**NOTICE OF RELINQUISHMENT OF EASEMENT RIGHTS and  
TERMINATION OF GRANT OF TEMPORARY CONSTRUCTION & PUBLIC  
DRAINAGE EASEMENT FOR BURKE CREEK**

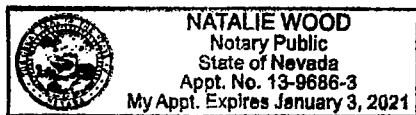

This Notice of Relinquishment of Easement Rights and Termination of Grant of Temporary Construction and Public Drainage Easement for Burke Creek is being recorded to acknowledge, verify and confirm the relinquishment of all easement rights associated with and the termination of the Temporary Grant of Right-of-Entry and Temporary Construction and Public Drainage Easement(s) recorded as Document # 877350 in the Official Record of Douglas County ("Temporary Easement") by and between Sierra Colina, LLC ("Grantor"), and Douglas County, a political subdivision of the State of Nevada ("Grantee").

Grantee hereby acknowledges, verifies, and confirms the Temporary Easement automatically terminated per the explicit terms of paragraph four of the recorded Temporary Easement document. The purpose of the Temporary Easement has been fulfilled as the improvements, facilities and appurtenances associated with portions of the Burke Creek Restoration Project have been installed, constructed and are operational. The Grantee's current rights are determined by the Grant of Permanent Public Drainage Easements for Burke Creek, recorded as Document # 877351. The Temporary Easement is no longer effective and has terminated, and Grantee relinquishes all easements, rights of way and other rights granted thereunder.
