneficiary, in the exercise of its absolute discretion, may direct. Any surplus in the hands of Trustee after the payment of all sums secured hereby, shall be paid to the Trustor or such other person or persons legally entitled thereto upon the proof of such right.

Beneficiary, from time to time before the Trustee's sale, may rescind any such notice of default and of election to accelerate the maturity of any indebtedness and to cause said collateral to be sold by executing and delivering to Trustee a written notice of such rescission, which notice, when recorded, shall also constitute a cancellation of any prior declaration of default and demand for sale. The exercise by Beneficiary of such right of rescission shall not constitute a waiver of any breach or default then existing or subsequently occurring, or impair the right of beneficiary to execute and deliver to Trustee, as above provided, other declarations of default and demands for sale, notices of default, and of election to cause to be sold the Real Property to satisfy the obligations hereby secured, nor otherwise affect any provision, covenant or condition to this Deed of Trust, or any of the rights, obligations or remedies of the parties thereunder.

(5) Beneficiary is authorized by itself, its agent or workmen, to enter at any reasonable time upon any part of the Real Property and the improvements situated thereon for the purpose of inspecting the same, and for the purpose of performing any of the acts it is authorized to perform under the terms of this Deed of Trust.

(6) This Deed of Trust applies to, inures to the benefit of, and binds all parties hereto, their heirs, legatees, devisees, administrators, executors, successors and assigns. The term "Beneficiary" shall also include not only the original Beneficiary hereunder, but any future owner, holder or pledgee or assignee of the Promissory Note.

(7) Beneficiary may from time to time by instrument in writing appoint a successor or successors to, or discharge and appoint a new Trustee in the place of, any Trustee named herein or acting hereunder, which instrument shall be executed and acknowledged by Beneficiary and recorded in the office of the Recorder of Douglas County, Nevada, and such successor or successors or new Trustee shall have all the estate, powers, and duties of said predecessor Trustee.

(8) No delay or omission by Beneficiary in the exercise of any right or remedy accruing upon any default or in the doing of any of the matters and things by it permitted to be done under the terms and provisions of this Deed of Trust shall impair any such right or remedy, or be construed to be a waiver of any such default or acquiescence therein, nor shall it affect any subsequent default of the same or a different nature; and every such right or remedy may be exercised from time to time and as often as it is deemed expedient by Beneficiary.

(9) The rights and remedies of Beneficiary upon the occurrence of one or more defaults by Trustor (whether such rights and remedies are conferred by statute, by rule of law, by this Deed of Trust, or otherwise) may be exercised by Beneficiary, in the sole discretion of Beneficiary, either alternatively, concurrently or consecutively, in any order. The exercise by Beneficiary, or by Trustee at the express direction of Beneficiary, of any one or more of such rights and remedies shall not be construed to be an election of remedies nor a waiver of any other rights and remedies Beneficiary might have unless, and limited to the extent that, Beneficiary shall so elect or so waive by an instrument in writing delivered to Trustee.

(10) The following covenants, Numbers 1, 2 (insurance full insurable value), 3, 4 (3%), 5, 6, 7, 8 and 9 of the Nevada Revised Statutes §107.030, when not contained in or inconsistent with other covenants and provisions herein contained, are hereby adopted by this reference and made a part of this Deed of Trust.

(11) Should Trustor or any assignee or successor or Grantee of Trustor execute a general assignment for the benefit of creditors or its equivalent or become a debtor under any bankruptcy proceedings filed under the provisions of the United States Bankruptcy Code, Title II, United States Code, or any other state or federal law, such occurrence shall constitute a default under this Deed of Trust and the Promissory Note hereby secured.

(13) In the event that any provision of this Deed of Trust is declared invalid or inoperable, said declaration shall not affect the validity of any other provision hereof.

(14) Any notice or demand required or permitted to be given by law or any communication hereunder shall be in writing and shall be considered given (a) upon personal service of a copy on the party to receive the notice, demand or communication, or (b) forty-eight (48) hours after mailing such notice or demand by certified mail, return receipt requested, postage prepaid, addressed as follows:

(17) If all or any portion of the Real Property is Transferred from Trustor by deed, contract, execution, instrument or any other mode or means, voluntarily or involuntarily, the Promissory Note secured hereby shall accelerate and the entire balance of principal and interest shall forthwith become due and payable without notice or demand. For purposes of this Deed of Trust, “Transfer” means the sale, transfer, hypothecation, encumbrance, mortgage, conveyance, lease, alienation, assignment, disposition, divestment, or leasing with option to purchase, or assignment of the Real Property, or any portion thereof or interest therein (whether direct or indirect, legal or equitable); if Trustor, any guarantor of any promissory note secured hereby, any direct or indirect general partner of Trustor, or a parent of any of the foregoing is a corporation or trust, the issuance, sale, assignment, alienation, conveyance, divestment, transfer, disposition, hypothecation, mortgage or encumbrance of more than ten percent (10%) of the stock or shares in such corporation, or beneficial interest in such trust; if Trustor, any guarantor of any promissory note secured hereby, any direct or indirect general partner of Trustor or a parent of any of the foregoing is a partnership or a limited liability company, the issuance, sale, assignment, alienation, conveyance, divestment,
